Scirocco

In Style With Your  
Stylishly Sporty VW

Hosted by  
[A2Resource.com](http://A2Resource.com)

The VW Scirocco has a style all its own. It's a style in keeping with your driving needs, requirements and desires, yet there is room for your own, personal self expression.

You can choose from a variety of available, easy to install, high quality accessories. It won't be difficult to make your selections. Just think

of what you would want to help you enjoy your Scirocco and make it more comfortable, practical and convenient.

For instance, Autobahn FOG LIGHTS can add style and help you get through adverse weather conditions and/or nighttime driving.

SPLASH GUARDS can help you keep your Scirocco's paint finish in proper condition by preventing gravel, pebbles, tar and other road debris from pitting its lustre. DOOR EDGE GUARDS can provide a measure of protection for the doors of your Scirocco. A "FOUR SEASON'S SPORTS CARRIER" can be adapted to carry bikes, skis or luggage on the roof of your Scirocco while you travel to your favorite places.

There are many more ways in which you can personalize your VW Scirocco. From a selection of "Sound Choice" original equipment radios and speakers to upgrade your sound system to special horns. The following pages are meant to assist you in your selection. Our Sales and Parts Personnel are ready to provide guidance and our Service Personnel can install your selections.

No matter which authorized accessories you select, you'll quickly recognize how well and comfortably they fit the styles of both you and your Scirocco.

**Fog Lamps:** Light up the night and experience increased visibility in virtually any weather condition. Autobahn Halogen Fog Lamps incorporate a computer-designed reflector and exclusive Resicoat Housing.

**Splash Guards:** Designed with a hot silver foil stamp logo identifying your VW. They're made of lightweight, molded, ethylene vinyl acetate copolymer to maintain flexibility under extreme climatic conditions. And they're practical. They reduce the chance of pebbles, rocks and other debris damaging your car's paint finish.

**Air Compressor:** Portable. Lightweight. Easy to store. Designed to plug into your cigarette lighter socket and provide the power you might need to inflate tires, pressurize water tanks or fill air mattresses.

**Gear Shift Knobs:** Add a little sport to the sporty feeling of your VW around your choice of a leather grained vinyl or solid walnut shift knob attractively displaying the VW crest or shift pattern as an inset.

**Autobahn Car Care Chemicals:** It takes a lot to maintain any automobile. Make it easier with Autobahn special care items like phosphate-free Antifreeze/Coolant, Coolant, All Purpose Cleaner, Wash and Wax, Windshield Washer Solvent and Touch-up Polishes, spray or applicator cans, manufactured especially for you.

VOLKSWAGEN

**Floor Mats:** Decorative. Poly-Velour or Coco Fiber floor mats are available in a variety of colors with an imprinted heel pad on the driver's side. Sensible. Keep your VW's interior looking like new by protecting the look and feel of its carpeting.

**Sound Choice Radios/Stereo Component Systems:** Listen to your choice of "Sound Choice" radios. Choose from an AM, FM, AM, FM Stereo, or AM, FM Stereo Cassette. Enhance the sound of your "Sound Choice" with high compliance speakers and Graphic Equalizer/Amplifier to provide some of the best sounds available on wheels.

**Fanfare Horns:** Add a special tone to your VW with dual frequency, 600/716 Hz, twin trumpet-type horns.

**Tire Pressure Gauge:** Properly inflated tires save tire wear and save precious fuel. Check your tires' pressure anytime with this strong, stainless steel, easy to store gauge.

"Auto Cruise": Automatically maintain any preselected speed above 30 mph with a  $\pm 2$  mph and avoid driving fatigue during long trips. Obtain better fuel economy and assure yourself of adhering to speed limits without touching your accelerator pedal.<sup>†</sup>

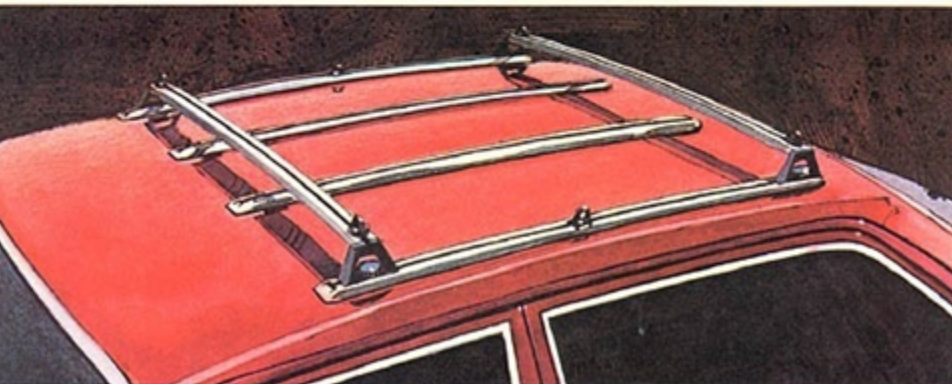

Door Edge Guards: Help protect your doors' paint finish with a set of attractively designed, stainless steel Door Edge Guards.

Auxiliary Gauges: Voltmeter, Oil Pressure, Oil Temperature, Tachometer. At a glance you'll be able to gauge what your VW is doing with these easy-to-read, clearly identifiable gauges which have been designed to become an extension of your VW's standard instrumentation. (Ask for applicability.)

Tail Pipe Extensions: Handsomely designed, highly polished, stainless steel extensions add a sporty feeling to your VW.

\*Four Seasons Sports Carrier™††: From extra luggage to skis or bicycles (by adding special attachments), you can create that little bit of extra space you might require for that vacation you've planned, that weekend away or carrying things around town. There is a choice of versions for sedans with or without a sunroof.

<sup>†</sup> "Auto Cruise" will maintain any preselected speed above 30 mph automatically within  $\pm 2$  mph depending on engine capability, vehicle load and road conditions, including grades and road surfaces.
