### Attitude with a capital "A."

Attitude. It's the mark of a maverick. The sign of an independent thinker who has enough confidence to walk the edge without ever looking down.

Attitude is also a mark of courage and imagination. Courage to change the rules when the old rules no longer make sense.

Imagination to think ahead. To develop new rules that make so much sense they quickly become the standard.

This kind of attitude and the innovation it inspires are an integral part of every car and truck Dodge puts on the road.

A case in point is Stealth R/T Turbo ...

Some people drive cars merely to get from one place to another.

Others drive just to be seen. Then there are those who drive Dodge Stealth R/T Turbo.

When you drive a Stealth R/T Turbo, you're piloting what Motor Trend once called "... one of the best all-weather performance cars in the world." The key word is "performance."

But Stealth is not just a road rocket. It's surprisingly comfortable, quiet, stable and precise ... so predictable that the input you give it will be returned precisely in the performance it delivers.

In other words, if you think Stealth R/T Turbo is just another trendy sports coupe, we suggest you spend a few minutes behind the wheel. Leave the faint-hearted standing by the side of the road.

Some of the equipment shown or described throughout this catalog is available at extra cost.

\* Always wear your seat belts.

Stealth is planned and designed by Dodge . . . a division of Chrysler Corporation. Engineered and manufactured by Mitsubishi Motors Corporation.

About this catalog. Since the time of printing, some of the information you'll find in this catalog may have been updated. Ask your dealer for details.

## Your supercar is waiting.

Since Dodge Stealth was introduced in 1991, many wonderful things have been said and written about this remarkable car. Car and Driver compared its appearance to the Lamborghini Countach; Motor Trend called it "an affordable Ferrari 348;" Road & Track said it had earned a place on "the elite registry of the world's supercars."

### ▲ Standard features on Stealth

include driver and front passenger air bags," leather-wrapped tilt steering wheel, six-speaker Ultimate Sound stereo system with AM/FM cassette player and graphic equalizer, air conditioning, and fog lights. Choose the standard five-speed manual or available four-speed automatic transaxle. Enjoy the driving control of performance McPherson strut front and double-wishbone rear suspensions, as well as standard four-wheel ventilated disc brakes. In the words of one reviewer, the base Stealth "has as much get-up-and-go as most people want ... or need."

➤ The 100-watt Ultimate Sound system (right, top) is standard and a trunk-mounted six-disc CD changer (right, below) is optional on all Stealth models for 1996.

\*Always wear your seat belts.

1

Lamborghini? Ferrari? Supercars? Pretty fast company for a car that *Business Week* once said "redefin(ed) the reasonably priced sports car."

You say you haven't test-driven a Stealth yet? And you were waiting for ... what?

### Choosing the Right Stealth model.

- 1. Study the Selected Standard and Optional Equipment list to determine which Stealth model is right for you.
- 2. Using the Power Trains chart, choose an engine and transaxle combination from those available for the model you have selected.
- 3. Check the Customer-Preferred<sup>SM</sup> Option Packages for the option group you wish to order.
- 4. Consult the Additional Options chart to add freestanding options not contained in the Customer-Preferred<sup>sM</sup> package you have chosen

3/36 Customer One Care
Dodge Stealth is covered by the 3/36 Customer One
Care Plan,\* which includes:

A 3-year or 36,000-mile (whichever

A 3-year of 30,000-mine (whichever comes first) Bumper-To-Bumper Limited Warranty which covers the complete vehicle against defects in factory-supplied materials and workmanship. (This 3/36 warranty excludes tires, wiper blades, clutch and brake linings and normal maintenance items.")

Roadside Assistance for 3 years or 36,000 miles which provides 24-hour, 7-day-a-week Emergency Road Service, contacted by a 24-hour nationwide toll-free phone number. Roadside Assistance covers many items not included in the 3/36 warranty, such as lockout, jump start, out of gas, flat tire repair and towing.

A 7-year or 100,000-mile Outer-Panel Rust-Through Limited Warranty which covers the cost of all parts and labor needed to repair exterior sheet-metal panels perforated by corrosion.

The 3/36 Customer One Care Plan stays with the vehicle and transfers automatically to subsequent owners at no cost during the warranty period.

- \* See your dealer for additional details and a copy of the limited
- warranty.

  Tires and optional cellular phones are covered by their
- respective manufacturers' warranties.

  Roadside Assistance services provided by Cross Country Motor Club, Inc. (In California, Cross Country Motor Club of California, Inc.)
- Additional peace-of-mind protection for Stealth owners is available through optional Chrysler Service Contracts. These services are available in a variety of time and mileage combinations to meet your particular driving needs.

Purchase Alternatives And Assistance Many of today's new car prospects are considering leasing as an alternative to buying. Leasing a new Dodge Stealth usually involves a small security deposit and the first month's lease payment. Monthly payments are usually less than financing a new car purchase. Ask your dealer for details.

Chrysler Credit
Chrysler Credit offers a broad range of automotive
financing which provides flexible terms for qualified
buyers. Many of these plans can be customized to fit
your particular budget and lifestyle. Our College Graduate Program is especially attractive if you're just beginning your career. Gold Key Lease is just beginning your career, Gold Key Lease is designed to lower your monthly payments while Gold Key Lease One allows you to prepay all monthly payments so you have all the advantages of leasing without the hassle of monthly payments. Gold Key is ideal for short-term financing. See your salesperson

Automobility Program (formerly P-CAP)
Cash reimbursement is available for qualified adaptive driving devices on the 1996 Dodge Stealth. Ask your dealer to provide you with more information, or call the Automobility Headquarters at

Chrysler Cellular Systems
For 1996, Chrysler Corporation will be
offering a selection of dealerinstalled/supplied cellular phones in several models
to enhance the available optional equipment list. Ask your dealer for details. Each manufacturer warrants and services these products. Restrictions apply. Ask your dealer for a copy of these limited warranties.

Chrysler Corporation
Environmental Programs
Chrysler Corporation is committed to the research and development of technologies for reducing emissions that deteriorate air quality. These include vehicle emissions control devices, and alternative fuels and engines. Chrysler's flexible fuel methanol cars, natural gas vans and electric metrianor cars, natural gas vans and electric minivans clearly demonstrate our dedication to the advancement of these technologies in our products. Your Dodge Stealth and all other Chrysler vehicles are built in manufacturing facilities that use state-of-the-art environmental and assembly controls to conserve resources, prevent pollution and recycle materials.

Certain models, packages, and options are subject to specific restrictions, requirements or late availability. See your dealer for the latest ordering information.

All product illustrations are based on current information at the time of publication approval. Although descriptions are believed correct, accuracy cannot be guaranteed. Chrysler Corporation reserves the right to make changes from time to time, without notice or obligation, in prices, specifications, colors and materials, and to change or discontinue models. See your dealer for the latest information

# Color and Fabric Selection Center

Firestorm Red

Emerald Green Pearl

Symphonic Silver Metallic

▲ Stealth R/T Turbo. On the open road, there are few automobiles that can keep up with it, and fewer still that are as much fun to own and drive.

▲ Stealth R/T. Think of all the attention you'll get when you drive this amazing automobile. Stealth's cockpit is the perfect place from which to enjoy it.

White Pearl®

Orchid Pearl

Olive Pearl

"Only available on Stealth. "Not available on Stealth.

▲ Stealth. Designed, engineered and built to outperform its competition on every level.

Standard on Stealth, Stealth R/T and Stealth R/T Turbo — Aspire/Conuex cloth. Available in Black and Black/Tan.

Optional on Stealth, Stealth R/T and Stealth R/T Turbo — premium leather-withvinyl trim. Available in Black and Black/Tan.

### We're thinking ahead.

Futuristic design. Innovative engineering. Quality production. All are embodied in the 1996 Dodge Stealth. And in the Dodge vehicles of tomorrow currently under development at our research facilities and on our test tracks.

But to you, the vast resources of the Dodge Division are centered in just one place: the dealership. Here, too, our goal is to ensure continuous improvement.

CustomerOne 

in our ongoing commitment to customer satisfaction, we've instituted Customer One, a comprehensive process designed to improve the way we do business. As a result, we hope to exceed your expectations - whether you're "just looking," ready to buy, or in for service.

That's the new Dodge culture: new ways to research, design, test and produce world-class cars and trucks and continuous improvement in the ways we treat
