### WINDOW SCREENS

Rust proof aluminum window screens that mount to side windows without interference with the operation of the windows.

PART NO. 985100

### RADIO AND ANTENNA

A modern all transistor radio that assures excellent performance and tone quality wherever radio signals are available.

PART NO. 985442

### DOMELAMP

The lamp attaches to the roof of the Greenbrier and lights the entire rear compartment area. Ideal lamp for a camper unit.

PART NO. 988346

### SAFETYLIGHT

An ideal lamp for a camper unit. The lamp will cast a beam of light up to 1500 feet from the Greenbrier. The lamp also has a rear view mirror incorporated into the lamp head.

PART NO. 988335

# CHOOSE THE EQUIPMENT THAT BEST MEETS YOUR NEEDS

**POP-UP TENT UNIT**  
Sail boat 7.68 ounce drill cloth with fiberglass ribs and sewn in floor. Tent is 8 by 10 foot and 6 foot 4 inches high, complete with window and mosquito netting. Folds to neat package for traveling.

**PART NO. 985101**

**SLEEPER UNIT**  
Waterproof olive drab canvas with collapsible metal frame supports and plywood base. A raised height of 6 1/2 foot by 4 foot, 33 inches high with a two section ladder. Folds to neat streamlined appearance for traveling.

**PART NO. 985102**

**PART NO. 985106**

**SHELTER UNIT**  
Made of 10.10 ounce army duck complete with four aluminum poles, four steel stakes and rope tighteners. Ideal as protective covering over camping equipment and provides a shaded area for relaxing.

**CUSTOM TABLE**  
A large 2 foot by 4 foot table that converts the Greenbrier into a mobile office or recreation room. The table can be removed quickly and used out of the vehicle for picnics.

**PART NO. 985107**

## GREENBRIER equipped with a CAMPER UNIT and a TOP SLEEPER UNIT

### CUSTOM CAMPER UNIT

Complete with double bed, drapes, sink and ice refrigerator. Installed or removed from the vehicle quickly. With the addition of a stove and cooking utensils, a complete home on wheels.

**PART NO. 985654**

### DRAWER UNIT

A 15 inch by 35 inch drawer, 7 inches high that fits under the intermediate seat and equipped with a sliding top to reduce dust. Ideal for small parcels. Used only with intermediate seat.

**PART NO. 985105**

## REGULAR GREENBRIER with a SHELTER UNIT and a POP-UP TENT

**CHILD BED**  
A comfortable bed for a child that assembles quickly above the front seat of the Greenbrier sport wagon. An ideal addition to the camper unit allowing sleeping accommodations for two children. (One in full width front seat.)  
**PART NO. 985359**

**CARGO NET**  
A strong nylon netting that permits full use of the rear cargo space from the floor to the roof. Prevents cargo from shifting forward. Five adjustable straps permit easy and quick installation or removal.  
**PART NO. 985104**
