

PALISADE

2022

Because of you.

At Hyundai, we believe that only with you in mind will we be able to provide progress, innovation, sustainability and mobility that evolves the driving experience.

We prioritize research and development in connected and clean mobility solutions, continuing to push boundaries and challenge conventional thinking to bring you a connected experience and a sustainable vision for the future.

We are inspired to build platforms and technology that provide you with more ways to enjoy quality time with our vehicles. To live a comfortable and connected life where you enjoy the journey, not just the destination.

We also tailor our vehicles with features that meet the demands of our Canadian landscape, so you can take on our extreme winters and amazing summers in comfort and with confidence. And, of course, we back our vehicles with one of the best automotive warranties in the industry.

We do all of this because of you.

The room to move you.

The 2022 PALISADE features available 8-passenger premium seating space in an elegantly modern and intuitive interior that thinks about everyone in every row. With incredible convenience technologies at hand and a wealth of Hyundai SmartSense™ safety innovations, the 2022 PALISADE is truly a remarkable SUV that is perfect for family life.

Explore with confidence.

The 3.8L GDI V6 engine with 291 horsepower and 262 lb.-ft. of torque provides an abundance of power and responsiveness. Shift-by-wire technology means you can effortlessly change gears at the press of a button with the smooth-shifting 8-speed automatic transmission.

Standard Drive Mode Select

With Drive Mode Select, choose the driving mode that suits your preferred driving style. Use the dial to switch between different modes, which will adjust the engine, transmission and steering control settings.

COMFORT mode

Balanced and stable control, great for everyday driving.

ECO mode

Eco mode is dedicated to fuel conservation, maintaining fuel efficiency by sending power mainly to the front wheels.

SPORT mode

Sport mode adjusts the throttle and steering response for greater agility and a more responsive drive.

SMART mode

Smart mode automatically adjusts between all available modes based on driver input to optimize your drive.

Standard HTRAC™ All-Wheel Drive with multi-terrain control modes

For the ultimate in handling, performance and traction, enjoy our HTRAC™ All-Wheel Drive system. It allows you to select the appropriate traction setting that best suits your current driving conditions with three dedicated terrain modes.

SNOW mode

Optimized for snow-covered and slippery roads. This mode will distribute the driving force of the vehicle based on road conditions to help suppress wheel slippage.

MUD mode

Optimized for muddy, rutted or uneven terrain. In Mud mode, sensors can instantly detect wheel slippage and automatically redirect torque to the wheel with the most traction, so that you can keep moving despite the hazardous driving conditions.

SAND mode

Optimized for loose sand or deep gravel. Special algorithms developed for sand driving secure the right gear and help ensure each wheel receives the right amount of torque at the right moment to deliver optimal tire traction.

Take on every day in style.

No matter the busy day ahead, the versatile PALISADE will get you through it all with elevated style. A dominant wide cascading grille and available 20" alloy wheels emphasize the strength and luxurious quality that lies within. The signature composition of the LED daytime running lights and vertically stacked headlights makes a striking statement and leaves a lasting impression.

Available 20" alloy wheels

Available LED headlights with a Calligraphy-exclusive front fascia

Available LED tail lights

Command the road in comfort.

No detail has been overlooked. Everything in the cabin is crafted with fine materials and designed for maximum comfort. A wealth of impressive features wraps you in ultimate luxury no matter where you're seated. Sink into the bolstered front seats that feature available Nappa leather with premium quilted details, and enjoy customized comfort with the available 12-way power driver's seat with power thigh extension.

Luxury model shown.

Thoughtful features throughout the cabin.

The PALISADE does an exceptional job of accommodating everyone's needs, starting with seven standard USB outlets dispersed throughout the cabin.

Cargo versatility.
The cabin space can be easily configured in a variety of different ways to tackle the demands of the moment. Enjoy up to 2,447 L total cargo capacity with all rear seats folded down.

2nd and 3rd row folded

2nd and 3rd row folded 60%

2nd and 3rd row folded 40%

3rd row folded

8 seats folded

8-passenger model shown.

Available second-row captain's chairs

Available second-row captain's chairs further the luxury experience and feature available heated and ventilated seats.

Standard rear air vents

Innovative rear air vents keep air flowing and allow rear passengers to select between a focused, partially diffused and fully diffused stream of air.

Available three-zone climate control

Thanks to the available three-zone climate control, both the driver and front passenger can select their desired temperatures, as well as the second-row passengers.

Available in-vehicle intercom system

Easily communicate with those in the third row with an available in-vehicle intercom system.

Standard rear-seat Quiet Mode

Keep things extra quiet for sleeping children by setting the audio system to Quiet Mode to mute the rear speakers.

Technology surrounds you.

Apple CarPlay™, Android Auto™ and Bluetooth® connections all come standard to make accessing your favourite smartphone apps and taking phone calls effortless. The available 10.25" touch-screen display offers a built-in navigation system and a surround view monitor that displays a 360-degree view of the PALISADE for added guidance when parking in tight spaces. Available technologies like the 12.3" full digital instrument cluster and windshield-projected head-up display offer various information displays to command the road with confidence.

Accessories.

Trailer hitch kit

Designed to meet your towing needs, a Hyundai hitch can accommodate a wide variety of hitch-mounted accessories.

Cross rails

This durable, quick-locking cross rail system lets you transport cargo easily, without sacrificing interior room.

Premium all-weather floor liners

Premium all-weather floor liners were designed to cover the interior carpet providing maximum protection against the elements that other mats cannot offer. Remove carpet mats prior to installation.

Side steps

Heavy-duty stainless steel chrome step tubes with slip-resistant foot pads will provide a solid step and unique eye-catching design exclusive to Hyundai.

Premium folding cargo tray

Ultimate protection for your cargo area and the back of the 3rd-row seats; keeps dirt and grime out regardless of seating configuration.

Plastic hood protector

Help prevent dents and scratches caused by road and vehicle debris with an attractive plastic hood protector.

Dealer stamp

One of the best-backed warranties in Canada.

You will see that a number of our vehicles have received multiple awards from the most reputable third-party organizations, so you can take their word when it comes to the quality of our vehicles. This quality is equally matched by the quality of our warranty. We stand confidently behind our products to give you ultimate peace of mind with a 5-year/100,000 kilometre Comprehensive Limited Warranty¹. We also provide a 5-year/Unlimited kilometre Roadside Assistance Program^{**} featuring flat tire changing, lockout service and more. Just one toll-free call away, 24 hours a day.
