DODGE

LET'S CALL IT DODGE Let's take a driveline that has the chops and give it an interior that has the goods. Let's pull every stitch tight and make every touchpoint an inviting landing pad for every extremity of all who find themselves within these cabins.

These vehicles are one-part crafty and two-parts crafted. It's a formula that has steered Dodge through the ages and is amplified with technology and innovation at every turn.

and stay in touch with the people, music, and devices that matter most. Uconnect acts as the hub for your most important media – cell phone, Internet, SIRIUS® Satellite Radio, Inavigation system, and personal devices such as an iPod® or smartphone. The Uconnect user-friendly systems are designed to make your life easier, wherever you roam. Uconnect features include: Voice Command • Phone Mobile WiFi, an Authentic Accessory by Mopar • Entertainment • Navigation • SIRIUS Travel Link. Ink. For more information, get to dodge.com or your Dodge dealer.

CHARGER This is the brilliance that can only come from the blending of 21st century technology with American design and character. The all-new 2011 Dodge Charger is a finely tuned performance sedan that offers no apologies but rather modern engine choices mated to an equally capable transmission, bold styling, and tech-savvy features that make every ride even more enjoyable. Nothing excites more than Charger. Hightail it to dodge.com/charger for more details.
