

2004 CHRYSLER SEBRING COUPE

It moves without moving. It shouts without making a sound. It deftly strikes a balance without so much as a warning. The Sebring Coupe. A powerful study in vehicular understatement. Precision crafted to comfort its passengers, while exhilarating its driver. Athletically inclined. Thoroughly refined. Unabashedly sleek. We invite you to experience the pleasures of a well-made machine, to live the life. To drive with passion. Sebring.

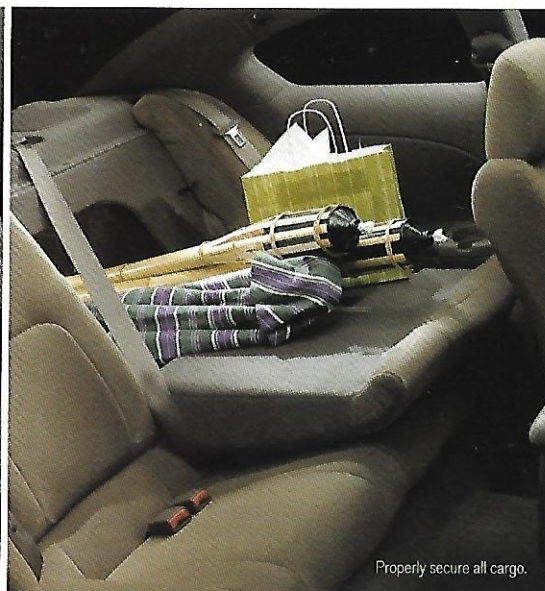

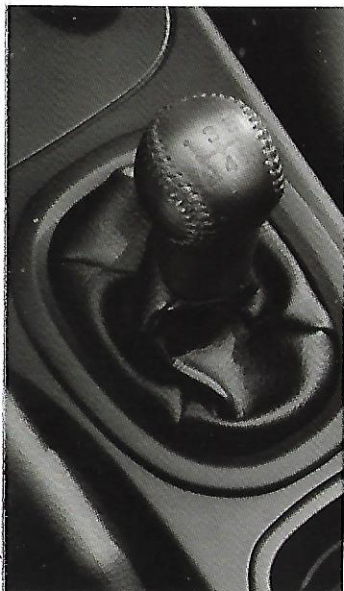

LIMITED IN ICE SILVER PEARL COAT

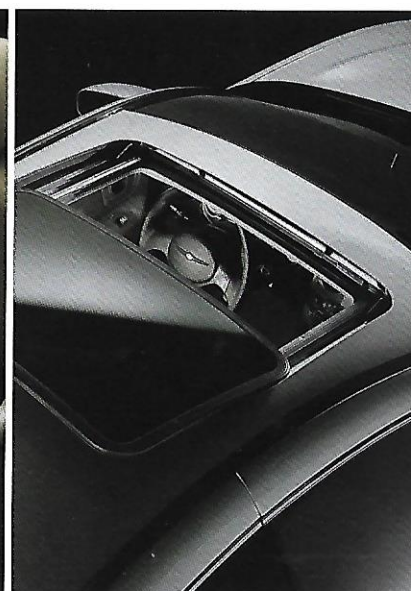

Sebring Coupe is built with extraordinary care. Its fit and finish reflect that. But there's a secret to this stylish two-door's wide acceptance, and here it is. Drivers do not live entirely by response to control input. Some actively elevate their driving experience with small indulgences.

Properly secure all cargo.
