## SAFETY THROUGH ENGINEERING

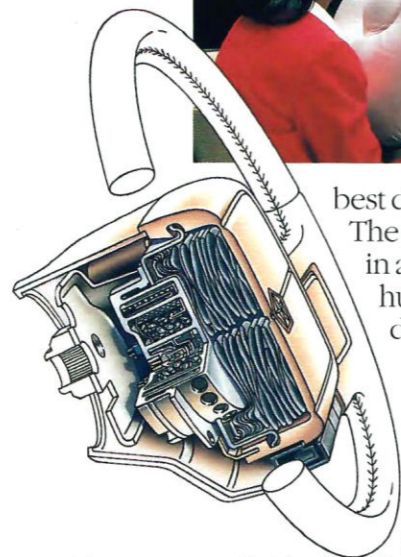

The very first Chrysler was equipped with the advantage of four-wheel hydraulic brakes in 1924. Since then, we've been a leading pioneer of automotive safety — from safety-padded front seatbacks (1937) and Safety-Rim wheels (1941) to a safety-cushioned dashboard (1949), four-wheel disc brakes (1950) and front shoulder safety harnesses (1966). And, for 1992 ...

Simulated air bag deployment shown.

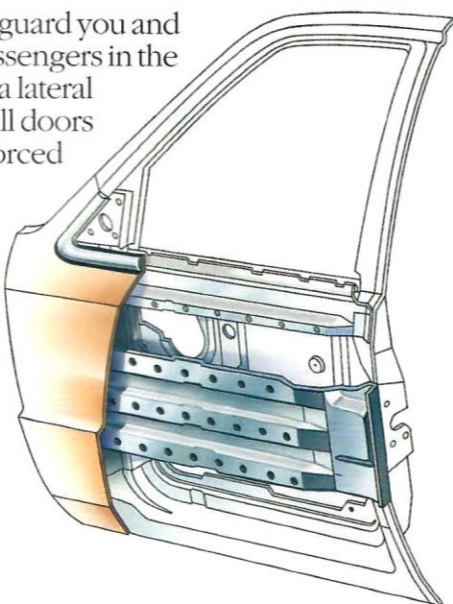

All Chrysler-Plymouth air bag systems\* are factory-certified and feature gold-plated terminals to resist corrosion and aid deployment. The air bag in combination with a lap/shoulder belt is one of the best driver protection systems available today.

The supplemental driver-side air bag is located in a module at the center of the steering wheel hub and is designed to activate when sensors detect a frontal collision of 12 mph or more.

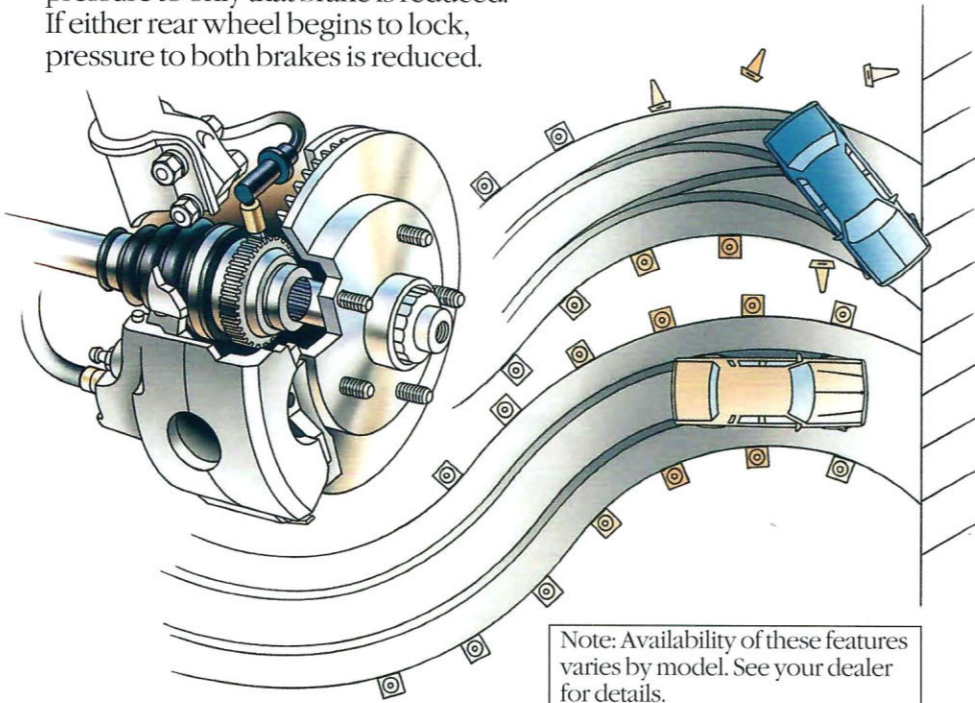

To help guard you and your passengers in the event of a lateral impact, all doors are reinforced

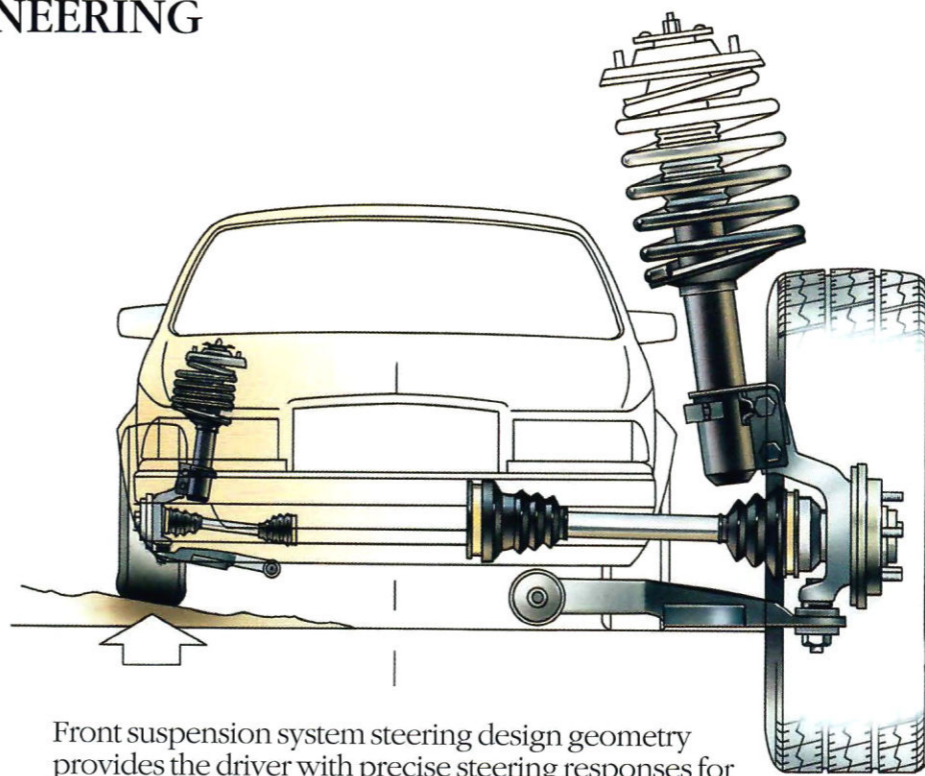

with strong steel side door beams. Unibody construction — body sheet metal and frame members welded into one sturdy unit — adds structural strength to passenger compartment safety.

A four-wheel antilock brake system (ABS) helps the driver maintain steering control by preventing wheel lockup during severe braking. Special wheel sensors detect impending lockup, allowing a microprocessor to selectively adjust braking pressure. If one front wheel starts to lock, pressure to only that brake is reduced. If either rear wheel begins to lock, pressure to both brakes is reduced.

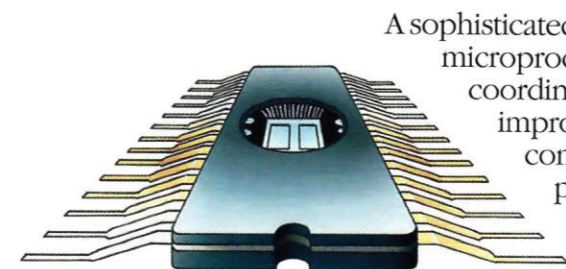

Note: Availability of these features varies by model. See your dealer for details.

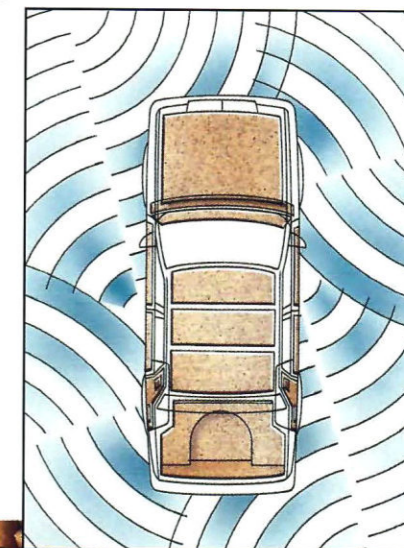

Front suspension system steering design geometry provides the driver with precise steering responses for superb handling. The system features gas-charged struts and shock absorbers. Front-wheel drive adds to directional stability and also helps you maintain traction in foul weather.

To safeguard your vehicle while you're away, an Electronic Vehicle Security System is available. (Dealer-installed.)

A sophisticated network of microprocessors makes coordinated decisions to improve safety, increase comfort, enhance performance and reduce emissions.

And to help give you a quieter interior, sound deadeners, baffles, isolators, seals, silencers and an extensive amount of acoustic cavity stuffers and mastic patches have been placed strategically.

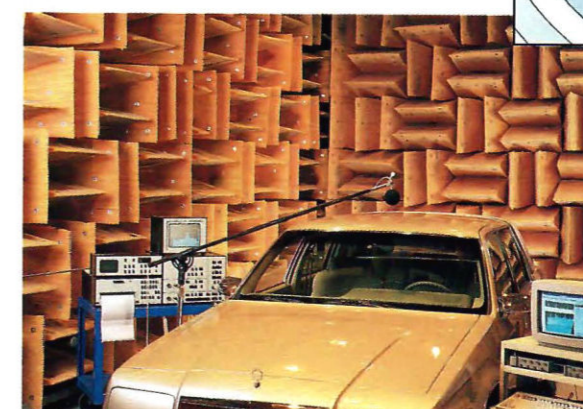

About this catalog. We have tried to make this catalog as complete as possible. However, since the time of printing, some of the information you'll find here may have been updated. Your dealer has details, and you should ask him for current information before ordering.

\*Excludes vehicles built for Chrysler: Imports, Plymouth Laser.

The driver-side minivan air bag provides added safety only when seat belts are worn.

Both Integrated Child Seats offer five-point belt systems for use with toddlers, or the driver-side position converts to a booster seat for use with a standard Unibelt.

Some of the equipment shown or described throughout this catalog is available at extra cost.

## CHRYSLER IMPERIAL

As the flagship of the Chrysler line, the Imperial offers unprecedented levels of sophisticated elegance and automotive technology. Its padded vinyl landau roof, classic opera windows and distinctive wire wheel covers give Imperial a limousine-like appearance. Step inside and discover

a quiet interior where you are surrounded by remarkable luxury, comfort, convenience and safety. On the road, a 3.8-liter SMPI V6 engine and four-wheel antilock disc brakes add driving pleasure. Imperial — a world-class performer with world-class features. Advantage: Chrysler.

Imperial, shown in Light Champagne Metallic Clear Coat.

## CHRYSLER NEW YORKER FIFTH AVENUE

Restyled for 1992, Fifth Avenue's front and rear lines are subtly curved — but still suggest the tradition of its classic styling. Beneath Fifth Avenue's slanted hood an available 3.8-liter SMPI V6 or a standard 3.3-liter SMPI V6 engine awaits your command. A computer-

controlled four-speed automatic transaxle complements your engine choice. Fifth Avenue's room and comfort are stretched out over a 109.6-inch wheelbase. Inside, a luxurious interior with a comprehensive array of standard features. Advantage: Chrysler.

New Yorker Fifth Avenue, shown in Midnight Blue Metallic Clear Coat.

Available Mark Cross Ultra-soft leather-with-vinyl-trim interior, shown in Black.

Available Mark Cross Ultra-soft leather-with-vinyl-trim interior, shown in Midnight Blue.

## CHRYSLER NEW YORKER SALON

The 1992 Salon integrates modern, smoothly rounded lines with a classic landau roof — a heritage from past New Yorkers — that's available for the first time on a Salon. Salon's rear doors open wide to an interior that offers a high level of comfort and convenience. Individually adjustable

50/50 front seats with dual center armrests provide comfortable room. And even though the Salon is the lowest-priced New Yorker, it comes with the kind of features you expect from a Chrysler. New Yorker Salon for built-in value and safety. **Advantage: Chrysler.**

## CHRYSLER LEBARON SEDAN

LeBaron Landau Sedan's handsome styling cues recall the glory of the legendary LeBaron coachworks. Up front a translucent Pentastar crystal hood ornament leads the way. The padded vinyl landau roof adds a touch of class and is complemented by distinctive quarter

windows. LeBaron Landau's spacious interior can be enhanced by selecting available leather-with-vinyl-trim seats. Air conditioning, electronic speed control, tilt steering column, door courtesy lights and a driver-side air bag are standard features. **Advantage: Chrysler.**

New Yorker Salon, shown in Black Cherry Pearl Coat.

LeBaron Landau Sedan, shown in Black Cherry Pearl Coat.

New Yorker Salon, shown in Light Champagne Metallic Clear Coat.

LeBaron LX Sedan, shown in Bright White Clear Coat.

## CHRYSLER LEBARON CONVERTIBLE

Chrysler Corporation has sold more convertibles than any other company in the world.\* And Chrysler LeBarons continue to be the only American-built convertibles in their class *designed, engineered and manufactured to be convertibles from the ground up.* LeBaron Convertibles

aren't production coupes with cut-off tops; structural integrity is maintained — top up or top down. And with its standard leather-with-vinyl-trim interior, a LeBaron LX Convertible epitomizes open air luxury. **Advantage: Chrysler.**

\*Based on total sales: 1982-present.

LeBaron Convertible, shown in Radiant Red Clear Coat.

## CHRYSLER LEBARON COUPE

The LeBaron GTC Coupe's power team consists of a 3.0-liter overhead cam, sequential multipoint fuel-injected V6 engine and a smooth-shifting five-speed manual overdrive transaxle as standard equipment. LeBaron GTC also features a driver-side air bag, and a wraparound

instrument panel with analog electromechanical gauges that are arranged in logical order and contain bright red indicators. All switches and controls are user-friendly in keeping with the overall ergonomic design of the LeBaron. **Advantage: Chrysler.**

LeBaron GTC Coupe, shown in Black Clear Coat.

LeBaron LX Convertible standard leather-with-vinyl-trim interior, shown in Dark Gray.

LeBaron GTC analog electromechanical instrumentation.

## CHRYSLER TOWN & COUNTRY

Chrysler Town & Country is the most luxurious minivan available. The respected J. D. Power survey\* ranked it as highest in customer satisfaction of any minivan, import or domestic. Town & Country's new look embraces a subtle gold pinstripe paint treatment, with gold-tone cast aluminum

wheels. A wealth of standard features, including Quad Command seating; four-wheel antilock brakes; and a 3.3-liter SMPI V6 engine make Town & Country the ultimate minivan. **Advantage: Chrysler.**

\*Based on J. D. Power and Associates 1990 Light-Duty Truck Customer Satisfaction with Product Quality and Dealer Service.<sup>SM</sup>

Town & Country, shown in Black Cherry Pearl Coat.

## PLYMOUTH VOYAGER

Plymouth Voyager leads the competition with comfort, safety, available V6 power, and contemporary styling. Voyager features a standard driver-side minivan air bag,\* child-protection door lock, and available antilock brakes, all-wheel drive, and new Integrated

Child Seats. Models include Plymouth Voyager, Voyager SE, LE and LX, the extended wheelbase Grand Voyager, Grand Voyager SE and LE, plus all-wheel-drive SE and LE. **Advantage: Plymouth.**

\*The driver-side minivan air bag provides added safety only when seat belts are worn.

Grand Voyager LE, shown in Twilight Blue Pearl Coat.

Optional leather-with vinyl-trim Quad Command seating, shown in Champagne.

Voyager LE instrument panel, shown in Champagne.

## PLYMOUTH ACCLAIM

For exceptional room and comfort, safety features and a smooth ride, nothing beats Plymouth Acclaim! This value-packed midsize family sedan offers the luxury of available six-passenger seating, optional V6 power, over 45 standard features, and the stability of front-wheel

drive. Safety features just begin with a standard driver-side air bag, child-protection rear door locks, and available four-wheel antilock disc brakes. Acclaim's spacious rear-seat leg room lets your passengers stretch out in superb comfort. **Advantage: Plymouth.**

Acclaim, shown in Light Champagne Metallic Clear Coat.

## PLYMOUTH LASER

Plymouth Laser combines power, sportiness and safety features at a price that's irresistible. No wonder the RS Turbo model has won *Car and Driver's* "10 Best" award three years in a row!\* Slip into a high-tech interior and put an available lightning quick turbo engine at

your command. New for 1992: aerodynamic styling refinements and all-wheel-drive availability. Whether you choose the RS Turbo AWD, RS Turbo, RS or base model, Plymouth Laser owns the road. **You can too. Advantage: Plymouth.**

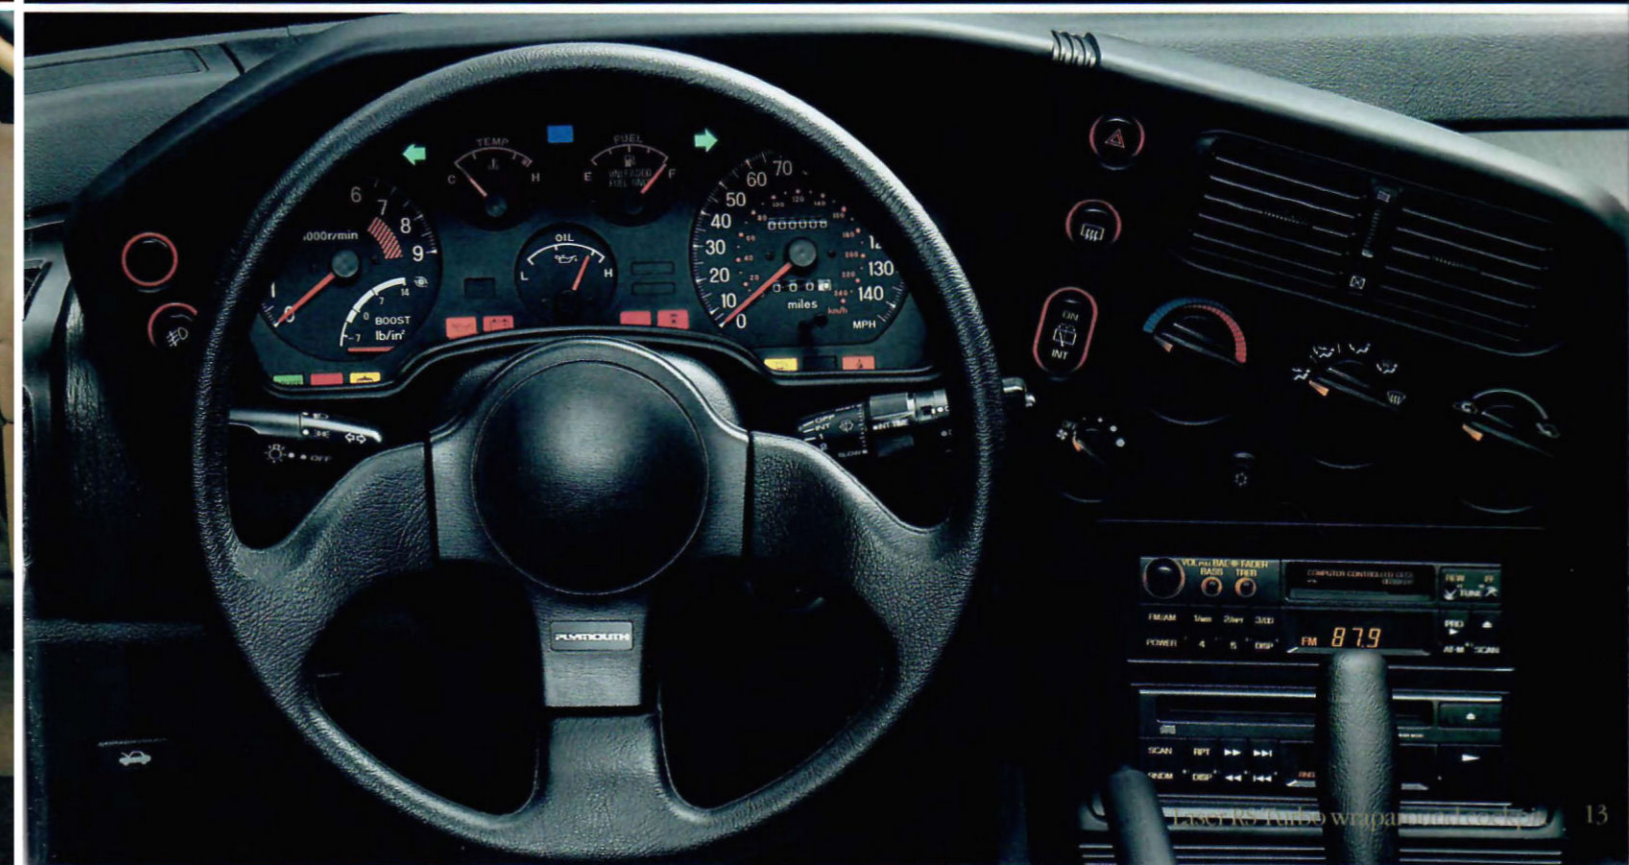

\*January 1989, 1990 and 1991 issues.

Laser RS Turbo AWD, shown in Radiant Red Clear Coat.

Acclaim interior with available 50/50 split-bench front seat, shown in Champagne/Medium Champagne.

Laser RS Turbo wraparound

## PLYMOUTH SUNDANCE

Sporty, versatile and affordable — that's Plymouth Sundance. Available in America and Highline models, Sundance features agile performance, precise handling, two- or four-door models, liftback versatility, and the safety of a standard driver-side air bag supplemental restraint system.

In fact, Sundance America is one of the lowest-priced cars in the world with a standard driver-side air bag. Sundance delivers exceptional value with 44 standard features and fun-to-drive excitement. A smart alternative to premium-priced imports. **Advantage: Plymouth.**

Sundance America four-door, shown in Electric Blue Metallic Clear Coat.

## PLYMOUTH COLT & COLT VISTA

Plymouth Colt and Colt GL are sporty front-wheel-drive three-door hatchbacks that offer high style without a high price. A peppy 1.5-liter MPI engine, comfortable seating for five, and ample room for cargo make them as practical as they are fun to drive.

The 1992 Colt Vista is Plymouth's all-new midsize front-wheel-drive wagon that's loaded with value. Vista offers all-wheel-drive availability, spacious seating and cargo flexibility, plus the ease of entry of a sliding side door. **Advantage: Plymouth.**

Colt GL, shown in Vivid Red.

Sundance Highline two-door, shown in Light Blue Satin Glow Clear Coat.

Colt Vista AWD, shown in Bright White.

**QUALITY  
ASSURANCE  
ADVANTAGE:  
CHRYSLER-  
PLYMOUTH**

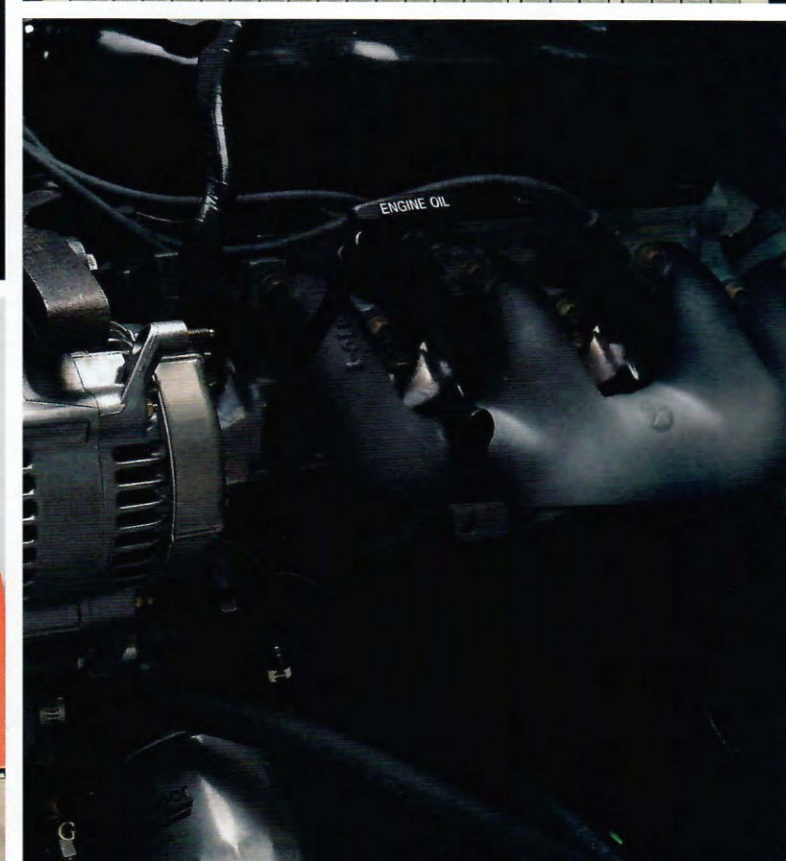

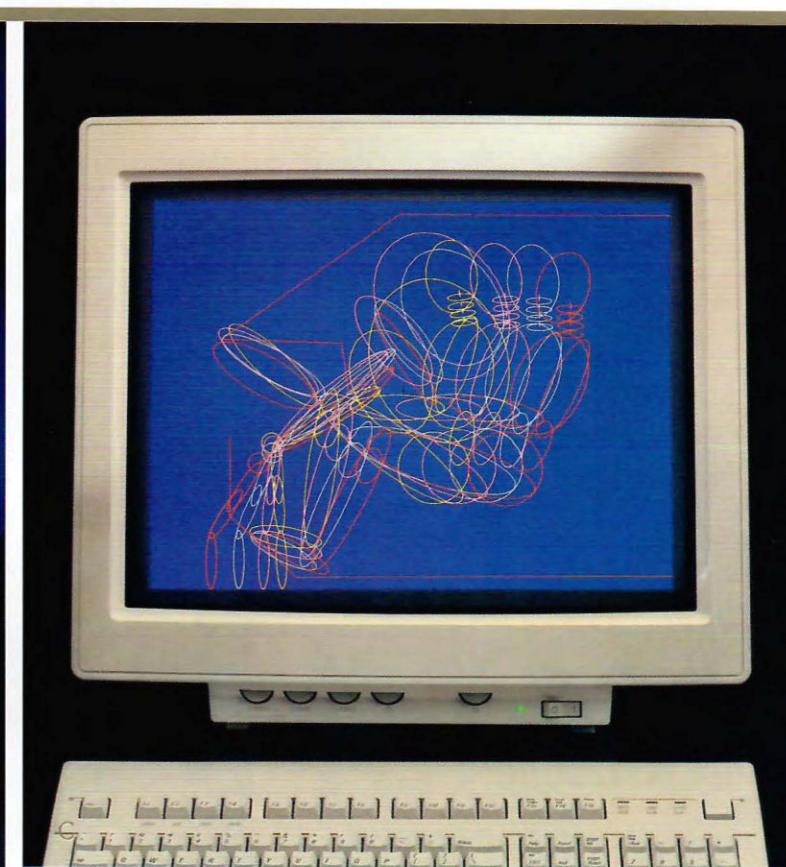

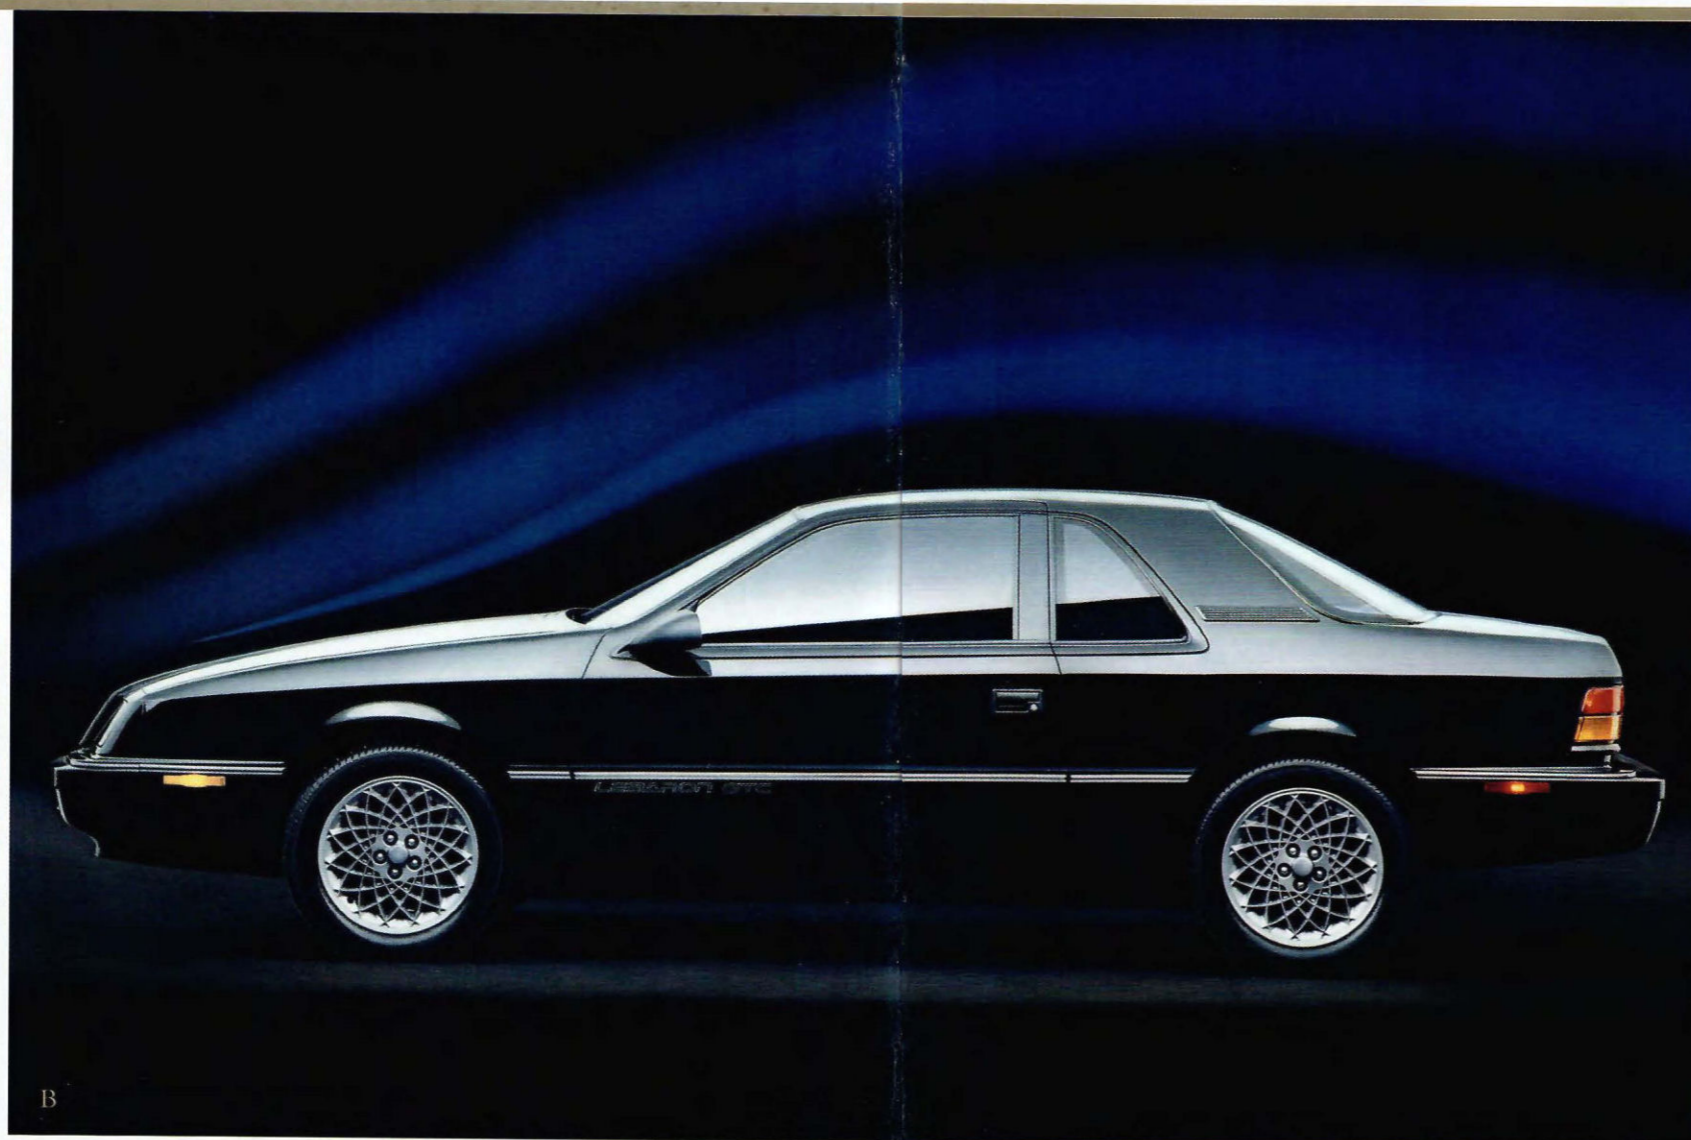

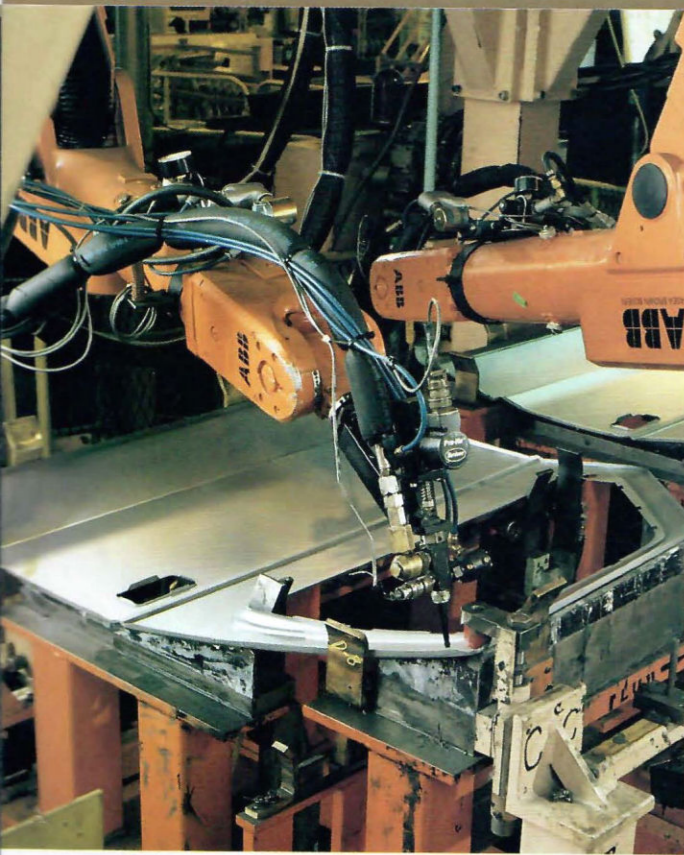

Today's Chrysler and Plymouth models are designed, engineered and assembled with a remarkable combination of computer technology, strenuous testing and skilled craftsmanship.\* Our goal is to make every Chrysler and Plymouth as solid and dependable as possible.

A. An "Anaerobic" assembly process applies a thick bead of epoxy/resin-based cement around the entire circumference of the inner door structure. Combined with welding, this process provides reduced noise, greater strength and improved rust resistance.  
B. To help improve aerodynamic

design for a quiet ride and increased operating efficiency, wind tunnel testing is performed at two U.S. locations.  
C. Better protection of automobile occupants is the aim of Chrysler engineers who use a three-dimensional computer model, in efforts to help control

body movement in a collision.  
D. A computer-operated Road Simulator creates a variety of road surfaces to determine the effect various vibrations will have upon vehicles.  
E. To learn more about structural reliability, every crash test is filmed with high-speed cameras

for detailed analysis.  
F. Test track power train endurance tests simulate aggressive driving conditions.  
G. For durability, test engines are run at 4,000 rpm for 800 hours in dynamometer booths.  
*\*These tests and applications apply to all Chrysler-built domestic models.*

## SELECTED OPTIONS

**A. Remote Keyless Entry System.** This system provides added convenience and security.

**B. Sunroof.** Bring the outdoors in with this removable tinted glass sunroof. Interior color sunshade included.

**C. Day/Night Mirror.** Mirror automatically dims reflected glare and turns headlights and taillights on and off as needed.

**D. Portable cellular telephone.** This handheld phone is the product of contemporary technology. Rugged, yet lightweight.

**E. Child Seats.** New Integrated Child Seats are safe, convenient and fold down easily. With five-point harnesses.

**F. Visorphone.** Developed and engineered specifically for our vehicles, the Visorphone features sophisticated cellular technology. (Dealer-installed.)

**G. Graphic equalizer AM stereo\* and FM stereo radio.** Features include: electronically tuned with seek and scan, Dynamic Noise Reduction; electronic cassette tape player with auto reverse, five-band graphic equalizer.

**H. Premium cassette AM stereo\* and FM stereo radio.** Features include: electronically tuned with memory scan, Dynamic Noise Reduction; electronic cassette player with auto reverse.

**I. AM/FM stereo radio with cassette.** Features include: electronically tuned with Dynamic Noise Reduction; cassette tape player with auto reverse.

**J. Compact disc player.** One of the biggest advances in recorded sound over the past few years, CD offers significant audio advantages. (Dealer-installed.)

\*Visorphone is a registered trademark of Cartell, Inc. See back cover for more information.

\*Some AM stereo broadcasting may not be compatible with this radio.

†Dynamic Noise Reduction is a trademark of National Semiconductor Corporation.

Note: Some items may not be available on all models. See dealer for details.

## MOPAR ACCESSORIES

Every Mopar accessory is designed to enhance the efficiency, beauty, and enjoyment of your Chrysler or Plymouth vehicle. With Chrysler Corporation's high standards for quality, you are assured that genuine Mopar Accessories will provide a custom fit and great performance for years to come. Get the Mopar Advantage!

**A. Roof Rack.** This permanent-style rack is made of stainless steel/aluminum and features adjustable crossbars and tie-down hooks. Holds up to 100 pounds of cargo.

**B. Premium Full Console for Plymouth Voyager.** Adds a full console with convenient storage space and cup holders. Color-coordinated to match the vehicle's interior.

**C. Electronic Vehicle Security System.** Remote system features arm/disarm function with interior illumination, ignition-activated door locks, power trunk release, and "panic" alarm control capabilities.

**D. Vinyl Luggage Carrier.** Attaches to permanent-style roof rack. Features tough black fabric-backed material and sewn-in straps to allow quick, secure mounting and dismounting. Dimensions are 36" x 46" x 15".

For a listing of Mopar's full line of accessories, see your Chrysler-Plymouth dealer.

# ADVANTAGE: CHRYSLER-PLYMOUTH

## THE OWNER'S CHOICE PROTECTION PLAN

Now, for the first time, you have a choice of protection plans to suit your needs. All Chrysler Corporation cars and light trucks now benefit from the Owner's Choice Protection Plan.\* When you purchase any new 1992 Chrysler or Plymouth brand vehicle, you can choose either of the two limited warranty plans described below.

### 3/36 Bumper-to-Bumper Limited Warranty

The three-year or 36,000-mile Basic Bumper-to-Bumper Limited Warranty covers the entire vehicle, including power train (excludes adjustments, tires, normal wear items and maintenance). No deductible applies. Plymouth Laser, Colt Three-Door and Colt Vista models are covered by a three-year or 36,000-mile Bumper-to-Bumper Limited Warranty, including a five-year or 60,000-mile Power Train Limited Warranty. No deductible applies. Restrictions apply. See your dealer for a copy of these limited warranties. OR

### 7/70 Power Train Limited Warranty

Upon expiration of the 12-month or 12,000-mile Basic Limited Warranty, coverage is extended on power train components to seven years or 70,000 miles. No deductible applies. Restrictions apply. See your dealer for copies of the limited warranties.

### Crystal Key Owner Care Program

With Chrysler's Crystal Key Owner Care Program, all you do is take care of normal maintenance, adjustments, and wear items. Chrysler takes care of everything else. Engine, power train, air conditioning, steering, electrical. Everything right down to the door handles. And you're still protected with engine and power train coverage for seven years or 70,000 miles, and outer body rust-through for seven years or 100,000 miles.

Chrysler Imperial and Fifth Avenue's Crystal Key warranty coverage includes:

### 50/50 Complete Car Warranty

Extends the basic car warranty, including major components, from one year or 12,000 miles to a full five years or 50,000 miles. No deductible applies to eligible owners. Excludes adjustments, wear items, and maintenance. Coverage is extended on power train components to seven years or 70,000 miles. No deductible applies. See your dealer for a copy of the warranty.

### 7/100,000 Anticorrosion Limited Warranty

In addition, all Chrysler Corporation vehicles are covered by the 7/100,000 Anticorrosion Limited Warranty. Your dealer will repair or replace at no charge outer body sheet metal panels found to have developed perforation (rust-through) in normal use up to seven years or 100,000 miles. No deductible applies. See your dealer for a copy of the warranty.

\* Excludes vehicles covered by the Crystal Key limited warranty.

MOPAR parts are engineered by Chrysler Corporation for use in your new Chrysler or Plymouth. When replacement is necessary, be sure to specify MOPAR parts. Used by professional automotive technicians worldwide.

OKI® Telecom manufactures, services and is the warrantor of the Visorphone® and Portable phone products that are available on selected Chrysler Corporation vehicles. See your dealer for a copy of the limited warranties. Restrictions apply.

®Visorphone is a registered trademark of Cartell, Inc.

## CONSIDER LEASING

More consumers are considering leasing as an alternative to buying. Leasing a new Chrysler or Plymouth usually involves a small security deposit and a first month's lease payment. Monthly payments frequently are less than financing a new car purchase. Ask your dealer for details.

## CHRYSLER CREDIT FINANCING

Chrysler Credit offers a variety of finance programs that can help make your Chrysler or Plymouth even more affordable. These flexible finance and lease programs can be tailored to suit your budget and your lifestyle. They include Advantage: Gold Key Lease, Gold Key Plus, College Graduate Plans, Retail Financing, and other special payment plans. Ask your salesperson for details.

## CHRYSLER PURCHASE ASSISTANCE PROGRAM FOR THE PHYSICALLY CHALLENGED

Cash reimbursements of up to \$500 are available for qualified adaptive driving devices on 1992 Chrysler Corporation cars and trucks. For further information, contact your dealer or the PHYSICALLY CHALLENGED RESOURCE CENTER at 1-800-255-9877.

All product illustrations and specifications are based upon current information at the time of publication approval. Although descriptions are believed correct, complete accuracy cannot be guaranteed. Chrysler Corporation reserves the right to make changes from time to time, without notice or obligation, in prices, specifications, colors and materials, and to change or discontinue models. See your dealer for the latest information.
