SYSTEM**

AUTHENTIC BEST-IN-CLASS¹ **4x4 CAPABILITY**

The entirely unique and seriously capable Renegade® masters all-weather challenges with two available 4x4 systems: the fully automatic Jeep® Active Drive or the Trail Rated® Jeep Active Drive Low. Each features the Selec-Terrain® Traction Management System and a fully disconnecting rear axle and power transfer unit (PTU) for impressive 4x4 fuel efficiency. Add the optional 2.4L TigerShark® I-4 engine to enjoy **BEST-IN-CLASS² TOWING CAPABILITY OF 2,000 LB.** The class-exclusive² available 9-speed automatic transmission hands over an exceptionally smooth ride. Renegade's configurable high-tech interior amps up the cool factor with anodized colored bezels and trim surrounds along with available Uconnect™ hands-free communication with Voice Command³ and Navigation – all the while offering a bountiful **50.8 CU FT OF CARGO ROOM** (with rear seats folded). An available 7-inch full-color Driver Information Display (DID) puts vehicle data and performance stats front and center on your dash. The available, **ALL-NEW MY SKY™ CLASS-EXCLUSIVE² OPEN-AIR SUNROOF** offers a large, fresh-aired view of every new adventure.

Uconnect

(1) Best-in-class 4x4 capability based on Jeep Renegade offering low-range power transfer unit (PTU) with 20:1 crawl ratio, low-range 4x4 capability. (2) Based on Jeep Brand Small SUV segmentation. (3) Requires a mobile phone equipped with the Bluetooth® Hands-Free Profile. Visit UconnectPhone.com for system and device compatibility. (4) The Advanced Front Air Bags in this vehicle are certified to the new U.S. Federal regulations for Advanced Air Bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a passenger front air bag. All occupants should always wear their lap and shoulderbelts properly. (5) Always check visually for vehicles prior to changing lanes. (6) No system, no matter how sophisticated, can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the ESC warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behavior to prevailing road conditions. Always drive carefully, consistent with conditions. Always wear your seat belt. (7) FCW system is solely an alert system for the front of the vehicle which does not take any actions to change vehicle dynamics to avoid a collision, not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use brakes to avoid collisions. (8) LDW is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use brakes to avoid collisions. (9) Always look before proceeding. An electronic driver aid is not a substitute for conscientious driving. Always be aware of your surroundings. (10) SiriusXM audio and data services each require a subscription after the trial included with the new vehicle purchase, sold separately or as a package, by SiriusXM Radio Inc. If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. To cancel, you must call SiriusXM at 1-866-635-2349. See SiriusXM Customer Agreement for complete terms at www.siriusxm.com. All fees and programming subject to change. (11) Uconnect Access is available only on equipped vehicles purchased within the contiguous United States plus Alaska. Services can only be used where cellular coverage is available, see coverage map for details. For a complete list of Uconnect Access services, please visit http://www.driveuconnect.com/features/uconnect_access/packages/. Vehicle must be registered for Uconnect Access and fulfill minimum subscription requirements. (12) ACC is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use brakes to avoid collisions. (13) The SiriusXM Travel Link data displays and individual product availability vary by vehicle hardware. Not all vehicles or devices are capable of receiving all Travel Link services offered by SiriusXM: Weather Forecast, Current Conditions may not be available in all locations and features of individual systems will vary. Images shown are for representative purposes only and are not real products. For actual features and images of real products, consult the vehicle manufacturer. SiriusXM is not responsible for any errors or inaccuracies in the SiriusXM Travel Link services or their use. Our satellite service is available only to those at least 18 and older in the 48 contiguous U.S.A. and DC. Our Sirius satellite service is also available in PR (with coverage limitations). Our Internet radio service is available throughout our satellite service area and in AK and HI. (14) Be sure to follow all instructions in Owner's Manual for removal of top and doors and lowering of windshield. Driving with doors off and windshield down is for off-road use only. (15) Always sit properly with the head restraint properly adjusted. Never place anything in front of the head restraint. (16) Transferable. See your dealer for complete details and a copy of the 5-Year/100,000-Mile Powertrain Limited Warranty. This brochure is a publication of Chrysler Group LLC. All product illustrations and specifications are based upon current information at the time of publication approval. Chrysler Group LLC reserves the right to make changes from time to time, without notice or obligation, in prices, specifications, colors and materials, and to change or discontinue models, which are considered necessary to the purpose of product improvement or for reasons of design and/or marketing.
