

2004 Honda  
**Pilot**

The Pilot, entirely designed and built by Honda for big **adventure**, is a big success with the press and the public. With its 240-hp V-6, 5-speed automatic, on-demand 4WD and seats for up to eight, it'll be an all-around hit with your family, too. There's no mistaking Pilot's purpose. It was designed to capture the **rugged** feel of the outdoors. But like every Honda vehicle, it shows off a timeless, handsome style as well.

**Pilot can handle just about any demand** you or the road can throw its way. Pilot won the large sport-utility category in the *Car and Driver* "5Best Trucks" competition for 2002 and again in 2003.

## Specifications and Features

| Engine  | Pilot LX                | Pilot EX          |
|---|-------------------------|-------------------|
| Type: Aluminum-Alloy V-6                                | •                       | •                 |
| Displacement ( <i>liters</i> )                          | 3.5                     | 3.5               |
| Horsepower @ rpm ( <i>SAE net</i> )                     | 240 @ 5400              | 240 @ 5400        |
| Torque ( <i>lb.-ft. @ rpm</i> )                         | 242 @ 4500              | 242 @ 4500        |
| Compression Ratio                                       | 10.0:1                  | 10.0:1            |
| Valve Train: SOHC 24-Valve VTEC™                        | •                       | •                 |
| Fuel System: Multi-Point Fuel Injection                 | •                       | •                 |
| Direct Ignition System: Electronic w/Immobilizer        | •                       | •                 |
| 105,000-Mile Tune-Up Interval*                          | •                       | •                 |
| Drivetrain  |                         |                   |
| Type: Variable Torque Management 4-Wheel Drive (VTM-4™) | •                       | •                 |
| Automatic Transmission: 5-Speed                         | •                       | •                 |
| Final Drive Ratio                                       | 4.428                   | 4.428             |
| Body/Suspension/Chassis                                 |                         |                   |
| Body Type: Unit Body                                    | •                       | •                 |
| Suspension: Front Strut/Rear Multi-Link w/Trailing Arms | •                       | •                 |
| Stabilizer Bar ( <i>mm, front/rear</i> )                | 23.0/20.0               | 23.0/20.0         |
| Variable-Assist Power Rack-and-Pinion Steering          | •                       | •                 |
| Turning Diameter, Curb-to-Curb ( <i>ft.</i> )           | 38.0                    | 38.0              |
| 4-Wheel Disc Brakes w/Anti-Lock Braking System (ABS)    | •                       | •                 |
| Electronic Brake Distribution System (EBD)              | •                       | •                 |
| Angle of Approach/Departure ( <i>degrees</i> )          | 28.5/23.0               | 28.5/23.0         |
| Minimum Ground Clearance ( <i>in.</i> )                 | 8.0                     | 8.0               |
| Wheels  | 16" x 6.5" Styled Steel | 16" x 6.5" Alloy  |
| Tires: All-Season                                       | P235/70 R16 104S        | P235/70 R16 104S  |
| Exterior Dimensions                                     |                         |                   |
| Wheelbase ( <i>in.</i> )                                | 106.3                   | 106.3             |
| Length ( <i>in.</i> )                                   | 188.0                   | 188.0             |
