

We  
thought of  
everything

1999 Caravan  The New Dodge

**Still the best.** *You've got things to do, places to go, and people to see. You're the active person we thought of when we created the latest refinement of an automotive original that continues to outsell its many rivals.*

*For the extra room you want, we built Caravan's outside from the inside with space-saving cab-forward design.*

*We made that room easy to get to by including a standard second sliding door on the driver's side of nearly every model (optional on base Caravan). And we made that room easy to use with unique Easy Out Roller Seats.<sup>®</sup>*

*Because one engine or powertrain does not fit all, we engineered a wide choice of four engines, an all-wheel-drive system, and the performance and added control of a new AutoStick<sup>®</sup> Driver-Interactive Transaxle Shifter.*

*We thought about safety — and developed Next Generation driver and front-passenger air bags,\* a Comfort-Fit Seat Belt System,<sup>™</sup> and optional Integrated Child Seats.<sup>†</sup>*

*We thought about choice — and provided the biggest lineup of models in its class to match your needs.*

*It's no wonder then that, in 1998, Caravan was*

*named Automobile Magazine's "1998 All-Star Best Minivan," one of SmartMoney's "1998 Best Buys of The Year," and a Consumer's Digest "1998 Best Buy." And for 1999, Dodge Caravan is better than ever. And still the best.*

*Certified to the Federal Regulations that allow less forceful air bags. Always use seat belts. Remember a backseat is the safest place for children. For children at least one-year old, weighing between 22 and 50 pounds and no more than 47 inches tall.*

# Everything but a flight plan.

Command the road in an ergonomic cockpit that puts the controls within an arm's-length reach of most drivers. Forward visibility is the best in its class, and the tilt steering column adjusts to 10 positions.

New heated driver and front-passenger seats are available with the new optional leather interior on ES models.

New AutoStick® Driver-Interactive Transaxle Shifter lets you choose between automatic or manual shifting as you drive.

Details on page 14. Standard on ES models.

A power driver's seat reclines and adjusts eight ways for maximum comfort. Standard on LE and ES models, available on Sport models.

Front seat Dual Zone Temperature Controls let you create separate temperature zones and controls for the driver and front-seat passenger. The front climate control system is divided in half, each side producing air at the desired temperature. Standard on all LE and ES models, included with rear A/C on Grand Caravan SE and Sport models.

**Mid-Cabin Comfort Control** directs airflow to passengers in the middle seat with upper and lower outlets. An industry first, it's standard on most Caravan models.

New cargo net between the front seats keeps small items from rolling around.

An overhead console with a mini-trip computer is standard on Caravan LE and ES and on Sport models with the N Package; also included with rear A/C on SE and Sport models with D and E Packages. A HomeLink® Universal Transmitter garage door opener is included on ES models.

Up to ten speakers and 200-watts of bass-booming power are available from a choice of five audio systems for sound that rivals home stereos. See Sound System availability on page 23.

New steering wheel-mounted audio system controls are included on ES models for volume, station selection and CD operation.

# It's not just the room, but what we've done with it.

*Cab-forward design creates adult-size room for your head, hips, shoulders, and legs — with generous walk-through room between the seats.*

*Seven-passenger deluxe seating features an intermediate bench seat and a rear bench seat that can fold forward and backward. All bench seats are Easy Out Roller Seats® for easy relocation or removal. Standard on all models except base.*

*Rear-seat head restraints for outboard occupants in the middle and rear seats are standard and easily removable.*

*Quad Command bucket seats in the middle-seat location are optional on all models except base. The seatbacks recline for comfort or fold flat to carry cargo, and the seats can be easily removed.*

*Front seats are available on LE and Sport models with the N package for comfort and increased knee room for passengers in the middle seat.*

*Rear seatback hooks are a handy way to carry plastic grocery bags.*

*An instrument panel drawer includes a convenience/coin tray and two adjustable cup holders.*

*Facial tissue and other small items can be stored in up to 12 places, depending on model and equipment.*

*Lockable storage drawer secures items under the front-passenger seat.*

*Up to 14 cup holders, depending on model and equipment, hold all kinds of cups, mugs, glasses, cans, juice boxes, and extra-large containers.*

# Go configure.

*Easy Out Roller Seats® feature retractable wheels under the middle and rear bench seats that snap down and up for relocation or removal. A red reminder button pops out of each release handle until you properly lock the seat so it can't move.*

*Each seating is standard on all models. Command seating optional on all models except base.*

*“Limousine” position allows the intermediate bench seat to be repositioned for more second-row leg room.*

*Dodge Caravan has an overall length of 186.3 inches and up to 142.9 cubic feet of room.*

*The convenience of a second sliding door is optional on base Caravan and standard on all other models.*

**Dodge Grand Caravan** has an overall length of 199.6 inches and 168.5 cubic feet of cargo room. For more information on dimensions, see page 23.

**Heavy-load/firm-ride suspension** is available for increased ride control with heavy loads or if you simply prefer a firmer ride.

**Load-leveling suspension** with self-leveling rear suspension shock absorbers is optional on selected models for a level ride with light or heavy loads. Described on page 14.

**Unobstructed underseat storage** holds long items such as skis and, on Dodge Grand Caravan models, up to 28 2x4s.

A 750-pound, 94-inch long motorcycle can be carried in a Grand Caravan with the liftgate closed.

Grand Caravan carries 4' x 8' sheets of material on its flat cargo floor with the liftgate closed. Or carries a 4' x 8' sheet on top of the folded deluxe middle and rear seats, also with the liftgate closed.

**Cargo space behind the rear seat** is 13.6 cubic feet in a Caravan and 20.3 cubic feet in a Grand Caravan.

Cargo shown for demonstration purposes only. Properly secure all cargo before transporting.

2001  
2001/01

# Fun-wheel drive.

*An all-wheel-drive system (AWD) provides extra traction and handling when you need them most. Under normal driving conditions, up to 90 percent of the AWD system's power is delivered to the front wheels. When reduced traction occurs, AWD retains control through an interaxle coupling that shifts additional torque to the rear wheels as needed. The AWD system is completely automatic and requires no special driving skills. Available on Grand Caravan SE, LE and ES models.*

*New AutoStick® Driver-Interactive Transaxle Shifter provides the convenience of an automatic transmission with the added driver interaction and control of a manual transmission. A switch on the steering column lets you instantly shift back and forth from automatic to manual mode — even as you drive. No clutch pedal is used. AutoStick lets you launch your Caravan in second or third gear for extra traction on slippery or uphill surfaces and for manual downshifts to maximize braking when driving downhill. In addition, it allows maximum control under passing and cornering conditions. Standard on ES models.*

*Low-Speed Traction Control — standard on ES and optional on LE models (except AWD) — helps keep the driving wheels from spinning during acceleration at speeds up to 25 miles per hour. When a driving wheel loses traction on a slippery surface, the system applies the brake to the free-spinning wheel while the wheel with traction receives the driving torque to keep the vehicle moving.*

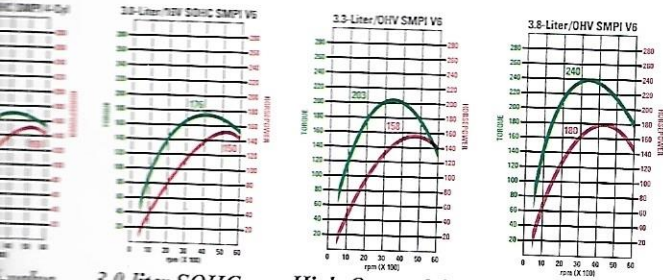

*Load-leveling suspension with self-leveling rear shock absorbers is noiseless, completely automatic and has no external sensors or wiring.*

*When the weight of the vehicle's load depresses the suspension — especially when towing — the system adjusts itself and returns the vehicle to its optimum height for full suspension travel and a level ride. (Standard on AWD models; optional on Caravan LE*

The Dodge/Skip Barber Driving School and the Skip Barber Racing School have chosen Dodge as the exclusive supplier of vehicles and engines for all of their teaching and racing operations. For information, call 1-800-211-1131, e-mail [speed@skipbarber.com](mailto:speed@skipbarber.com) or visit the Web site at [www.skipbarber.com](http://www.skipbarber.com)

**3.0-liter SOHC SMPI V6\*** has a broad, flat torque curve for instant response. (Optional on base Caravan models.)

\* Built by Mitsubishi Motors Corporation. Not available in CA, MA or NY.

**High-Output 3.3-liter OHV SMPI V6\*** delivers high torque over a wide range with good fuel economy.

(Standard on base Grand Caravan and on all SE, Sport and LE models.)

\* 3.3L engines outside of CA, MA and NY have flex fuel (ethanol and/or unleaded gasoline) capability.

**High-Output 3.8-liter OHV SMPI V6** provides extra muscle to tow heavy loads and maximize performance.

(Standard on ES and AWD models; optional on Sport and LE models.)

**1999 Dodge Caravan Towing Capacities**

A. Up to 2,000 pounds\* for all Dodge Caravans with the four-speed automatic transaxle. Maximum combined weight of vehicle and trailer should not exceed 6,350 pounds.

B. Up to 3,500 pounds\* for a Dodge Grand Caravan SE, Grand Caravan Sport, Dodge Caravan LE or Grand Caravan LE equipped with a High-Output 3.3-liter OHV SMPI V6 engine or the Grand Caravan ES with the 3.8-liter SMPI V6 (available on Sport/LE models), plus the four-speed automatic transaxle and the Trailer Tow Prep Group. Maximum combined weight of vehicle and trailer should not exceed 8,300 pounds.

MAXIMUM TRAILER WEIGHT TRAILER FRONTAL AREA NOT TO EXCEED 32 SQUARE FEET

# Unibody and soul.

*Cab-forward design* positions the front wheels forward and toward the corners for maximum interior room and a wide track.

*A low profile* minimizes air drag with a low hood, steeply raked windshield, front air dam, and nearly flush front door side glass.

*Cast aluminum front suspension crossmember* is 20 pounds lighter than a similar steel design and has tuned rubber isolators to control vibration and noise.

*Tough Unibody construction* welds body sheet metal and structural members into one strong framework, for maximum rigidity and low weight.

*Box-section construction* is used for windshield pillars, bodyside sills, door opening frames, and other areas where extra strength is required.

*Almost 50 pounds of noise reduction body materials help make Caravan one of the quietest vehicles in its class.*

*A 63.0-inch wide front track helps provide car-like maneuverability and parking ease. The turning diameter is only 37.6 feet for a Dodge Caravan and 39.5 feet for a Dodge Grand Caravan.*

*Two full-door weatherstrip seals and a third seal on the top of each*

*keep out the weather and reduce road noise.*

*An antichip epoxy polyester primer on the entire body provides superior protection against damage from road debris and the sun.*

*A full-perimeter tubular weatherstrip seals the liftgate opening. An additional weatherstrip at the top of the opening also helps keep the cargo area dry.*

*Sliding door hinge tracks are mounted outside the passenger compartment for a sleek appearance.*

*Outstanding bending and torsional stiffness minimizes vibrations while firming up the ride and handling.*

*Body side sills are*

# Built for a world of tailgaters

*Dodge Caravan shown in Alpine Green*

*Forward up and down visibility overall is best-in-class from a sloping hood, low instrument panel, high-angled windshield header, and one of the largest windshields in Caravan's class.*

*Automatic dimming driver-side exterior mirror and interior rearview mirror reduce glare from vehicle headlights and is standard on Grand Caravan ES models.*

*Automatic on/off headlamps turn on or off depending on the exterior light level. Standard on Grand Caravan ES.*

*Electric windshield wiper de-icer prevents the buildup of ice at the base of the windshield and on the wiper blades. Optional on base, standard on all other models.*

*Next Generation dual front air bags\* include an Enhanced Accident Response*

*System that turns on interior lights and unlocks power door locks† if the air bags are deployed and the electrical system remains intact.*

# Seaters, and lane changers.

*... dual Integrated  
... fold, recline  
... a five-point  
... harness for  
... A single  
... Child Seat\* is  
... able with Quad  
... d seating.*

*...-Fit Seat Belt  
... includes Unibelt  
... der restraints for  
... ard passengers,  
... o belt for the center  
... r in the three-  
... r bench seat.*

*Four-wheel ABS is standard on most models (optional on base) to further maintain directional stability by preventing wheel lockup.*

*All windows are tinted. Solar-control windshield glass and deep-tinted sunscreen glass for the side and liftgate windows are available on air-conditioned models.*

*Fuel filler lockout prevents the driver-side sliding door from opening when the fuel door is open.*

*Available remote keyless entry system features a "panic" mode that turns on interior lights, flashes the headlights, and blows the horn.*

*Shoulder belt height adjusters are standard for outboard passengers in the middle-seat position, as well as for the driver and front passenger.*

*\* Certified to the Federal Regulations that allow less forceful air bags. Always use seat belts. Remember a backseat is the safest place for children.  
† On vehicles so equipped.  
‡ For children at least one year old, weighing between 22 and 50 pounds and no more than 47 inches tall.*

# Standard features and options.

## Caravan and Grand Caravan models include:

- Air Bags\*** — Next Generation driver and front-passenger
- Speed** — 5 mph
- Corrosion Protection** — Galvannealed steel, phosphate dip treatment, electrocoating dip primer coat, thick antichip coat on lower body, full-body antichip coat, base (color) coats, initial clear coat and final clear coat
- Wheels** — Up to 14 depending on seating configuration and wheelbase
- Windows** — Front side windows
- Locks** — Child-protection rear (sliding doors)
- Structural Side-Impact Intrusion Protection** — Steel side-guard door beams and structural reinforcements
- Advanced Accident Response System** — See page 20
- Exhaust System** — Stainless steel

- Fuel Door** — Driver-side, with interlock feature on vehicles equipped with driver-side sliding door
- Grocery Bag Hooks** — Rear seatback
- Mirrors** — Dual visor vanity with sunshade extensions
- Power Outlets** — Front and rear, 12V DC with teathered covers
- Seat Belts** — Comfort-Fit Seat Belt System™ with height adjustable shoulder belts at front and intermediate outboard positions
- Seats** — Easy-Out Roller Seats® (Bench seats only)
- Windows** — Tinted glass
- Wiper System** — Liftgate, continuous and intermittent with vehicle speed-sensitive intermittent mode
  - Windshield, two-speed with speed-sensitive intermittent mode

\* Certified to the Federal Regulations that allow less forceful air bags. Always use seat belts. Remember a backseat is the safest place for children.

## Fabric / Trim

Selection of seat coverings include (from left to right): **Newport Cloth trim** (shown in Camel, also available in Mist Gray and Silver Fern) on Caravan and Grand Caravan Base, SE and Sport models. **Wilmington Cloth trim** (shown in Mist Gray; also available in Camel and Silver Fern) on Caravan and Grand Caravan LE and ES; included on Caravan and Grand Caravan Sport with the CPOS<sup>SM</sup> N package. **Wanderer Leather trim** (shown in Mist Gray, also available in Camel) optional on Caravan and Grand Caravan LE and ES models.

# Dodge accessories from Mopar.

*Will it fit? Will it match? Will it work the way it's supposed to? Those are questions you don't have to ask about Dodge accessories from Mopar, because they were designed for your Caravan by the same thoughtful Dodge team that created it.*

**We make the difference.**

© 1999 Dodge

Ask your Dodge dealer for a free copy of the 1999 catalog showing the complete line of Mopar Accessories available for your Caravan.

Mopar Accessories are covered by the 3-year/36,000-mile New Vehicle Limited Warranty or by the 5-year/100,000-mile Mopar Limited Warranty — whichever is more favorable to you. See your dealer for details and a copy of the warranty.

**Hood Cover**  
A vinyl cover protects the hood edge from gravel, insects and road debris.

## **Ski Carriers**

A horizontal carrier, used with a Mopar Original Equipment Roof Rack, carries up to four pairs of skis. A modular carrier, used with a Mopar Multipurpose Roof Rack, holds two pairs of skis. Four modules can be installed.

## **Running Boards**

Custom designed in colors that match lower body or trim colors, these sturdy running boards enhance your Caravan's styling while providing easy entry and exit. Instead of fiberglass that can shatter, Mopar makes them from steel armored with Santoprene® thermoplastic-covered cladding. Also available in aluminum.

## **Hitch-Mounted Fold-Down Bike Carrier**

Carries two or up to four bikes with horizontal-style top tubes and includes an adapter for bikes without horizontal top tubes. A fold-down feature allows access to the cargo area without removing the bikes.

## CustomerOne

Chrysler Corporation and its dealers have made a long-term commitment to outstanding customer service. More than 100,000 dealership management, sales and service people are participating in the most extensive educational initiative in automotive history. It's called Customer One and it establishes one unbreakable rule: Treat every customer with the honesty and respect they deserve.

**3/36 Customer One Care™ Plan**  
Your Dodge vehicle is covered by Chrysler Corporation's 3/36 Customer One Care Plan.\*

This coverage includes a 3-year or 36,000-

mile Bumper-To-Bumper Limited Warranty as well as roadside assistance for 3 years or 36,000 miles. Call 1-800-521-2779 for 24-hour, 7-day-a-week emergency road service.<sup>†</sup> A 5-year or 100,000-mile Outer-Panel Rust-Through Limited Warranty covers the repair of exterior sheet metal if perforated by corrosion. Restrictions apply. See your dealer for details.

\*Excludes wiper blades, clutch and brake linings, brake rotors and drums, normal maintenance items and tires (covered by their own manufacturer's warranty).  
† Road service provided by Cross Country Motor Club, Inc. (In California, Cross Country Motor Club of California, Inc.)

CHRYSLER

# Service Contracts

*Be Serious About Service*  
Additional protection for Dodge owners is available through optional Chrysler Service Contracts. These service plans are available in a variety of time and mileage combinations to meet your driving needs. Ask your dealer for more information or call 1-800-442-2666.

**Mopar** To keep your CUSTOMER CARE Dodge vehicle performing at its optimum, make sure it's serviced regularly at your Dodge dealership, where highly-trained technicians have access to a complete stock of Mopar replacement parts and the sophisticated equipment today's cars demand.

## CHRYSLER FINANCIAL Chrysler Financial\*

offers a full range of automotive financing which provides flexible terms for qualified buyers. Many of these plans can be customized to fit your particular budget and make your new vehicle even more affordable. They include the College Graduate Program and Gold Key Lease short-term financing. Ask your Sales Consultant for details.

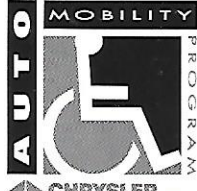

\* Chrysler Financial's programs are offered subject to availability and state and local laws.

**Chrysler Lease Plans**  
Chrysler Financial's Gold Key Lease has the flexibility to fit your vehicle choice and your lifestyle. If the idea of driving a new vehicle more often without penalties sounds great, ask about Gold Key Lease.

## ON THE JOB Commercial operators of eligible

Dodge cars, trucks, and vans can learn about our Dodge "On The Job" program by calling 1-877-ON THE JOB.

**Commercial Finance Options**

**The New Dodge**

# We're all about change.

*There is no status quo at Dodge. We've transformed the way people drive with new kinds of vehicles that are an embodiment of the latest technologies. Alternate fuels, exotic materials, and new configurations are constantly being explored. Advances in safety technology, suspension systems, engine dynamics, and ergonomics are continually evaluated. Because we know that no matter how fast things change these days, people still want cars and trucks that are good looking, well-built, and exciting to drive. And to ensure that you get all the information you need to make an intelligent purchase, there are automotive experts awaiting your call at 1-800-4-A-DODGE. We've also created a Web site you can visit at anytime from anywhere in the world at: [www.4adodge.com](http://www.4adodge.com).*
