

THE 1987 VOLKSWAGEN SCIROCCO

Hosted by
A2Resource.com

DECADES AGO, VOLKSWAGEN REVOLUTIONIZED THE ENTIRE AUTOMOTIVE INDUSTRY

by creating a new set of driving values which changed forever the way we judge an automobile. This dedication continues to this very day, as our German engineers aspire to design and build products that combine contemporary automotive technology with the classic virtues of durability, reliability and quality. The result is a unique combination of performance and practicality that makes a Volkswagen one of the outstanding automotive values in the world. To prove it to yourself, test drive the 1987 Scirocco. You'll marvel at its excellent driveability. Only then will you fully understand

what distinguishes a Volkswagen from every other car on the road. Our confidence in our products has led us to provide a Protection Plan that's as simple and straightforward as a Volkswagen itself. Your new Scirocco is protected by a 2-year unlimited mileage limited warranty on the entire vehicle (except tires). And a 6-year limited warranty is provided against corrosion perforation. A nationwide network of authorized Volkswagen dealers stands ready to provide you with quality parts and service to help make your Volkswagen as pleasurable years down the road as it was the first day you owned it.

Both the Scirocco and Scirocco 16V are designed to quicken the pulse of every sports coupe lover. Born in a tradition of racing victories, they are heirs to the ingenuity of German engineering and contemporary automotive technology. When it comes to sheer power and vigorous performance, the Scirocco 16V will enthrall the driving enthusiast. And when it comes to sheer affordability and value, both these Sciroccos are in a class by themselves.

The degree of driving exhilaration you'll enjoy will depend on which Scirocco you choose. The classic Scirocco moves to the beat of a 1.8 liter fuel-injected engine coupled to a 5-speed transmission. Road-hugging performance is assured by means of an independent sports suspension, rack and pinion steering and vented power front disc brakes. To experience the driving thrill of a lifetime, get behind the wheel of the Scirocco 16V. Each cylinder of the 1.8 liter dual overhead cam fuel-injected engine has four valves instead of the usual two. This technical boost produces an awe-inspiring 125 horsepower. So you can zip from 0 to 50 in a mere 5.9 seconds. Teamed with this powerplant is a 5-speed transmission. As well as such race-bred performance features as front and rear stabilizer bars, quick ratio power rack and pinion steering and 4-wheel power disc brakes, front vented.

Even when it's parked, the Scirocco looks like it's on the go. The aerodynamic body has been sculpted by the master craftsmen at the world-famous Karmann Coachworks. The sleek styling of the Scirocco 16V extends even to the radio antenna mounted at a rakish angle on the roof. Front and rear wrap-around spoilers help reduce lift. And sporty alloy wheels complement the low profile steel-belted radial tires. One look, and you know this Scirocco is meant to move.

The Scirocco boasts a true sports coupe cockpit, a place of wonder and delight for the dedicated enthusiast. The ergonomics are classically pure and simple. In place of trendy gadgets you'll find refined technology. All instrumentation can be quickly monitored. And all critical controls are within easy reach. In the Scirocco 16V, you'll grip a leather-wrapped steering wheel and shift knob. While your body is firmly positioned in a fully reclining, height adjustable sport seat that provides welcome lateral support during hard cornering. The Scirocco adds a long list of standard convenience features. Like velour upholstery. Electronically heated dual remote controlled power mirrors. And a fold-down rear bench seat. And on the Scirocco 16V, a rear window wiper and washer. Once again, our German engineers have designed a car to be tough on the competition, not on the driver.

Since driving habits are as individual as you are, a complete selection of options and dealer installed accessories is available to help you equip your new Scirocco to suit your personal preferences. Optional equipment pictured above includes: plush leather seats (16V only), sunroof, rear window wiper/washer (std. on 16V), cruise control (delayed availability on 16V) and alloy wheels (N/A on 16V).

OPTIONS S-Standard O-Optional --Not Available	Scirocco	16V
Leather seats	--	O
Air conditioning	O	O
Automatic transmission	O	--
Cruise control (delayed availability on 16V)	O	--
Power steering	O	S
5 1/22 x 15 alloy wheels	O	--
Power door locks, power windows, power antenna package	O	--
Power door locks and windows package	--	O
AM/FM stereo cassette with 4 speakers, theft protection and cassette storage tray	O	O
Sunroof	O	O
Rear window wiper/washer	O	S
Metallic paint	O	O

STANDARD FEATURES S-Standard O-Optional --Not Available	Scirocco	16V
MECHANICAL		
1.8 liter 4-cylinder OHC fuel-injected engine	S	--
1.8 liter 4-cylinder dual overhead cam, fuel-injected 16-valve engine	--	S
Hydraulic valve lifters	--	S
5-speed, close ratio manual transmission	S	S
Electronic brakeless ignition	S	--
Digital electronic ignition with knock sensor	--	S
MacPherson strut front suspension	S	S
Independent rear suspension	S	S
Front and rear stabilizer bars	S	S
Rack and pinion steering (quick ratio power on 16V)	S	S
Power assisted front and rear disc brakes, front vented (rear drum brakes on Scirocco)	S	S
Sport tuned suspension	--	S
Steel belted radial tires	S	S
EXTERIOR		
Unitized construction with energy absorbing front and rear crush zones	S	S
Thermoplastic covers, wrap-around energy absorbing bumpers (body color on 16V)	S	S
Wrap-around spoiler package in body color including front spoiler, rocker panel, rear valance, wheel flares	--	S
Thin rectangular halogen headlights	S	S
Power mirrors with convex passenger mirror (body color on 16V)	S	S
Large rear spoiler	S	S
Bodyline molding	S	S
5 1/22 x 15 Aero Steel wheels with trim rings	S	--
6J x 11 light alloy wheels	--	S
Wind deflector on left-hand windshield wiper	S	S
Rear window wiper/washer	--	S
Roof mounted antenna	--	S
INTERIOR		
Padded instrument panel with full instrumentation including speedometer, trip odometer, tachometer, digital clock, water temperature gauge	S	S
Center console with oil temperature gauge	--	S
Center console with shift/brake	S	--
Sport steering wheel	S	--
Leather-wrapped sport steering wheel and shift knob	--	S
Reclining cloth bucket seats with height adjusters and head restraints	S	--
Fully reclining cloth sport seats with leatherette bolsters (height adjustable)	--	S
Fold-down rear bench seat	S	S
4-speaker radio prep	S	S
Wall to wall carpeting	S	S
Steak controls for high beams, turn signal, passing lights, wiper/washer	S	S
Instrumented door ed wipers and washer	S	S

SPECIFICATIONS	Scirocco/16V	
ENGINE TYPE	4-CYLINDER, IN-LINE OHC FUEL-INJECTED	
ENGINE TYPE 16V	4-CYLINDER, DUAL OVERHEAD CAM, FUEL-INJECTED, 4 VALVES PER CYLINDER	
DISPLACEMENT	1.8 LITER, 109 CU. IN.	
HORSEPOWER @ RPM (SAE NET)	90 @ 5,500, 125 @ 5,800 ON 16V	
TORQUE @ RPM	100 FT. LBS. @ 5,000; 120 FT. LBS. @ 4,250 ON 16V	
BODY/FRAME CONSTRUCTION	UNITIZED CONSTRUCTION, BOLT-ON FRONT ENDERS	
FRONT SUSPENSION	INDEPENDENT MACPHERSON STRUTS, 16.5MM STABILIZER BAR, COIL SPRINGS, TELESCOPIC SHOCK ABSORBERS, LOWER CONTROL ARM SUPPORT (16V)	
REAR SUSPENSION	INDEPENDENT STABILIZER ASSE, 23.5MM STABILIZER BAR (2-RIDE ON 16V), COIL SPRINGS, TELESCOPIC SHOCK ABSORBERS	
STEERING TYPE	RACK AND PINION (QUICK RATIO POWER ON 16V)	
TURNING CIRCLE	31.2 FT.	
BRAKES	DIAG. DIAGONAL CIRCUITS WITH POWER ASSIST, VENTILATED 9.4" FRONT DISCS, 7.1" REAR DRUMS, SELF-ADJUSTING, VENTILATED 10.1" FRONT DISCS, 9.4" SOLID REAR DISCS, SELF-ADJUSTING ON 16V, MECHANICAL PARKING BRAKE.	
DIMENSIONS		
WHEELBASE	94.5"	
FRONT TRACK	54.7"	
REAR TRACK	55.5"
