# Service *Ford* Parts

Our purpose is to give you a Ford service that will make you and keep you an enthusiastic member of the great Ford family.

To do this, we are equipped with the means, the knowledge and the ability to render the most competent workmanship on your Ford car, Ford Truck, or Fordson Tractor whenever a repair is needed.

Prompt, courteous, attention to your every Ford need, at reasonable prices, is our constant endeavor.

When the replacement of a part in your Ford Car, Ford Truck or Fordson Tractor is necessary, be sure that a genuine Ford Part is used. Imitation parts, of which there are many, are not of the same high quality specially heat-treated steels specified in Ford formulas for the manufacture of Ford Parts.

We use genuine Ford Parts only, 50 per cent of which retail for 10 cents or less.
