18-inch, cast-aluminum, polished, nine-spoke, non-faceted

18-inch, cast-aluminum, chrome, seven-spoke (V8 RWD only)

1 Available features may require purchase of an option package. See your Cadillac dealer for details. **2** Cargo and load capacity limited by weight and distribution. **3** Maximum trailer weight ratings are calculated assuming a base vehicle, except for any option(s) necessary to achieve the rating, plus driver. The weight of other optional equipment, passengers and cargo will reduce the maximum trailer weight your vehicle can tow. See your Cadillac dealer for additional details. **4** Production begins January 2007. **5** Not available with six-speed automatic transmission for AWD. **6** Always use safety belts and the correct child restraints for your child's age and size. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal air bag. See the vehicle Owner's Manual and child safety seat instructions for more safety information. **7** Head-curtain side-impact air bags are designed to help reduce the risk of head injuries to outboard front- and rear-seat occupants during certain side-impact collisions. **8** Call 1-888-4ONSTAR (1-888-466-7827) or visit onstar.com for system limitations and details. **9** Included and only available with Adaptive Cruise Control. **10** RDS functions only where stations broadcast RDS information. **11** XM is available only in the 48 contiguous United States. Service fees extra. Visit gm.xmradio.com for more details. **12** Requires Performance Handling Package.
