

The all-new 2006  
BMW 3 Series Sedan

The Ultimate  
Driving Machine®

325i  
330i

**So athletic, they call it  
a sports sedan.**

**Motor is our middle name.**

**Suspension of disbelief.**

**Your favorite place, wherever you are.**

**At the center of everything, there's driving joy.**

**Clean, uncluttered and elegant.**

## Equipment | Exterior

■/□ **Xenon Adaptive Headlights** provide brilliant clarity of the road ahead and to the side at night and in conditions with poor visibility. The dynamic auto-leveling feature adjusts for varying passenger and cargo loads, helping to keep headlight glare out of the eyes of oncoming drivers. BMW Adaptive Headlights provide optimum road illumination around corners, thanks to an electromechanical control system that directs the headlights into and around the bend as soon as the vehicle begins cornering. (std. on 330i; opt. on 325i)

■ **Adaptive Brake Lights** increase vehicle visibility and signal the intensity of your braking action.

■ **Halogen free-form foglights**, integrated into the deep front spoiler, enhance your margin of safety in bad visibility. Ellipsoid free-form technology ensures even light distribution on the road.

■ BMW's **distinctive front kidney-shaped grille** features a chrome surround. The vertical slats on the 330i grille are chrome; the 325i has black slats.

■ **Roof rail clips and grooves** are designed for the BMW Accessory roof rail system, holding it perfectly in place.

## Equipment | Exterior

□ **Star Spoke (Styling 162) light-alloy wheels and run-flat<sup>1</sup> performance tires.**<sup>2</sup> In front: 18 x 8.0 wheels and 225/40R-18 tires; in back: 18 x 8.5 wheels and 255/35R-18 tires.<sup>3</sup> (included in 330i Sport Package)

■ **16 x 7.0 Double Spoke (Styling 156) light-alloy wheels with 205/55R-16 run-flat<sup>1</sup> all-season tires.** (std. on 325i)

■ **17 x 8.0 Star Spoke (Styling 159) light-alloy wheels with 225/45R-17 run-flat<sup>1</sup> all-season tires.** (std. on 330i)

□ **Double Spoke (Styling 161) light-alloy wheels and run-flat<sup>1</sup> performance tires.**<sup>2</sup> In front: 17 x 8.0 wheels and 225/45R-17 tires; in back: 17 x 8.5 wheels and 255/40R-17 tires.<sup>3</sup> (included in 325i Sport Package)

<sup>1</sup>Run-flat tires do not come equipped with a spare tire.

<sup>2</sup>Performance tires not recommended for driving in ice and snow.

<sup>3</sup>Due to low-profile tires, wheels, tires and suspension parts are more susceptible to road hazard and consequential damages.

## Equipment | Interior

■ **Three-spoke leather-wrapped multi-function steering wheel** lets you keep both hands on the wheel while adjusting various comfort functions, such as changing the radio, CD selections and volume. Optional Voice Command (included with optional on-board navigation system) can be used to change radio stations and audio selection, navigation system destinations, and (accessory) telephone entries.

■ **Two cupholders** are integrated into the dashboard, and can easily be retracted when not in use. (The driver's cupholder is not shown.) Two cupholders are also provided in the rear-seat center console for rear-seat passengers.

■ The **on-board computer** with Check Control provides valuable feedback on the vehicle's operating status: oil level indicator, distance to next service appointment and oil change, front/rear brake pad and brake fluid status, state emissions inspection due date, and other detailed information like spark plug and micro-filter status. It also provides travel information such as travel range on remaining fuel, external temperature, and more.

□ **6-speed STEPTRONIC automatic transmission** provides a choice of three modes: "Drive," which incorporates BMW's Adaptive Transmission Control; "Sport" automatic, for a more dynamic shift pattern; and STEPTRONIC automatic, for the hands-on control of a manual without using a clutch. (Shown with iDrive, which is included with optional on-board navigation system)

■ **6-speed manual transmission** delivers a precise, athletic feel that's responsive to your personal driving style. This is due, in part, to the enhanced synchronization of shifts from neutral to each gear. The gearbox adds to the sporty feel with a shortened shift lever and "throw." The sixth gear drops revs at highway speeds for smooth cruising. (Shown with iDrive, which is included with optional on-board navigation system)

■ **Rain sensor** uses infrared light to measure the amount of rain. When the wipers are in the "intermittent" mode, the rain sensor automatically adjusts the windshield wiping interval as needed. **Automatic headlight control** (not shown), included with rain sensor, activates headlights by means of a sensor that responds to darkness.

- Included in optional Sport Package
- ◇ Included in optional Premium Package
- ★ Included in optional Cold Weather Package

<sup>3</sup> Optional power seats or Premium Package required.

<sup>4</sup> If so equipped.

<sup>5</sup> No-cost option.

<sup>6</sup> If vehicle is equipped with BMW navigation system, MP3 capabilities only available with a BMW center-installed six-disc CD changer (accessory).

<sup>7</sup> Pre-wiring required for SIRIUS Satellite Radio. Please visit your authorized BMW center for details on equipment.

## Standard equipment | Optional equipment

Comfort and convenience	325i	330i
Engine Start/Stop button	●	●
Advanced Vehicle & Key Memory – includes climate-control temperature and air-distribution settings, exterior mirror and power seat settings <sup>8</sup> , audio tone settings and radio presets with optional on-board navigation system, central-locking preferences, and lighting preferences	●	●
Comfort Access keyless entry with multi-function remote control <sup>9</sup>	○	○
Automatic climate control – includes micro-filter, automatic air recirculation, left/right temperature control, temperature- and volume-controlled rear outlets, windshield misting sensor, maximum air conditioning, heat at rest, more powerful fan, and recall of individual user settings	●	●
2-way power glass moonroof with “one-touch” operation, sliding interior sunshade, and wind deflector	●	●
Front-seat center armrest with climate-controlled storage compartment	●	●
Front passenger cupholders (dashboard-integrated)	●	●
Rear-seat center armrest with cupholders	●	●
Tilt/telescopic steering wheel column	●	●
Park Distance Control (PDC) (rear only)	○	○
Interior and power-adjustable folding exterior mirrors with automatic-dimming function; digital compass	◇	◇
Power front and rear windows with “one-touch” up/down operation	●	●
Power rear sunshade; manual rear side window shades	○	○
Dynamic Cruise Control	●	●
Active Cruise Control	○	○
BMW Ambiance Lighting front and rear	●	●
Courtesy lights – include fade in/fade out, actuation from remote, automatic switch-on when engine is turned off, separately controlled left/right front and rear reading lights, front footwell lighting, and illuminated vanity mirrors	●	●
Ground-illuminating lights in door handles	●	●
Locking glovebox	●	●
Electric interior trunk release	●	●
Rain-sensing windshield wipers and Automatic headlight control	●	●
Integrated 3-button Universal garage-door opener	◇	◇
Bluetooth wireless technology <sup>10</sup> for hands-free calling with Bluetooth technology enabled cellular phones <sup>11</sup>	○	○
Pre-wiring for BMW center installation of mobile phone, alarm system and Universal garage-door opener	●	●

<sup>8</sup>Optional and included in 325i Premium Package; standard in 330i.

<sup>9</sup>Available September 2005.

<sup>10</sup>Included with Premium Package or BMW Assist.

<sup>11</sup>Please contact your authorized BMW center for a list of BMW-approved Bluetooth technology enabled phones.

	325i	330i
<b>Safety and security</b>		
Anti-lock braking system (ABS)	●	●
Adaptive Brake Lights	●	●
MRS5 centralized safety control system	●	●
Front and rear Head Protection System (HPS)	●	●
Driver's and passenger's front airbag supplemental restraint system (SRS) with "smart" dual-threshold, dual-stage deployment and sensor to help prevent unnecessary passenger's airbag deployment	●	●
Seat-mounted front side-impact airbags	●	●
Automatic safety belt pretensioners at front and rear outboard seating positions	●	●
Front passenger seat-occupation recognition with Passenger's Airbag Off indicator	●	●
Interlocking door anchoring system to help protect against door intrusion in side impacts	●	●
Central locking system with center console switch (leaves gas filler door unlocked), double-lock feature and 2-step unlocking	●	●
Coded Driveaway Protection	●	●
Automatic-locking retractors (ALR) on all passenger safety belts for installation of child-restraint seat	●	●
LATCH attachments on child-restraint safety installation	●	●
Crash sensor that automatically turns on hazard lights and interior lights, and unlocks doors	●	●
Programmable daytime running lights	●	●
Fiber-optics-based MOST-BUS architecture for safety systems	●	●
BMW Assist <sup>12</sup> with Bluetooth wireless technology	○◇	○◇
<b>BMW Maintenance Program</b>		
BMW Full Maintenance <sup>13</sup>	●	●

- Standard
- Optional
- Included in optional Sport Package
- ◇ Included in optional Premium Package
- ★ Included in optional Cold Weather Package

<sup>12</sup>Please see your authorized BMW center for rules and regulations on subscription required with BMW Assist.

<sup>13</sup>Full Maintenance Program covers all factory-recommended maintenance, as determined by the Service Interval Indicator for 4 years or 50,000 miles, whichever comes first. Full Maintenance Program includes items that need replacement due to normal wear and tear, provided wear and tear exceeds BMW specifications. This includes items such as brake pads, brake rotors and wiper blades that are not covered by the original New Vehicle Limited Warranty. Any adjustments required due to normal operating conditions are also included. For exclusions and limitations, refer to the Service and Warranty Information booklet that came with your new BMW, or see your authorized BMW center for details.
