(option).*

1 EXPLORE

ENGAGING DRIVE

Focus is a destination of quality, choice and space. Across the range, you'll find advanced convenience technologies, including SYNC 3 with an 8" colour touchscreen*, and a new 12.3" digital instrument cluster**.

The digital cluster with its 'true colour' LCD display is more informative, intuitive and easier to read than a standard analogue display.

Information is displayed in high definition images and icons, and changes colour and configuration to suit to the drive mode you have selected, including a range of performance-related data on ST.

*Don't drive while distracted. Use voice-operated systems when possible; don't use handheld devices while driving. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. **See specification tables for availability.

Focus ST-Line X Edition EcoBoost Hybrid (mHEV) in Desert Island Blue exclusive body colour (option), ST-Line Design Pack (option), B&O Premium Audio System (option).

1 EXPLORE

ELECTRIFIED PERFORMANCE

FOCUS ECOBOOST MILD HYBRID (MHEV)

The exciting Focus EcoBoost mild Hybrid (mHEV) features sophisticated mild hybrid technology for reduced CO₂ emissions (vs a standard petrol engine), optimised fuel-efficiency, and a more responsive driving experience. The 48-volt mild hybrid electrified powertrain seamlessly integrates electric torque with a choice of two low-friction, three-cylinder petrol engines to deliver up to 155 PS (114 kW).

The mild hybrid technology employs a belt-driven integrated starter/generator (BISG) that replaces the standard alternator. The BISG also acts as a motor, using battery power to deliver punchier, more responsive performance, particularly at lower engine speeds, for a more flexible and connected driving experience.

Regenerative braking reclaims energy as you slow down, and uses it to deliver a boost as you accelerate, helping to improve performance and efficiency while reducing emissions.

Note For further fuel efficiency and emissions information, see Section 4, fuel and performance.

Focus Active X Edition EcoBoost Hybrid (mHEV) 5-door in Metropolis White exclusive body colour (option).

1 EXPLORE

IN TOUCH AND IN CONTROL

With clever features and innovative technologies, Focus helps you stay in control. From the rear view camera, to the automatic transmission's rotary gear shift dial, every element has been designed for an effortless drive.

- **Automatic transmission rotary gear shift dial[†]** lets you select gears easily at the twist of a knob, and frees-up cabin room for storage
- **Wireless charging pad[†]** means you can recharge a compatible device without a charging cable*
- **Rear view camera^{†2)}** displays the view behind the car to assist when reversing into or out of spaces**
- **Driver's seat power adjustment[†]** including power lumbar support on partial Sensico[®] seats
- **B&O Sound System with BeoSonic™ audio equalisation interface[†]** lets you experience music the way artists intended it to be heard

[†]Availability varies according to series – see specification tables for details.

*Many phones are able to charge wirelessly. To be compatible your phone device will need to have Qi or you will need to have a Qi charging case.

**Cameras only operate at speeds under 6 mph (10 km/h).

²⁾Driver Assistance feature.

Note Driver-assist features are supplemental and do not replace the driver's attention, judgement and need to control the vehicle.

The BeoSonic™ trademark is the property of Bang & Olufsen a/s and is applied for, registered and used in multiple jurisdictions worldwide by the owner.

Focus Active X Edition in Metropolis White exclusive body colour (option) with premium feel Sensico[®], B&O Premium Audio System (option)

1 EXPLORE

DESIGNED TO PERFORM

FOCUS ST

Built for the track; released for the road. Every component fine tuned for performance. Meet the Focus ST. An aggressively sculpted signature exterior with large rear spoiler enhances aerodynamic performance. Advanced Recaro sports seats mould you to every contour of the road. While the Selectable Drive Mode feature includes Slippery, Normal, Sport and Track[†] modes – letting you tailor your drive to different conditions.

A specially-engineered 2.3-litre (280 PS/206 kW) EcoBoost engine* with low inertia twin-scroll turbocharger, plus anti-lag and Electronic Limited-Slip Differential (eLSD) technologies make this the most powerful, agile, and responsive Ford Focus ST yet.

An optional 5-Door Petrol **ST Performance Pack** elevates your ST driving experience even further (see Section 2, Options and Packs). Additional pack features include:

- **Launch Control** for peak acceleration from standing starts
- **Gearshift Indicator light** indicates optimal up-shift points for each gear
- **Rev matching** helps make dropping into a lower gear faster and smoother
- **Track Mode** tailors your drive settings for the circuit
- **Continuously Controlled Damping (CCD)** Suspension included as part of Performance Pack

[†]Track Mode available as part of optional Performance Pack.

*A 2.0-litre (190 PS/140 kW) EcoBlue diesel version is also available.

Focus ST 5-door in Ford Performance Blue exclusive body colour (option) and Focus ST 5-door in Orange Fury exclusive body colour (option).

EXPLORE

EFFORTLESS DRIVING

Congested city streets. Start and stop driving. Focus can help take the stress out of heavy traffic. Adaptive Cruise Control with Stop & Go* will keep you a comfortable distance from the vehicle in front, even if it slows to a stop. Then, when the traffic starts moving again, your car will pull away too. While Lane-Centring Assist will gently correct the steering to help keep you within your marked lane.

- **Adaptive Cruise Control with Stop & Go^{†②}*** maintains a comfortable distance from the vehicle ahead, and can even bring your car to a complete stop and move off again as the traffic allows
- **Lane-Centring Assist^{†②}** continuously detects lane markings and can correct the steering to help keep your car within its marked lane
- **Traffic Sign Recognition^{†②}** displays important traffic sign information in the instrument cluster and head-up display
- **Intelligent Speed Assist^②** scans traffic signs and uses the detected data to automatically set a speed limit and then regulate your speed accordingly. (Standard on all series)

[†]Availability varies according to series – see Section 4 Specifications for details.

^②Uses sensors. ^③Driver Assistance feature.

Note Driver-assist features are supplemental and do not replace the driver's attention, judgement and need to control the vehicle.

*Available for models with automatic transmission only. If stop is longer than three seconds, driver must intervene and press "RES" button or accelerator pedal to resume system operation.

Accessories available at extra cost.

Focus ST-Line X Edition EcoBoost Hybrid (mHEV) estate in Desert Island Blue exclusive body colour (option).

1 EXPLORE

ADAPTING TO THE CONDITIONS

The Ford Focus Adaptive Front Lighting System⁰²⁾ with Dynamic LED headlights provides enhanced illumination in a range of driving situations. Using speed, steering wheel angle or camera information, the system can alter the light pattern earlier, ensuring bends are illuminated before you enter them for easier and more relaxing night driving. (Standard on ST, option on Titanium X, Active X & ST-Line X Editions).

Traffic Sign Recognition⁰²⁾ means it can even identify when your car is approaching a roundabout or stop sign, and adapt the LED beam pattern for optimum illumination. (Standard on ST, option on all other series except Zetec Edition)

Glare-free high beam⁰²⁾ lets you drive on high beam for greater visibility, while reducing the risk of dazzling other road users. Sensors identify traffic ahead of your car and adjust the high beam pattern to protect other road users from glare, while illuminating the remainder of the road. (Part of Adaptive Front Lighting System)

Also, should the weather take a turn for the worse, rain-sensing wipers⁰²⁾* will operate automatically to help provide a clear view of the road ahead. (Standard on all series except Zetec Edition)

⁰⁾Uses sensors. ²⁾Driver Assistance feature.

Note Driver-assist features are supplemental and do not replace the driver's attention, judgement and need to control the vehicle.

*System must be turned off before entering an automatic car wash.

Focus ST-Line X Edition estate in Desert Island Blue exclusive body colour (option).

ESCAPE THE ORDINARY

FOCUS ACTIVE EDITION

Combining the practicality of an SUV with the agility of a hatchback, the sporty Focus Active Edition crossover lets you take on challenges that others can't.

An elevated driving position and tough body mouldings help you command the road. While unique alloy wheels and wider track enhance the car's stability and your confidence in all conditions. Inside, SUV-inspired design seamlessly blends form with function to deliver a cabin perfect for active lifestyles – and includes Selectable Drive Mode technology to put you in control of your own adventures.

Accessories available at extra cost.

Focus Active X Edition estate in Metropolis White exclusive body colour (option).

1 EXPLORE

PRE-COLLISION ASSIST⁰²⁾ WITH PEDESTRIAN AND CYCLIST DETECTION*

Monitors your proximity to other vehicles, pedestrians and cyclists – even in the dark, when objects are within the headlight beams – and can alert you to a potential collision. (Standard)

LANE-KEEPING ALERT⁰²⁾

Designed to recognise when you approach the road markings without using the indicator, and alerts you with vibrations through the steering wheel. If you fail to react, Lane-Keeping Aid²⁾ will help keep you within your marked lane**. (Standard, part of Lane-Keeping System)

⁰⁾Uses sensors. ²⁾Driver Assistance feature.

*Pre-Collision Assist with Pedestrian Detection can detect pedestrians, but not in all conditions and does not replace safe driving. See owner's manual for system limitations.

**Lane-Keeping System does not control steering.

Note Driver-assist features are supplemental and do not replace the driver's attention, judgement and need to control the vehicle.

Top: Focus ST-Line X Edition EcoBoost Hybrid (mHEV) 5-door in Fantastic Red exclusive body colour (option) with panorama roof (option).

Bottom: Focus ST-Line X Edition 5-door in Fantastic Red exclusive body colour (option) with panorama roof (option).

CROSS TRAFFIC ALERT⁰²⁾

Sensors scan left and right as you reverse from a perpendicular parking space. The system will alert you if a moving vehicle or other hazard is detected. (Option on all series as part of Blind Spot Information System. Includes Active Braking)

EVASIVE STEERING ASSIST⁰²⁾***

Ford Focus is available with Evasive Steering Assist. The technology is designed to detect an evasive swerve manoeuvre and help you steer around an obstacle in your car's path. (Standard, part of Pre-Collision Assist)

***Evasive Steering Assist does not control steering.

Top: Focus ST-Line X Edition 5-door in Fantastic Red exclusive body colour (option) with panorama roof (option).

Bottom: Focus Titanium X Edition in Fantastic Red exclusive body colour (option), Head-Up Display (option).

SYNC

EXPLORE

CONNECTED AND IN CONTROL

FORD SYNC 3

Ford SYNC 3 integrates seamlessly with your compatible smartphone to make communication and navigation effortless*. You can control SYNC compatible apps with AppLink, while Apple CarPlay and Android Auto let you use the 8" colour touchscreen as if it were your smartphone handset. Using the touchscreen or simple voice commands, you can make calls, write and listen to text messages, and control your music and satellite navigation.

FORDPASS CONNECT

FordPass Connect in all our Focus's enables a range of features designed to make driving easier and more enjoyable**. These include Live Traffic† that delivers up-to-date traffic information to your SYNC 3 Navigation system, and Local Hazard Information†† that can warn you of upcoming hazards before they are encountered. In the event of an accident, eCall‡ helps occupants place a call with the emergency services and shares your location.

FORDPASS APP

Please note: Full SYNC 3 smartphone integration is only available with iPhone 5/Android 5.0 (Lollipop) or higher. 100% connected. Only AppLink would incur charges. To check whether Apple CarPlay and Android Auto are available in your market, please refer to official Apple CarPlay and Android Auto websites for the latest information. Map updates are complimentary for a limited time following vehicle registration.

*Don't drive while distracted. Use voice-operated systems when possible; don't use handheld devices while driving. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones.

**The on-board modem will be connected at the time of vehicle delivery. You may choose to opt in/out of certain data sharing. Where available, FordPass Connect remote features are complimentary for an initial trial period, thereafter a subscription may be payable.

†Live Traffic access is complimentary for an initial trial period following the registration of a new Ford featuring SYNC 3 with navigation; thereafter a licence subscription is required.

††Local Hazard information is complimentary for an initial trial period following the registration of a new Ford with certain driver information modules; thereafter a licence subscription is required.

‡Remote start only available on models with automatic transmission.

§Ford eCall shares vehicle location and helps the occupants initiate a call in their respective language to the local Communications Centre, following a vehicle crash event involving an airbag deployment or fuel pump shut off. The feature operates in more than 40 European countries and regions.

¶FordPass app, compatible with select smartphone platforms, is available via a download. Message and data rates may apply.

Get the most from your connected car experience with the FordPass app[¶]. From smart remote features to detailed vehicle health reports, the FordPass app lets you access even more functions via your smartphone. For peace of mind you can start^{‡‡}, lock or unlock your vehicle wherever you are, and even defrost the windscreen and activate the heated seats and heated steering wheel (where fitted) on a cold winter's morning.

Health Alerts send important information, including tyre pressure and fluid level warnings, such as oil life, direct to your phone. Other FordPass app features include My Journeys, that can record your trips and deliver tailored insights on how to optimise your driving technique. Each journey is tracked and stored, allowing you to compare by distance, duration and more.

FordPass also helps with security; you'll receive a notification if your car's alarm is activated, no matter where you are. The SecuriAlert feature takes security a step further and alerts you on your smartphone of any unauthorised access attempts – even with a stolen or duplicate key.

Connect your Focus to FordPass.

1 EXPLORE

EFFORTLESSLY ACCOMMODATING

Ford Focus estate combines the elegance of a coupé with an extremely spacious and versatile interior. Fold the rear seats and you have approximately 1,620 litres* of space (575 litres* in 5-seat mode, laden to the package tray). While a wide tailgate with low loading height and optional power-operation[†] make access easy.

The estate's adjustable load floor allows you to create a deep floor, or a shallower floor with storage below. A tonneau cover keeps your belongings out of sight and, when not required, can be stored in a dedicated space beneath the load floor.

*Measured in accordance with ISO 3832. Cargo and load capacity limited by weight and weight distribution.
[†]Availability varies according to series – see Section 4 Specifications for details.

Above: Focus Titanium X Edition estate in Fantastic Red exclusive body colour (option); Right top and bottom: Focus ST-Line X Edition estate in Fantastic Red exclusive body colour (option).

ACTIVE PARK ASSIST 2^②

Once activated, Focus's Active Park Assist 2 can identify a suitable parallel or perpendicular space and perform the entire parking and exit manoeuvres for you. There's no need to put the car in gear, steer or use the pedals – the car does it all for you. (Option available on automatic transmission as part of Convenience Pack)

REAR WIDE-VIEW CAMERA²⁾

Focus's Rear Wide-View Camera provides a clear view to the left and right at the rear of your car when reverse gear is selected*. (Included as part of optional Blind Spot Information System if Rear View Camera is present. Rear View Camera is standard on ST, and available as part of optional Convenience Pack on other series).

^②Uses sensors. ²⁾Driver Assistance feature.

*Cameras only operate at speeds under 6mph

Note Driver-assist features are supplemental and do not replace the driver's attention, judgement and need to control the vehicle.

Top: Focus ST-Line X Edition with Active Park Assist 2 (option), automatic transmission with rotary e-shifter (option), ST-Line Design Pack (option).

Bottom: Focus Titanium X Edition with rear wide-view camera (see Section 4 - Specifications for availability).

1 EXPLORE

HEAD-UP DISPLAY*

Projects key information to your field of vision, so you can keep your eyes on the road ahead. The image displays your choice of content, including vehicle speed, navigation, cruise control, and Traffic Sign Recognition²⁾ data. Compatible with polarised sunglasses. (Standard on ST, option on all other series except Zetec Edition)

BLIND SPOT INFORMATION SYSTEM WITH CROSS TRAFFIC ALERT AND ACTIVE BRAKING⁰²⁾

Blind Spot Information System alerts you via discreet warning lights built into both door mirrors, when another vehicle – car, van or lorry – enters your blind spot while driving. Similarly, Cross Traffic Alert helps when reversing out of a parking space by warning if a moving vehicle or other hazard is detected, and can automatically apply the brakes if you take insufficient action. (Option on all series)

⁰⁾Uses sensors. ²⁾Driver Assistance feature.

*Don't drive while distracted. See owner's manual for details and system limitations.

Note Driver-assist features are supplemental and do not replace the driver's attention, judgement and need to control the vehicle.

Top: Focus Titanium X Edition with head-up display (option). Bottom: Focus Titanium X Edition with Chrome Blue premium body colour (option).

ERGONOMIC SEATS WITH AGR CERTIFICATION**

Ergonomically designed, 18-way manually-adjustable front seats with AGR accreditation – ideal for your back and for comfort on longer journeys. An AGR classification is the mark of a particularly high standard of back-friendly product. The AGR association researches the prevention of backache, and is widely supported by doctors and therapists. (Option on Zetec, Titanium, ST-Line and Active Editions. EcoBoost Hybrid (mHEV) model includes 2-way passenger seat adjust in place of 6-way).

B&O SOUND SYSTEM

Personalise your listening experience with the new BeoSonic™ app for the B&O Sound System. Adjust your favourite music just the way you like it, discover different sound spaces and select your personal listening modes using the advanced digital sound algorithm operated via an intuitive interface on the vehicle's touchscreen display. (Standard on ST, otherwise option at extra cost – see specification tables for availability)

**The AGR quality cachet (Aktion Gesunder Rücken = Campaign for Healthier Backs): Certified and recommended by Association Forum Healthy Back – Better Living and Federal Association of German Back Schools. More information: AGR e.V., Stader Str. 6, D - 27432 Bremervörde, Phone + 49 4761/926 358 0. The BeoSonic™ trademark is the property of Bang & Olufsen a/s and is applied for, registered and used in multiple jurisdictions worldwide by the owner.

2

SELECT

With a choice of exterior and interior styling, there's a new Ford Focus that's right for you.

Zetec Edition

Focus's stylish entry model has a richer level of standard features than ever before, including impressive integrated technologies.

Key features

- 16" 5x2-spoke alloy wheels with Sparkle Silver finish
- Standard headlights – LED low beams with halogen high beams and LED daytime running lights
- Quickclear heated windscreen
- Front and rear parking sensors
- Ford Sync 3 Navigation with 8" TFT touchscreen & AppLink Apple CarPlay/Android Auto, hands-free calling, GPS, Bluetooth® and audible text messaging, 2 USB, Privacy Mode, remote audio controls and 6 speakers
- Electronic parking brake with auto hold
- FordPass Connect on-board modem* with eCall**
- Passenger airbag^o deactivation indicator
- Pre-collision Assist with Autonomous Emergency Braking

Titanium Edition

Focus Titanium Edition delivers elevated levels of sophistication and comfort, from superior quality materials to additional technologies.

Key features

- 16" 15-spoke alloy wheels with Sparkle Silver finish
- Automatic on/off headlights with follow-me home lighting
- Power folding door mirrors
- Rain-sensing wipers
- Auto-dimming rear-view mirror
- Dual-zone Electronic Automatic Temperature Control (DEATC)
- Heated front seats
- Ford KeyFree System with Keyless Entry and Keyless Start (with sleep-mode key fob)

Titanium X Edition

With all the qualities of Titanium Edition, plus enhanced comfort and styling features, Titanium X Edition makes a striking visual impression.

Key features

- 17" 10x2-spoke alloy wheels with Luster Nickel finish
- Full fixed LED headlights
- LED rear lights
- Heated sports style seats with Sensico® trimmed bolster and Metal Grey contrast stitching
- Heated Sensico® steering wheel
- 6-way power-adjustable driver's seat
- 12.3" full digital instrument cluster
- Rear privacy glass
- Soft centre console knee pads

Active Edition

With its sporty, rugged lines, the adventurous Active Edition seamlessly blends form with function. Features additional to Zetec Edition include:

Key features

- 17" 5-spoke alloy wheels with Foundry Black finish
- Unique Active style front and rear bumpers
- Raised ride height (30mm higher than standard)
- Black painted roof and mirror caps
- Sports style seats with Nordic Blue contrast stitch
- Twin exhaust tailpipes
- Rear privacy glass
- Rain sensing wipers
- Auto-dimming rear view mirror

*The on-board modem will be connected at the time of vehicle delivery. You may choose to opt in/opt out of certain data sharing.

**Ford eCall is an innovative feature that helps vehicle occupants initiate a call to the local Communications Centre, following a vehicle crash event involving an airbag deployment or fuel pump shut off. The feature operates in more than 40 European countries and regions.

^oNote: A rear-facing child seat should never be placed in the front passenger seat when the Ford vehicle is equipped with an operational front passenger's airbag. The safest place for children is properly restrained on the rear seat.

Active X Edition

Combining the practicality of an SUV with the agility of a hatchback, the sporty Focus Active X Edition lets you take on challenges that others can't.

Key features

- 18" 5x2-spoke alloy wheels with Absolute Black painted/machined finish
- Full fixed LED headlights
- Panorama roof (excludes roof rails on 5 Door)
- Heated sports-style seats with Sensico® trimmed bolsters, and Nordic Blue contrast stitching
- Heated Sensico® steering wheel
- 12.3" full digital instrument cluster
- Dual-zone Electronic Air Temperature Control (DEATC)
- 6-way power adjust driver's seat

ST-Line Edition

The striking ST-Line Edition has a distinctly sporty character, thanks to its unique exterior styling and interior detailing. Features additional to Zetec Edition include:

Key features

- 17" 5x2-spoke alloy wheels with Rock Metallic finish
- Polished twin tailpipe
- Large body coloured rear spoiler
- Sports tuned suspension
- Sports style seats with Eton in Ebony cloth and red contrast stitch
- Flat-bottomed steering wheel with red stitching
- ST-Line unique gearshift knob, with aluminium-finish (manual only)
- Dark headliner
- Rear privacy glass

ST-Line X Edition

With an enhanced sporty look and sophisticated technology upgrades, ST-Line X Edition delivers a memorable driving experience.

Key features

- 18" 5x2-spoke alloy wheels with Gloss Black machined finish
- Full fixed LED headlights
- Heated sports style seats with Sensico® side bolsters and red contrast stitch
- Heated Sensico® steering wheel
- Red stitching on gearshift gaiter, steering wheel, floor mats and soft centre console knee pads
- Red brake calipers
- 12.3" full digital instrument cluster
- 6-way power adjust driver's seat

ST

Designed with keen drivers in mind, Focus ST adds even more sporting luxury with unique partial leather seat trim.

Key features

- 19" 5x2-spoke alloy wheels with Magnetite finish
- Large rear spoiler
- Unique ST sport suspension
- Adaptive LED headlights
- Recaro partial leather seats with Metal Grey piping and contrast stitching
- 6-way power-adjustable front seats
- 12.3" full digital instrument cluster
- Head-up display
- B&O Premium Sound System with Beosonic™ functionality

Zetec Edition

Key exterior features

- 16" 5x2-spoke alloy wheels with Sparkle Silver finish
- Front and rear parking distance sensors
- Bright lower door frame mouldings
- Bright roof rails (estate models only)
- Front fog lights with cornering function
- Electrically-operated and heated door mirrors with body colour housings and integrated side indicators
- Automatic headlights with black bezel
- Ford EasyFuel capless refuelling system
- Selectable Drive Modes

Key interior features

- Ford SYNC 3 Navigation with 8" TFT touchscreen & AppLink, Apple CarPlay/Android Auto
- 4.2" colour TFT analogue cluster
- 3-spoke Sensico® soft touch steering wheel with integrated audio controls
- Cruise control with speed limiter
- Pre-collision assist with Autonomous Emergency Braking (AEB)
- Lane Keeping System
- Quickclear heated windscreen

PERSONALISE

Choose your colour, wheels, options and extras, and make Focus unmistakably yours.

LIFE IN GLORIOUS COLOUR

Ford Focus owes its beautiful and durable exterior to a special multi-stage painting process. From the wax-injected steel body sections to the protective top coat, new materials and application processes ensure your new Focus will retain its good looks for many years to come.

SPECIFICATIONS

Get to know your Ford Focus inside and out, from its intelligent engine technology to its generous loadspace.

Up to 155 PS (114 kW)

Choice of 125 PS (92 kW) (plus 16 PS (12 kW) electric) or 155 PS (114 kW) (plus 16 PS (12 kW) electric) 1.0L Ford EcoBoost mild Hybrid (mHEV) engine

Note For further fuel efficiency and emissions information, see Section 4, fuel and performance.

1 Belt-driven integrated starter/generator (BISG)

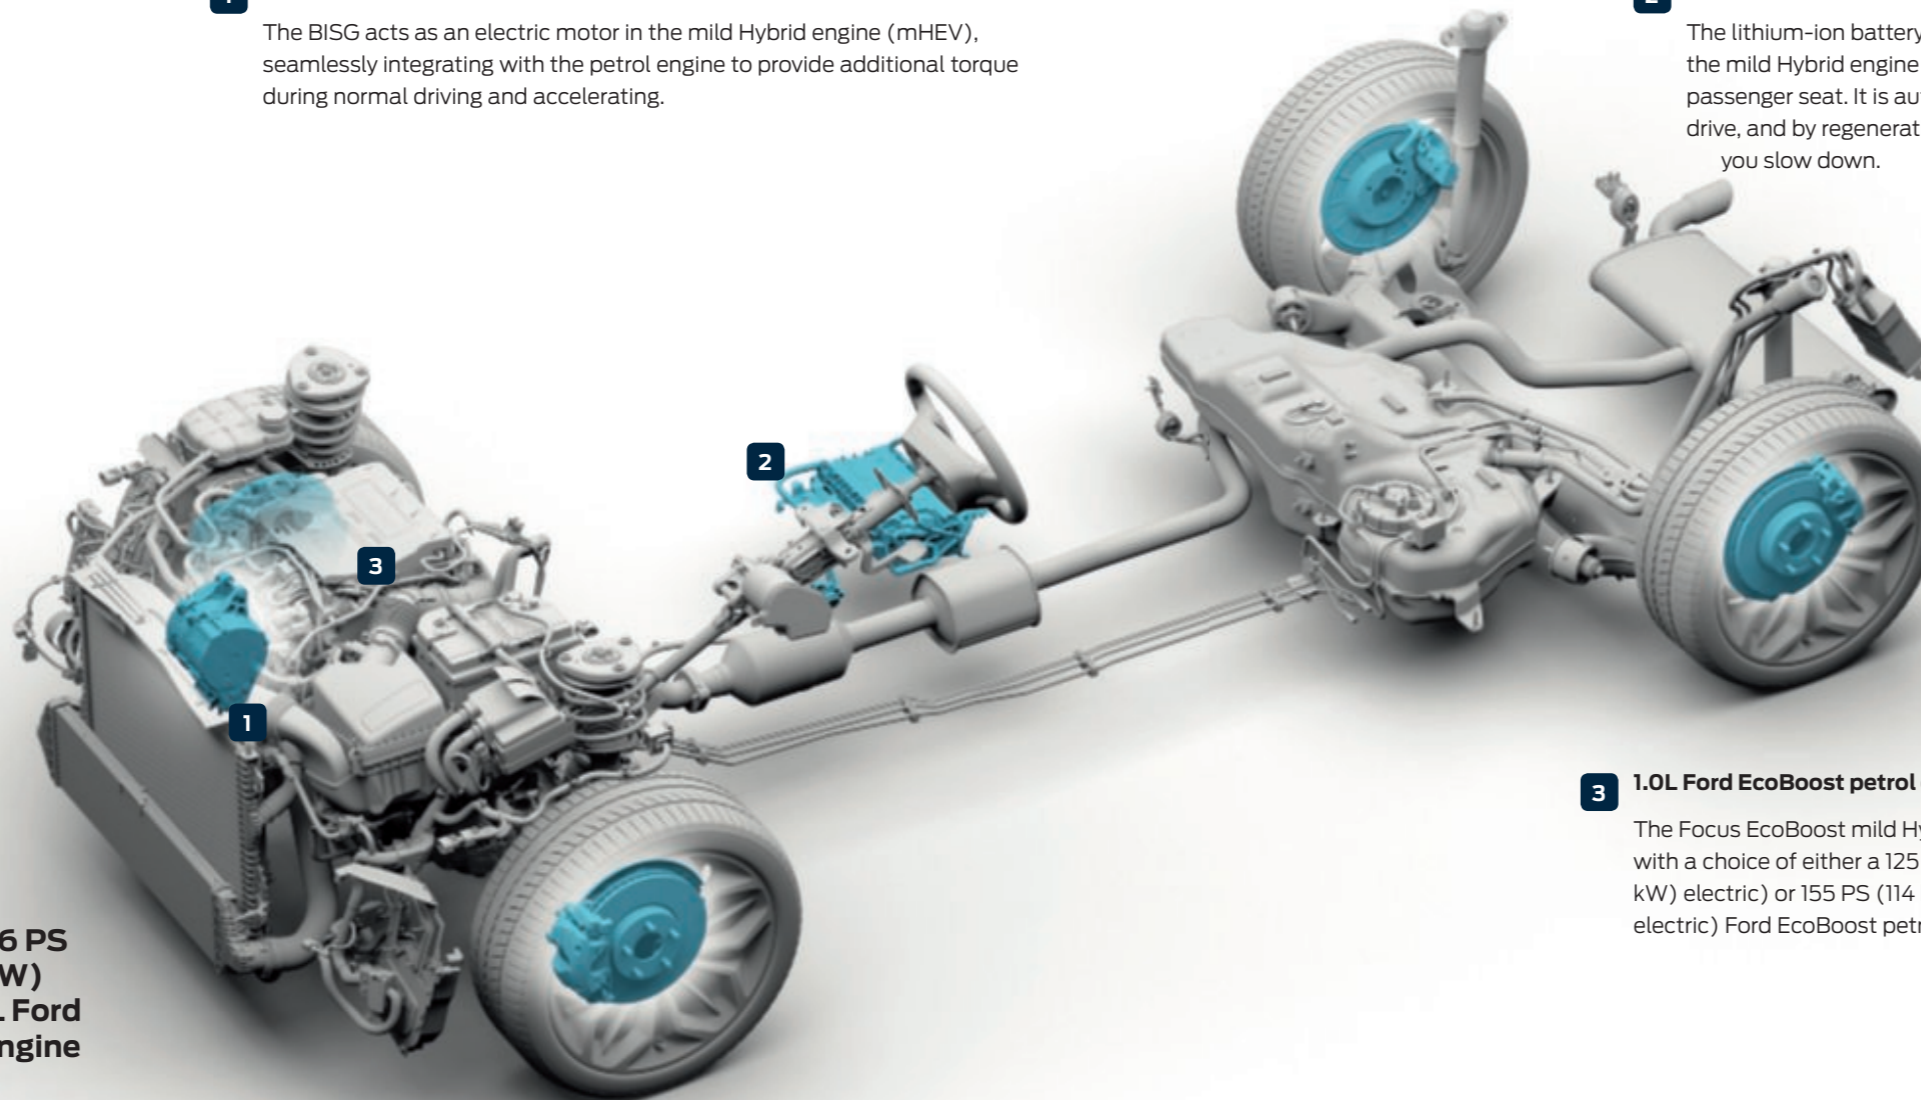

The BISG acts as an electric motor in the mild Hybrid engine (mHEV), seamlessly integrating with the petrol engine to provide additional torque during normal driving and accelerating.

2 48-volt battery

The lithium-ion battery that powers the electric motor of the mild Hybrid engine (mHEV) is located under the front passenger seat. It is automatically recharged while you drive, and by regenerative braking that reclaims energy as you slow down.

3 1.0L Ford EcoBoost petrol engine

The Focus EcoBoost mild Hybrid (mHEV) is available with a choice of either a 125 PS (92 kW) (plus 16 PS (12 kW) electric) or 155 PS (114 kW) (plus 16 PS (12kW) electric) Ford EcoBoost petrol engine.

Self-charging battery

There's no need to plug-in your vehicle for charging. Mild Hybrid (mHEV) vehicles are able to recharge the battery in two ways:

Regenerative braking reclaims the energy typically wasted when decelerating or braking.

Conventional engine powers the generator which converts mechanical energy into electrical energy.

4 SPECIFICATIONS

The fuel consumption and CO₂ emission figures shown in the table are derived from the Worldwide Harmonised Light Vehicle Test Procedure (WLTP). These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted, variations in weather, driving styles and vehicle load. The figures shown are for comparability purposes; only compare fuel consumption and CO₂ figures with other vehicles tested to the same technical procedures.

*Ford test figures. **The declared Fuel/Energy Consumptions, CO₂-Emissions and Electric range are determined according to the technical requirements and specifications of the European Regulations (EC) 715/2007 and (EU) 2017/1151 as last amended. Light Duty Vehicles type-approved using the World Harmonised Light Vehicle Test Procedure (WLTP) have Fuel/Energy Consumptions and CO₂-Emission information for both New European Drive Cycle (NEDC) and WLTP. WLTP is a new, more realistic test procedure for measuring fuel consumption and CO₂ emissions and fully replaced the NEDC by end of 2020. The applied standard test procedures enable comparison between different vehicle types and different manufacturers. In addition to the fuel efficiency of a car, driving behaviour as well as other non-technical factors play a role in determining a car's fuel/energy consumption, CO₂ emissions and electric range. CO₂ is the main greenhouse gas responsible for global warming. A guide on fuel economy and CO₂ emissions which contain data for all new passenger car models is available at any point of sale free of charge or can be downloaded under <http://carfueldata.dft.gov.uk>. **Active Edition/Active X Edition

*Represents the lightest kerbweight assuming driver at 75kg, full fluid levels and 90% fuel levels, subject to manufacturing tolerances and options, etc., fitted. **Towing limits** quoted represent the maximum towing ability of the vehicle at its Gross Vehicle Mass to restart on a 12 per cent gradient at sea level. The performance and economy of all models will be reduced when used for towing. **Roof load** is a maximum of 75kg on all models. **Gross Train Mass** includes trailer weight.

Purchase

Getting behind the wheel of your next new Ford is simple, with a variety of finance options.

Build your vehicle

Build and personalise your vehicle online. Simply head to the Ford website, select your model, then choose your engine, body colour and extras. You'll be able to view the recommended price, and send your configuration to a Ford Dealer if you wish.

www.ford.co.uk/cars

Find a Dealer and request a test drive

You can search for a Ford Dealer by location or Dealer name on the Ford website, and request a test drive online. Simply fill in your details and your chosen Dealer will contact you to arrange a convenient time.

www.ford.co.uk/dealer-locator

Finance

When it comes to financing your vehicle, our size and expertise means we're well placed to provide you with a wide range of finance products.

Ford Credit* provides a range of finance products for your vehicle whether you are a private or business user.

Ford Lease^ specialises in contract hire and leasing and provides an alternative range of finance plans which can be tailored to suit your business.

For more information about our finance products visit www.ford.co.uk/finance/ford-credit

*Finance subject to status. Guarantees may be required. Freepost Ford Credit. Ford Credit is a trading style of FCE Bank plc. Which is authorised by the Prudential Regulation Authority and regulated by the Financial Conduct Authority and the Prudential Regulation Authority under firm reference number 204469.

^Ford Lease is provided by ALD Automotive Limited acting as Ford Lease BS16 7LB. ALD is registered in England No. 987418. ALD is authorised and regulated by the Financial Conduct Authority.

Ford Insure

Designed specifically for Ford owners, Ford Insure† offers value, simplicity and a range of benefits that really matter to you.

- Repairs by experts at one of our authorised Ford Repair Centres
- Guaranteed repairs for as long as you own your Ford
- Genuine Ford Parts and manufacturer-spec glass
- Courtesy car whilst your Ford is being repaired at an authorised repairer
- Free 24 hour emergency help lines
- Named Drivers earn a Ford Insure No Claims Bonus which can be used on any Ford Insure car insurance policy
- Up to 90 days cover to drive in Europe

www.fordinsure.co.uk

†Terms and conditions apply. Ford Insure contracts are arranged, administered and provided by EUI Limited. EUI Limited is a subsidiary of Admiral Group plc and is authorised and regulated by the Financial Conduct Authority (Firm reference number: 309378). Registered in England and Wales as EUI Limited Reg. No. 2686904 Registered Address: Ty Admiral, David Street, Cardiff CF10 2EH.

Ownership

FordPass app

The FordPass app* gives you access to a host of useful features designed to make your journeys easier and help keep your vehicle healthy.

You can monitor your fuel level, mileage and tyre pressures from your smartphone; lock and unlock your car and heat your vehicle while you are elsewhere; find your way back to your parked car on a map; receive Vehicle Health Alerts directly to your phone, and much more.

www.ford.co.uk/owner/owner-services/fordpass

*FordPass Connect features and Live Traffic are complimentary on initial trial period following registration of the vehicle, thereafter a subscription is payable. See fordpass.co.uk for more information. Wi-Fi hotspot includes complimentary wireless data trial that begins at time of activation and expires at the end of 3 months or when 3GB of data is used, whichever comes first. Afterwards a subscription to Vodafone is required (please refer to their website for details of data packages).

5 Purchase Protect

Ford Service

With Ford, the service doesn't end when you leave the showroom. Ford Service is designed to keep your Ford in great condition and help you make the most of your car throughout its life.

- Ford Online Service Booking
- Contactless servicing options, for your convenience and safety
- Comprehensive service and maintenance plans
- Use of genuine Ford parts for added peace of mind
- Ford-trained technicians using the latest diagnostic equipment and tools
- One call for everything Ford 0203 564 4444
- Ford Accident Management, service free to all drivers
- Up to 12 months' UK and European Roadside Assistance (at participating Dealers)

www.ford.co.uk/owner/owner-services/ford-service

Ford Protect

Extend your standard 3-year/60,000 miles warranty to 4 years/80,000 miles or 5 years/100,000 miles with Ford Protect. Key benefits include*:

- High flexibility in duration and mileage
- Cover against unexpected electrical and mechanical repair costs in the UK and Europe
- The price of covered parts and labour are guaranteed for the length of your plan

Ford Protect New Vehicle Warranties are transferable to the new owner should you decide to sell your vehicle.

www.ford.co.uk/owner/my-vehicle/warranties

*Ford Protect terms and conditions apply. Please call 03702 416 726.

Ford Protect Service Plans

With various payment options available, you can cover the cost of your recommended scheduled services for up to 4 years from the day your new Ford is delivered. This can work out cheaper than paying for individual services and gives you added benefits:

- Ford Assistance – your UK and European Roadside Assistance will be increased to the length of your plan
- Vehicle hire – in the event that we can't finish any warranty work within 24 hours, we'll lend you a courtesy car for up to 7 days**
- A full Ford Service History, which may enhance your car's resale value

www.ford.co.uk/owner/service-and-maintenance/service-repair/plans

**Subject to availability and status, excluding fuel and insurance costs.

Illustrations, descriptions and specifications. This catalogue was correct at the time of going to print. However, Ford policy is one of continuous product development. The right is reserved to change specifications, colours and recommended prices of the models and items illustrated and described in this publication at any time. For the latest details always consult your Ford Dealer. **Optional equipment.** Throughout this publication, wherever a feature is described as being an 'Option' or 'Option Fitment/Pack' etc, you should assume that it will be at extra cost to the base vehicle, unless specifically stated to the contrary. All models and colour combinations are subject to availability. **Note.** Some images portrayed are of a pre-production model and/or are computer generated, therefore, the design/features on the final version of the vehicle may differ in various respects. In addition, some of the features shown on the vehicles may be optional. **Note.** This brochure contains both original Ford accessories as well as a range of products from our suppliers. Fitment of accessories may have an impact on your vehicle's fuel consumption. ♦ The identified accessories are carefully selected third party supplier branded accessories which do not come with a Ford warranty but are covered by the third party supplier's own warranty, the details of which can be obtained from your Ford Dealer. **Note.** The Bluetooth® word mark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by Ford Motor Company is under licence. The iPod word mark and logos are the property of Apple Inc. Other trademarks and trade names are those of their respective owners. **Note.** Some driver assistance features and safety features described in this brochure are designed to function using sensors, whose performance may be affected under certain weather or environmental conditions.

The Government fuel figures do not express or imply any guarantee of the fuel consumption of any particular vehicle. The vehicles themselves have not been tested and there are inevitably differences between individual vehicles of the same model. In addition, a vehicle may incorporate particular modifications. Furthermore, the driver's style and road and traffic conditions, as well as the extent to which the vehicle has been driven and the standard of maintenance, will affect its fuel consumption. **Insurance groups** are only as recommended by the Association of British Insurers. You should always consult your insurance adviser for confirmation.
