SERVICE

Ford

THE UNIVERSAL CAR

PARTS

Genuine Ford Service and Genuine Ford Parts are synonymous. Ford Service means the use of Genuine Ford and Fordson Parts when replacements are necessary, and the use of Genuine Ford and Fordson Parts means better service from your Ford Car, Truck or Fordson Tractor.

We are thoroughly equipped to render Ford service of the very highest order, and with the least expense to you. Here your car, truck or tractor will receive just as much care whether you bring it to us for a minor adjustment, a repair or a complete overhauling.

Our workmen are expert Ford Mechanics. They know Ford Mechanism and have the machinery, the tools and the genuine parts with which to do the work.

When the job is finished it will be well done—the service will be prompt and the charge will be reasonable.

Drive your car in today and let us look it over.
