

Imagine a game where you draw a card and it tells you to go on some adventure. It could be most anything—hiking in the mountains, sandcastle-building at the beach, even a scavenger hunt in Peoria. If you drive a CR-V, it's no contest. CR-V's gung-ho versatility and roominess put it way out front, while typical Honda virtues of innovation and efficiency keep it there. Plus, the 2005 CR-V gets lots of updates like advanced safety engineering for every model and a handsome, leather-trimmed Special Edition too. Ready to play?
