C4 PICASSO
DYNAMIC DESIGN

BEAUTIFULLY INDIVIDUAL. CITROËN C4 PICASSO AND GRAND C4 PICASSO SHARE SOMETHING VITAL. PURE INDIVIDUALITY.

IT'S PARTLY THE SWEEPING LINES AND ARCHING CURVES. IT'S DEFINITELY THE CRAFTED INNOVATION AND QUALITY. IT'S ALL ABOUT DESIGN THAT CAPTURES THE IMAGINATION. FROM THE BREATHTAKING WIDE SCREEN SWEEP OF THE WINDSCREEN AND ROOF, OVER THE SMOOTHLY SCULPTED QUARTER LIGHTS AND STRIKING DAYTIME-RUNNING LEDS TO THE PERFECTLY INTEGRATED REAR SPOILER OR AIR DEFLECTOR, THIS IS A DYNAMIC, UNIQUE PROFILE: INDIVIDUALLY BEAUTIFUL.

› THE CITROËN GRAND C4 PICASSO

The Citroën Grand C4 Picasso is an impressive 7-seat MPV. Designed to capture the imagination, the sweeping lines and arching curvature – from the panoramic fixed sunroof with electric sunblind, standard on Platinum, to the rear air deflector – are crafted with innovation and character. The solid, smooth curves to the quarter lights, headlamps and indicators have been created with personality in mind, that will seduce your eye and welcome you into a new style of beautifully crafted driving.

› THE CITROËN C4 PICASSO

The Citroën C4 Picasso is designed with excellence as standard. The solid build and dynamic shape impose a bold and distinctive personality while the super wide angle windscreen and large quarter lights immediately leap to onlookers' attention. A dipping roof line, rear spoiler and a wave-shaped window line along the sides create an amazing and unique aerodynamic profile.

› BLACK TOP

The stylish Black Top on Citroën C4 Picasso Platinum models exudes sophistication. From the head-turning Onyx Black roof, arches, door mirrors and door handles with chrome inserts to the dynamic 17" 'Roskilde' alloy wheels, everything about it points to pure individuality. Black Top sits perfectly over Polar White, Arctic Steel, Nocciola, Kyanos Blue and Wicked Red body colours.

CITROËN
C4 PICASSO
GRAND
C4 PICASSO
STYLISHLY PRACTICAL

INGENIOUS LAYOUT, AMAZING SPACE. TO TRAVEL IN REAL STYLE AND COMFORT YOU NEED EVERYTHING IMPORTANT WITHIN EASY REACH. WITH THE CITROËN C4 PICASSO AND GRAND C4 PICASSO IT COULDN'T BE EASIER.

FROM THE DASHBOARD TO THE DOOR PANELS AN INGENIOUS COMBINATION OF STOWAGE COMPARTMENTS ENSURES THAT YOU CAN ACCESS WHAT YOU NEED WHEN YOU NEED IT.

› FREEDOM FOR SEVEN

The Citroën Grand C4 Picasso's exceptional cabin space comfortably accommodates seven adults in its three rows of seats, and all rear seats can disappear or spring into life as required. All second row seats are the same width, while third row seats are easy to deploy by pulling the strap in a single upward movement – it's supremely flexible in a moment, with no need to remove seats and no hassle. Access to the third row is made effortless by the two outer second row seats, which tilt forward. There's no compromise anywhere, this is freedom and luxury for seven.

> IN-FLIGHT COMFORT

Front seat backrests are fitted with aircraft style tables for row two passengers. They're shaped to fit the curve of the seatback so that no legroom is sacrificed.

> STORE MORE

The upper section of the dashboard provides two large lidded storage spaces at either end, lined with slip-proof fabric to prevent belongings rattling and moving about. On the front passenger side is the illuminated glove compartment, which comprises of two useful spaces for smaller everyday objects.

> CHILL OUT ZONE

Models with the 6-speed Electronic Gearbox System can offer even more usable space, with a storage compartment in the lower central part of the dashboard. The compartment is also a cooler, and can chill a 1.5litre or two 0.5litre bottles, even when there's warm air blowing through the cabin. Open the compartment and the lid becomes a tray with twin can holders.

> THE LOAD LOVER

In 5-seat configuration, the Citroën C4 Picasso has an impressively spacious boot. Approximately 500 litres beneath the luggage cover, and when all the seats are folded away, that grows to an amazing 1734 litres capacity. The Citroën Grand C4 Picasso provides 576 litres with five seats in place, and with all seats folded, an amazing 1951 litres – nearly 2m³! A handy stowage net allows rear seat passengers (or row two seat passengers in the Citroën Grand C4 Picasso) to store personal objects safely, while carefully placed securing hooks in the boot open up numerous configurations.

CITROËN
C4 PICASSO
GRAND
C4 PICASSO
UNLIMITED
CONTROL

THE JOY OF TRAVELLING. THIS IS A JOURNEY FOR THE SENSES. IN THE CITROËN C4 PICASSO AND GRAND C4 PICASSO, DRIVER AND PASSENGERS HAVE COMPLETE CONTROL OVER SOUND, TEMPERATURE, AMBIENT LIGHT AND EVEN SCENT.

SPACE, CREATIVE DESIGN AND SMART, INNOVATIVE TECHNOLOGY COMBINE TO DELIVER A GENUINELY FRESH DRIVING EXPERIENCE: LET THE NEW JOURNEY BEGIN.

› UNIQUE SEATS

In the Citroën Grand C4 Picasso, a unique moving seat design gives easy access to row three. In an instant, the outer seat cushions in row two lift upwards, allowing you to slide the whole seat forward with one smooth movement – now just step inside.

› CHOOSE LIGHT

You can control precisely how much light bathes the cabin, because the panoramic wide angle windscreen features two independent sliding sunblinds, which you can instantly manually adjust. The rear windows have retractable sunblinds with integrated rollers to filter light while maintaining a clear view out. Perfect natural lighting for all – it's one of life's real luxuries.

> INFORMATION REVOLUTION

Driving and other important information appears on the bold, dashboard centre screen. Different information is instantly selectable, and light intensity can be adapted to suit all conditions. Clarity is uncompromised, 24 hours a day.

> ENVIRONMENTAL CARE

The Citroën C4 Picasso and Grand C4 Picasso's ingenious ventilation controls distribute air so effectively through the cabin that the driver and front passenger can adjust their own air conditioning and ideal temperature. Additionally, on Platinum models, the exact temperature can be set on each side of the dashboard whilst row 2 passengers can adjust the airflow. And for a unique luxury touch, the air freshener will wash the cabin in a specially developed invigorating fragrance.

CITROËN
C4 PICASSO
GRAND
C4 PICASSO
INNOVATIVE
TECHNOLOGY

BEYOND THE MPV. CITROËN C4 PICASSO AND GRAND C4 PICASSO REDEFINE THE MPV. THEY'RE PACKED WITH TECHNOLOGY AND DESIGN THAT BREAKS NEW GROUND AND PUTS YOUR NEEDS FIRST.

VITAL FUNCTIONS ARE CENTRALISED ON THE FIXED-CENTRED CONTROLS STEERING WHEEL, SO THAT WHEN YOU TURN IT, THEY REMAIN IN PLACE. NATURALLY, THE STEERING WHEEL IS HEIGHT AND REACH ADJUSTABLE. ALSO AVAILABLE IS THE 6-SPEED ELECTRONIC GEARBOX SYSTEM, WHICH OFFERS THE CHOICE OF FINGERTIP GEARSHIFT CONTROL USING THE WHEEL MOUNTED PADDLES, OR RELAXED, AUTOMATED CHANGES.

› LIGHT THE NIGHT

Daytime-running LEDs above the front fog lights help lead the way. There is also a rechargeable torch in the boot, which acts as a boot light when in place. Remove it from the clip and you have a ready to use torch with up to 40 minutes of power – it's typical of the useful, original bright ideas packed into every Citroën C4 Picasso and Grand C4 Picasso.

› MORE BRIGHT IDEAS

Innovative thinking surrounds everyone in the bright, spacious cabin. The glazed area is huge, allowing the light to flood in through the panoramic windscreen and wide lateral windows. This also means added security as you enjoy unparalleled 360° visibility.

CITROËN
C4 PICASSO
GRAND
C4 PICASSO
ENVIRONMENTAL

THE ENVIRONMENTAL BENCHMARK. THE CITROËN C4 PICASSO AND GRAND C4 PICASSO REDEFINE THE MPV IN ALL THE WAYS THAT MATTER, SO NATURALLY THEY MUST BE MODELS OF ENVIRONMENTAL EFFICIENCY, WITH ULTRA-LOW EMISSIONS, STAND-OUT FUEL CONSUMPTION AND RECYCLABLE MATERIALS.

› LIGHT, SMOOTH, EFFICIENT

From the very start, Citroën C4 Picasso and Grand C4 Picasso have been designed to make a minimal impact on the environment. Remarkable aerodynamics and carefully chosen light materials, such as aluminium for the bonnet and roof and magnesium for seat frames, keep weight and fuel consumption right down.

› EGS EQUALS LESS CO₂

The Electronic Gearbox System (EGS) is essentially two gearboxes in one. You can drive with simple, fingertip manual changes or relax and let the automated function take control. And its sophistication actually cuts the amount of CO₂ produced, easily beating ordinary manuals.

› CLEAN SHEET ENGINEERING

Choose the HDi 110 manual, the e-HDi 110 Airdream EGS6 or the punchy HDi 150, with 6-speed EGS or manual, and a fine balance of economy, refinement and flexible performance is assured, but both go further. They are fitted with the Diesel Particulate Filter System which uses advanced anti-pollution technology to remove harmful carbon particles from the exhaust gases, before they reach the great outdoors.

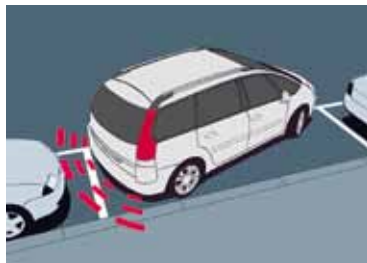

CITROËN C4 PICASSO GRAND C4 PICASSO SAFETY

IN SAFE HANDS. THE DEPTH OF ACTIVE AND PASSIVE SAFETY FEATURES THROUGHOUT THE CITROËN C4 PICASSO AND GRAND C4 PICASSO MAKE IT A VERY WELL PROTECTED PLACE TO SPEND TIME.

WITH A MAXIMUM FIVE STAR EURO NCAP OCCUPANT PROTECTION SAFETY RATING, PIONEERING TECHNOLOGY SUCH AS THE INTELLIGENT TRACTION CONTROL SYSTEM AND BENCHMARK CHILD SAFETY FEATURES, EACH JOURNEY, BIG OR SMALL IS REASSURINGLY SECURE AND RELAXING FOR ALL THE FAMILY. THE WHOLE STRUCTURE IS ENGINEERED TO ABSORB ENERGY IN THE EVENT OF A COLLISION AND THE CABIN IS A REINFORCED, IMMENSELY STRONG SAFETY CELL WITH THREE POINT SEAT BELTS ALL ROUND AND SIX AIRBAGS.

› REAR PARKING SENSORS

Parking shouldn't add to the burden of a busy day. Rear parking sensors, standard on all models, enable you to manoeuvre safely and quickly into the tightest spots, fully aware of hidden obstacles.

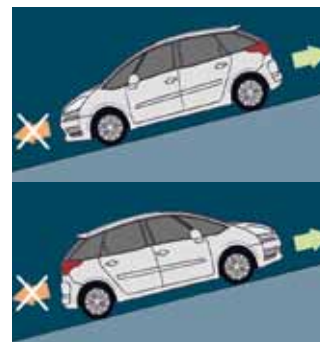

› INTELLIGENT TRACTION CONTROL SYSTEM

Citroën's unique Intelligent Traction Control System, helps you get safely where you need to go. It means even more dynamic road handling, active safety on sliding surfaces and impeccable steering. The Intelligent Traction Control System regulates each driving wheel independently in snow, ice, and rain giving the Citroën C4 Picasso and Grand C4 Picasso improved traction in difficult conditions.

› SOME ASSISTANCE

Citroën C4 Picasso and Grand C4 Picasso are fitted with a Hill Start Assist function that helps the driver to set off or manoeuvre on gradients. When the brake pedal is released, the ESP automatically maintains a stationary position for up to two seconds, offering the driver the time to move their foot from the brake to the accelerator without the vehicle moving forwards or backwards on a slope.

› STABLE IS SAFE

All Citroën C4 Picassos are inherently safe, thanks to their sophisticated suspension design, but the Electronic Stability Programme (ESP) adds a further level of security. By monitoring progress through a bend, it senses whether oversteer or understeer is developing, modifying engine torque and applying a precise measure of braking for ultimate stability and control.

› ABS + EBD + EBA

Standard ABS electronically regulates braking to avoid locking wheels, so the driver can still safely steer in an emergency. Connected to the ABS, Electronic Brakeforce Distribution (EBD) ensures that braking pressure is evenly applied to all wheels so that should the need arise, all braking power can effectively be used. In an emergency there is also Emergency Braking Assistance (EBA). This technology automatically maximises braking effort when it detects strong input. This compensates for the fact that many people don't brake enough under pressure and it reduces stopping distances.

RANGE OVERVIEW

FREEDOM OF CHOICE.
CITROËN C4 PICASSO
AND GRAND C4 PICASSO
BROADEN YOUR CHOICES
IN SO MANY WAYS.

THROUGH PIONEERING DESIGN AND THOUGHTFUL FEATURES; WITH USABLE SPACE AND FLEXIBLE ACCOMMODATION. THE DIVERSITY OF TECHNOLOGY, EQUIPMENT AND STYLE ON OFFER ACROSS THE RANGE TAKES FREEDOM OF CHOICE FURTHER.

EDITION EQUIPPED TO INSPIRE.

WITH CITROËN C4 PICASSO AND GRAND C4 PICASSO THERE ARE NO 'BASE' MODELS, AS YOU'LL SEE FROM THE FANTASTIC LIST OF STANDARD EQUIPMENT ON THE EDITION. WITH SUCH AN ABUNDANCE OF SUPERB EQUIPMENT YOU REALLY ONLY HAVE ONE DECISION TO MAKE: 5-SEAT DYNAMISM OR 7-SEAT ELEGANCE?

› CITROËN C4 PICASSO & GRAND C4 PICASSO EDITION SPECIFICATION INCLUDES:

- RDS stereo radio/MP3 compatible CD player with six speakers and steering mounted controls
- Air conditioning with dual-zone temperature setting and pollen filter
- Cruise control with speed limiter
- ABS with Electronic Brakeforce Distribution (EBD)
- Emergency Braking Assistance (EBA)
- Electronic Stability Programme (ESP) with traction control
- Six airbags
- High-frequency multi-function remote control central locking with deadlocks
- Automatic electric parking brake
- Super wide panoramic acoustic windscreen
- Height-adjustable driver's seat
- Height-adjustable front passenger's seat
- Height and reach adjustable multi-functional fixed-centred controls steering wheel
- Two underfloor foldaway rear seats in row 3 (Grand C4 Picasso)
- Front armrests
- Leather steering wheel
- Aircraft style tables on rear of front seats
- Electrically adjustable and heated door mirrors
- Front and rear electric windows with 'one-touch' operation and anti-pinch
- 16" 'Managua' alloy wheels (set of four)
- Spare wheel (C4 Picasso)
- Puncture repair kit (Grand C4 Picasso)
- **Smoker Pack** – mobile ashtray and cigarette lighter
- Row 2 window sunblinds
- Daytime-running LEDs
- Front fog lights with chrome insert
- Rechargeable torch in the boot
- Roof bars (Grand C4 Picasso)
- Rear parking sensors

PLATINUM IT'S THE LAST WORD.

AUTOMATIC DIGITAL AIR CONDITIONING... AUTOMATIC WIPERS AND HEADLIGHTS... 17" ALLOY WHEELS... WE HAVEN'T EVEN SCRATCHED THE SURFACE OF WHAT PLATINUM MODELS FEATURE. SO IS THIS THE LAST WORD IN MPV LUXURY, REFINEMENT AND ENJOYMENT? YOU COULD HAVE A GOOD TIME FINDING OUT.

› CITROËN C4 PICASSO & GRAND C4 PICASSO PLATINUM SPECIFICATION IN ADDITION TO EDITION INCLUDES:

- Electrochrome rear view mirror
- **Comfort Plus Pack** – automatic digital air conditioning with dual-zone temperature setting, child surveillance mirror, heat-reflecting windscreen, automatic rain-sensitive windscreen wipers and automatic illumination of headlamps
- Dark-tinted rear side and tailgate windows
- Electrically foldable door mirrors with integrated kerb side light
- Scented air freshener
- **Look Pack** – body colour bumpers, side rubbing strips and chrome side window trims
- 17" 'Roskilde' alloy wheels (set of four)
- Body colour door handles with chrome inserts and door mirrors (Grand C4 Picasso)
- **Black Top** – Onyx black roof, arches, door mirrors and door handles with chrome inserts (C4 Picasso)
- Panoramic fixed sunroof with electric sunblind (Grand C4 Picasso)
- **Connecting Box** – Bluetooth® system with USB socket

ACCESSORIES

QUALITY, INNOVATION AND STYLE. CITROËN ACCESSORIES ARE ALL ABOUT ADDING YOUR PERSONALITY, WHETHER THAT MEANS PRACTICALITY, ENTERTAINMENT, COMMUNICATION OR TECHNOLOGY. THE END RESULT WILL BE A CAR THAT FAITHFULLY REFLECTS YOUR NEEDS.

Visit www.accessories.citroen.co.uk to view the full range of Citroën C4 Picasso and Grand C4 Picasso accessories.

› MUDFLAPS

Contoured front and rear mudflaps are available for the Citroën C4 Picasso and Grand C4 Picasso.

› ALLOY WHEELS

Along with the 16" 'Malawi' alloy wheels (right), Citroën offer 17" 'Scandola' alloy wheels.

› ROOF BARS, ROOF BOXES, SKI & SNOWBOARD CARRIERS AND BICYCLE CARRIERS

Citroën traversing roofbars (A & B) are designed to match the contours of your Citroën C4 Picasso and Grand C4 Picasso and can be used with Citroën bicycle carriers, ski/snowboard carriers and roof boxes for quick and easy transport and storage solutions.

Citroën roof boxes (C) are available in 280, 340, 370 or 430 litre capacities.

Citroën bicycle carriers (D) are a secure and hassle-free way of transporting your bike. Please contact your local Dealer for information about additional fixings that may be required.

› 1. CARPET SET

With a made-to-measure design that makes them easy to fit and maintain, Citroën mats work in harmony with the interior lines of your C4 Picasso or Grand C4 Picasso.

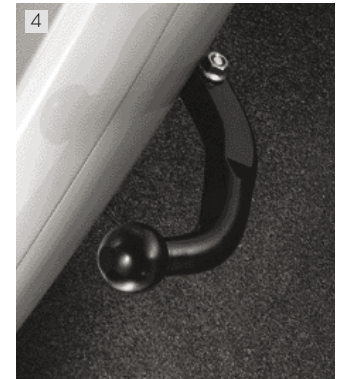

› 2. ISOTHERM MODULE

Keep your food and drink either warm or cold on the move in your C4 Picasso or Grand C4 Picasso.

› 3. TOMTOM CHOICE

Choose from two TomTom Start 20 models. Both Start 20 UK & ROI and Start 20 Europe include plenty of great features such as 4.3" high quality touch screen, IQ routes and advanced lane guidance.

› 4. TOWBARS

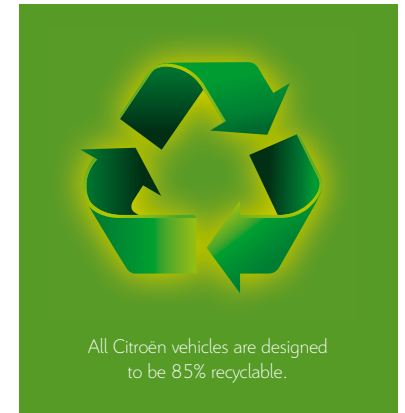

Citroën towbars have been developed to ensure the highest standards of safety and strength. Fixed swan neck towbars are available along with demountable towballs.

EFFICIENCY MINUS COMPROMISE. CITROËN HAS CREATED FUEL-EFFICIENT VEHICLES WITHOUT SACRIFICING DRIVER ENJOYMENT FOR SOME TIME. THE LATEST ADVANCES TAKE THIS FINE BALANCE FURTHER STILL...

WITH THE PROVEN CREDENTIALS AND ENVIRONMENTAL PERFORMANCE OF CITROËN HDi DIRECT INJECTION ENGINES AS INSPIRATION, e-HDi ADDS NEW TECHNOLOGY, SUCH AS A SMOOTH, SIMPLE STOP & START SYSTEM AND EGS GEARBOX. THE RESULTS ARE A DRAMATIC REDUCTION IN BOTH FUEL CONSUMPTION AND CO₂ EMISSIONS, COMBINED WITH RESPONSIVE PERFORMANCE WHEREVER YOU GO.

We've also been equipping more of our vehicles with more environmentally friendly breakthroughs, such as our Electronic Gearbox System (EGS), which boasts impressively greener credentials, with less pollution and up to 5% more economy than a conventional manual gearbox system. In addition, Citroën has expanded the use of the exceptionally efficient, self-regenerating Diesel Particulate Filter System in our models. Cleaner, greener driving without taking away from the drive – that's what you can continue to expect from Citroën.

› ELECTRIFYING. HOWEVER YOU LOOK AT IT

Forget what you know about electric cars. Citroën Survolt concept combines undiluted glamour with advanced sporting dynamics, then adds a 100% electric drivetrain. Outside, LED lights, voluptuous curves, two-tone charcoal and fuchsia paintwork, and a race-inspired rear spoiler meet your gaze. Inside, a stunning blend of curved chrome, swooping glass, high technology and organic forms welcomes you to an entirely new place. But this is no simple styling exercise. At heart, Survolt is even more radical, because although it is designed to thrill, it is powered purely by silent, efficient, clean electricity.

› AIRDREAM – A BENCHMARK

When it comes to the environment we wanted to show our genuine commitment as well as our profound expertise, so we have devised a benchmarking scheme with the signature 'Airdream'. To qualify for the Airdream signature, vehicles must have an e-HDi, electric or Hybrid4 engine.

DRIVE YOUR WAY.

GET BEHIND THE WHEEL OF YOUR NEW CITROËN C4 PICASSO OR GRAND C4 PICASSO, WITH CITROËN'S RANGE OF FINANCE AND INSURANCE PRODUCTS.

CITROËN FINANCIAL SERVICES PURCHASE PLAN

Own your vehicle with this flexible package designed to fit your budget.

CITROËN FINANCIAL SERVICES ELECT 3

A new Citroën car every two or three years with monthly payments structured to suit your budget.

CITROËN FINANCIAL SERVICES ELECT 4

Enjoy the convenience of a new car without the stress and hassle of ownership.

› TO FIND OUT MORE ABOUT CITROËN PRODUCTS AND SERVICES, GO TO WWW.CITROEN.CO.UK OR CONTACT YOUR CITROËN DEALER.

FOR BUSINESS USERS

CITROËN CONTRACT MOTORING HIRE PURCHASE

A tried and tested finance package that allows you to own your vehicle.

CITROËN CONTRACT MOTORING BUSINESS LEASE

An alternative to vehicle ownership that allows you to control your business cash flow and gain tax efficiencies.

CITROËN CONTRACT MOTORING LEASE PURCHASE

Own a vehicle with a finance solution that offers ultimate flexibility to complement your business cash flow.

CITROËN CONTRACT MOTORING CONTRACT HIRE

A non-ownership finance solution that keeps costs fixed and risks low.

› ESSENTIAL CARE.

ESSENTIAL CARE. CITROËNS ARE RENOWNED FOR THEIR RELIABILITY – AND THE CITROËN C4 PICASSO AND GRAND C4 PICASSO ARE NO EXCEPTION. WITH THE ADDED REASSURANCE OF A WARRANTY, ROUTINE SERVICING AND MAINTENANCE, AS WELL AS 24-HOUR ROADSIDE ASSISTANCE, YOU ARE PROTECTED.

CITROËN WARRANTY

Every new Citroën car has the benefit of a 3 year* warranty package, plus a 12 year anti-perforation** warranty and a 3 year paint warranty.

* 2 years' unlimited warranty. No-fee customer option of 1 year's Dealer provided warranty, only on cars sourced from Citroën UK Limited. Note: Dealer provided warranty is limited to 60,000 miles for cars.
** Against all internal to external perforation to bodywork or underbody.

CITROËN ASSISTANCE

In response to a free telephone call in the UK, Citroën Assistance brings rapid expert roadside assistance to you in an emergency. It comes free of charge for a full year and operates 24 hours a day in all parts of the UK and Europe. Services include nationwide recovery for both car and passengers, a home call service, replacement vehicle, hotel accommodation and vehicle storage if required. Please note, Citroën Assistance only applies to incidents covered by the new vehicle warranty, and excludes non-vehicle faults, such as running out of fuel, mis-fuelling, loss of keys, lock-ins, road traffic accidents and punctures/wheel changes.

Full details are available on request from Citroën UK via cuk_contactcentre@citroen.com

CITROËN MAINTENANCE

From roadside assistance to replacing wear and tear parts or regular servicing, with Citroën Maintenance you have total peace of mind. For a one-off fee or low monthly payment, our experienced engineers will take care of your Citroën, whatever happens.

To find out more, contact your Citroën Dealer or Citroën Authorised Repairer.

CITROËN SERVICING

Available up to 1 year from your vehicle's registration date, but before its first chargeable service, a Citroën Servicing Package enables you to pay in advance for your vehicle's servicing needs for 3 years/35,000 miles.

For further information, please ask a member of staff or pick up a leaflet today.

CITROËN C4 PICASSO GRAND C4 PICASSO FINANCE, CARE & INSURANCE

CITROËN INSURANCE

CITROËN INSURANCE INSTANT COVER

To help you drive away your new car without delay, we offer Instant Cover insurance, providing you with 7 days comprehensive car insurance, for free!

CITROËN INSURANCE MOTOR INSURANCE

Citroën Insurance has been designed specifically for our vehicles. You don't just get repairs you get Citroën expertise, service, quality and parts. So, when the time comes to renew your insurance cover, call Citroën Insurance on 0870 024 2725.

Lines open 8am - 8pm weekdays, 9am - 5pm Saturdays. Max call charge from a BT landline is 8p per minute. Calls from other networks may vary. Alternatively, visit www.citroen.co.uk for more information or to apply online.

Citroën Insurance is underwritten by UK Insurance Ltd which is authorised and regulated by the Financial Services Authority. Citroën Insurance is a trading style of Banque PSA Finance UK of Quadrant House, Princess Way, Redhill, Surrey, RH1 1QA.

CITROËN C4 PICASSO GRAND C4 PICASSO GLOSSARY

› e-HDi DIESEL ENGINE

The e-HDi 110 Airream engine is capable of 61.4mpg and CO₂ emissions of just 120g/km combined with the EGS gearbox on C4 Picasso. It has a reversible starter-alternator that works in tandem with an e-booster to provide a seamless Stop & Start function. Going further than other similar systems, the e-HDi's Stop & Start puts the engine into idle mode while decelerating before coming to a complete standstill. This reduces consumption by 15% in urban driving.

› HIGH-PRESSURE DIRECT INJECTION DIESEL ENGINE

Our HDi diesel engines operate with the fuel under extremely high pressure, enabling microscopically precise injection control. With this level of management it's possible to inject at different times during the same engine stroke allowing total control over the combustion process. This has allowed our engineers to reduce carbon monoxide emissions by 40%, unburned hydrocarbons by 50% and engine particulates by 60%. Fuel consumption is 20% lower than a prechamber diesel engine, resulting in an equivalent reduction in CO₂ emissions and thanks to the torque available at low engine speed it could be argued that driveability is now better than in petrol engined cars.

› FIXED-CENTRED CONTROLS STEERING WHEEL

A Citroën innovation that makes for safer driving in every way. Whilst the rim of the steering wheel turns normally, the centre hub remains static which means that all the audio, information and driving controls operated from here stay in exactly the same place. It also means that the driver's airbag can be specially sculpted to deploy more favourably than the round ones necessary in cars with conventional steering wheels.

› EMyWay SATELLITE NAVIGATION SYSTEM

The eMyWay satellite navigation system features a 7" screen and covers UK and Europe. Its in-built memory provides information about speed limits and lets you know which lane to use when reaching complex intersections. The system also lets you adapt your route based on traffic conditions, with data provided by Trafficmaster and ViaMichelin in the UK and France.

› CONNECTING BOX

Integrated Bluetooth® hands-free phone function with USB socket and jack to plug in a portable MP3 player.

› DIESEL PARTICULATE FILTER SYSTEM (DPFS)

Our unique DPFS collects exhaust particulates (soot) that would have been bound for the air around us and burns them off at 550 degrees C. This means that 'black smoke' is eliminated completely. And because the filter is constantly burning the particulates it is self-cleaning and requires no maintenance.

› ANTI-LOCK BRAKING SYSTEM (ABS)

Computer-controlled braking assistance designed to prevent the wheels from locking under extreme braking. This enables the car to continue being steered and therefore controlled during this braking incident. Citroën C4 Picasso and Grand C4 Picasso's ABS system is further enhanced with EBA and EBD (see below).

› ELECTRONIC BRAKEFORCE DISTRIBUTION (EBD)

A conventional ABS system cannot account for any of the four wheels wanting to lock more quickly than the others (for example, two of the wheels may be on snow and two on tarmac). EBD reads the deceleration rate of each wheel individually and applies the ABS principles accordingly.

› EMERGENCY BRAKING ASSISTANCE (EBA)

As drivers we find it difficult to instinctively brake very hard, but this is often what is needed in those rare emergency situations. The EBA system recognises our 'attempt' to brake hard and in combination with the ABS and EBD systems instantly applies the maximum stopping power possible.

› ELECTRONIC STABILITY PROGRAMME (ESP)

This is computer-controlled traction assistance and is provided primarily through the braking systems. The ESP's control unit constantly compares where the driver intends going (through the position of the steering wheel) with where the vehicle is actually going and, if necessary, makes speed corrections to each wheel individually through braking or engine torque to keep the vehicle 'in line'.

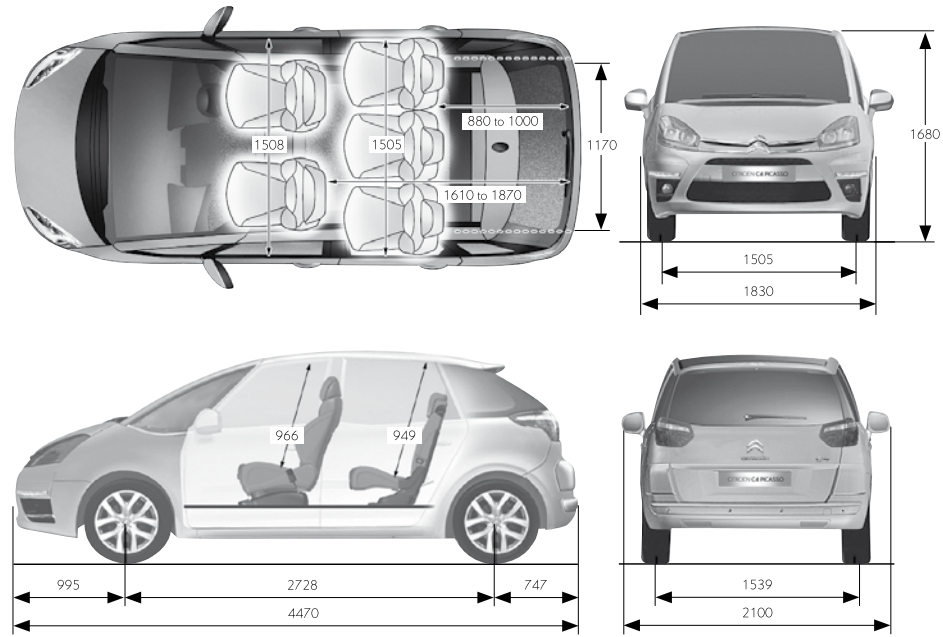

› ELECTRONIC GEARBOX SYSTEM (EGS)

A revolutionary alternative to conventional gearboxes, Citroën's innovative EGS allows you to operate in two modes. In 'M' mode, gear shifts are made using either the fingertip paddles by the steering wheel or the sequential lever (without the need for the driver to engage the clutch). In 'A' mode the gearbox will control gear changes for you, maximising your drive comfort and optimising fuel consumption – to the order of 3 to 5% lower than a conventional manual gearbox, also helped by a sixth gear.

› ISOFIX

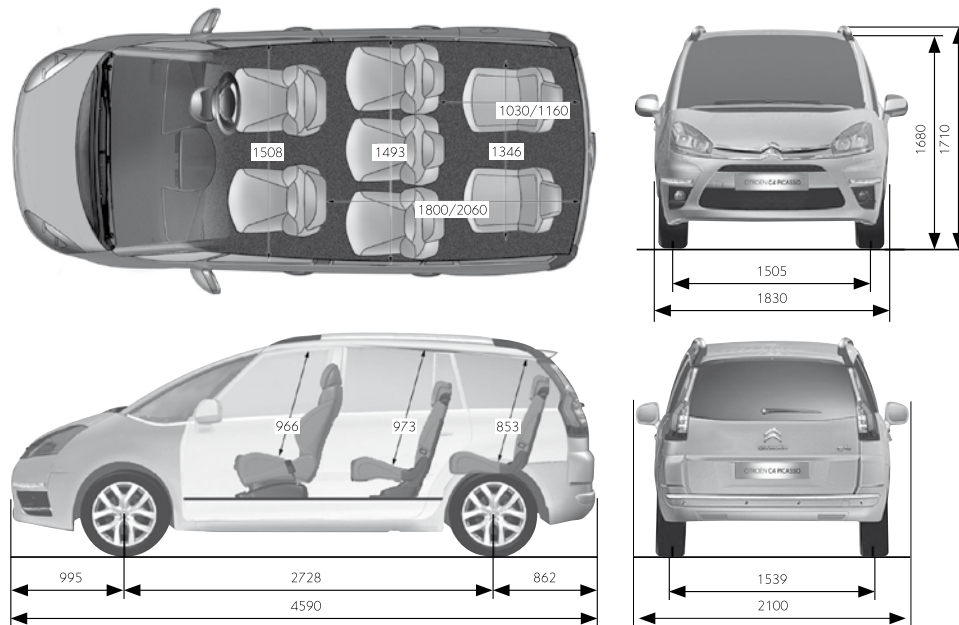

A standardised and more simple method for installing child seats, each seat is 'clicked' into place via a three point system. On Citroën C4 Picasso and Grand C4 Picasso's Isofix is installed on the two outer rear seats.

CITROËN C4 PICASSO GRAND C4 PICASSO DIMENSIONS
