

The 1986 Volkswagen Scirocco

Hosted by
A2Resource.com

Every Volkswagen has been conceived with the classic German passion for engineering excellence. Yet even in Germany, a land of automotive geniuses and giants, Volkswagen engineers are a breed apart. They have never been content to compete, they must excel.

A labor of love

Volkswagen engineers are innovators. They always employ the most sophisticated technology, and when it is lacking, they create it themselves. They are perfectionists. They insist their own craftsmanship undergo inspection after inspection to assure that every Volkswagen is as perfect as man and machine can make it. They are practical. They have made every Volkswagen affordable, and built into it an efficiency, reliability and durability that truly make it a great automotive value.

Share the feeling

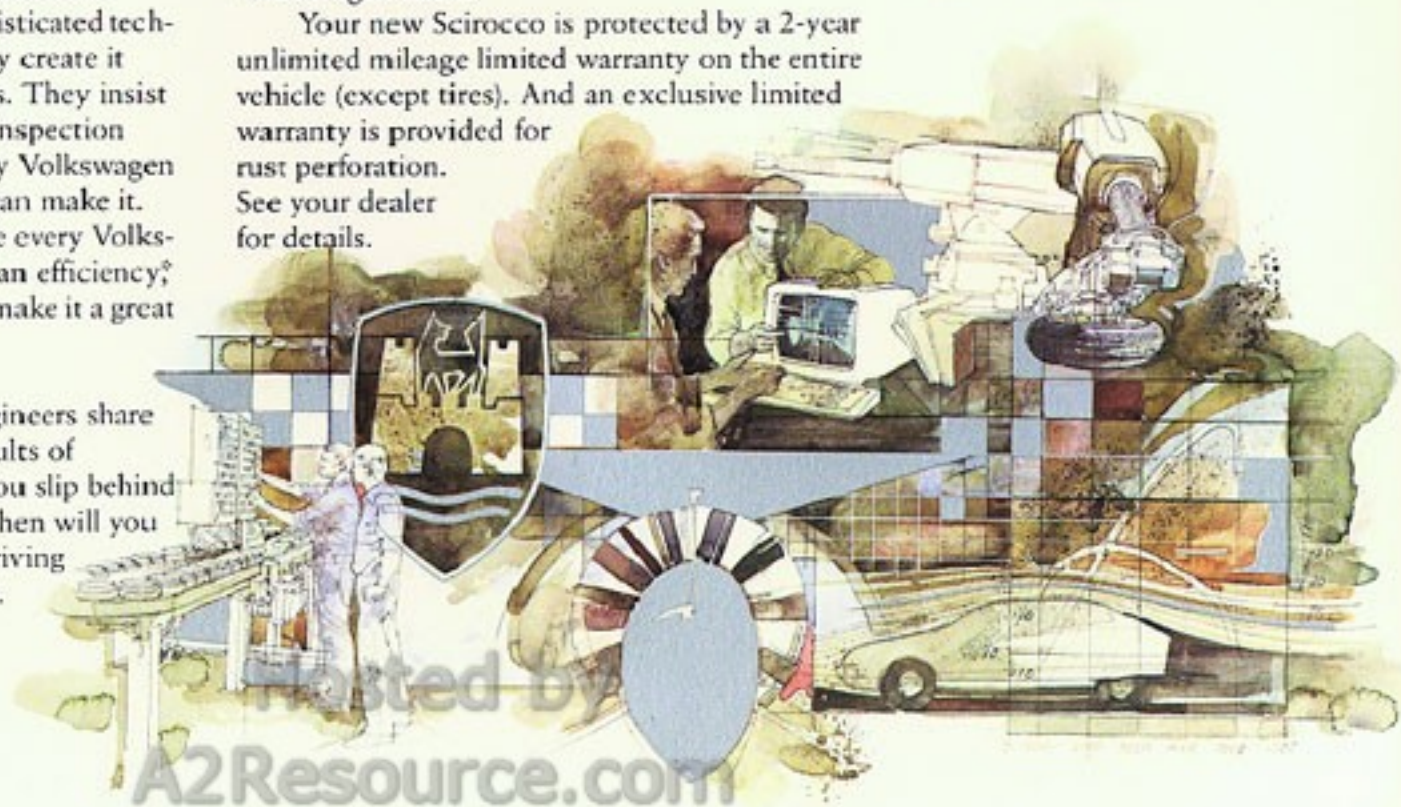

But above all, Volkswagen engineers share a passion for performance, the results of which you will experience when you slip behind the wheel of your Scirocco. Only then will you fully understand that you're not driving a car, you're driving a Volkswagen.

The Volkswagen 2-year Unlimited Mileage Protection Plan

Volkswagen's commitment to quality extends to your peace-of-mind protection after you buy your new car. Our confidence in our products has led us to provide a Protection Plan that's as simple and straightforward as a Volkswagen itself.

Your new Scirocco is protected by a 2-year unlimited mileage limited warranty on the entire vehicle (except tires). And an exclusive limited warranty is provided for rust perforation. See your dealer for details.

Precise German engineering, quality craftsmanship, superb handling and performance make Scirocco a sports coupe that will be the single smartest purchase you can make to meet your personal transportation needs.

It lures you to the open road.

The Scirocco sports coupe throbs with pure, unadulterated excitement.

Its rakish, aerodynamic body, crafted by Karmann, is poised to cut the wind like a knife. A powerful 1.8 liter fuel-injected engine with 5-speed transmission is mated to some very sophisticated performance engineering: independent sport suspension, rack and pinion steering, vented power front disc brakes. The resulting quickness and agility will tame even the most intimidating road.

No nonsense cockpit

The cockpit will have purists purring with delight. Function intelligently follows form. Trendy frills are noticeably absent. Instead, the sport steering wheel and shift knob invite your grip. The full instrumentation can be checked in an instant. Controls can be operated with a flick of the wrist. And height adjustable, reclining bucket seats add precision support when needed.

But more excitingly, you can actually afford all this driving exhilaration. Because when our German engineers build a dream car, they still keep their feet on the ground.

Scirocco's full instrumentation and controls are placed within fingertip reach of the driver.

Featured Scirocco options include a sunroof with air deflector, cruise control to let your Scirocco do some of the driving, and light alloy wheels for sporty good looks.

*See EPA fuel economy figures on specifications page.

It goes as fast as it looks.

Features And Options

S=Standard O=Optional --=Not Available	SCIROCCO
MECHANICAL	
1.8 liter 4-cylinder OHC fuel-injected engine	S
5-speed, close ratio manual transmission	S
Electronic breakerless ignition	S
Longer life spark plugs	S
MacPherson strut front suspension	S
Independent rear suspension	S
Front and rear stabilizer bars	S
Rack and pinion steering	S
Power assisted brakes (vented front disc/rear drum)	S
High-mounted brake light	S
Steel belted radial tires	S
EXTERIOR	
Utilized construction with energy absorbing front and rear crush zones	S
Polyurethane covered, wrap-around energy absorbing bumpers	S
Twin rectangular halogen headlights	S
Power mirrors with convex passenger mirror	S
Tinted glass	S
Large rear spoiler	S
Wide bodyside molding	S
5 1/2 x 13 aero steel wheels with trim rings	S
Wind deflector on left-hand windshield wiper	S
Body cavity wax coating and full factory undercoating	S
Lockable gas cap	S
INTERIOR	
Padded instrument panel with full instrumentation including speedometer, trip odometer, tachometer, and digital clock	S
Center console with oil temperature gauge	S
Sport steering wheel	S
Reclining cloth bucket seats with height adjusters and head restraints	S
Fold-down rear bench seat	S
4-speaker radio prep	S
Wall to wall carpeting	S
Stalk controls for high beams, turn signal, passing lights	S
Intermittent 2-speed wipers and washer	S
Door panels with cloth inserts and map pockets	S
3-point inertia reel front seat belts	S
2 rear retractor seat belts	S
Lockable and illuminated glove box	S
Courtesy light	S
Illuminated ashtray with cigarette lighter	S
OPTIONS	
Air conditioning	O
Automatic transmission	O
Cruise control	O
Power steering	O
5 1/2 x 13 alloy wheels	O
Power door locks, power windows, power antenna package	O
AM/FM stereo cassette with 4 speakers and cassette storage tray	O
Sunroof	O
Rear window wiper/washer	O
Metallic paint	O

The Golf, GTI, Jetta, Cabriolet, Scirocco, Quantum, Vanagon and Vanagon Camper are proud examples of Volkswagen's unending commitment to build affordable, quality crafted products offering engineering excellence, exceptional performance and driver control, durability and lasting value.

Specifications

		SCIROCCO		
ENGINE TYPE		4-cylinder in-line SOHC fuel-injected		
DISPLACEMENT		1.8 liter 109 cu. in.		
HORSEPOWER @ RPM (SAE Net)		90 @ 5,500		
TORQUE @ RPM		100 ft. lbs. @ 3,000		
BODY/FRAME CONSTRUCTION		Utilized construction, bolt-on front fenders		
FRONT SUSPENSION		Independent MacPherson struts, 16.5mm stabilizer bar coil springs, telescopic shock absorbers		
REAR SUSPENSION		Independent stabilizer axle, 20.5mm stabilizer bar coil springs, telescopic shock absorbers		
STEERING TYPE		Rack and pinion		
TURNING CIRCLE		31.2 ft.		
BRAKES		Dual diagonal circuits with power assist. Vented 9.4" front discs, 7.1" rear drums, self-adjusting. Mechanical parking brake		
DIMENSIONS				
Wheelbase		94.5"		
Front track		54.7"		
Rear track		53.5"		
Overall length		165.7"		
Overall width		64.0"		
Overall height		61.4"		
Ground clearance		4.3"		
CAPACITIES				
Luggage capacity		19.3 cu. ft. (33.7 cu. ft. with rear seat folded)		
Fuel tank capacity		13.8 U.S. gallons		
WHEELS AND TIRES				
Steel wheels		5 1/2 x 13 steel wheels		
Steel bolted radials		175/70HR13		
EPA MILEAGE ESTIMATES*				
		CITY	50 STATES	HIGHWAY
Scirocco w/5-speed		24		29
Scirocco w/automatic		23		25
EXTERIOR COLORS				
Scirocco	Alpine White			Titian Red Metallic
	Mars Red			Bronze Grey Metallic
	Flash Silver Metallic			Pewter Grey Metallic
	Black			Arctic Blue Metallic
See your Volkswagen dealer for color and trim selections.
