# GET TO KNOW GEO

Introducing Geo, a new approach to quality in the automotive marketplace. Geo combines the best of Japanese thinking in technology and design with recognized North American know-how in manufacturing, engineering and comfort.

Geo is also an example of ground-breaking teamwork among American, Japanese and Canadian automakers. As a result of recent GM affiliations with Toyota, Isuzu and Suzuki, you are now offered a family of world-class products—all under one new and meaningful nameplate.

The Geo family of vehicles is sold and serviced by select Chevrolet/Geo dealers at thousands of locations nationwide—one of the largest dealer networks in the world.

You also get the best small-car warranty in GM history: the GM 3-year/50,000-mile Bumper to Bumper Plus limited warranty. (See the inside back cover of this brochure for details.)

Geo is designed for people who place great importance on quality, value, design, technology *and* affordability. People who seek exceptional fuel economy,\* nimble handling and brisk performance. People who are looking for surprising interior spaciousness within trim exterior dimensions. And people who are simply looking for truly personal transportation. If you're one of them...get to know Geo.

Geo for 1990 is a comprehensive lineup of 17 models, including front-wheel drive and four-wheel drive, roomy sedans and capable hatchbacks, sleek 2+2 fastbacks and fun-loving convertibles. There are four distinct series:

**Geo Storm** is the brand-new 2+2 sports machine that does 0-to-60 in under nine seconds on the test track† with the GSi 16-valve DOHC 1.6 Liter engine.

*The expressive style of Geo Storm 2+2 helps make this a sports car for the Nineties. Design details include flush-mounted glass, semi-hidden headlamps, full front fascia with integral fog lamps and aero-style skirting all around.*

*At the heart of Geo Prizm: one of the industry's most sophisticated engines. This 1.6-liter high-performance engine features four valves per cylinder, dual overhead cams and Multi-Port Fuel Injection. It all adds up to excellent performance in a compact sedan.*

*Thanks to an innovative, fuel-injected 3-cylinder engine, Geo Metro XFi is one of the most fuel-efficient cars sold in the United States. EPA estimated MPG: 53 city, 58 highway.*

*When the blacktop stops, Geo Tracker fun is just beginning. Features include four-wheel drive, high ground clearance and big P205/75R-15 on-loff-road tires.*

**Geo Prizm** is our new standard of excellence in affordable sedans. This five-passenger family car is built by New United Motor Manufacturing in Fremont, California (the GM-Toyota joint-manufacturing venture).

**Geo Metro** is the four-passenger economy car with excellent gas mileage, the lowest price tag of any Geo and the import appeal of every Geo.

**Geo Tracker** is the rugged four-passenger, 4x4 sport utility truck that has both the looks *and* capabilities of a true adventurer.

The advanced technology you'll find in many Geo models includes:

- Dual overhead camshaft, four-valve-per-cylinder engine designs
- Slick-shifting 5-speed manual transmissions
- Driver-oriented ergonomics with bold analog gage clusters
- Four-wheel independent suspension systems tuned for precise response.

Geo models also offer the designed-in comfort and convenience features you'd expect of a world-class small car—items like fully reclining front bucket seats and door storage pockets in all models. Plus some features you may not expect—such as standard **Scotchgard™ Fabric Protector** on seats and door panels in Geo Prizm and Geo Storm, or an optional state-of-the-art Delco AM/FM stereo music system with stereo cassette tape player in most models.

Please accept our invitation to get to know a family of cars that offers more than you ever expected. More choices. More dealers. More technology. More value. Get to know Geo.

## CONTENTS

### 4 GEO STORM

A new 2+2 sport coupe with exciting styling, performance and handling. Choose from Geo Storm 2+2 or Geo Storm GSi 2+2.

### 14 GEO PRIZM

The five-passenger flagship of the Geo family of advanced-design small cars. Choose from sedan or hatchback models and three trim levels.

### 28 GEO METRO

Maximum style, maximum fun...at a minimum price. Metro is the smallest, most affordable member of the Geo family. Choose from three trim levels: the most economical Geo Metro XFi (3-door), the regular Geo Metro (3-door or 5-door) or the top-of-the-line LSi (3-door or 5-door).

### 38 GEO TRACKER

The fun-to-drive 4x4 that combines sporty style with rugged durability. Choose from Geo Tracker or Geo Tracker LSi trim levels, steel roof or canvas convertible top.

\*Example: Geo Prizm 24 MPG city, 28 MPG highway.  
†On GM test track with professional driver.

**GEO**  
STORM

*Geo Storm GSi features a hot 16-valve 1.6-liter engine with dual overhead camshafts for free-breathing, high-revving performance. Horsepower is 130 at 7000 RPM.*

Geo Storm is the new generation of performance coupe, for a new generation of enthusiasts.

The shape is aggressive, the technology leading-edge and the price affordable.

If this sounds like your kind of driving machine, read on. Or better yet, take a twisty piece of pavement by storm. Geo Storm. Choose from the 2+2 Coupe or GSi 2+2 Coupe.

*Geo Storm GSi 2+2 Coupe.*

*Geo Storm's MacPherson strut four-wheel independent suspension with front stabilizer elevates control and balance to a science.*

## GEO STORM 2+2

Geo Storm 2+2 is the brand-new sport coupe with the style to set it apart from its competition.

Within this expressive shape is a highly affordable, feature-packed sport coupe. Standard equipment on every Geo Storm 2+2 includes:

- Dramatic fastback coupe styling with pop-up headlamp covers, blackout trim, integrated body-color bumpers, aero-style flush-mounted tinted glass and a full-glass rear hatch.
- A sport-styled interior with high-back reclining front bucket seats.
- A two-passenger rear seat with folding backrest for increased cargo-carrying flexibility.
- Fully trimmed door panels with integral storage bins, passenger-side visor mirror and a floor-mounted console with convenience trays.
- Complete analog instrumentation, including speedometer, tachometer, trip odometer, fuel gage and temperature gage. All gages are backlit for enhanced nighttime visibility.
- A spirited 12-valve 1.6-liter four-cylinder engine with single overhead camshaft. Horsepower is 95 at 5800 RPM. Choice of standard 5-speed manual transmission or optional 3-speed automatic.
- A four-wheel independent suspension with power rack-and-pinion steering designed to please the driving enthusiast. Tires are P185/60R-14 all-season steel-belted radials.

**The Geo Storm control center includes full instrumentation with tachometer, standard AM/FM stereo radio with Seek and Scan, four speakers and digital clock, a headlamps-on warning tone and a remote decklid opener.**

**The 2+2 interior features high-back front bucket seats, full-folding rear seat, floor console with convenience trays and a driver's supplemental inflatable restraint system (air bag). Scotchgard™ Fabric Protector has been applied to the seat fabric of all Geo Storms, making food spills and other little messes a lot easier to clean up.**

**Geo Storm 2+2 Coupe.**

## **GEO STORM GSi 2+**

GSi 2+2 is the full-blown Storm: an all-out performance machine for the all-out performance enthusiast.

GSi 2+2 equipment includes:

- A 130-HP 16-valve engine with dual overhead camshaft design for excellent performance throughout a broader RPM range.
- Choice of a standard 5-speed manual transmission or optional 4-speed automatic.
- Sport Suspension with fast-ratio steering, front and rear stabilizer bars, gas-filled rear shock absorbers and P185/60R-14 tires on cast-alloy road wheels.
- Unique exterior appearance with special front fascia, air dam, fog lamps, rocker panel skirts, rear wiper washer and large body-color rear spoiler.
- Sport interior with premium contour molded front bucket seats, adjustable "see-through" front head restraints, intermittent wipers, oil pressure gage and voltmeter.

**Geo Storm GSi 2+2 Coupe.**

**Body-contoured sport bucket seats highlight the GSi interior.**

# STANDARD FEATURES

Geo Storm combines state-of-the-art technology with a very complete list of standard equipment. From an AM/FM stereo sound system to a driver's-side supplemental inflatable restraint system (air bag), Geo Storm delivers technology and features you might not expect to find at an affordable price.

*Geo Storm's advanced engines include a standard 12-valve (3 valves per cylinder) 1.6 Liter Four with a single overhead camshaft, and the 16-valve (4-valves per cylinder) 1.6 Liter Four with dual overhead camshaft that's standard only in the Geo Storm GSi (shown here). The advantages of multi-valve design and an overhead cam design include better breathing, increased volumetric efficiency for improved low-range response and the ability to provide more power at higher engine RPM. Multi-Port Fuel Injection is standard on all Geo Storm engines.*

*Standard interior convenience features include a coin tray (shown here), console with storage compartment, in-door storage and even an auxiliary 12V power outlet on GSi models.*

*Pop-up headlamp covers contribute to Geo Storm's sleek aerodynamic profile. Quad halogen headlamps project light further down the road and illuminate objects at greater distances than conventional headlamps.*

# GEO STORM

## GEO STORM STANDARD FEATURES

- 1.6-liter 12-valve engine with single overhead camshaft and Multi-Port Fuel Injection
- 12.4-gallon fuel tank
- AM/FM stereo radio with Seek and Scan, four speakers and digital clock

Geo Storm features optional Preferred Equipment Groups to help simplify the buying process. Group 1 includes a 5-speed manual transmission. Group 2 features an automatic transmission. Choose the package containing the equipment you desire, then select from the list of individually available options that follows. It's that simple.

## Individually Available Options

- Air conditioning
- Floor mats (front and rear)
- Radio: Delco AM/FM stereo with Seek and Scan, stereo cassette tape player, four speakers and digital clock.

Optional Delco AM/FM stereo radio with Seek and Scan, stereo cassette tape player and digital clock.

Geo Storm's high-output optional air conditioning features four adjustable instrument-panel outlets, a lap cooler air outlet and 4-speed fan blower. Controls are illuminated for excellent nighttime legibility.

Geo Storm 2+2 is available with an optional 3-speed automatic transmission. Geo Storm GSi 2+2 features an optional 4-speed automatic with overdrive for low-RPM highway cruising.

**GEO**  
PRIZM

**Geo Prizm lets five people ride in comfort. Interior features include chair-high seating and generous glass area for excellent visibility.**

This spacious five-passenger automobile is the flagship of the Geo family of advanced-design vehicles.

One important reason Geo Prizm has received rave reviews from both auto enthusiasts and consumer publications is an impressive performance resume. The technology includes a 1.6 Liter 16-valve engine with Multi-Port Fuel Injection, rack-and-pinion steering and a tuned four-wheel independent suspension.

Other reasons include impressive interior comfort, a beautiful ride and world-class quality in material and workmanship.

Select from Geo Prizm Sedan, Geo Prizm Hatchback, Geo Prizm LSi Sedan, Geo Prizm LSi Hatchback, or the sporty Geo Prizm GSi Sedan or GSi Hatchback.

**Geo Prizm LSi Sedan.**

**The Geo Prizm GSi instrument panel is a study in design excellence. Everything is where it should be from the highly legible analog instrumentation to the controls for the optional AM/FM stereo music system and the optional air conditioning.**

## **GEO PRIZM SEDAN/HATCHBACK**

There is a Geo Prizm for buyers who want the traditional sedan look and a bonafide trunk. And a Geo Prizm for those who prefer the versatility of a hatchback.

Whichever Geo Prizm you choose, Sedan or Hatchback, both have the 16-valve DOHC engine with Multi-Point Fuel Injection, rack-and-pinion steering and a torsion bar four-wheel independent suspension.

You'll also get rugged unitized body-frame construction, the solid traction of front drive and P175/70R14 all-season steel-belted radial tires, power front disc and rear drum brakes and a maintenance-free battery.

The five-passenger Geo Prizm Sedan gives you the look of a temporary sedan style with thin-pillar design for excellent visibility and a spacious trunk that opens at bumper level for easy loading.

The Geo Prizm Hatchback Sedan presents a very sporty appearance highlighted by dramatic wraparound rear glass. Yet this versatile body style offers four-door convenience, room for five passengers, a standard split-folding rear seat, up to 32.2 cu. ft. of cargo capacity with the rear seat folded flat, plus a wide rear hatch that opens at bumper level.

**Geo Prizm Sedan with optional full wheel covers.**

**Geo Prizm Hatchback Sedan.**

**The Hatchback Sedan's spacious cargo area is accessible through a wide-opening rear hatch. A standard split-folding rear seat adds convenience. Also standard: a removable security cover that extends over the rear area when the back seat is upright to shield your valuables from view.**

## **GEO PRIZM**

The first thing you'll notice is the room. Although Prizm is trim-sized on the outside, it delivers surprising luxury and comfort for five passengers on the inside.

Now picture yourself behind the wheel. The view is terrific, thanks to Geo Prizm's expansive glass area, thin pillars, low hood line, chair-high seating and a wide instrument panel.

The airy spaciousness of Geo Prizm is made even more comfortable with all the following standard features: richly textured cloth seats and color-coordinated carpeting, headliner and door panels and instrument panel. Deeply contoured rear bucket seats offer firm support and adjustable head restraints add to the comfort. Storage pockets on both front doors, center console with storage and a slide-out cup holder add to the convenience. Lap/shoulder safety belts are included at all outside seating positions.

Other standard features: tinted glass, left-hand rearview mirror, headlamps-on warning lamp, low-fuel warning lamp, remote release for fuel door and a rear window defogger.

**Geo Prizm Sedan interior.**

**The Geo Prizm instrument panel features easy-to-read analog gauges. Optional AM/FM stereo shown.**

**Geo Prizm LSi Hatchback Sedan.**

**Geo Prizm LSi Sedan.**

**The Geo Prizm LSi interior features custom fabrics and a split-folding rear seat.**

## **GEO PRIZM LSi**

If you're looking for up-level trim and impressive appointments in your next family car, the Geo Prizm LSi awaits your inspection.

The high-style LSi option consists of a distinctive exterior trim package and a custom interior. LSi equipment is optional on the hatchback (shown at left) and on the sedan (shown below).

Exterior highlights of the LSi are wraparound body-color front and rear bumpers, body-color grille, dual mirrors and custom aero-style full wheel covers. A rear-window wiper/washer is included on the LSi Hatchback.

Inside LSi, beautifully tailored custom fabrics grace the seats, headrests and door panels. The LSi Sedan also provides additional cargo- or people-carrying versatility with a 60/40 split-folding rear seat with trunk pass-through feature. The split-folding rear seat is also standard on all Geo Prizm Hatchback models.

Other LSi appointments include a custom "soft-feel" steering wheel, left- and right-hand covered visor mirrors and passenger-assist grips.

## GEO PRIZM GSi

Geo Prizm GSi is an *advanced* sport sedan, one of those truly rare automobiles that is as relaxing in long state cruising as it is fun on twisting two-lane roads.

The secret to this uncompromised level of performance includes:

- A high-output 130-HP version of the 16-valve, overhead cam Geo Prizm engine that gives GSi an excellent horsepower-to-weight ratio.
- A sport version of Geo Prizm's fully independent suspension with front and rear stabilizer bars, combined with P185/60HR-14 Eagle GT tires for precise handling and excellent ride comfort.
- Power steering and power four-wheel disc brakes.
- The choice of a standard 5-speed manual transmission or optional 4-speed electronically controlled automatic with overdrive. The automatic even includes a switch that lets you choose a "Normal" setting for everyday driving or a "Power" setting for extra performance.

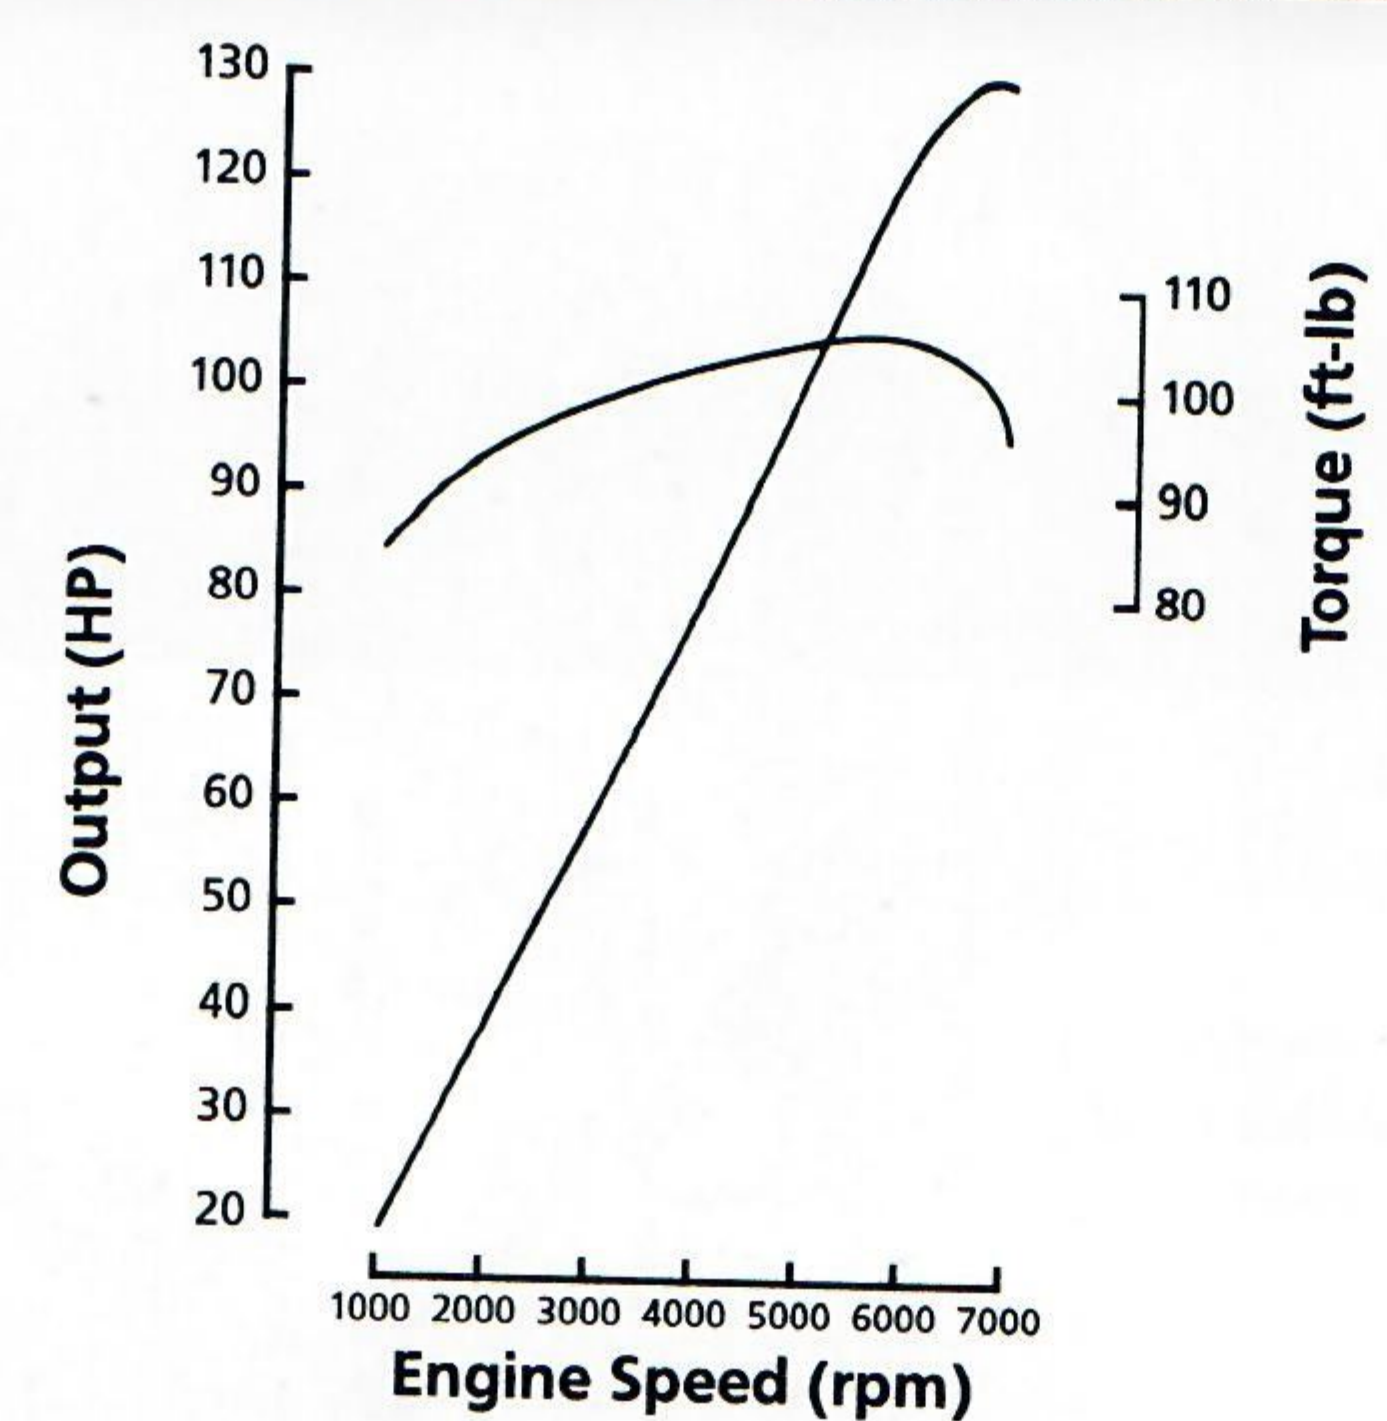

Geo Prizm GSi also has the style and appointments to accentuate its excellent performance. Exterior features include distinctive body-color front and rear fascias, aluminum wheels, dual mirrors, a rear spoiler and a window wiper/washer on the hatchback sedan.

The GSi interior treats its occupants to Sport Club trim, driver's seat vertical height adjuster, sport steering wheel, complete analog gage package with tachometer and passenger-assist grips.

Choose from GSi Sedan or GSi Hatchback Sedan.

**Geo Prizm GSi Sedan.**

**The 16-valve DOHC engine in Geo Prizm GSi offers excellent response through a broad RPM range. Horsepower is 130 at 6600 RPM.**

**Geo Prizm GSi interior.**

# STANDARD FEATURES

Geo Prizm is the advanced-technology, high-quality small family car of the 1990's. For example, under the hood is one of the industry's most sophisticated engines. Geo Prizm is also a notably well-equipped automobile. Highlights of Geo Prizm standard and optional features are described on these pages.

### Individually Available Options

- Air conditioning
- Floor mats, color-keyed front and rear
- Radio: AM/FM Stereo with Seek and Scan, stereo cassette tape player and digital clock
- Steel, electrically powered, sliding sunroof with map light.

The optional, electrically powered, steel sliding sunroof lets the sun shine into your Prizm when you want it to.

Optional automatic transmission (3-speed on Geo Prizm and Geo Prizm LSi; 4-speed overdrive on Geo Prizm GSi).

Optional tilt steering wheel adjusts to six different positions.

Optional Delco AM/FM stereo radio features Seek and Scan, stereo cassette tape player with auto-reverse feature and digital clock.

A rear window wiper/washer is optional on Geo Prizm Hatchback (included on LSi and GSi Hatchback models). Electric rear window defogger is standard on all models.

The optional Geo Prizm air conditioning system is designed to provide both powerful cooling and exceptional ventilation/defrosting.

Power door locks are optional on all Geo Prizm models.

Optional cruise control and intermittent wipers add driving convenience. Stalk-mounted controls.

**GEO**  
METRO

**30.2**

*Geo Metro Coupe makes simple work out of parking and maneuvering, thanks to a short 146.1-inch overall length and tight 30.2-ft. turning circle.*

Geo Metro is the fun and frugal way to go. Around town. Around campus. Past gas stations. And into pint-sized parking spaces.

Geo Metro will save you money mile after mile, and Geo Metro has also been designed to go the distance. The peppy, economical Geo Metro powertrain is proved in millions of owner-driven miles. GM's 3-year/50,000-mile Bumper to Bumper Plus warranty and 6-year/

100,000-mile limited warranty against body rust-through is standard.\*

Look out, utilitarian econoboxes offering limited choices! The Geo Metro has an expansive outlook on practicality, with the choice of a very low-priced XFi Hatchback Coupe, a high-style mid-level Hatchback Coupe and Hatchback Sedan, and a top-of-the-line LSi Hatchback Coupe and LSi Hatchback Sedan.

\*See your dealer for terms of this limited warranty.

*Geo Metro Coupe with optional Sport Striping*

*Geo Metro may be small on the outside, but it offers surprising room for four people and their cargo. fold-down rear seat and swing-up rear hatch add the convenience of all models.*

## **GEO METRO** **XFi COUPE**

Geo Metro XFi Coupe is the lowest-priced Geo you can buy. And beyond sheer affordability, the Geo Metro XFi Coupe makes lots of sense for lots of reasons.

This space-efficient Coupe offers seating for four adults, a fold-down rear seat and up to 29.1 cu. ft. of cargo space, accessible through a swing-up rear hatch.

For all its interior room, Geo Metro XFi is a nimble, highly maneuverable automobile. Geo Metro XFi is also one of America's fuel-efficiency leaders (**Estimated 53 MPG city, 58 MPG highway**) thanks to an advanced three-cylinder engine with Electronic Fuel Injection.

The advanced engineering features of Geo Metro XFi include front drive, four-wheel independent suspension, 5-speed manual transmission and rack-and-pinion steering.

Distinctive design details of Geo Metro XFi include a highly aerodynamic shape with flush glass, a dramatically low hood line and smoothly integrated wraparound front and rear bumpers.

So if you're looking for a fun-to-drive, common-sense runabout, Geo Metro XFi Coupe is looking for you.

**Geo Metro XFi Coupe.**

**Geo Metro XFi Coupe's standard cloth-and-vinyl front bucket seats are fully reclining and the rear seat folds flat for additional storage.**

## GEO METRO

The regular Geo Metro shown here is the sporty, step up from the XFi Coupe. Selecting this Geo Metro also gives you one more option: the choice of two doors or four.

In addition to four-door convenience, the Geo Metro Hatchback Sedan features a slightly higher roof for enhanced rear seat head room, and the car runs on a 3.9-inch longer wheelbase.

This value-packed Geo Metro series includes all the following upgrades from Geo Metro XFi Coupe:

- Color-coordinated upper front and rear bumper
- Black body-side moldings.
- Full wheel covers.
- Dual sport mirrors.
- Black-accented center pillar.
- Sport Striping (optional).
- Intermittent wipers.

*Geo Metro Hatchback Sedan with optional Sport Striping.*

*Geo Metro instrument panel with optional Delco AM/FM stereo radio.*

*Geo Metro Hatchback Coupe with optional Sport Striping.*

## **GEO METRO LSi**

LSi is the Geo Metro with decidedly upscale interior and exterior appointments. Choose from a Hatchback Sedan or a Hatchback Coupe.

Both LSi Coupe and LSi Sedan models have a distinctive exterior appearance, with flush-fitting components, halogen headlamps, body-color bumpers, body-color side moldings, black-accented exterior trim, dual side mirrors and full wheel covers.

The inviting LSi interior includes custom duo-tone cloth bucket seats, cloth door panel trim, dual door storage pockets, intermittent wipers and a split-folding rear seat.

And that's not all. Geo Metro LSi lets you choose from a wide variety of options, including automatic transmission and Delco AM/FM stereo sound systems. For the complete list, just turn the page.

**Geo Metro LSi Hatchback Sedan.**

**The LSi interior features custom fabrics and a split-folding rear seat.**

**Geo Metro LSi Hatchback Coupe.**

# STANDARD FEATURES

**AM/FM stereo with Seek and Scan, cassette tape player and digital clock.**

**A 3-speed automatic transmission is available, depending on Preferred Equipment Group selected (NA).**

**GEO**  
TRACKER

Geo Tracker is the four-wheeling fun machine with the high-energy personality that will take you where you want to go.

Tracker starts with styling that says "fun," the choice of closed or convertible models and a suspension that's built rugged for off-road adventure.

And in the city, Geo Tracker is maneuverable and easy to

get around in, thanks to a solid 86.6-inch wheelbase and short 142.5-inch overall length. The wide stance provides excellent stability.

Choose from four models: Geo Tracker, Geo Tracker Convertible, the up-level Geo Tracker LSi and new Geo Tracker LSi Convertible.

*Geo Tracker LSi Convertible.*

*The LSi interior offers a sporty yet comfortable environment for traveling. The rear bucket seats have a "fold, flip and stow" feature for added cargo-carrying capacity.*

## GEO TRACKER

Just because Geo Tracker has a light-hearted attitude doesn't mean there's anything frivolous about its capabilities. This is one truck-tough 4x4.

Geo Tracker specifications tell the story:

- A 1.6 Liter four-cylinder overhead cam engine with Electronic Fuel Injection provides generous low-end torque and excellent response at higher speeds.
- Standard 5-speed manual transmission and four-wheel drive with manual locking front hubs and two-speed transfer case provide the go-power.
- Big P205/75R-15 on-/off-road type tires provide the traction.
- Geo Tracker is built on a rugged ladder-type frame with heavy-duty MacPherson strut independent front suspension, trailing-arm solid axle rear suspension and coil springs at all four corners. Ground clearance is 7.9 inches.

The standard Geo Tracker is available as a closed two-door model with steel roof or as a convertible. Both models feature a full complement of standard features including:

- Composite halogen headlamps.
- Gage package with tachometer.
- Power front disc/rear drum brakes.
- Dual outside rearview mirrors.
- Front and rear bumper rub strips and body-side moldings.
- A full-size, outside-mounted spare tire with lock.

### 4X4 DRIVING TIPS

*Geo Tracker is a fun-to-drive 4x4 vehicle designed to travel where regular passenger cars wouldn't dare. And although Geo Tracker has been designed with a wide track and wide stance, its versatile nature and high ground clearance also mean that it will handle somewhat differently from a passenger car, especially after you have left our North American road system.*

*Please drive your Geo Tracker with care on-road or off-road. Make sure you and your passengers always wear safety belts. When off-roading, stay on marked trails and do your part to keep America beautiful by always treating our environment with respect. Ask your dealer for A Guide to 4x4 Driving With Geo Tracker before traveling off-road in your Geo Tracker.*

*More information on Geo Tracker's on-road and off-road capabilities may be found in the owner's manual. Please read it before you drive your new Geo Tracker. It's filled with helpful tips and facts on safer driving.*

*The steel-roofed Geo Tracker includes standard electric rear window defogger and swing-out rear side windows. Optional spare tire cover shown.*

**Geo Tracker Convertible.**

## GEO TRACKER LSi

LSi is the frosting on the 4x4 cake. This upscale Tracker has a few more comfort and convenience features, a bit plusher interior and a dressier exterior with chrome Rally Wheels.

Geo Tracker LSi is available as a steel-top or convertible. Both LSi models offer the following standard equipment:

- Automatic locking hubs so you can shift in and out of four-wheel drive without getting out of the vehicle.
- A comfortable Custom Cloth interior (see pages 44-45 for LSi interior details).
- AM/FM stereo radio.
- Front and rear floor mats.
- Intermittent windshield wipers and rear window wiper/washer (except Convertible).
- Tinted glass.
- Spare tire cover.
- Chrome Rally Wheels and white-lettered on-/off-road tires.

Geo Tracker LSi.

Geo Tracker LSi Convertible, new for 1990.

## GEO TRACKER

Although Geo Tracker is a quality-built 4x4 truck, the Geo Tracker interior is anything but trucklike.

Every Geo Tracker offers comfortable seating for four people, plus all the following:

- Cloth/vinyl reclining front bucket seats with integral head restraints.
- Over 32 cu. ft. of cargo space with the rear seat stowed forward.
- Analog instrumentation with tachometer, temperature gage and trip odometer.
- Heavy-duty heater/defroster with 4-speed fan and side window defoggers.
- Stowage trays, lockable glove box and three passenger-assist handles.

Geo Tracker LSi offers an even sportier interior appearance with Custom Cloth trim, reclining front and rear bucket seats with flip-fold-and-stow feature, intermittent wipers and tinted glass.

Geo Tracker LSi interior.

The LSi features standard gage package with tachometer and optional AM/FM stereo radio cassette tape player and digital clock.

- Tinted glass
- White-lettered on-/off-road tires.

Geo Tracker models feature four-wheel drive with manually locking hubs (automatic locking hubs on Geo Tracker LSi) for selection of 2WD or 4x4 operating modes. The console-mounted transfer case shift lever allows selection of 4-Low or 4-High gear ratios.

## Dimensions (in.)

	Geo Tracker	Geo Tracker Convertible
Wheelbase	86.6	86.6
Length (overall)	142.5	142.5
Width (overall)	64.2	64.2
Height (loaded)	65.0	65.0
Cargo Volume (cu. ft.)	8.7*	8.9†
Fuel Tank Capacity (gals.)	11.1	11.1

\*31.9 with rear seat down.  
†32.1 with rear seat down.

# GEO TRACKER

Geo Tracker's center console is both stylish and functional. Standard features shown include heater/defroster with power ventilation and 4-speed fan, cigarette lighter and ashtray, coin storage and 5-speed manual transmission.

Headlamp control is conveniently located on turn signal stalk.

## Exterior Colors

15" wheels and on-/off-road tires are standard on all Geo Tracker models.

Geo Tracker Convertible's 2-position soft top is available in black or white, depending on exterior color selected.

Geo Tracker features a side-opening rear door with glass rear window and electric window defogger.

Side window defoggers are a standard convenience you'll appreciate.

# OPTIONS

In addition to LSi equipment, there are a number of options available on all Geo Tracker models, including:

- Automatic transmission
- Air conditioning
- Delco AM/FM stereo radio with Seek and Scan and digital clock (included with LSi)
- Delco AM/FM stereo radio with Seek and Scan, stereo cassette tape player and digital clock
- Floor mats, front and rear (included with LSi)
- Front differential and transfer case shield plates
- Light-duty trailer hitch with wiring harness
- Spare tire cover (included with LSi).

The optional rear-mounted spare tire cover adds a fashionable touch. Standard on LSi models.

Chrome Rally Wheels. Standard on LSi models.

Optional automatic transmission, Delco AM/FM stereo music system and air conditioning controls are housed in a high-style center console.

# GEO TRACKER

Choose from two optional music systems. The Delco AM/FM stereo with Seek and Scan, cassette tape player and digital clock is shown here.

Intermittent windshield wiper control. Standard on LSi models.

- Tires with built-in tread wear indicators.

### Theft Deterrence

- Audible reminder for ignition key removal
- Theft deterrent steering column lock
- Visible vehicle identification number.

## IMPORTANT: A Word About This Catalog.

We have tried to make this catalog as comprehensive and factual as possible. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Since some information may have been updated since the time of printing, please check with your Chevrolet dealer for complete details.

### A Word About Engines.

Chevrolets are equipped with engines produced by different operating units of GM, its subsidiaries or suppliers to GM worldwide.

### A Word About Assembly.

Chevrolets are assembled by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. Chevrolet incorporates thousands of components produced by different operating units of GM, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Chevrolets with different or differently sourced components than originally scheduled. All such components have been approved for use in Chevrolets and will provide the quality performance associated with the Chevrolet name. Since some options may be unavailable when your vehicle is assembled, we suggest that you verify that your vehicle includes the equipment you ordered, or if there are changes, that they are acceptable to you.

### A Word About Updated Service Information.

Chevrolet regularly sends its dealers useful service bulletins about Chevrolet products. Chevrolet monitors product performance in the field. We then prepare bulletins for servicing our products better. Now you can get these bulletins, too. Ask your dealer. To get ordering information, call toll-free 1-800-551-4123.

### A Word About Corrosion Protection.

Chevrolets are designed and built to resist corrosion. All body sheet metal components are warranted against rust-through corrosion for 6 years/100,000 miles. Application of additional rust inhibiting materials is not required under the corrosion coverage.

At your Chevrolet dealer, financing or leasing your new Geo can be as easy as saying GMAC.

General Motors, GM, the GM emblem, Chevrolet, GEO, and the GEO grille emblem are registered trademarks of the General Motors Corporation. Storm, Prizm, Metro and Tracker are trademarks of the General Motors Corporation. ©1989 General Motors Corporation. All rights reserved.

Let's get it together...buckle up.

**BUMPER TO BUMPER**  
3 YEAR/50,000 MILE WARRANTY

**GM's 3-year/50,000-mile limited warranty covers repairs for the 1990 Geo including labor and parts, to correct any defects in material or workmanship occurring during the warranty period. After the first year or 12,000 miles, there is a \$100 deductible per repair visit. Warranty features include air conditioning repair, towing, no-cost warranty transfer, 6-year/100,000-mile body sheet rust-through protection and 5-year/50,000-mile emission control system coverage. Items not covered include tires (which are covered by their manufacturer) and normal maintenance. See your Chevrolet dealer for terms of this limited warranty.**
