760Li

# Character

Vehicle shown is a 750i with Monaco Blue Metallic exterior and optional (or included in the Sport Package) Styling 95 cast alloy wheels

Since its inception, the BMW 7 Series has been universally praised as the best-driving luxury sedan in the world. Now the best gets even better. The 7 Series Sedan has been updated for 2006 with a new, more powerful V-8 engine, elegant new styling, and a host of new amenities to enrich the driving experience. The 750i/750Li and 760i/760Li Sedans

connect you to the driving experience like few other vehicles can. Their intuitive steering, nimble handling and powerful engines will thrill you, while a richly appointed interior will delight your senses. For those who demand a luxury car that performs like a sports car, there is simply no substitute for the BMW 7 Series.

# Passion

Prestige. Presence. Power. The new 2006 BMW 7 Series Sedan is elegant and sporty, luxurious and dynamic. From its distinctive twin-kidney grille, to its brilliant taillights, the 7 Series is a masterpiece of automotive design. Its BMW racing heritage is evident in the muscular design, which has been updated for 2006. From any angle, the 7 Series is instantly recognizable as a BMW. It approaches with a bold, commanding attitude and breathtaking grace. The redesigned Xenon Adaptive Headlights and purposeful front air

dam draw your attention up and over the sculpted hood, which conceals some of the most powerful and efficient engines on the road. Let your eyes glide back along its taut body panels like the wind across its aerodynamic frame. Massive alloy wheels and athletic proportions endow the 7 Series with a dominant curb presence. Also available in the long-wheelbase 750Li and 760Li, the BMW 7 Series is the preeminent executive car with the spirit and character of a European sports car.

**Multi-function steering wheel** buttons let you select a transmission mode; access Voice Activation; conduct an audio search; adjust the sound volume of audio and navigation system; and also access your own, individually programmed function. (std. in 750i/750Li and 760Li; not available in 760i)

**Three-spoke multi-function sport steering wheel**  
included in 750i/750Li Sport Package and 760i.

## Exterior colors

Non-Metallic	<b>300</b> Alpine White <sup>1</sup>
	<b>668</b> Jet Black
Metallic	<b>354</b> Titanium Silver
	<b>472</b> Sterling Gray
	<b>A36</b> Titanium Gray
	<b>481</b> Kalahari Beige <sup>1</sup>
	<b>A38</b> Michigan Blue <sup>1</sup>
	<b>482</b> Toledo Blue
	<b>A35</b> Monaco Blue
	<b>A39</b> Barbera Red <sup>1</sup>
	<b>A43</b> Deep Green
	<b>475</b> Black Sapphire

<sup>1</sup>Not available on 760i.

## Upholstery colors

Nasca Leather	<b>U6GE</b> Cream Beige/Black
	<b>U6BA</b> Beige/Dark Beige
	<b>U6FA</b> Flannel Gray/Basalt Gray
	<b>U6MC</b> Lava Blue/Black
	<b>U6NB</b> Natural Brown/Black
<b>U6SW</b> Black/Black	
Pearl Leather	<b>V7GE</b> Cream Beige/Black
	<b>V7NB</b> Natural Brown/Black
	<b>V7FA</b> Flannel Gray
	<b>V7MC</b> Lava Blue/Black
	<b>V7SW</b> Black

First colors are primary trim color and second colors are secondary trim and leather color.

Nasca Leather is standard in 750i/750Li and 760i/760Li.

Pearl Leather is available as a no-cost option in 760i, and in 750i/750Li with no-cost optional Sport Seats; not available in 760Li.

<sup>13</sup> Full Maintenance Program covers all factory-recommended maintenance, as determined by the Service Interval Indicator for 4 years or 50,000 miles, whichever comes first. Full Maintenance Program includes items that need replacement due to normal wear and tear, provided wear and tear exceeds BMW specifications. This includes items such as brake pads, brake rotors and wiper blades that are not covered by the original New Vehicle Limited Warranty. Any adjustments required due to normal operating conditions are also included. For exclusions and limitations, refer to the Service and Warranty Information booklet that came with your new BMW, or see your authorized BMW center for details.

<sup>14</sup> Due to low-profile tires, please note: wheels, tires and suspension parts are more susceptible to road hazard and consequential damages. Performance tires not recommended for driving in snow and ice conditions.

<sup>15</sup> Luxury Seating Package and Cold Weather Package cannot be combined.

<sup>16</sup> Not available with no-cost optional sport seats.

<sup>1</sup> BMW AG test results. Actual acceleration results may vary, depending on specification of vehicle; road and environmental conditions; testing procedures and driving style. These results should be used for comparison only and verification should not be attempted on public roads. **BMW urges you to obey all posted speed laws and always wear safety belts.**

<sup>2</sup> Top speed limited electronically.

<sup>3</sup> EPA-estimated figures are for comparison purposes only. Your actual mileage will vary, depending upon speed, driving habits, trip length and driving conditions; actual mileage will most likely be lower.

<sup>4</sup> All-season tires.

<sup>5</sup> Performance tires. Due to low-profile tires, please note: wheels, tires and suspension parts are more susceptible to road hazard and consequential damages.
