# THE OFFICIAL CAR OF THE SUPERCHARGED FAMILY

**T**he Buick Regal is a special car for the entire family. There's plenty of room for the kids along with the comfort and quiet that grown ups crave. Choosing from the wide selection of GM Accessories, you can enhance your Regal with personal amenities that make sense for you and your family.

Whether you're headed for work, the soccer field or a weekend of relaxation, you can get things done and have more fun.

## FRONT END COVER

Protect your Buick Regal right up front. The GM Accessories front end cover is the ultimate in protection with a custom fit that defends the hood and front fenders of your vehicle from the elements such as stones and insects. The durable construction enables you to open the hood without removing the cover. Made of a breathable material with a polyester and floss backing to protect the body paint, there's no need to remove this cover when it's wet. Front end covers include a hood cover.

## CUSTOM RUBBER FLOOR MATS

These floor mats conform to the interior contours of your vehicle for an excellent fit and a customized look. The waffle-molded grid pattern collects rain, snow, dust and dirt to protect the floor from damage. A ribbed and nibbed backing helps to hold the mats in place. Color matched to vehicle interior and front mats feature the Regal logo.
