

CITROËN SPACETOURER

INSPIRED BY YOU

During the 90s Le Tone had a major hit, "Joli Dragon", and devoted himself to music for 15 years before progressively moving towards illustrative art. Since 2011 his creations have been exhibited in famous places such as the Pompidou centre. An admirer of artists who know how to make the best use of colour, Le Tone confesses to having a weakness for black and white, which he uses to tell simple stories by using felt pen drawings in notebooks.

1934

Citroën revolutionises the automotive landscape with the Traction Avant. The famous name relates to its ground breaking front wheel drive engineering.

2014

Citroën C4 Cactus is launched, incorporating the innovative Airbump® protection system.

CITROËN Origins

Discover the models that make up Citroën's extraordinary history, from 1919 to the present day.

1919

The pioneering Citroën Type A enters mass-production.

1939

Citroën launches the 'TUB', a supremely practical modern design with a sliding side door: its successor is the famous Type H, above, launched in 1948.

1948

The much-loved 2CV is created as a "safe and economical vehicle, able to carry 4 people on-board and 50 kg of luggage". More than 5 million are made.

1968

It's a golden age for light and agile vehicles like the Ami 6, Dyane and Mehari, a unique design for all roads and multi-purpose use.

1974

The 70s and 80s see Citroën technology triumph, with models such as the AX, BX, CX and advanced XM, a prestigious vehicle equipped with Hydractive suspension.

2017

Winners of the Manufacturers' Rally Raid World Cup from 1993 to 1997; Rally Raid World Cup Drivers' Champion five times in a row; eight Manufacturers' Champion titles in WRC plus three in WTCC... Citroën has continued to demonstrate exceptional sports pedigree upon returning to WRC in 2017.

3rd DIMENSION

With its new modular platform, Citroën SpaceTourer offers you a choice of 3 lengths. The tried and tested M [4.95m] and XL [5.3 m] are now joined by the compact XS with a length of just 4.6 m – it's a first in the segment.

.....> 4.60 M> 4.95 M> 5.30 M

Citroën SpaceTourer. Availability of XS versions dependent on model.

CITROËN SPACETOURER

Built on an outstanding platform, Citroën SpaceTourer is designed to accommodate family and business life with ease. A model of versatility, elements such as sliding and removable seats create accessible, flexible space for people and gear – wherever you need to travel. Available in three lengths, Citroën SpaceTourer can seat up to 9* in relaxed comfort.

**Only available on Business version*

your smartphone.

MORE DRIVEABILITY WITH GRIP CONTROL

As useful in everyday life as at holiday time, GRIP CONTROL means you can travel on all kinds of roads through all weathers with complete confidence. This advanced traction control feature optimises front wheel grip in changing conditions, optimising ride comfort to create a sense of calm and well-being inside the Citroën SpaceTourer.

'HANDS-FREE' SLIDING SIDE DOORS*

A busy life often means no hands to spare, so 'Hands-Free' technology is here to help. You can open the sliding side doors simply by moving your foot under the corner of the rear bumper, and close and lock the vehicle in the same way. It's practical, ingenious and unique: pure and simple Citroën thinking.

** 'Hands-Free' technology is available on all models, either as standard or as a cost option.*

NATURALLY BRIGHTER

Citroën SpaceTourer is full of bright ideas. Here's one you'll appreciate every day. The split panoramic roof lets in the absolute maximum amount of natural light, whilst offering UV protection and separate sunblinds when you want to fine-tune the interior ambience. Running down the centre of the roof, between the glass panes is an aircraft style panel complete with air conditioning controls and vents. There's also subtle LED lighting at night to create a restful, welcoming atmosphere*.

**Additional rear air conditioning and reading lights are not available on XS versions. LED ambient lighting only available on Flair and Business Lounge.*

GREAT LENGTHS

In keeping with its versatile character, Citroën SpaceTourer is available in 3 lengths. M and XL are both well proven sizes, and now there's the XS which is just 4.6m. Easily able to accommodate up to 8 people*, with plenty of flexible storage space, it's a first-in-segment model with some useful advantages. Compact dimensions and a tight turning circle mean that it's easier to manoeuvre through the city and makes the most of restricted spaces.

* Up to 9 seats available on Business versions and 7 seats on Business Lounge, with the addition of the optional third row of 3 seats.

4,60M
XS

ULTIMATE FLEXIBILITY

For everyone and everything to go safely, securely and in comfort, you need intelligent flexible design. Citroën SpaceTourer is all about meeting your diverse needs. Both 2nd and 3rd row '2 + 1' bench seats* slide for maximum legroom and all are separately foldable. This includes the front passenger seat to fit very long loads. If you need a pure load carrier, all back seats are removable, leaving a flat, uninterrupted floor and large amounts of space. There's 3600 litres (3397 litres VDA) on XS models, and an impressive 4900 litres (4554 litres VDA) inside the XL. When you want to maximise passenger comfort, there's a 7-seat version that provides two independent sliding seats in the 2nd row. There are also side window blinds and aircraft style tables with cup holders to enhance the feeling of comfort. Storage space is also generous, with a spacious refrigerated glove box and up to 7 easily accessible different plug points, for auxiliary jack, USB, and 12V. Recharging your portable devices on the move has never been easier.

* 3rd row available as an option.

— OPENING TAILGATE WINDOW*

Because Citroën SpaceTourer is designed for life's diverse demands, it's packed with intelligent features. The opening tailgate window means that you can quickly access the load space without opening the whole tailgate.

** Available as an option or standard on selected models.*

CITROËN SPACETOURER BUSINESS LOUNGE

Citroën SpaceTourer Business Lounge focuses on the comfort of both driver and passengers thanks to its high-class, elegant interior. The 4 or 5 face-to-face seat configuration and the panoramic glass roof provide ideal travel conditions.

The Citroën SpaceTourer Business Lounge stands out with its wide vertical front grille, conveying assuredness on the road and elegance. The raised position of the headlights and the high driving position gives an impression of dominating the road. Also, the xenon bulbs offer twice as much light as halogen lamps and bring increased driving comfort at night or in poor weather conditions.

— SPACIOUS AND WELCOMING

The Citroën SpaceTourer Business Lounge with its well-appointed interior offers all passengers a high level of comfort. The lounge configuration, composed of face-to-face individual leather seats and a retractable sliding central table (available as an option), offers passengers privacy thanks to dark tinted rear windows. The inner roof ambient lighting creates a unique atmosphere.

INTUITIVE TOUCHSCREEN*

Citroën SpaceTourer gives you advanced technologies which make driving easier. The 7" touchscreen connects you to all of the car's functions, your media, phone and navigation. The new CITROËN 3D Connect Nav with voice control* brings you a wealth of real-time traffic information, the location of fuel stops and prices, car parks¹ and even the latest weather. A 'Speed Camera Alert' option sends audible and visible alerts throughout your journey. With the Mirror Screen function you can enjoy your smartphone safely, controlling compatible apps through the 7" touchscreen using Apple CarPlay™, Mirror Link® and Android Auto². Also the Visio Park 180° system* displays an aerial view of the rear part of the car helping you to achieve precise parking manoeuvres.

* Available as an option or standard on selected versions
1. Only information from partners can be displayed.
2. Dependent on smartphone model.

Additional terms and conditions apply on connected services, including customer acceptance of location sharing prior to activation.

CITROËN SPACETOURER BUSINESS & BUSINESS LOUNGE

Citroën SpaceTourer Business & Business Lounge both convey a strong sense of professionalism and will accommodate you and your passengers in serious comfort. You can select an exact configuration that suits your needs, with a choice of seating and equipment, plus there are up to three* different lengths to consider. Here in business class you can carry up to nine people and their belongings in refined style.

** Business Lounge not available as XS.*

A vehicle for professionals needs to be exceptionally versatile. Citroën SpaceTourer Business is available in 3 flexible and spacious versions, while SpaceTourer Business Lounge comes as an M or XL. M models provide 700 litres (655 litres using VDA method of measurement) of boot space, but if you remove the 3rd row seats this increases to 2300 litres (2228 litres VDA) and to a cavernous 4200 litres (3968 litres VDA) with the 2nd row seats removed. For the ultimate load area, XL models offer up to 4900 litres (4554 litres VDA) when all rear seating is removed.

ACCESS ALL AREAS

In Citroën SpaceTourer you can access city car parks, underground parking, shopping centres and airport facilities without worrying about height restrictions, because it measures a useful 1.9m from road to roof.

AN EFFORTLESS WELCOME

Citroën SpaceTourer Business features large sliding side doors that can be motorised. For professional drivers and chauffeurs this is a real asset, as it means that passengers don't have to handle the door when getting in and out and everything can be controlled straight from the driving seat. The flexible interior is further enhanced by easy to fold 2nd row seats that allow quick, simple access to the 3rd row.

NEW GENERATION POWER

There are 4 new engines available for Citroën SpaceTourer, each featuring BlueHDI technology. Advanced and efficient, they greatly reduce nitrogen oxides [NO_x] and take CO₂ emissions and fuel consumption lower than ever. In all conditions, the sophisticated suspension design ensures a fine balance of agility and driver comfort, and the all-new modular platform has achieved the maximum Euro NCAP 5 star safety rating.

SAFETY AND DRIVING AIDS

ACTIVE SAFETY BRAKE

Available for the first time on Citroën SpaceTourer, the Active Safety Brake is an advanced safety feature. Using the windscreen-mounted camera, it detects potential collisions with stationary or slowing vehicles ahead and automatically applies the brakes. This can help you to avoid accidents altogether at up to 18mph and significantly reduce impacts at higher speeds.

HEAD-UP DISPLAY

Completely new to the segment, Head-up Display allows you to keep your eyes on the road whilst still having access to a range of essential driver information. This includes speed limit, vehicle speed, cruise control settings, navigation settings and collision risk alert.

ADAPTIVE CRUISE CONTROL

Safety feature that when activated adapts your speed to that of the vehicle in front. The technology reduces speed by up to 12.5mph in unpredictable traffic conditions, such as on busy motorways.

BLIND SPOT DETECTION

This monitoring technology detects vehicles travelling close behind, hidden in the rear view mirror's 'blind spot'. A bright orange warning light is activated in your wing mirror, providing an instant warning.

* All equipment optional or standard dependent on trim level.

— SAFETY AND DRIVING AIDS

LANE DEPARTURE WARNING SYSTEM

If lane line markings are crossed without the indicators being used, the windscreen-mounted camera sends audible and visual alerts to the driver, allowing quick and safe corrections.

DRIVER ATTENTION ALERT

Using the windscreen-mounted camera and steering wheel movements, Driver Attention Alert can detect driver drowsiness and send both audible and visual alerts.

AUTOMATIC DIMMING HEADLIGHTS

When another vehicle is detected at night, this system instantly switches from full beam to dipped and then back again once the oncoming vehicle has passed. It works from 15mph upwards.

SPEED LIMIT SIGN RECOGNITION

Recognising speed limits in real time, Speed Limit Sign Recognition uses an on board camera to read signs and send clear recommendations to the driver. Then you simply set the appropriate speed using the cruise control or speed limiter function.

ULTRA-MODULAR

CITROËN SPACETOURER

Citroën SpaceTourer is available in 3 lengths and 2 trim levels, with 5 or 8 seats. Interiors offer real modularity thanks to the rail-mounted removable seats which mean optimum boot volume and generous passenger legroom. With the foldable seats Citroën SpaceTourer is ready to accommodate bulky items for leisure or home in minutes.

CITROËN SPACETOURER BUSINESS

Citroën SpaceTourer Business is available in 3 lengths and 2 trim levels, with from 5 to 9 seats. Business versions have a style that rewards transport professionals' passengers (taxis, shuttle services...). Choose from the different seat configurations and the multitude of features offered to design a virtually 'tailor-made' SpaceTourer Business to meet your requirements.

CITROËN SPACETOURER BUSINESS LOUNGE

Citroën SpaceTourer Business Lounge is available in 2 lengths, M and XL, with 6 or 7 seats. According to its use, it can become a 'mobile lounge'. The individual face-to-face leather seats and the sliding foldable table (available as an option) make it perfect for professional use (chauffeur-driven car, VIP transportation...).

With the added reassurance of a warranty, routine servicing and maintenance, as well as 24-hour roadside assistance, you are protected.

• CITROËN WARRANTY

Every new Citroën car has the benefit of a 3 year* warranty package, plus a 12 year anti-perforation** warranty and a 3 year paint warranty.

• CITROËN ASSISTANCE

In response to a free telephone call in the UK, Citroën Assistance brings rapid expert roadside assistance to you in an emergency. It comes free of charge for a full year and operates 24 hours a day in all parts of the UK and Europe. Services include nationwide recovery for both car and passengers, a home call service, replacement vehicle, hotel accommodation and vehicle storage if required. Please note, Citroën Assistance only applies to incidents covered by the new vehicle warranty, and excludes non-vehicle faults, such as running out of fuel, mis-fuelling, loss of keys, lock-ins, road traffic accidents and punctures/wheel changes. For more details please contact Citroën at <http://citroen-uk-en.custhelp.com>

* 2 years' unlimited warranty. No-fee customer option of 1 year's Dealer provided warranty, only on cars sourced from Citroën UK Limited. Note: Dealer provided warranty is limited to 60,000 miles for cars.

** Against all internal to external perforation to bodywork or underbody.

• CITROËN MAINTENANCE

From roadside assistance to replacing wear and tear parts or regular servicing, with Citroën Maintenance you have total peace of mind. For a one-off fee or low monthly payment, our experienced engineers will take care of your Citroën, whatever happens. To find out more, contact your Citroën Dealer or Citroën Authorised Repairer.

• CITROËN SERVICING

Available up to 1 year from your vehicle's registration date, but before its first chargeable service, a Citroën Servicing Package enables you to pay in advance for your vehicle's servicing needs for 3 years/35,000 miles. For further information, please contact your Citroën Dealer.

• CITROËN MOT TEST

Once your vehicle is three years old, it requires an annual MOT Test. This is a legal requirement to check that it meets road safety and environmental standards. Our nationwide network of Citroën Authorised Repairers know your Citroën best, so if your vehicle's MOT Test is due, why not contact your local Citroën dealer? You can be confident that your vehicle will be looked after by one of our expert trained Citroën Technicians, nominated by DVSA as accredited MOT Testers. Plus, whilst your vehicle is with us, we'll carry out a free outstanding manufacturer diagnostic test, check for any new technical updates and carry them out for free - that's the advantage of getting your test done by the people who really know your Citroën.

FEEL & FLAIR EQUIPMENT SPECIFICATION

To make choosing straightforward and enjoyable, we've worked hard to ensure that the information in this brochure is accurate at the time it was created in February 2018. It's important to remember that Citroën can introduce changes to the equipment and accessories featured, although these wouldn't alter the essential character and design of the models. Naturally the images and specifications are also dependent on trim level and any options included.

We know how important it is to present the right facts and figures, so our brochures are regularly updated. However, it is important that you consult your dealer when ordering your vehicle to ensure you are advised of the latest specifications and equipment.

Standard equipment ●
Optional factory fitted equipment ○

Option availability varies according to version/engine/trim level. Some options are only available as part of a pack. Please refer to the options page for further information.

1 Brings additional rear air vents and reading lights on M and XL versions.
2 Only available on XS versions.
3 Only available on M and XL versions.

- 1 Brings additional rear air vents and reading lights on M and XL versions.
- 2 Only available on XS versions.
- 3 Only available on M and XL versions.

BUSINESS EQUIPMENT SPECIFICATION

To make choosing straightforward and enjoyable, we've worked hard to ensure that the information in this brochure is accurate at the time it was created in February 2018. It's important to remember that Citroen can introduce changes to the equipment and accessories featured, although these wouldn't alter the essential character and design of the models. Naturally the images and specifications are also dependent on trim level and any options included.

We know how important it is to present the right facts and figures, so our brochures are regularly updated. However, it is important that you consult your dealer when ordering your vehicle to ensure you are advised of the latest specifications and equipment.

Standard equipment ●
Optional factory fitted equipment ○

Option availability varies according to version/engine/trim level. Some options are only available as part of a pack. Please refer to the options page for further information.

CITROËN & YOU

FINANCE AND INSURANCE SHOULD REFLECT YOU AND YOUR NEEDS, JUST AS YOUR CHOSEN CAR DOES. HERE ARE THE PRODUCTS THAT AIM TO DO JUST THAT.

CITROËN FINANCIAL SERVICES

• PURCHASE PLAN

Own your vehicle with this flexible package designed to fit your budget.

• ELECT 3

A new Citroën car every two or three years with monthly payments structured to suit your budget.

• ELECT 4

Enjoy the convenience of a new car without the stress and hassle of ownership.

To find out more about Citroën products and services, go to www.citroen.co.uk or contact your Citroën dealer.

All our vehicles are available on the Motability scheme which includes insurance cover. To find out more, please contact your local dealer to speak to a Motability specialist or visit citroen.co.uk/motability

FOR BUSINESS USERS

FREE2MOVE

• HIRE PURCHASE

A tried and tested finance package that allows you to own your vehicle.

• BUSINESS LEASE

An alternative to vehicle ownership that allows you to control your business cash flow and gain tax efficiencies.

• LEASE PURCHASE

Own a vehicle with a finance solution that offers ultimate flexibility to complement your business cash flow.

• CONTRACT HIRE

A non-ownership finance solution that keeps costs fixed and risks low.

For more information on Citroën fleet and business sales, please call Citroën fleet connect on 0800 023 4000 or look us up at <http://business.citroen.co.uk>

CITROËN INSURANCE

• INSTANT COVER

To help you drive away your new car without delay, we offer Instant Cover insurance, providing you with 7 days comprehensive car insurance, for free!

• MOTOR INSURANCE

Citroën Insurance has been designed specifically for our vehicles. You don't just get repairs you get Citroën expertise, service, quality and parts. So, when the time comes to renew your insurance cover, call Citroën Insurance on 0370 024 2725.

Lines open 8am - 8pm weekdays, 9am - 5pm Saturdays. Alternatively, visit www.citroen.co.uk for more information or to apply online.

Citroën Insurance policies are underwritten by UK Insurance Limited, Registered office: The Wharf, Neville Street, Leeds, LS1 4AZ. Registered in England & Wales No. 1179980. UK Insurance Limited is authorised by the Prudential Regulation Authority and regulated by the Financial Conduct Authority and the Prudential Regulation Authority. Citroën Insurance is a trading style of PSA Finance UK Limited (company registration number: 01024322) having its registered office at 61 London road, Redhill, Surrey, RH1 1QA.

With the added reassurance of a warranty, routine servicing and maintenance, as well as 24-hour roadside assistance, you are protected.

• CITROËN WARRANTY

Every new Citroën car has the benefit of a 3 year* warranty package, plus a 12 year anti-perforation** warranty and a 3 year paint warranty.

• CITROËN ASSISTANCE

In response to a free telephone call in the UK, Citroën Assistance brings rapid expert roadside assistance to you in an emergency. It comes free of charge for a full year and operates 24 hours a day in all parts of the UK and Europe. Services include nationwide recovery for both car and passengers, a home call service, replacement vehicle, hotel accommodation and vehicle storage if required. Please note, Citroën Assistance only applies to incidents covered by the new vehicle warranty, and excludes non-vehicle faults, such as running out of fuel, mis-fuelling, loss of keys, lock-ins, road traffic accidents and punctures/wheel changes. For more details please contact Citroën at <http://citroen-uk-en.custhelp.com>

* 2 years' unlimited warranty. No-fee customer option of 1 year's Dealer provided warranty, only on cars sourced from Citroën UK Limited. Note: Dealer provided warranty is limited to 60,000 miles for cars.

** Against all internal to external perforation to bodywork or underbody.

• CITROËN MAINTENANCE

From roadside assistance to replacing wear and tear parts or regular servicing, with Citroën Maintenance you have total peace of mind. For a one-off fee or low monthly payment, our experienced engineers will take care of your Citroën, whatever happens. To find out more, contact your Citroën Dealer or Citroën Authorised Repairer.

• CITROËN SERVICING

Available up to 1 year from your vehicle's registration date, but before its first chargeable service, a Citroën Servicing Package enables you to pay in advance for your vehicle's servicing needs for 3 years/35,000 miles. For further information, please contact your Citroën Dealer.

• CITROËN MOT TEST

Once your vehicle is three years old, it requires an annual MOT Test. This is a legal requirement to check that it meets road safety and environmental standards. Our nationwide network of Citroën Authorised Repairers know your Citroën best, so if your vehicle's MOT Test is due, why not contact your local Citroën dealer? You can be confident that your vehicle will be looked after by one of our expert trained Citroën Technicians, nominated by DVSA as accredited MOT Testers. Plus, whilst your vehicle is with us, we'll carry out a free outstanding manufacturer diagnostic test, check for any new technical updates and carry them out for free - that's the advantage of getting your test done by the people who really know your Citroën.

DOWNLOAD THE MYCITROËN APP

on your smartphone and benefit from information and services personalised to your Citroën vehicle.

RATE, SUBMIT AND SHARE YOUR OPINION ABOUT YOUR VEHICLE

or in a Citroën Dealership when purchasing or servicing your vehicle. Ratings and reviews are published on the Citroën's website.

CITROËN prefers TOTAL - Note: Images and specification descriptions are dependent on trim level and options specified.
