

2006 CADILLAC DTS It's what you've been waiting for. The new Cadillac DTS is a premium sedan that places you supremely in the driver seat. Chiseled, aerodynamic styling forms an unmistakable silhouette. The Northstar V8 engine is teamed with optional Magnetic Ride Control, StabiliTrak, and Brake Assist to meet your driving demands. Technologies include Adaptive Remote Start, available Ultrasonic Front and Rear Parking Assist, adaptive cruise control,* and touch-screen DVD navigation. The power you need, the comfort you want — because compromise is not an option.

Adaptive cruise control is no substitute for the driver's personal responsibility to operate the vehicle in a safe manner. The driver needs to remain attentive to both traffic and road conditions and provide the steering, braking, or other inputs necessary to retain control of the vehicle.

Cadillac DTS shown in Crimson Pearl—an extra-cost exterior color—with optional equipment.

1 Cargo and load capacity limited by weight and distribution.

2 Maximum trailer ratings are calculated assuming standard equipped vehicle, driver, and required trailering equipment. The weight of optional equipment, passengers, and cargo will reduce the maximum trailer weight your vehicle can tow. 3 Available at extra charge,

4 Always use safety belts and proper child restraints, even with air bags. Children are safer when properly secured in a rear seat. See the Owner's Manual for more safety information.

5 Call 1-888-4ONSTAR (1-888-466-7827) or visit onstar.com for system limitations and details.

6 Adaptive cruise control is no substitute for the driver's personal responsibility to operate the vehicle in a safe manner. The driver needs to remain attentive to both traffic and road conditions and provide the steering, braking, or other inputs necessary to retain control of the vehicle.

7 Included and only available with cooled/heated front seats.

8 Includes Memory Package and perforated seat inserts.

9 RDS functions only where stations broadcast RDS information.

10 Map coverage limited to the 48 contiguous United States and portions of Hawaii and Canada. Not available in Alaska, Puerto Rico, and the Virgin Islands.

11 XM is available only in the 48 contiguous United States. Services fees extra. Visit gm.xmradio.com for more details.
