1 Whichever comes first. See dealer for details. 2 Always use safety belts and the correct restraint for your child's age and size. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with a passenger air bag. See the Owner's Manual and child safety seat instructions for more safety information. 3 RDS functions only where stations broadcast RDS information. 4 Visit onstar.com for coverage map, details and system limitations. Services vary by model and conditions. 5 Requires a subscription sold separately by XM after trial period. Available only to those at least 18 years of age in the 48 contiguous USA and DC, while Internet Radio service is available throughout and also in AK, HI and PR. If you decide to continue XM service at the end of any complimentary trial, the chosen plan will automatically renew and bill at then-current rates unless you call 1-800-967-2346 to cancel. Subscriptions governed by XM Customer Agreement at xmradio.com. Visit xmradio.com for details. 6 Not compatible with all devices. 7 Go to gm.com/bluetooth to find out which phones are compatible with the vehicle. 8 Includes (UAV) audio system with navigation. 9 Summer-only tires tend to wear faster and are more susceptible to damage from road hazards or curb impact than standard profile tires. This type of damage is not covered by the GM New Vehicle Limited Warranty. You may want to get different tires if you expect to drive in winter conditions. See your dealer for proper tire selection.
