BREAK  THROUGH

CTS

cadillac.com or 1-800-333-4CAD

Shear planes. Crisp edges. Cadillac® CTS™ takes its cues, not from other cars, but from stealth aircraft. Under the skin, CTS offers a 21st-century take on the classic performance-car configuration. A rigid rear-wheel-drive chassis, advanced engineering and premium components produce precise handling, flat cornering, and right-now acceleration and braking. CTS is as exhilarating to pilot as the machines that inspired it.

CTS interior shown with available equipment.

CTS shown in Sterling with the available Luxury Sport Package.
