1 EXPLORE

TAKE EXCITEMENT WITH YOU

From the morning commute to the spur-of-the-moment weekend away, Ford Fiesta brings its personality to every drive. With head-turning style, engaging driving dynamics and a range of options to make it your own, your perfect driving partner is ready when you are.

Fiesta ST-Line X Edition in Race Red body colour (standard) with automatic mHEV 7-speed DCT transmission (option).

ELECTRIFIED PERFORMANCE

FIESTA ECOBOOST MILD HYBRID

The exciting Fiesta EcoBoost Mild Hybrid features sophisticated mild hybrid technology to optimise fuel efficiency and enhance performance*. The 48-volt mild hybrid electrified powertrain seamlessly integrates electric torque with a choice of low-friction, three-cylinder petrol engines to deliver up to 155 PS (114 kW). Regenerative braking reclaims energy as you slow down, and uses it to deliver a boost when you accelerate, helping to improve performance and efficiency while reducing emissions*.

Fiesta EcoBoost Mild Hybrid displays how much electrical power has been generated by the mild hybrid system, and tracks whether energy is currently being returned to the battery or used to assist fuel efficiency or performance.

*For further fuel economy and emissions information, please refer to the specifications section.

Fiesta ST-Line X Edition shown with 18" Rock Metallic alloy wheels and Panoramic roof (option), in Frozen White premium body colour (option).

1 EXPLORE

BREATHTAKING PERFORMANCE

FIESTA ST

The Fiesta ST injects all the exhilaration of motorsport performance into your everyday journey. Each component has been engineered to energise the senses. The 1.5-litre 200 PS Ford EcoBoost petrol engine is capable of 0-62 mph in just 6.5 seconds. While unique Fiesta ST features include 18" alloy wheels with red brake calipers (standard on ST-3), exclusive ST bodystyling and Recaro sports front seats. With remarkable handling and driving dynamics, the Fiesta ST delivers a spirited driving experience like no other.

- 200 PS 1.5-litre EcoBoost engine
- Sports-tuned suspension
- Three selectable drive modes (Normal, Sport, Track)
- Unique ST upper grille, front bumper, and rear bumper with diffuser

Fiesta ST-3 with Ford Performance Blue exclusive body colour (option) and 18" alloy wheels.

THE SPIRIT OF ADVENTURE

FIESTA ACTIVE EDITION

Discover a new evolution of the iconic Ford Fiesta. The Active Edition model presents the Fiesta trademark of fun and sophistication, wrapped with the standout styling of an intrepid crossover. With a commanding character to match its larger SUV cousins, the Fiesta Active Edition's unique exterior features include:

- Exclusive 17" alloy wheels on Active Edition, 18" on Active X Edition
- Rugged bodystyling kit with Active front wing badges
- Rough road suspension including increased ride height
- Roof rails in black or silver finish (depending on specification)
- Rear privacy glass
- Black contrasting roof and door mirrors, optional on Active & Active X Editions

Fiesta Active X Edition in Luxe Yellow exclusive body colour (option) and 18" alloy wheels.

1 EXPLORE

THE ULTIMATE EXPRESSION OF LUXURY

FIESTA VIGNALE EDITION

Ford Vignale vehicles simply shine with outstanding craftsmanship and attention to detail. Exclusive exterior features such as unique styling on bumpers, unique Vignale grille, and optional Vignale design 18" polished alloy wheels all distinguish the Vignale Edition from other Fiesta models.

Fiesta Vignale Edition shown with exclusive Vignale design 18" Luster Nickel alloy wheels (option), in Magnetic exclusive body colour (option).

ADDED LAYERS OF COMFORT

Enter the Fiesta Vignale Edition and become immersed within a world of contemporary luxury. An elegant Ford Vignale Edition display screen welcomes you, while sumptuous quilted leather seats with unique hexagonal trim designs and Sensico® side bolsters create a premium interior in the truest sense.

Fiesta Vignale Edition exclusive Hexagon Quilted Leather seat with Sensico® bolsters in Ebony, with Panoramic roof (option).

BRING THE OUTSIDE IN

OPENABLE PANORAMA ROOF

Enjoy more beautiful views of surrounding scenery from the comfort of your Fiesta. An optional electrically operated panorama roof lets you bring the world outside into the vehicle cabin. Providing fresh air when opened, the sliding glass also has a solar reflective coating to help keep the interior cool when closed. While an internal sunblind provides extra shade when you need it.

Fiesta Titanium X in Ruby Red exclusive body colour (option) with Panorama Roof (option).

PLAY TO THE CONDITIONS

SELECTABLE DRIVE MODES*

You can tailor your Fiesta driving experience to suit the conditions through a selection of drive modes: Eco, Normal and Sport. Fiesta ST includes Track mode in place of Eco. Whilst Active and Active X Editions include two further drive modes; Slippery and Trail. (Standard)

Fiesta ST

Customise driving preferences and adapt the handling dynamics of your Fiesta ST, through a choice of Normal, Sport and Track drive modes.

Fiesta Active*

Choose from an additional two drive modes, **Slippery & Trail** on your Fiesta Active or Active X Editions to match driving characteristics to the road conditions.

*Not available with 1.1L Ti-VCT 75PS. Active Edition with 1.0L EcoBoost 100PS has Normal, Eco and Slippery modes.

Fiesta Active X Edition with contrast roof and mirrors (option), in Moondust Silver premium body colour (option). Accessories shown available at extra cost.

SYNC

EXPLORE

CONNECTED AND IN CONTROL

FORD SYNC 3

Ford SYNC 3 integrates seamlessly with your compatible smartphone to make communication and navigation effortless. You can control SYNC-compatible apps with AppLink, while Apple CarPlay and Android Auto let you use the 8" colour touchscreen as if it were your smartphone handset*. Using the touchscreen or simple voice commands, you can make calls, write and listen to text messages, and control your music and satellite navigation.

FORDPASS CONNECT

The FordPass Connect modem that's built into your car enables a range of features designed to make driving easier and more enjoyable. These include Live Trafficⁱ that delivers up-to-date traffic information to your SYNC 3 Navigation system, and Local Hazard Information^{††} that can warn you of upcoming hazards before they are encountered. In the event of an accident, eCall[‡] automatically places a call with the emergency services and shares your location. While for optimum connectivity, it also provides on-board Wi-Fi^{**} for a maximum of ten devices.

FORDPASS APP

Get the most from your connected car experience with the FordPass app[®], from smart remote features to detailed vehicle health reports, the FordPass app lets you access even more functions via your smartphone. For peace of mind, you can lock or unlock your vehicle wherever you are, while Remote Start^{†††} gets you ready for the journey by cooling the interior on a warm day or defrosting it on a cold winter's morning. Health Alerts send important information, including tyre pressure and fluid level warnings such as oil life, direct to your phone. Other FordPass app features include My Journeys, that can record your trips and deliver tailored insights on how to optimise your driving technique. Each journey is tracked and stored, allowing you to compare by distance, duration and more.

FordPass also helps with security; you'll receive a notification if your car's alarm is activated. Then, the SecuriAlert feature takes security a step further and alerts you on your compatible smartphone where it detects unauthorised access attempts – even with a stolen or duplicate key.

Connect your Fiesta to FordPass.

Please note: Full SYNC 3 smartphone integration only available with iPhone 5/Android 5.0 (Lollipop) or higher. 100% connected. Only AppLink would incur charges. To check whether Apple CarPlay and Android Auto are available in your market, please check official Apple CarPlay and Android Auto websites for the latest information. Map updates are complimentary for a limited time following vehicle registration.

*Don't drive while distracted. Use voice-operated systems when possible; don't use handheld devices while driving. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones.

ⁱLive Traffic access is complimentary for a limited time following the registration of a new Ford featuring SYNC 3 with navigation; thereafter a subscription is required.

^{††}Local Hazard information is complimentary for a limited time following vehicle registration of a new Ford with certain driver information modules; thereafter a subscription is required.

^{†††}Remote start only on models with automatic transmission.

[‡]Ford eCall shares vehicle location and helps the occupants initiate a call in their respective language to the local Communications Centre, following a vehicle crash event involving an airbag deployment or fuel pump shut off. The feature operates in more than 40 European countries and regions.

^{**}FordPass app, compatible with select smartphone platforms, is available via a download. Message and data rates may apply.

EFFORTLESS DRIVING

Congested streets. Start stop driving. Varying speed restrictions. City driving presents its challenges but Fiesta takes everything in its stride.

- **Adaptive Cruise Control with Stop & Go^{†*}**^② maintains a comfortable distance from the vehicle ahead, and can even bring your car to a complete stop and move off again as the traffic allows
- **Intelligent Speed Assist^{†②}** scans traffic signs and uses navigation data to automatically set a speed limit and then regulate your speed accordingly

[†]Availability varies according to series - see Section 4 Specifications for details.

^{*}Stop & Go feature available for models with automatic transmission only. If stop is longer than three seconds, driver must intervene and press "RES" button or accelerator pedal to resume system operation.

^②Uses sensors. ^③Driver Assistance feature.

Note Driver-assist features are supplemental and do not replace the driver's attention, judgement and need to control the vehicle.

Fiesta ST-Line X Edition shown with 18" ST-Line exclusive Rock Metallic alloy wheel, in Frozen White premium body colour (option).

FIESTA CAN HELP YOU PARK

Active Park Assist^② can help park your Fiesta for you. The system locates suitable parking spaces and can automatically steer you in. It can manoeuvre you out of spaces too. All you need to do is operate the accelerator, brake and gears (following on-screen instructions and audible signals).

- **Active Park Assist^{†②}** can steer you into parallel or perpendicular parking spaces just 20% longer or wider than the car. Simply push a button and sensors locate a suitable space as you drive past. The system will then automatically steer you in, while you operate the accelerator, brake and gears
- **Park-Out Assist^{†②}** works in a similar way to help manoeuvre you out of a parallel space. The system steers while you keep control of the accelerator, brake and gears. And when the system has cleared the space, it gives you a 'Take control of steering' message through the instrument cluster

[†]Availability varies according to series - see Section 4 Specifications for details.

Fiesta Titanium X in Moondust Silver premium body colour (option).

1 EXPLORE

SEE AND BE SEEN

LED HEADLIGHTS

Fiesta's optional full LED headlights can help make driving at night or in poor visibility safer and less demanding. LED technology delivers a precise light pattern with an intensely bright natural light that provides exceptional illumination. LED daytime running lights are fitted as standard, while LED signature rear lights are fitted as standard on higher series models.

- **Static cornering lights** incorporated into the front fog lights provide additional illumination when the steering wheel is turned, or when the turn signal is activated. (Standard on all series, excluding Trend)
- **Auto high beam**[†] can detect oncoming vehicles and will automatically dip your beams for you.

[†]Availability varies according to series - see Section 4 Specifications for details.

Fiesta ST-Line X Edition with full LED headlights (option), Frozen White premium body colour (option), Agate Black contrasting roof/door mirrors (option).

IT SOUNDS LIVE WITH B&O

B&O AUDIO PREMIUM SOUND SYSTEM[†]

Whatever your taste in music, from classic tracks to modern anthems, it deserves to sound the way the artists intended. Ford's exciting 675 watt, 10-speaker audio system from B&O delivers exactly that. Exclusively designed and fine-tuned for the Fiesta by specialist B&O acoustic engineers, it elevates the experience of every journey. And the distinctive speaker designs perfectly complement the Fiesta's stylish interior.

- Model specific sound calibration
- 10-speaker premium sound system
- Dual voice sub woofer
- Surround sound
- 675 W power output
- Unique B&O design

[†]Availability varies according to series - see Section 4 Specifications for details.

Fiesta ST-Line X Edition with full LED headlights (option), in Race Red body colour (standard).

Power-foldable mirrors¹

Electrically-operated and heated power-foldable door mirrors help protect against accidental damage when you're parked and de-ice your mirrors on colder days. Designed with bold body colour housings, integrated side indicators and puddle lights.

¹Availability varies according to series - see Section 4 Specifications for details

Electronic Automatic Temperature Control²†

Select the ideal cabin temperature and the system automatically maintains it with advanced air conditioning for the ultimate in driver and passenger comfort.

²Uses sensors.

[†]Availability varies according to series - see Section 4 Specifications for details.

Wireless charging¹

Charge on the go with Fiesta's optional wireless charging pad. Designed for use with compatible smartphones, it's never been easier to make sure your devices are always ready to use. Accessories are also available to enable inductive charging for a range of older smartphones.

Note Available Qi wireless charging may not be compatible with all mobile phones.

Blind Spot Information System²†

Designed to alert you via discreet warning lights built into the driver and passenger door mirrors when it detects another vehicle – car, van or lorry – entering your blind spot while driving.

¹Availability varies according to series - see Section 4 - Specifications for details.

²Uses sensors. [†]Driver Assistance feature. **Note** Driver-assist features are supplemental and do not replace the driver's attention, judgement and need to control the vehicle.

Lane-Keeping System²

Works at speeds over 40 mph on roads with visible markings. Lane-Keeping Alert warns you if an unintended lane departure is detected, and Lane-Keeping Aid applies a steering torque back towards the centre of your lane if you are slow to respond. The driver can override the system at any time. (Standard)

²Uses sensors. [†]Driver Assistance feature. Lane-Keeping System does not control steering. **Note** Driver-assist features are supplemental and do not replace the driver's attention, judgement and need to control the vehicle.

Pre-Collision Assist²†

Uses the forward-facing camera and radar to identify potential frontal collisions, and provides an audible and visual warning, pre-charges the braking system and can automatically apply the brakes if you fail to react. While Emergency Brake Assist (EBA) optimises brakes for maximum performance.

²Uses sensors. [†]Driver Assistance feature. See owner's manual for system limitations. **Note** Driver-assist features are supplemental and do not replace the driver's attention, judgement and need to control the vehicle.

[†]Availability varies according to series - see Section 4 Specifications for details.

2

SELECT

Available in a range of distinctly individual series design options, whatever your preference there's a Ford Fiesta to suit you.

**Trend**

An elegant design, impressive integrated technologies and superb engine range all contribute to Ford Fiesta's outstanding appeal.

SPECIFICATIONS

Get to know your new Ford Fiesta inside and out, from its intelligent engine technology to its generous equipment levels.

Fiesta EcoBoost Mild Hybrid

Available with a choice of 125 PS (92 kW) or 155 PS (114 kW) 1.0L Ford EcoBoost Mild Hybrid (mHEV) engines

1 Belt-driven integrated starter/generator (BISG)

The BISG acts as an electric motor, seamlessly integrating with the petrol engine to provide additional torque during normal driving and accelerating.

2 1.0L Ford EcoBoost petrol engine

The Fiesta EcoBoost Mild Hybrid is available with a choice of either a 125 PS (92 kW) or 155 PS (114 kW) 1.0L Ford EcoBoost petrol engine.

3 48-volt battery

The lithium-ion battery that powers the electric motor is located under the front passenger seat. It is automatically recharged by the engine while you drive, and by regenerative braking that reclaims the energy typically wasted as you slow down.

4 Automatic transmission

Fiesta EcoBoost mild Hybrid's optional 7-speed dual-clutch automatic transmission delivers seamless acceleration with smooth gearchanges.

Power

1.5 Ford EcoBoost (200 PS)
CO₂ emissions 145-150 g/km⁰⁰

Efficiency

1.0L Ford EcoBoost Hybrid 125 PS (92 kW) or 155 PS (114 kW) petrol engine
CO₂ emissions 112-123 g/km

Fuel and performance

The fuel consumption and CO₂ emission figures shown in the table are derived from the Worldwide Harmonised Light Vehicle Test Procedure (WLTP). These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted, variations in weather, driving styles and vehicle load. The figures shown are for comparability purposes; only compare fuel consumption and CO₂ figures with other vehicles tested to the same technical procedures.

You can also use Ford's online configurator to build and customise a new Ford vehicle: www.ford.co.uk/configurator. The configurator provides information about your configured vehicle's fuel consumption and CO₂ emissions (these are also WLTP test figures).

*In 4th gear. ⁰Active series. **Ford test figures. ⁰⁰The declared Fuel/Energy Consumptions, CO₂-Emissions and Electric range are determined according to the technical requirements and specifications of the European Regulations (EC) 715/2007 and (EU) 2017/1151 as last amended. Light Duty Vehicles type-approved using the World Harmonised Light Vehicle Test Procedure (WLTP) have Fuel/Energy Consumptions and CO₂-Emission information for both New European Drive Cycle (NEDC) and WLTP. WLTP is a new, more realistic test procedure for measuring fuel consumption and CO₂ emissions and fully replaced NEDC by end of 2020. The applied standard test procedures enable comparison between different vehicle types and different manufacturers. In addition to the fuel efficiency of a car, driving behaviour as well as other non-technical factors play a role in determining a car's fuel/energy consumption, CO₂ emissions and electric range. CO₂ is the main greenhouse gas responsible for global warming. A guide on fuel economy and CO₂ emissions which contain data for all new passenger car models is available at any point of sale free of charge or can be downloaded under <https://carfueldata.vehicle-certification-agency.gov.uk/>.

⁰⁰Represents the lightest kerbweight assuming driver at 75 kg, full fluid levels and 90% fuel levels, subject to manufacturing tolerances and options, etc. fitted. The performance and economy of all models will be reduced when used for towing. Roof load weight limit is a maximum of 50 kg on all models.

Purchase

Getting behind the wheel of your next new Ford is simple, with a variety of finance options.

Build your vehicle

Build and personalise your vehicle online. Simply head to the Ford website, select your model, then choose your engine, body colour and extras. You'll be able to view the recommended price, and send your configuration to a Ford Dealer if you wish.

www.ford.co.uk/cars

Find a Dealer and request a test drive

You can search for a Ford Dealer by location or Dealer name on the Ford website, and request a test drive online. Simply fill in your details and your chosen Dealer will contact you to arrange a convenient time.

www.ford.co.uk/dealer-locator

Finance

When it comes to financing your vehicle, our size and expertise means we're well placed to provide you with a wide range of finance products.

Ford Credit* provides a range of finance products for your vehicle whether you are a private or business user.

Ford Lease^ specialises in contract hire and leasing and provides an alternative range of finance plans which can be tailored to suit your business.

For more information about our finance products visit www.ford.co.uk/finance/ford-credit

*Finance subject to status. Guarantees may be required. Freepost Ford Credit. Ford Credit is a trading style of FCE Bank plc. Which is authorised by the Prudential Regulation Authority and regulated by the Financial Conduct Authority and the Prudential Regulation Authority under firm reference number 204469.

^Ford Lease is provided by ALD Automotive Limited acting as Ford Lease BS16 7LB. ALD is registered in England No. 987418. ALD is authorised and regulated by the Financial Conduct Authority.

Ford Insure

Designed specifically for Ford owners, Ford Insure† offers value, simplicity and a range of benefits that really matter to you.

- Repairs by experts at one of our authorised Ford Repair Centres
- Guaranteed repairs for as long as you own your Ford
- Genuine Ford Parts and manufacturer-spec glass
- Courtesy car whilst your Ford is being repaired at an authorised repairer
- Free 24 hour emergency help lines
- Named Drivers earn a Ford Insure No Claims Bonus which can be used on any Ford Insure car insurance policy
- Up to 90 days cover to drive in Europe

www.fordinsure.co.uk

†Terms and conditions apply. Ford Insure contracts are arranged, administered and provided by EUI Limited. EUI Limited is a subsidiary of Admiral Group plc and is authorised and regulated by the Financial Conduct Authority (Firm reference number: 309378). Registered in England and Wales as EUI Limited Reg. No. 2686904 Registered Address: Ty Admiral, David Street, Cardiff CF10 2EH.

FordPass app

Unlock your car's full potential with the FordPass app. FordPass seamlessly connects you with your vehicle, keeping you moving in intelligent, intuitive ways. From optimising the route of your journey, self-diagnosing and sending you vehicle health alerts, pre-heating your vehicle before you get in, to helping you find your way back to your parked car on a map. It even removes the worry of whether you locked your car, thanks to Remote Lock and Unlock.

5 Purchase Protect

Ford Service

With Ford, the service doesn't end when you leave the showroom. Ford Service is designed to keep your Ford in great condition and help you make the most of your car throughout its life.

- Ford Online Service Booking
- Contactless servicing options, for your convenience and safety
- Comprehensive service and maintenance plans
- Use of genuine Ford parts for added peace of mind
- Ford-trained technicians using the latest diagnostic equipment and tools
- One call for everything Ford 0203 564 4444
- Ford Accident Management, service free to all drivers
- Up to 12 months' UK and European Roadside Assistance (at participating Dealers)

www.ford.co.uk/owner/owner-services/ford-service

Ford Protect

Extend your standard 3-year/60,000 miles warranty to 4 years/80,000 miles or 5 years/100,000 miles with Ford Protect. Key benefits include*:

- High flexibility in duration and mileage
- Cover against unexpected electrical and mechanical repair costs in the UK and Europe
- The price of covered parts and labour are guaranteed for the length of your plan

Ford Protect New Vehicle Warranties are transferable to the new owner should you decide to sell your vehicle.

www.ford.co.uk/owner/my-vehicle/warranties

*Ford Protect terms and conditions apply. Please call 03702 416 726.

Ford Protect Service Plans

With various payment options available, you can cover the cost of your recommended scheduled services for up to 4 years from the day your new Ford is delivered. This can work out cheaper than paying for individual services and gives you added benefits:

- Ford Assistance – your UK and European Roadside Assistance will be increased to the length of your plan
- Vehicle hire – in the event that we can't finish any warranty work within 24 hours, we'll lend you a courtesy car for up to 7 days**
- A full Ford Service History, which may enhance your car's resale value

Illustrations, descriptions and specifications. This catalogue was correct at the time of going to print. However, Ford policy is one of continuous product development. The right is reserved to change specifications, colours and recommended prices of the models and items illustrated and described in this publication at any time. For the latest details always consult your Ford Dealer. **Optional equipment.** Throughout this publication, wherever a feature is described as being an 'Option' or 'Option Fitment/Pack' etc, you should assume that it will be at extra cost to the base vehicle, unless specifically stated to the contrary. All models and colour combinations are subject to availability. **Note.** Some images portrayed are of a pre-production model and/or are computer generated, therefore, the design/features on the final version of the vehicle may differ in various respects. In addition, some of the features shown on the vehicles may be optional. **Note.** This brochure contains both original Ford accessories as well as a range of products from our suppliers. Fitment of accessories may have an impact on your vehicle's fuel consumption. ♦ The identified accessories are carefully selected third party supplier branded accessories which do not come with a Ford warranty but are covered by the third party supplier's own warranty, the details of which can be obtained from your Ford Dealer. **Note.** The Bluetooth® word mark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by Ford Motor Company is under licence. The iPod word mark and logos are the property of Apple Inc. Other trademarks and trade names are those of their respective owners. **Note.** Some driver assistance features and safety features described in this brochure are designed to function using sensors, whose performance may be affected under certain weather or environmental conditions.

The Government fuel figures do not express or imply any guarantee of the fuel consumption of any particular vehicle. The vehicles themselves have not been tested and there are inevitably differences between individual vehicles of the same model. In addition, a vehicle may incorporate particular modifications. Furthermore, the driver's style and road and traffic conditions, as well as the extent to which the vehicle has been driven and the standard of maintenance, will affect its fuel consumption. **Insurance groups** are only as recommended by the Association of British Insurers. You should always consult your insurance adviser for confirmation.
