**ABOVE & BEYOND**

Ever since the first Land Rover vehicle was conceived in 1947, we have built vehicles that challenge what is possible. These in turn have challenged their owners to explore new territories and conquer difficult terrains. Our vehicles epitomize the values of the designers and engineers who have created them. Each one instilled with iconic British design cues, delivering capability with composure. Which is how we continue to break new ground, defy conventions and encourage each other to go further. Land Rover truly enables you to make more of your world, to go above and beyond.

## INTRODUCTION

# THE MOST VERSATILE COMPACT LAND ROVER

### **EFFORTLESS LINES, EFFORTLESS DRIVE: INTRODUCING THE NEW DISCOVERY SPORT**

Our challenge was to make a vehicle that was designed around you, and that's exactly what we did. The beautifully proportioned New Discovery Sport has arrived. Design-enabling technologies have been embraced to optimize the front and rear design, including LED headlights and tail lights, bumpers and grille. These changes have added sophistication to its characterful exterior, while complementing the engaging nature of the interior design. The compelling New Discovery Sport. Designed and engineered to take you and your family wherever you want to go. See pages 8-15 for details.

### **VERSATILE BY DESIGN**

The Discovery Sport has configurable seating, with a second row that both slides and reclines with a 5 + 2 seating option. This gives you the flexibility and versatility to throw whatever you want at it, or in it. See pages 16-23 for details.

### **ON-ROAD CAPABILITY, MATCHED ONLY BY OFF-ROAD CAPABILITY**

The world's a pretty big place. Full of crevices and corners that are yet to be discovered. Luckily, The Discovery Sport has all-terrain capability that will take you anywhere. Innovative new features mean you can tackle off-road conditions with confidence. See pages 24-31 for details.

### **CONNECTED AND CONTENTED**

No matter where you are, Discovery Sport has cutting-edge technology that keeps you and your passengers connected, informed and entertained. See pages 33-51 for details.

All in-car features should be used by drivers only when safe for them to do so. Drivers must ensure they are in full control of the vehicle at all times.

Vehicle shown is R-Dynamic HSE in Firenze Red with optional features fitted.

## DESIGN

# NEW DISCOVERY SPORT EVEN MORE DYNAMIC

The instantly recognizable Discovery design DNA has been honed to ensure a striking visual impact. Modernity and refinement are reflected in the new front and rear bumpers, grille design and LED lights – making the Discovery Sport a contemporary, sophisticated and sporty addition to the Discovery family. Added to which, being a Land Rover, its legendary inherent capability is a given.

Vehicle shown is R-Dynamic HSE in Firenze Red with optional features fitted.

“Discovery Sport combines design excellence, engineering integrity and exceptional versatility to create a premium compact SUV”

Gerry McGovern  
Land Rover Design Director and Chief Creative Officer

## MODERN, RELEVANT, READY FOR ANYTHING

You can't help but notice the New Discovery Sport. This beautifully proportioned vehicle combines unique character and stance to create something unmistakable, while still being every bit as capable as you'd expect. Available in two distinctive versions, the Discovery Sport has a newly refined design that emphasises the enhanced versatility of Discovery, while the Discovery Sport R-Dynamic expresses its overt sporting nature.

Vehicle shown is SE in Byron Blue with optional features fitted.

## A BEAUTIFUL PLACE TO BE

The moment you step inside the Discovery Sport, you feel a sense of calm. The panoramic roof bathes the cabin in light, while bold horizontal and vertical lines complement the clean, uncluttered surfaces. Add to this the premium materials which have been responsibly sourced, and you'll see why you and your passengers will always enjoy the drive - whether it's on an open road or in the city.

Interior shown is R-Dynamic HSE with Light Oyster/Ebony Windsor leather seats and optional features fitted.

## DESIGNED AROUND YOU

With versatility at its core, the interior has been designed to meet the challenges of an active lifestyle. It combines a dynamic 5 + 2 seat profile with a spacious, modern interior - one which features two display screens and a new center console. This ensures that everyone enjoys the refined and luxurious environment.

Interior shown is R-Dynamic HSE with Light Oyster/Ebony Windsor leather seats and optional features fitted.

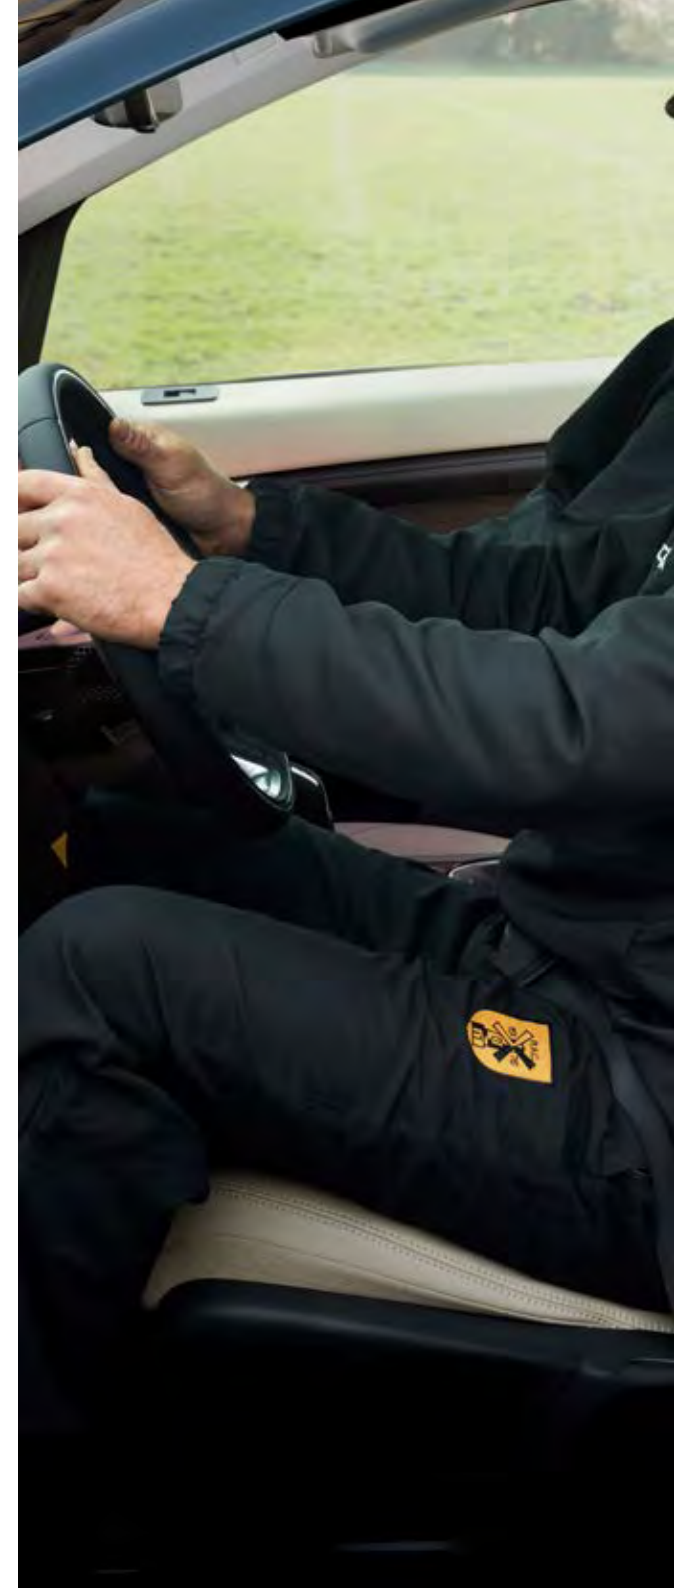

## VERSATILITY

# THE WHOLE TEAM CAN RELAX

Having a car full of people is no problem for Discovery Sport. Our optional 5 + 2 seats combine comfort with outstanding versatility. The slide and recline function of the second row provides even more flexibility - leaving everyone to unwind on their devices, watch a movie or simply relax in the comfort of their own space.

Vehicle shown is SE in Byron Blue with Acorn Windsor leather seats and optional features fitted.

# AS VERSATILE AS YOUR LIFE DEMANDS

Discovery Sport helps you carry items of all shapes and sizes with absolute ease. Plenty of storage throughout the cabin means there's always a place for you to put your phone or other small items. There's a handy console box with ample room and, in the back of the vehicle, a choice of storage solutions are available. For instance, the luggage retention kit will keep, say, a family food shop and all your kit bags separate.

## 7 SEATS

## FLEXIBLE FOR ALL

Versatile and convenient - with wireless charging, multiple USB ports and the Click and Go Accessory System, the Discovery Sport makes life that little bit easier and more enjoyable. Outstanding cargo space capacity can easily accommodate your luggage, shopping, or any other kit. So, wherever you're seated, or whatever you want to carry, you can just relax.

Vehicle shown is SE in Byron Blue with Acorn Windsor leather seats and optional features fitted.

## PULLING POWER

Ever tried towing through a muddy field? Thankfully, the Discovery Sport has renowned towing capacity which means it can readily respond to the toughest demands. As the name suggests, Trailer Stability Assist\* automatically helps to reduce torque or applies the brakes in response to sway, giving you better stability when towing. Advanced Tow Assist<sup>1</sup> helps to guide your trailer into position with ease, by following its trajectory on the main Touchscreen\*\* and controlling its path using the rotary dial on the center console.

\*These systems are not a substitute for driving safely with due care and attention and will not function under all circumstances, speeds, weather and road conditions etc. Driver should not assume that these features will correct errors of judgment in driving. Please consult the owner's manual or your local authorized Land Rover Retailer for more details. \*\*Driving while distracted can result in loss of vehicle control. Do not operate, adjust or view the navigation or multimedia systems under conditions that will affect your safety or the safety of others. Only use mobile phones and other devices, even with voice commands, when it is safe to do so.

<sup>1</sup>Only available with 360° Surround Camera and Automatic Headlight Levelling.

Vehicle shown is SE in Byron Blue with optional features fitted.

DISCOVERY

VCC 116

#### PERFORMANCE AND CAPABILITY

## A CHOICE OF ENGINES

You can choose between two beautifully engineered engines which use advanced technologies to deliver smooth performance, while their intelligent Stop/Start system is designed to help improve fuel efficiency and reduce emissions. Mild Hybrid Electric Vehicle\* (MHEV) technology harvests and stores energy normally lost during vehicle deceleration, and intelligently redeploys it to assist the engine in improving efficiency. Please see pages 60-61 for more details.

\*Only available on R-Dynamic HSE  
Vehicle shown is R-Dynamic HSE in Firenze Red with optional features fitted.

## EFFORTLESS ANYWHERE

There are times in life when the inherent capability of a Land Rover truly comes into its own. Like now. Traversing the bank of a muddy road would scare most people off, but your vehicle comes with Terrain Response 2\*. This automatic system monitors your driving conditions and selects the most suitable terrain setting, making easy work of the rough and varying surfaces.

\*These systems are not a substitute for driving safely with due care and attention and will not function under all circumstances, speeds, weather and road conditions etc. Driver should not assume that these features will correct errors of judgment in driving. Please consult the owner's manual or your local authorized Land Rover Retailer for more details.

Vehicle shown is SE in Byron Blue with optional features fitted.

Your Discovery Sport has All Wheel Drive\* and Hill Descent Control (HDC®)\*\* to make the hardest of drives seem easier, while All Terrain Progress Control (ATPC)\*\* can help you to maintain a steady speed in some of the most challenging conditions. You can easily load bikes to the Roof Mounted Bike Carrier, with the rest of your gear going into the trunk. With up to 58.3 cu.ft of cargo space, there's room to spare. So no matter what you get up to, your vehicle can rise to the challenge.

\*This feature is not a substitute for safe and attentive driving, nor can it overcome all extreme circumstances. Please consult the owner's manual or your local authorized Land Rover Retailer for more details. \*\*These systems are not a substitute for driving safely with due care and attention and will not function under all circumstances, speeds, weather and road conditions etc. Driver should not assume that these features will correct errors of judgment in driving. Please consult the owner's manual or your local authorized Land Rover Retailer for more details. Vehicle shown is R-Dynamic HSE in Firenze Red with optional features fitted.

## TAKE THE LONG WAY HOME

There's nothing quite like the on-road performance of a Land Rover. Every Discovery Sport uses a Torque Vectoring by Braking\* system, which helps control and handling through some of the tightest of corners. It does so via the calculated braking of the inside wheels, holding you on the road. The option of Configurable Dynamics\* gives you the choice to configure your car, your way, by using the Touchscreen\*\* settings to set the responsiveness of the throttle, steering and transmission, and if you choose Adaptive Dynamics\*<sup>1</sup>, the suspension too. Added to which, the R-Dynamic HSE with the P290 engine comes as standard with the next-generation Active Driveline\* system - delivering superb agility and handling, and even greater traction in off-road conditions. You might just want to drive the long way home.

\*These systems are not a substitute for driving safely with due care and attention and will not function under all circumstances, speeds, weather and road conditions etc. Driver should not assume that these features will correct errors of judgment in driving. Please consult the owner's manual or your local authorized Land Rover Retailer for more details.  
\*\*Driving while distracted can result in loss of vehicle control. Do not operate, adjust or view the navigation or multimedia systems under conditions that will affect your safety or the safety of others. Only use mobile phones and other devices, even with voice commands, when it is safe to do so.

<sup>1</sup>Only available with Automatic Headlight Leveling.

Configurable Dynamics feature shown on opposite page is an optional feature.

Vehicle shown is R-Dynamic HSE in Firenze Red with Light Oyster/Ebony Windsor leather seats and optional features fitted.

## TECHNOLOGY

# YOUR WORLD AT YOUR FINGERTIPS

In such a fast-paced world, we know how important it is to stay connected. That's why the Discovery Sport features a range of customizable technologies, like Touch Pro\* - our state-of-the-art infotainment system that gives you all the information you need, where you need to see it. Head-up Display\*\* presents key vehicle data such as your speed, gear position and navigation directions, while the optional 12.3" high-definition Interactive Driver Display\*\* shows an array of driving information and safety data. This includes a full-screen map, as well as the use of your phone and other media. There's even a voice recognition system\*, which can be used to set your journey's destination or make a phone call. This all helps you keep your eyes on the road ahead - which is exactly where your focus should be.

\*Driving while distracted can result in loss of vehicle control. Do not operate, adjust or view the navigation or multimedia systems under conditions that will affect your safety or the safety of others. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. \*\*These systems are not a substitute for driving safely with due care and attention and will not function under all circumstances, speeds, weather and road conditions etc. Driver should not assume that these features will correct errors of judgment in driving. Please consult the owner's manual or your local authorized Land Rover Retailer for more details.

## ALWAYS CONNECTED

Staying connected has never been so easy. Whether it's listening to the latest podcast or finding the perfect parking spot, our Smartphone Pack allows you to connect your phone's apps with the Discovery Sport Touchscreen\*, so you can access your choice of entertainment on the move. But what happens when there are four or more people to accommodate? Our Online Pack<sup>1</sup> includes a 4G Wi-Fi Hotspot\*\*, which enables each person to simultaneously access the internet. Live Apps also gives you access to 'live' information services such as Weather Watch, Flight Tracker, News and Sports. Other helpful features include a Calendar and Online Media for access to your Deezer and Tunes accounts. And Smart Settings learns your habits and tastes and predicts your seating, climate and music preferences. It'll even preheat your steering wheel and seats on a cold day, or change the media channel on a specific day of the week. So, whether your little ones are streaming movies, or your not-so-little ones are browsing social media, everyone is always entertained and informed.

\*Driving while distracted can result in loss of vehicle control. Do not operate, adjust or view the navigation or multimedia systems under conditions that will affect your safety or the safety of others. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. \*\*The Wi-Fi Hotspot is intended for passenger use only. InControl features may require an additional subscription with separate terms and conditions.

<sup>1</sup>Online functionality and Wi-Fi connectivity is dependent on the installation of a micro SIM with suitable data contract. 4G Wi-Fi Hotspot and Online Pack contain subscription services that can be extended after the initial term advised by your Land Rover Retailer. <sup>2</sup>Only available with Connected Navigation Pro.

Vehicle shown is R-Dynamic HSE in Firenze Red with Light Oyster/Ebony Windsor leather seats and optional features fitted.

## CONNECT WITH YOUR VEHICLE REMOTELY

It's late afternoon and your two children have just finished their last game of the season. Using the Remote App, you preheat the cabin to the perfect temperature, ensuring Discovery Sport is truly welcoming. Through the app, you can also check journey distance, ensure your vehicle's locked, and easily find wherever you left it.

Information and images displayed in relation to the InControl technology, including screens or sequences, are subject to software updates, version control and other system/visual changes depending on options selected. Mobile network connectivity cannot be guaranteed in all locations. Remote App will need to be downloaded from the Apple/Play Store.

Vehicle shown is SE in Byron Blue with Acorn Windsor leather seats and optional features fitted.

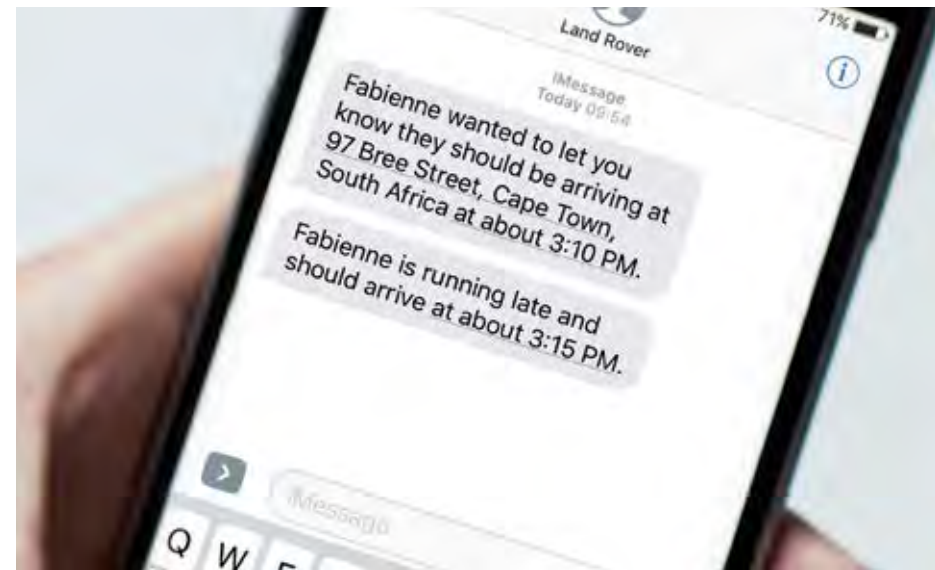

## STAY ONE STEP AHEAD

There's heavy traffic and you're running late to meet friends. It's an all too familiar situation. Luckily, Connected Navigation Pro\* ensures you'll always be one step ahead. Live Traffic monitors your planned route with the most accurate traffic information to help avoid congestion, while Online Search lets you search for places of interest nearby. Route Planner lets you search your destination before you set off and transfers it to your vehicle. Once you've arrived, it will continue to provide door-to-door guidance via your smartphone. What if running late just can't be avoided? The Share ETA feature will share your movements with friends and family, and send them automatic updates\*\*.

\*Contains subscription services that can be extended after the initial term advised by your Land Rover Retailer.  
\*\*Driving while distracted can result in loss of vehicle control. Do not operate, adjust or view the navigation or multimedia systems under conditions that will affect your safety or the safety of others. Only use mobile phones and other devices, even with voice commands, when it is safe to do so.  
Vehicle shown is R-Dynamic HSE in Firenze Red with Light Oyster/Ebony Windsor leather seats and optional features fitted.

## HOW DOES MUSIC MAKE YOU FEEL?

Music has the power to change your mood, evoke memories and affect your wellbeing. It can give you tingles or make you cry. It's why music and cars go so well together. Sitting behind the wheel, listening to your favorite artist, band or composer. It's your space. Your world.

But what if you could do more than simply listen to the music? What if you could feel it, experience it, immerse yourself in it? What if you could make more of a connection with the music and enjoy a greater sense of acoustic involvement in your Land Rover?

British-based Meridian™ Audio are all about the musical experience – the very sense of being there. Their award-winning, precision-engineered audio systems are built on a lifetime of research into psychoacoustics (the science of how the human brain perceives sound) to deliver a performance that is so true to life, you feel every beat, every breath.

Meridian is a registered trademark of Meridian Audio Ltd.

Interior shown is R-Dynamic HSE with Light Oyster/Ebony Windsor leather seats and optional features fitted.

# WITH MERIDIAN™, YOU'LL FEEL MORE

We're not simply talking about increasing the volume levels. It's more about managing the sound stage; intensifying the levels of depth, clarity and realism of the music by using a combination of advanced acoustic technology and strategically positioned speakers, to produce an audio platform that is exactly right for your Land Rover's interior.

So wherever you sit in the vehicle - driving seat, passenger seat or rear seat - with a Meridian system, you get the same incredible experience. Each strike of the piano, every guitar pick, horn blast, chorus and melody reveals itself with precision and texture, just as the artist intended. It's intimate, dramatic and very atmospheric - whether you're off road or stuck in rush-hour traffic.

## 1 | 180W SOUND SYSTEM

Exceptional acoustics and audio range with high-quality definition through six speakers.

6 SPEAKERS 180W AMPLIFIER POWER

## 2 | MERIDIAN SOUND SYSTEM

Feel the rhythm of the music with exceptional definition, crystal-clear highs and full, deep bass with this classic audiophile soundstage. Through the careful management of door-mounted speakers placed nearest your seat, you'll enjoy a performance that is incredibly smooth, clean and free of strain.

10 SPEAKERS 1 SUBWOOFER 380W AMPLIFIER POWER

### 3 | MERIDIAN™ SURROUND SOUND SYSTEM

A truly engaging, thoroughly authentic concert hall experience. Driver and passengers are enveloped in the fullness and clarity of an open, spacious performance through a set of side, front and rear speakers. And it's all seamlessly integrated using Trifield™ technology, so you can sit back and absorb every detail.

14 SPEAKERS 1 SUBWOOFER 825W AMPLIFIER POWER

#### DIGITAL SIGNAL PROCESSING

Tailors the sound signals for a seamless audio output. Acting as the conductor of the orchestra, it ensures perfect harmonization between speakers.

#### MERIDIAN CABIN CORRECTION

This unique system analyzes the cabin shape, acoustics and resonance characteristics of your vehicle to remove any potential noise interference. Whether listening to your favorite band or audiobook, it's heard with the utmost clarity. Exactly as it should be.

#### MERIDIAN DIGITAL DITHER SHAPING

Instantly converts the format of your streaming device to an optimized playback method, shaping it to make sure it plays just as smoothly and authentically as the original recording.

#### TRIFIELD

Blends the centre and surround channels seamlessly with the left and right, recreating the surround venue of a musical performance. Creates an atmospheric sound stage to give all passengers a concert-like experience.

#### CENTRE CHANNEL SPEAKER

Adds depth and life to your music - particularly the vocals, which sound beautifully crisp and clear. So when you listen to your favorite artist, it's like they're singing directly to you.

#### SUBWOOFER

The dual-input subwoofer on a Meridian sound system brings a deeper, richer and more controlled bass sound.

Meridian is a registered trademark of Meridian Audio Ltd. Trifield and the three fields device is a trademark of Trifield Productions Ltd.

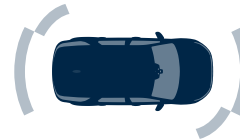

## IT'S LIKE HAVING AN EXTRA PAIR OF EYES

Discovery Sport has been built using some of our most advanced technologies and driver assistance features. All of which help make getting around town and parking easier, and driving on highways that bit more enjoyable. For instance, should you unintentionally drift lanes, Lane Keep Assist\* helps you to keep yourself in position by applying a corrective torque to the steering wheel, encouraging you to guide your vehicle back. And wouldn't an extra pair of eyes that help to correct the slightest lapse make you feel more confident?

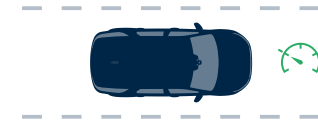

The more you use these technologies, the more you'll find they don't take over your drive, they simply help take the stress out of it - that's got to be good. Full details of all our Driver Assist and Park Assist features are on pages 47-49.

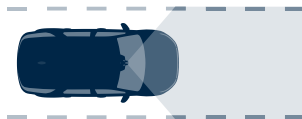

**Emergency Braking\*\*** can detect an imminent forward collision with other vehicles or pedestrians and can assist to mitigate the potential for a collision. It displays a warning of upcoming danger, and applies the brakes if no action is taken.

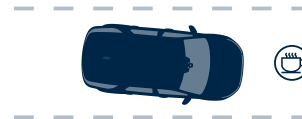

**Front and Rear Parking Aid\*** uses sensors located in the front and rear bumpers which will help make maneuvering that little bit easier.

**Cruise Control and Speed Limiter†** allows the driver to maintain the current speed of the vehicle without the need for continued use of the accelerator pedal, helping to reduce driver fatigue\*. The Speed Limiter will also allow the driver to preset a maximum specified speed which the vehicle will not exceed. Both functions can be easily turned on or off by the driver as desired.

**Lane Keep Assist\*** detects when your vehicle is unintentionally drifting out of lane and will help apply a corrective torque to the steering wheel, to encourage you to guide your vehicle back.

**Driver Condition Monitor\*** detects when you're starting to feel drowsy and gives an early warning to take a break.

\*These systems are not a substitute for driving safely with due care and attention and will not function under all circumstances, speeds, weather and road conditions etc. Driver should not assume that these features will correct errors of judgment in driving. Please consult the owner's manual or your local authorized Land Rover Retailer for more details. \*\*Please note that if any action is taken, even minimal steering, the Emergency Braking system will assume the driver resumed control of the vehicle and the system will automatically disengage. †Always follow local speed limits.

Interior shown is R-Dynamic HSE with Light Oyster/Ebony Windsor leather seats and optional features fitted.

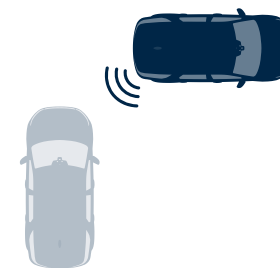

## PARK PACK

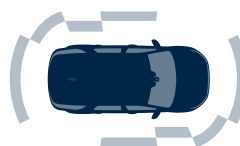

Trying to maneuver into those tight city spaces can be a real challenge. Luckily, our optional Park Pack includes a range of technologies, helping you to enjoy hassle-free parking, every time.

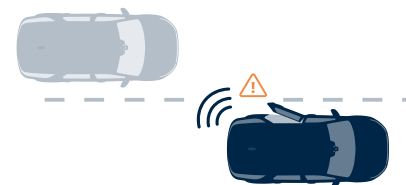

**Park Assist\*** makes parallel and lot parking easier by steering your vehicle into a suitable place. You just have to select the appropriate gear and control the vehicle's speed.

**Rear Traffic Monitor\*** helps when reversing with an obstructed view by warning you of vehicles, pedestrians or other hazards approaching either side of your vehicle.

**360° Parking Aid\*** uses sensors located around the vehicle to indicate how close you are to obstacles via the Touchscreen display and audio feedback.

**Clear Exit Monitor\*** helps rear passengers to exit the vehicle by providing an alert for hazards approaching from the rear via a small warning light on the door handle.

\*These systems are not a substitute for driving safely with due care and attention and will not function under all circumstances, speeds, weather and road conditions etc. Driver should not assume that these features will correct errors of judgment in driving. Please consult the owner's manual or your local authorized Land Rover Retailer for more details. Vehicle shown is R-Dynamic HSE in Firenze Red with optional features fitted.

## DRIVE PACK<sup>1</sup>

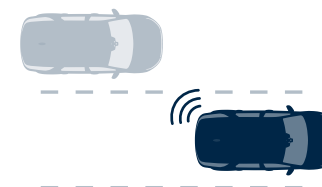

Our Drive Pack features the latest driver assistance technologies which can help detect potential collisions and help you actively respond to them, so you can feel more confident on any drive.

**Adaptive Cruise Control\*** will keep you a varied distance from the vehicle in front based on the speed of both vehicles, should it slow or stop when traveling on the highway or in slow-moving traffic.

**High-speed Emergency Braking\*\*** is designed to apply the brakes if the driver doesn't respond, in order to reduce the severity of a possible collision.

**Blind Spot Assist\*** alerts you to vehicles in, or quickly approaching, your blind spot. If your vehicle detects another car in your blind spot when starting to change lanes, a warning light illuminates in the corresponding door mirror. Corrective torque is applied to the steering wheel, encouraging you to guide your vehicle away.

\*These systems are not a substitute for driving safely with due care and attention and will not function under all circumstances, speeds, weather and road conditions etc. Driver should not assume that these features will correct errors of judgment in driving. Please consult the owner's manual or your local authorized Land Rover Retailer for more details. \*\*Please note that if any action is taken, even minimal steering, the Emergency Braking system will assume the driver resumed control of the vehicle and the system will automatically disengage. <sup>1</sup>Driving while distracted can result in loss of vehicle control. Do not operate, adjust or view the navigation or multimedia systems under conditions that will affect your safety or the safety of others. Only use mobile phones and other devices, even with voice commands, when it is safe to do so.

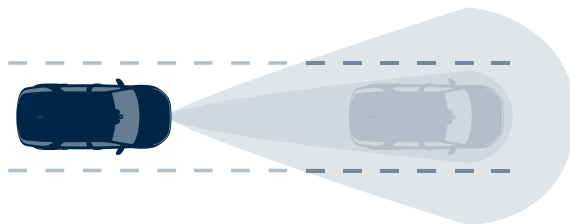

Vehicle shown is R-Dynamic HSE in Firenze Red with Light Oyster/Ebony Windsor leather seats and optional features fitted.

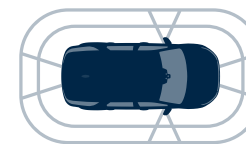

## DRIVER ASSIST PACK<sup>1</sup>

The Driver Assist Pack includes our most comprehensive suite of Drive and Park Pack technologies, including 360° Surround Camera and Adaptive Cruise Control with Steering Assist, which help you focus more readily on the road ahead.

**Adaptive Cruise Control with Steering Assist\*** automatically moderates vehicle speed in line with the traffic and helps to maintain a central vehicle position.

**360° Surround Camera<sup>2</sup>** incorporates ClearSight Ground View<sup>†</sup>, as well as Junction and Kerb View technology, to provide a full 360° bird's-eye view of the vehicle on the Touchscreen<sup>††</sup>, giving you the confidence to manoeuvre safely.

<sup>1</sup>Optional feature. Requires 360° surround camera. This feature is not a substitute for safe and attentive driving, and driver should not assume that it will correct errors of judgment in driving. Consult the owner's manual for more details.

<sup>††</sup>Driving while distracted can result in loss of vehicle control. Do not operate, adjust or view the navigation or multimedia systems under conditions that will affect your safety or the safety of others. Only use mobile phones, and other devices, even with voice commands, when it is safe to do so.

<sup>2</sup>Only available with auto-dimming, power fold, heated door mirrors with approach lights. <sup>3</sup>Only available with Wade Sensing.

## EASIER AND MORE VISIBLE

After a long day of training, your precious cargo climb into the second row and nod off in no time at all. If only crossing boulders and scree was as easy. Our 360° Surround Camera\*1 with ClearSight Ground View\* gives you the added benefit of being able to virtually 'see through' the hood - giving you confidence when maneuvering around obstacles like potholes on a track, or pillars in a parking lot. And if the trunk is piled high with sports kit and you can't see a thing through the rear window? Not a problem. ClearSight\*\* interior rear view mirror has a specially positioned camera which provides a live video image to your rear view, so that when you're reversing out of a parking space, you have an unobstructed view of anything that's behind.

\*These systems are not a substitute for driving safely with due care and attention and will not function under all circumstances, speeds, weather and road conditions etc. Driver should not assume that these features will correct errors of judgment in driving. Please consult the owner's manual or your local authorized Land Rover Retailer for more details. \*\*Customers who wear varifocal or bifocal lenses may have issues adjusting to the mirror's digital mode. The normal mirror mode, however, can be used at any time. This feature is not a substitute for safe and attentive driving, and driver should not assume that it will correct errors of judgment in driving. Consult the owner's manual for more details.

<sup>1</sup>Only available with auto-dimming, power fold, heated door mirrors with approach lights, and Wade Sensing.

Vehicle shown is SE in Byron Blue with Acorn Windsor leather seats and optional features fitted.

## DRIVER ASSISTANCE

# SAFETY, FIRST AND LAST

Our vehicles' enviable reputation for looks, capability and versatility amount to nothing without the highest standards of safety. That's why we incorporate such features as Roll Stability Control and Emergency Brake Assist\* to help reduce stopping distance.

There are also seven airbags throughout the vehicle, and the LATCH and top tether brackets will support the latest child seats. Located in the rear, the LATCH fit points are readily accessible, making it easy to install child seats. Should you ever need further assistance, standard features such as Land Rover Optimized Assistance ensure you get the right help with minimum disruption to your journey. It may sound like a lot of tech terminology, but it can be summed up in two words: greater protection. For you and your family.

\*These systems are not a substitute for driving safely with due care and attention and will not function under all circumstances, speeds, weather and road conditions etc. Driver should not assume that these features will correct errors of judgment in driving. Please consult the owner's manual or your local authorized Land Rover Retailer for more details.

Vehicle shown is R-Dynamic HSE in Firenze Red with Light Oyster/Ebony Windsor leather seats and optional features fitted.

## BRIGHTER LIGHTING

The New Discovery Sport has all-new front and rear LED lights with Daytime Running Lights (DRL), fitted as standard. This technology produces a highly-focused beam that's closer to the color of daylight and helps you distinguish objects more easily. This means you don't strain your eyes as much or tire as readily as you do with conventional night-time driving. Premium LED lighting<sup>1</sup> with signature DRL features twice as many LEDs, so you can see even greater detail in the dark. Our lights don't just look bright, they behave that way too.

|                              | LED HEADLIGHTS | PREMIUM LED HEADLIGHTS |
|------------------------------|----------------|------------------------|
| Signature DRL                | -              | ■                      |
| Headlight power wash         | □              | □                      |
| Auto High Beam Assist (AHBA) | □              | □ <sup>2</sup>         |

■ Standard □ Optional - Not Available.

<sup>1</sup>Only available with Automatic Headlight Leveling. <sup>2</sup>Standard on SE and HSE Specification Packs.

Vehicle shown is R-Dynamic HSE in Firenze Red with optional features fitted.

## SELECT YOUR LAND ROVER GEAR – ACCESSORIES

A range of stylish, tough and practical accessories are available, bringing you the opportunity to personalize your Discovery Sport even further. These accessories can be purchased through your local Land Rover Retailer and added at any stage during the vehicle's life – not just when it's new. Naturally, Land Rover accessories are designed, tested and manufactured to the same exacting standards as the original equipment fitted to your vehicle.

For more information and a complete list of options and Land Rover Gear, configure your Discovery Sport at [landroverusa.com](http://landroverusa.com)

---

## FUNCTION & TECHNOLOGY

---

### Tailgate Seat

Removable moulded tailgate seat provides convenient seating on the rear cargo space lip for occasional use. Sitting over the rear tailgate retaining to the cargo space floor, it is supplied with a branded Land Rover storage bag that secures against the second row seat back for convenient storage, when not in use.

### Sunshades

#### Side Windows - Second Row

#### Side Windows - Third Row

Easy to install or remove, these sunblinds provide increased comfort, helping to protect passengers from heat and glare of the sun.

### Windshield Sun Shield

UV windshield sun shield reflects the sun's rays and helps to keep the vehicle's interior cool in hot weather.

### Center Armrest Cooler/Warmer Box

Food and drinks cooler and warmer that acts as a rear center armrest. With a leather-covered top, it is held in place by the center seat belt and powered from the rear auxiliary socket. Ideal for long journeys with the family.

Tailgate Seat

---

## EXTERIOR STYLING

---

### Fixed Side Steps<sup>1</sup>

The side step aids entry and exit to the vehicle and improves access to the roof. Design features include Bright stainless steel edge trim and a rubber tread mat.

### Mirror Covers - Noble Chrome

Noble Chrome mirror covers designed to enhance the Discovery Sport's exterior styling. This neat styling upgrade complements the various exterior trims.

### Bright Side Tubes<sup>1</sup>

Highly polished stainless steel side tubes provide an off-road inspired appearance, designed to complement the vehicle's exterior style.

### Bright Body Side Molding<sup>2</sup>

Enhances the side of your vehicle and provides protection for your door panels from accidental damage by adjacent vehicles.

Fixed Side Steps

<sup>1</sup>Fitting of side steps or side tubes may affect the off-road capability of the vehicle. <sup>2</sup>Not compatible with Wade Sensing feature.

Options specified may affect vehicle efficiency and pricing due to local taxation policy. Please configure at [landroverusa.com](http://landroverusa.com) or check with your local Land Rover Retailer.

---

## INTERIOR STYLING

---

### Sport Pedal Covers

Stainless steel Bright finish sport pedal covers are easy to fit and feature hidden fixings for a clean finish.

### Gearshift Paddles - Aluminum/Aluminum Red

Complete the look and feel of your steering wheel with premium aluminum paddles. Gearshift paddles are machine polished, anodized and hand brushed to provide exceptional wear resistance with a premium finish.

### Sill Treadplates - Illuminated

Sill treadplates featuring illuminated Discovery script for driver and front passenger sides of the vehicle.

### Premium Carpet Mats

Luxurious, tailored, deep pile 60.46 oz/yd<sup>2</sup> carpet mat set, with waterproof backing, provides a well-appointed finishing touch to the interior.

Sill Treadplates - Illuminated

---

## PET PRODUCTS

---

### Quilted Cargo Space Liner

This tailored liner covers and protects all the carpeted areas of the cargo space area including the floor, second row seat backs and cargo space side walls. Manufactured from a soft quilted fabric with an integral rubber base and detachable bumper protector, it is easy to wipe clean, making it ideal for owners who regularly carry dogs or other pets in the cargo space area of their vehicle.

### Spill Resistant Water Bowl

Providing a convenient solution for use in transit or outside of the vehicle, the spill resistant water bowl incorporates a clever design feature which redirects water towards the center of the bowl when the water is disturbed, making it ideal for owners who regularly carry dogs or other pets in their vehicle.

### Portable Rinse System

Designed to be used outside the vehicle, the portable rinse system provides a convenient solution for washing pets before loading or rinsing down other equipment from bikes to wetsuits. Depending on the setting selected, this portable rinse system will deliver a minimum of two minutes of continuous water flow through a shower hose style attachment. Without the need for batteries or external power, the system utilizes pressure captured when filling from a tap, and an integrated hand pump allows the user to pressurise if filling the water tank away from home. Featuring a Land Rover branded cover and handle.

### Foldable Pet Carrier

The foldable pet carrier provides a safe, comfortable environment for the transportation of pets, making it ideal for owners who regularly carry dogs or other pets in the cargo space area of their vehicle. Reinforced carry handles and corner pieces provide a premium finish, with a side pocket providing a convenient storage option for other pet accessories or small items.

### Pet Access Ramp

Designed with optimal dimensions and angle, the pet access ramp assists pets into the cargo space area without the owner having to lift them, making it ideal for owners who regularly carry dogs or other pets in the cargo space area of their vehicle.

Portable Rinse System

---

## INTERIOR PROTECTION

---

### Cargo Space Liner Tray

Semi-rigid waterproof cargo space liner tray with a raised lip on three sides to protect cargo space floor and side wall carpets from dirt or wet equipment.

### Cargo Space Rubber Mat

Waterproof rubber mat helps to protect the rear cargo space carpet from general dirt.

### Luxury Carpet Mats

Luxurious, tailored, deep pile 60.46 oz/yd<sup>2</sup> carpet mat set, with waterproof backing, provides a well appointed finishing touch to the interior.

### Luggage Partition<sup>1</sup> - Full Height or Half Height

Designed to prevent luggage from entering the passenger compartment. The design of the luggage partition has been optimized to second row seating featuring tilt functionality.

### Luggage Partition Divider

The divider can be fitted to the luggage partition to separate the cargo space into two sections.

Cargo Space Partition Divider

---

## CARRYING

---

### Wheel Mounted Bike Carrier<sup>2</sup>

Wheel mounted, lockable bike carrier designed for holding a single bike, up to 44 lbs.

### Luggage Roof Box<sup>2,3</sup>

Roof mounted luggage box with Gloss Black finish. Opens from both sides and is lockable for security. Includes power-grip mounting for easy and quick fixing to the roof bars. External dimensions: 68.8 inches long, 32.2 inches wide, 17.7 inches high. Volume 14.4 cu.ft. Volume 410 litres. Maximum payload 165 lbs. Roof carrying load reduced to 132 lbs when Summer Tires are fitted.

### Aqua Sports Carrier<sup>2,4</sup>

Carries a sailboard, canoe or kayak. Includes lockable multi-purpose holder to carry oars or paddles. Tilts to facilitate easy loading/unloading. Features lockable straps and rubber supports to maintain optimum weight distribution while protecting the kayak and vehicle from scratches/scuffs. Maximum load capacity 99 lbs.

### Ski/Snowboard Carrier<sup>2,4</sup>

Carries four pairs of skis or two snowboards and incorporates slider rails for easy loading and is also lockable for security. Maximum payload 79 lbs.

Wheel Mounted Bike Carrier

Consideration should always be given to vehicle's maximum roof load capacity to ensure this is not exceeded.

Objects placed above the roof mounted satellite antenna may reduce the quality of the signal received by the vehicle and could have a detrimental effect on the navigation and satellite radio systems, if fitted.

Options specified may affect vehicle efficiency and pricing due to local taxation policy. Please configure at [landroverusa.com](http://landroverusa.com) or check with your local Land Rover Retailer.

# THE WORLD OF LAND ROVER

Your Land Rover has been designed and engineered to help you make more of your world. It can take you to places other vehicles simply can't reach, in a style that cannot be matched. To celebrate the Land Rover lifestyle, we've put together a range of experiences, publications and the Land Rover Lifestyle Collection. There's a world to explore. Get out there and enjoy it.

## EXPERIENCE DRIVES

Professional driver on closed course. Do not attempt.

Bring out your adventurous side and experience Land Rover's legendary capability for yourself. Under the expert guidance of a world-class instructor, head to the most exciting and challenging off-road terrains and take the vehicle to its limits.

[experience.landroverusa.com](http://experience.landroverusa.com)

## ADVENTURE TRAVEL

Professional driver on closed course. Do not attempt.

From the sheer exhilaration of the Arctic ice to the awe-inspiring dunes of Namibia, Land Rover Adventure Travel offers you once-in-a-lifetime experiences that bring the spirit and emotion of our vehicles to life.

[experience.landroverusa.com/travel/index](http://experience.landroverusa.com/travel/index)

# YOUR PEACE OF MIND

## CUSTOMER SERVICE

When you bring your Land Rover to us, we use cutting-edge diagnostic equipment to assess all your vehicle's mechanical and electronic systems. Our qualified Technicians use tools specifically designed for our vehicles and only fit genuine Land Rover parts and Gear Accessories. A choice of service plans are available which, together with Roadside Assistance, ensures complete peace of mind.

**For further details contact your local Land Rover Retailer or search 'Land Rover Ownership'.**

## LAND ROVER ROADSIDE ASSISTANCE

Land Rover Assistance provides assistance in motoring emergencies, from immobilization due to breakdown or accident, to minor problems such as punctures. You can rely on our roadside assistance, whatever the situation, wherever you happen to be.

**For further details please consult your Warranty Benefits handbook, contact your nearest Land Rover Approved Service Center or search 'Land Rover Roadside Assistance'.**

## LAND ROVER FINANCIAL SERVICES

Getting the keys to your very own Land Rover has never been so simple. And it's more affordable than you might think. New or used, for personal or business use, we have an option that puts you in complete control.

**For further details contact your local Land Rover Retailer or search 'Land Rover Finance'.**

## FLEET & BUSINESS

Land Rover is dedicated to being the premium manufacturer of choice for fleets and businesses, by providing a highly attractive range of vehicles and exemplary customer service. Distinctive, capable and versatile, all Land Rover vehicles deliver low Total Cost of Ownership through strong residual values, competitive service, maintenance and repair costs, and impressive fuel economy and CO<sub>2</sub> emissions.

We are also committed to providing a totally customer-focused aftersales service, which will ensure every Land Rover vehicle is kept on the road and in top condition, in the easiest and most cost-efficient way for businesses.

**Search 'Land Rover Fleet and Business' for full details.**

**IMPORTANT NOTICE:** Jaguar Land Rover Limited is constantly seeking ways to improve the specification, design and production of its vehicles, parts and accessories, and alterations take place continually.
