2 18-inch, seven-spoke, chromed-aluminum	A	A
3 22-inch, seven-spoke, chromed-aluminum ¹⁰	A	A

1 Cargo and load capacity limited by weight and distribution. 2 Maximum trailer weight ratings are calculated assuming a base vehicle, except for any option(s) necessary to achieve the rating, plus driver. The weight of other optional equipment, passengers and cargo will reduce the maximum trailer weight your vehicle can tow. See your Cadillac dealer for additional details. 3 Always use safety belts and proper child restraints, even in vehicles equipped with air bags. Even with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal air bag. See the vehicle Owner's Manual and child safety seat instructions for more information. 4 Head-curtain side-impact air bags are designed to help reduce the risk of head injuries to outboard front- and rear-seat occupants during certain side-impact collisions. 5 Not available in Alaska and certain other areas. Adverse conditions that affect antilock brakes and GPS may degrade service. Call 1-888-4ONSTAR (1-888-466-7827) or visit onstar.com for system limitations and details. 6 Does not operate with spare tire. 7 RDS functions only where stations broadcast RDS information. 8 Requires Information Package. 9 XM is available only in the 48 contiguous United States. Service fees extra. Visit gm.xmradio.com for more details. 10 Use only GM-approved wheel/tire combinations. See dealer for details.
