

TOURIST & DIPLOMAT SALES

When your European travel plans include seeing more than airports, train stations and city centers, the best way to travel is in your own car. The Volvo Tourist & Diplomat Sales (T.D.S.) program can help you do just that.

We have delivered over 100,000 Volvos through our T.D.S. program in the past 25 years and we would be happy to schedule just such a delivery for you.

The following information is provided to assist you in determining if a Volvo T.D.S. delivery fits into your European travel plans.

ORDERING PROCEDURE

Where

Order your new Volvo from the person who knows Volvos best—your local Volvo dealer.

We recommend that your order

be placed eight to ten weeks prior to arrival in Europe.

ten confirmation of your order in approximately 15 days.

INSURANCE AND REGISTRATION

We can arrange comprehensive insurance and tourist registration for up to twelve months. Liability insurance is valid in all European countries except Albania and the U.S.S.R. Outside of Western Europe, liability insurance applies to Israel, Morocco, Tunisia and Turkey. In most European countries your export plates will be valid for the period of insurance. A minimum of one month's insurance is required to obtain registration.

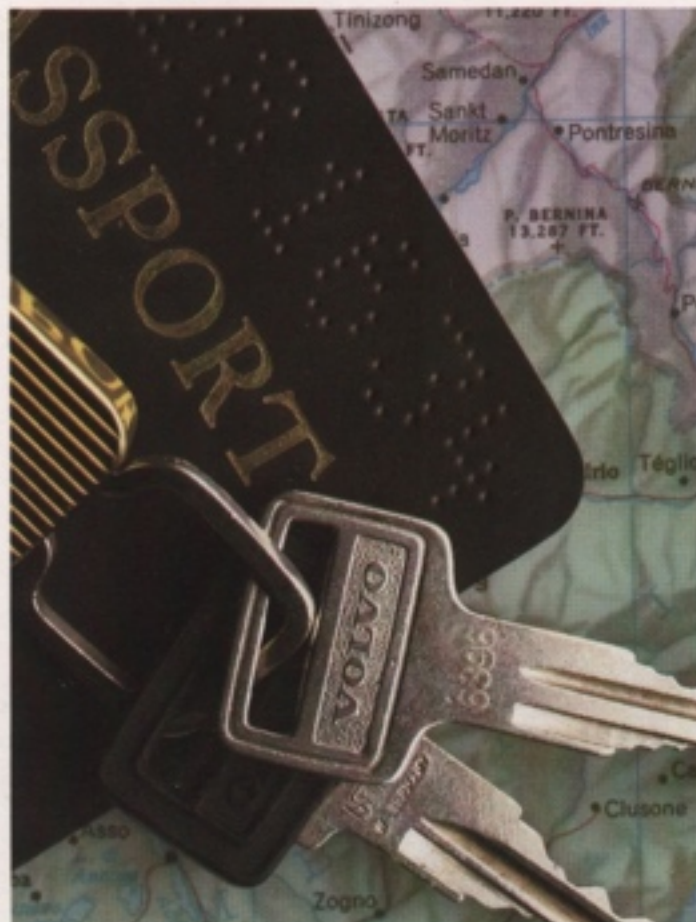

DELIVERY

Delivery can be arranged free of charge at the official Tourist Delivery Center at our factory in Gothenburg, Sweden. If you prefer, delivery can also be accomplished at any one of more than a dozen delivery centers throughout Great Britain and on the continent. Your local Volvo dealer has specific information concerning the various delivery locations.

Prior to your arrival at the specified delivery center your car will have been serviced, inspected, washed, licensed and insured.

Upon arrival at the delivery center, you will be required to show your passport to identify yourself. One of our delivery specialists will explain the various features of the car. He or she will present you with the following: Bill of Sale, Manufacturer's Statement of Origin, Warranty Booklet, Volvo European dealer list, as well as registration and insurance documents.

Should you elect to take delivery at our Tourist Delivery Center (T.D.C.) in Gothenburg, free transportation is available to the T.D.C. from the city center, ferry terminal or from your hotel. A guided tour of the factory may also be arranged.

HOME SHIPMENT

Volvo offers a convenient Home Shipment Program which can save you hundreds of dollars. At no additional charge we will ship your Volvo from Gothenburg, Antwerp, Bremerhaven or London to New York, Baltimore, Portsmouth, VA, Jacksonville, Houston, Los Angeles, San Francisco, Portland, OR, or Vancouver, B.C. You may also select from one of 20 other drop-off points in Europe at an additional charge. This offer is valid for all tourists or diplomats within 36 months of the confirmed delivery date. Volvo's Home Shipment Program includes the following items without charge: European receiving, handling and documentation fees; transportation of your car from one of our four free drop-off centers to the ship; installation of a catalytic converter; steam cleaning in accordance with the U.S. Dept. of Agriculture; ocean freight and marine insurance.
