

2016 LINCOLN MKC

It's amazing what can happen when you focus on the here and now. Recognizing and honoring all the beauty that surrounds you in each moment, as well as that which emanates from within. In bringing MKC to life, the artisans of Lincoln looked toward the clean aesthetic of modern architecture and the graceful forms of nature for inspiration. Innovative technologies harmonize with its beautifully sculpted exterior and exquisitely trimmed interior in a uniquely elegant way. Empowering you to live in your moment – the 2016 Lincoln MKC.

THIS IS WHERE OPEN SPACE FEELS LIKE AN INTIMATE PLACE.

We all need a spot to gather our thoughts and find our focus. MKC is made to be yours. Surrounded by the peaceful energy of its stunning interior, you'll relax into the comforting support of the **10-way power front seats¹** with driver's 2-way power-adjustable lumbar support and memory. **Bridge of Weir Deepsoft™ leather** trims the **heated and cooled front seats¹**, which can help keep you content regardless of the weather. Reclining rear seat backs and **heated outboard rear seats¹** are sure to please your passengers. And there's even a **particulate air filter** that traps pollen and other irritants, keeping them out of the cabin so you can breathe deeply and clear your mind.

1 METICULOUSLY CRAFTED SEATS ARE FINISHED WITH FRENCH SEAMS

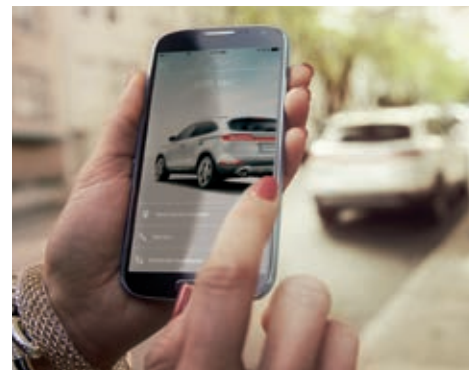

2 HAND-STITCHED WOLLSDORF¹ LEATHER-WRAPPED STEERING WHEEL

3 GENUINE WOOD¹ ACCENTS FURTHER ELEVATE ITS REFINED NATURE

WHERE YOU'RE CALMLY IN CONTROL OF YOUR WORLD.

Presentation matters. Which is precisely why MKC presents its controls to you in such a beautifully simple way. One that feels effortless from the very first time you slide behind its leather-wrapped, heated¹ steering wheel. Position your power driver's seat, power¹ tilt and telescoping steering column, and power, heated sideview mirrors precisely where you like, then use the convenient memory¹ feature to store your settings. MKC will quickly recall them whenever you return. A touch of your finger is all it takes to change gears with the class-exclusive² push-button shift transmission. When you want a little extra soothing, select your favorite hue among the 7 choices of ambient lighting¹ to illuminate the footwells, cupholders and controls. It's easily changed to help you feel your best.

MYLINCOLN MOBILE APP

For premium services at your fingertips, download the MyLincoln Mobile™ app³ – enabled by an embedded modem^{1,3} – to your smartphone. You can use it to schedule your MKC to start remotely at a specific time – repeating daily or weekly – with your customized climate settings.⁴ Even remotely lock and unlock the doors, track its service history and much more.

¹Available feature. ²Class is Luxury Small Utilities. ³Mobile app, compatible with select smartphone platforms, is available through a free download. App version shown will be available via free update in Summer 2015. The embedded modem is included in the Reserve Equipment Group only. Service included for 4 years. Text and data rates apply to usage. Services may be limited by mobile phone network coverage area. ⁴Allows you to adjust to 72° or the last temperature set.

It's important to have a sense of what's happening around you. A **Reverse Sensing System**¹ and rear view camera¹ are both standard on every MKC. The audible alerts and full-color visuals are really helpful when you're backing into or out of tight spaces. And the camera even displays visual guidelines to help you estimate distances.

We could all benefit from a little forward thinking. Thankfully, when you're pulling into a space, the **Forward Sensing System**^{1,2} on MKC sounds an audible tone if its sensors on the front bumper detect an object in front of your vehicle.

Drivers often go out of their way to avoid parallel parking. **Active park assist**^{1,2} with **park out assist** can help take the guesswork – and stress – out of it. Ultrasonic sensors measure open spaces to help the system find a parking spot as small as 1.2 times the length of your vehicle. When it does, take your hands off the wheel, then watch as the system guides you into it, while you control the brake, shifter and accelerator.

AUTO HIGH-BEAM HEADLAMPS²
DIM THEMSELVES WHEN A LIGHT
SOURCE IS DETECTED AHEAD

¹Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. ²Available feature.

Every now and then, we need a little nudge in the right direction. Fortunately, the **Lane-Keeping System**^{1,2} can alert you with steering wheel vibration pulses if it senses you drifting out of your lane, and can then apply steering wheel torque to help direct you to steer back into it. The **Driver Alert System**¹ uses a forward-facing camera to detect lane markings, then emits a chime and displays a coffee cup icon in your gauge cluster if it detects that you've come too close to – or crossed – the lane markers too many times.

It always pays to plan ahead – and your MKC can help with that. Using advanced radar technology to constantly scan for slower vehicles in front of you, **adaptive cruise control and collision warning with brake support**¹ can automatically change your vehicle's speed to maintain your choice of 4 preset gaps – without you having to engage the brake or accelerator pedals. If collision warning with brake support senses a potential collision, the system flashes a warning across the windshield, sounds an alarm, then pre-charges the brakes and increases the brake-assist sensitivity to help provide full responsiveness when you brake.

It can be easy to miss when a vehicle has entered your blind spot. Just as its name suggests, **BLIS® (Blind Spot Information System)**¹ helps keep you aware of things that may be out of your line of sight. The system alerts you with a light in the corresponding sideview mirror³ if its radar sensors detect a vehicle. **Cross-traffic alert**¹ notifies you with an audible warning and a light in your sideview mirror if it detects a vehicle approaching either side as you're slowly backing out of a space.

¹Available feature. Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle.
²Lane-Keeping System does not control steering. ³BLIS replaces standard integrated blind spot mirrors.

INNOVATIVE TECHNOLOGIES

What could be easier than speaking your mind? Our next generation of voice-activated technology – **SYNC® 3** – connects you to the world around you with its straightforward new design and features.¹ Audio, phone, navigation² and other functions are concisely presented on the full-color LCD screen. Whether you command it using simple, everyday language, or swipe its capacitive touch screen, SYNC 3 delivers high-speed performance. Plus, automatic updates over Wi-Fi³ help keep it running at its best, so you can keep your eyes on the road and hands on the wheel.

| SYNC

SYNC 3

Place and answer calls, and control music from your USB device or smartphone, all with simple voice commands. New seamless integration with Siri® Eyes Free brings the power of your iPhone® into your vehicle. Navigation² lets you pinch to zoom maps and makes it easy to enter your destination, find the closest beach or ski resort, and so much more. SYNC AppLink™⁴ lets you control compatible mobile apps by voice too.

((SiriusXM))

SIRIUSXM

Welcome to the World of SiriusXM®⁵ Enjoy more than 150 channels including commercial-free music, plus live sports, news and exclusive entertainment, with a 6-month trial subscription to the All Access package included with your new vehicle. You can also listen online and on the SiriusXM app.⁵ The Navigation System² includes a 6-year prepaid SiriusXM Traffic and Travel Link®⁵ subscription – the longest of any automobile manufacturer⁶ – that gives you detailed traffic and weather information, gas station locations and prices, sports scores and much more.

THX

ENHANCED THX II CERTIFIED AUDIO SYSTEM

Every passenger inside MKC has a front-row seat to the concert courtesy of its Enhanced THX® II Certified Audio System² – a U.S. automotive industry first. Patented sound-processing technology distributes your music's bass evenly throughout the interior and, together with 14 speakers, brings the rich, full sound of the studio to your everyday commute.

HD Radio® Digital AM & FM

HD RADIO TECHNOLOGY

Get more of your favorite music with HD Radio™ Technology.² By broadcasting a digital signal over traditional radio frequencies, HD Radio Technology gives you up to 3 additional channels – per FM station – of new, local content. Plus, it can display on-screen information such as artist, song title, album name and more. And it delivers it all without the need for a subscription.

¹Driving while distracted can result in loss of vehicle control. Only use SYNC/other devices, even with voice commands, when it is safe to do so. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. ²Available feature. ³Optional Navigation System map updates cannot be received via Wi-Fi and require a separate update. ⁴SYNC AppLink is compatible with select smartphone platforms. Commands may vary by phone and AppLink software. ⁵SiriusXM Satellite Radio, SiriusXM Traffic and SiriusXM Travel Link subscriptions are sold separately or as a package by SiriusXM after your trial period, and are continuous until you call SiriusXM at 1-866-635-2349 to cancel. If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. All fees and programming subject to change. See Customer Agreement for complete terms and more information at www.siriusxm.com. ⁶Source: February 2015 analysis of satellite data service offers by SiriusXM to full-line luxury brand vehicles offered in the U.S.A.

ECOBOOST ENGINES

When it comes to power, MKC keeps your options open. Take your pick of two turbocharged engines: a **2.0L EcoBoost®** or **2.3L EcoBoost¹**, both of which deliver refined performance and responsible fuel economy. Thanks to direct fuel injection that delivers fuel right into the cylinders, MKC has an EPA-estimated rating of up to 29 hwy mpg² with the standard 2.0L. Offering you 285 horsepower³ and 305 lb.-ft. of torque,³ the 2.3L EcoBoost¹ rockets you forward with surprisingly graceful acceleration. For a more engaging drive, you can take advantage of the steering wheel-mounted paddle shifters on the **6-speed SelectShift® automatic transmission**. Or you can leave it all to MKC.

¹Available feature. ²EPA-estimated rating: 20 city/29 hwy/23 combined mpg, FWD. Actual mileage will vary. ³Tested with 93-octane fuel.

POWERFUL PRESENCE

This is where technology and life gracefully intersect. **Lincoln Drive Control¹** featuring **continuously controlled damping (CCD)** uses sensors to read the road – and your driving input – every 2 milliseconds, then quickly adjusts the firmness and damping at all 4 tires to help your MKC be in harmony with the road. The system also lets you select between 3 drive modes – Comfort, Normal or Sport – to match your driving style. **Electric power-assisted steering (EPAS)** automatically adjusts your steering for different driving situations. At the same time, **Torque Vectoring Control** automatically adjusts the speed between your front wheels for enhanced cornering and agility.² Handle life's twists and turns, confident in the knowledge that your Lincoln MKC is engineered to adapt.

INTELLIGENT ALL-WHEEL DRIVE¹
CORNERS WITH CONFIDENCE }

¹Available feature. ²Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions.

**WHERE PERFECT FORM MEETS FUNCTION.
AND EVERY DAY STARTS OFF ON THE RIGHT FOOT.**

Controlling the **foot-activated hands-free liftgate**¹ is as simple as kicking your foot beneath the rear bumper. You can even set the opening height that works best for you. As the liftgate rises, you'll gain access to an abundance of space – **53.1 cu. ft.** with the **60/40 split rear seat** folded flat. And MKC easily transforms to meet your changing needs. The **power panoramic Vista Roof**^{®1} with power sunshade opens you and your passengers up to magnificent views, day after day.

¹Available feature.

LINCOLN MKC ANTICIPATES YOUR ARRIVAL FROM ABOUT 9' AWAY AND WELCOMES YOU WITH DISTINCTIVE LIGHTING.

Sensors inside the vehicle detect your key fob as you approach, triggering a seamless series of welcoming events that bring your Lincoln MKC to life.

Designed to delight, its LED exterior lamps gracefully fade up, while a luminous welcome mat featuring the Lincoln logo is cast upon the ground on each side of the vehicle.

As you let yourself inside, note the warm glow of the LED illumination in the door handle pockets, the intensity of which has been fine-tuned for each exterior color.

Relax into the driver's seat and close your door as the auto-folding, power, heated sideview mirrors¹ slide into your personalized position.

Then press the pulsing start/stop button on the instrument panel that's been anticipating your arrival, and make your getaway in true Lincoln style.

SOME OF ITS BEST FEATURES ARE HIDDEN BENEATH THE SURFACE – HELPING KEEP YOU SAFE AND SOUND.

AdvanceTrac[®] with RSC[®] (Roll Stability Control™) helps MKC grip the road and keep you on your intended path.² There are also **7 standard airbags**, including a driver's knee airbag, to help protect you in the event of a collision.

To protect your solitude, noise inside the thoughtfully designed cabin is greatly diminished through the use of **felted wheel wells**, specially **laminated glass** that reduces outside road noise, and pedestal-style door-mounted sideview mirrors that are designed to minimize wind noise. Additionally, **active noise control** uses microphones in the cabin to detect unwanted noises, then sends opposing sound waves through the vehicle's audio system to cancel those sounds. Just another way MKC exceeds expectations.

¹Available feature. ²Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions.

Lincoln Original Accessories will be warranted for whichever provides you the greatest benefit: 24 months/unlimited mileage, or the remainder of your Bumper-to-Bumper 4-year/50,000-mile New Vehicle Limited Warranty. Lincoln Licensed Accessories (LLA) are warranted by the accessory manufacturer's warranty. LLA are designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your Lincoln Dealer for details and/or a copy of all limited warranties.

THE LINCOLN PLEDGE

It's the collective promise of everyone at the Lincoln Motor Company – from our trusted service advisors and expert technicians, to the voice on the other end of the line should you call – that we'll be there for you and your Lincoln wherever, whenever, if ever, you need us.

LINCOLN LIMITED WARRANTIES²

You can rest assured with a 4-year/50,000-mile Bumper-to-Bumper Warranty that covers repair, replacement or adjustment of parts at no additional cost, as well as a 6-year/70,000-mile Powertrain Warranty which features no deductible and is fully transferable.

LINCOLN COMPLIMENTARY MAINTENANCE³

We are pleased to offer complimentary maintenance for 2 years/24,000 miles. At no charge to you, your maintenance visits will include an oil and filter change, and tire rotation, scheduled to accommodate your busy life.

LINCOLN ROADSIDE ASSISTANCE FOR LIFE³

Help is only a phone call away, should you run out of fuel, lock yourself out of the vehicle, or need towing to the closest Lincoln dealership – or to your preferred Lincoln dealership within 100 miles. For the original owner, the Lincoln Roadside Assistance program provides these services 24/7 for as long as you own the vehicle – at no charge.

COMPLIMENTARY CAR WASH⁴

At the completion of any service on your Lincoln, drive away from the dealership in a clean vehicle that looks just as beautiful as the day you bought it. It's just another shining example of our commitment to you.

COURTESY VEHICLE⁴

Should your Lincoln require warranty service, you can count on us to be there for you with a courtesy vehicle. It's just one more way to let you know that we'll be here for you.

SERVICE PARTS WARRANTY

We'll stand behind our service – and you – with a 2-year, unlimited-mile warranty on both parts and labor.

LINCOLN CLIENT RELATIONSHIP CENTER

As the owner of a Lincoln, you can take comfort in knowing that we're always by your side. Our caring agents are empowered to handle your concerns – no matter how big or small they may seem.
