# CENTURY BY BUICK A LUXURY CAR FOR EVERYONE

**E**veryone deserves a nice, safe, affordable car. The Century seats six comfortably and is loaded with amenities — making it a car truly anyone can appreciate. GM Accessories enhance the style and comfort of the Century for a personal ride that meets the individual needs of you and your family.

GM Accessories for the Century ... it's a smart buy you can depend on.

## FRONT END COVER

Protect your Buick Century right up front. The GM Accessories front end cover is the ultimate in protection with a custom fit that defends the hood and front fenders of your vehicle from the elements such as stones and insects. The durable construction enables you to open the hood without removing the cover. Made of a breathable material with a polyester and floss backing to protect the body paint, there's no need to remove this cover when it's wet. Front end covers include a hood cover.

## SKI CARRIER

Planning a ski trip is a breeze with a ski carrier. Attached to the GM Accessories roof rack, you can tote four pairs of skis on each carrier and two carriers can fit on the roof of your Buick Century. In addition, each carrier can accommodate two snowboards. That means you can carry a total of eight pairs of skis or four snowboards. You have the freedom to mix and match to create a combination that will suit your needs.
