shown with panoramic roof (option).*

1 EXPLORE

DO WE HAVE YOUR ATTENTION?

The new Mondeo may be the essence of elegantly assertive style. But refinements to its handsome exterior are not just about looks. The Ford Mondeo is beautifully designed for optimum efficiency. Its sleek lines cut through the air efficiently. While streamlined rear panels help to reduce turbulence and add stability.

Mondeo ST-Line Edition HEV Wagon in Lucid Red metallic body colour (option), shown with 19" 7x2 Y-spoke alloy wheels (option).

MONDEO HYBRID ELECTRIC VEHICLE

THE BEST OF BOTH WORLDS

Powered by Hybrid Electric Vehicle technology, the Mondeo HEV eliminates charge range anxiety, and champions fuel efficiency by switching seamlessly between its electric motor and petrol engine. And to make the whole system even more efficient, regenerative braking captures up to 90 per cent of the energy that would be normally lost during braking, and uses it to recharge the high-voltage battery.

- **Hybrid Electric Vehicle technology** combines the benefits of both electric and petrol power
- **Regenerative braking** captures energy usually lost during braking and uses it to recharge the high-voltage battery
- **Ford SmartGauge cluster display** with 'Brake Coach', plus other sophisticated drive coaching systems, help further maximise the car's power and efficiency (standard on Mondeo Hybrid)

Mondeo ST-Line Edition 5-door in Lucid Red metallic body colour (option), shown with 19" 7x2 Y-spoke alloy wheels (option).

1 EXPLORE

ARE YOU SITTING COMFORTABLY?

The Ford Mondeo makes you wish the journey was longer. Lovingly crafted from high quality materials, its sumptuous interior creates an oasis of inner calm. Light pours in through the panorama roof (optional across the range, on 5-Door and Estate variants) to enhance the feeling of spaciousness, while sound absorption materials produce a remarkably hushed interior.

A massage function for the driver and front passenger seats (standard on Vignale) helps to invigorate tired muscles.

Additional features include a raft of intelligent driver assistance technologies such as Ford SYNC 3 with 8" touchscreen which, together with the FordPass App, delivers a range of additional features designed to make every journey easier.

Mondeo Vignale HEV Wagon shown with Premium Vignale Seats with leather inserts and Sensico® seat trim bolster (standard), and panorama roof (option).

1 EXPLORE

REFINED

AUTOMATIC TRANSMISSION ROTARY DIAL SELECTOR

The new Mondeo is all about making your drive more comfortable. The refined 8-speed automatic transmission is controlled via a new rotary gearshift dial* that lets you select gears easily at the twist of a knob, while freeing up your cabin for a more streamlined central console with additional room for storage.

*Available with 2.0L EcoBlue automatic transmissions.

Ford Mondeo ST-Line Edition shown with automatic transmission rotary dial selector.

Mondeo ST-Line Edition 5-door in Lucid Red metallic body colour (option), shown with 19" 7x2 Y-spoke alloy wheels (option).

EXPLORE

CONNECTED AND IN CONTROL

FORD SYNC 3

Available Ford SYNC 3 integrates seamlessly with your smartphone to make communication and navigation effortless*. You can control SYNC-compatible apps with AppLink, while Apple CarPlay and Android Auto let you use the 8" colour touchscreen as if it were your smartphone handset. Using the touchscreen or simple voice commands, you can make calls, write and listen to text messages, and control your music and satellite navigation.

FORDPASS CONNECT

The FordPass Connect modem that's built into your car enables a range of features designed to make driving easier and more enjoyable**. These include Live Traffic[†] that delivers up-to-date traffic information to your SYNC 3 Navigation system, and Local Hazard Information^{††} that can warn you of upcoming hazards before they are encountered. In the event of an accident, eCall[‡] helps occupants place a call with the emergency services and shares your location. While for optimum connectivity, it also provides on-board Wi-Fi^{***} for a maximum of ten devices.

FORDPASS APP

Get the most from your connected car experience with the FordPass app^{‡‡}. From smart remote features to detailed vehicle health reports, the FordPass app lets you access even more functions via your smartphone. For peace of mind, you can lock or unlock your vehicle wherever you are, and even defrost the windscreen and activate the heated seats and heated steering wheel (where fitted) on a cold winter's morning (models with automatic transmission only).

Health Alerts send important information, such as tyre pressure and fuel level warnings, direct to your phone.

Other FordPass app features include My Journeys, that can record your trips and deliver tailored insights on how to optimise your driving technique. Each journey is tracked and stored, allowing you to compare by distance, duration, and more. You can log your journeys under personal or business categories and export the data. The app can also provide useful feedback on how to drive more efficiently, by showing you where you've braked too suddenly, accelerated too fast, or cornered too harshly.

Please note: Full SYNC 3 smartphone integration only available with iPhone 5/Android 5.0 (Lollipop) or higher. To check whether Apple CarPlay and Android Auto are available in your market, please check official Apple CarPlay and Android Auto websites for the latest information. Map updates are complimentary for a limited time following vehicle registration.

*Don't drive while distracted. Use voice-operated systems when possible; don't use handheld devices while driving. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones.

**The on-board modem will be connected at the time of vehicle delivery. You may choose to opt in/out of certain data sharing. Where available, FordPass Connect remote features are complimentary for an initial trial period, thereafter a subscription may be payable.

***Wi-Fi hotspot (up to 4G LTE) includes a complimentary wireless data trial for a limited time only that begins at time of activation. Afterwards, data bundles can be purchased from Vodafone. Please refer to their website for details of their data packages. To take advantage of the built-in Wi-Fi hotspot capability, Ford vehicles must come with the appropriate hardware, and a data plan is required. Data coverage and service is not available everywhere and terms of your data plan, including applicable message and data rates, may apply.

[†]Live Traffic access is complimentary for an initial trial period following the registration of a new Ford featuring SYNC 3 with navigation; thereafter a licence subscription is required.

^{††}Local Hazard information is complimentary for an initial trial period following the registration of a new Ford with certain driver information modules; thereafter a licence subscription is required.

[‡]Ford eCall shares vehicle location and helps the occupants initiate a call in their respective language to the local Communications Centre, following a vehicle crash event involving an airbag deployment or fuel pump shut off. The feature operates in more than 40 European countries and regions.

^{‡‡}FordPass app, compatible with selected smartphone platforms, is available via a download. Message and data rates may apply.

EXPECTING THE UNEXPECTED

Life isn't always predictable, even when you're in the driving seat. But when things don't go quite as planned, Ford Mondeo is ready to react.

LANE-KEEPING SYSTEM

Lane-Keeping System Available at speeds over 40 mph on visibly marked highways and urban roads.

Lane-Keeping Aid designed to provide gentle steering torque assistance to help guide you back into your lane.

Lane-Keeping Alert²⁾ warns you if an unintended lane departure is detected, and Lane-Keeping Aid²⁾ applies a steering torque back towards the centre of your lane if you are slow to respond. The driver can override the system at any time.

²⁾Driver Assistance feature. Lane-Keeping System does not control steering.

Note Driver-assist features are supplemental and do not replace the driver's attention, judgement and need to control the vehicle.

Mondeo ST-Line Edition 5-door shown with panorama roof (option), and Lane-Keeping System with Lane-Keeping Alert (standard).

WATCHING OUT FOR YOU

ADAPTIVE CRUISE CONTROL WITH STOP & GO AND PRE-COLLISION ASSIST

Adaptive Cruise Control²⁾ (optional as part of the Driver Assistance Pack across the range excluding Zetec Edition) is designed to allow you to enter your desired speed and distance from the vehicle in front, and can automatically maintain that set distance if traffic conditions impede travel at the desired cruising speed.

For Diesel models with automatic transmission, Adaptive Cruise Control with Stop & Go* is designed to maintain a pre-set distance from the vehicle in front, even if it slows to a stop. And when the traffic starts moving again, your car will pull away too.

Pre-Collision Assist¹⁾ (standard across the range) uses the forward-facing camera and radar and is designed to identify potential frontal collisions, providing an audible and visual warning, it can pre-charge the braking system and can automatically apply the brakes if you fail to react.

¹⁾Safety feature. ²⁾Driver Assistance feature. See owner's manual for system limitations.

Note Driver-assist features are supplemental and do not replace the driver's attention, judgement and need to control the vehicle.

*If stop is longer than three seconds, driver must intervene and press 'RES' button or accelerator pedal to resume system operation.

Mondeo ST-Line Edition 5-door in Moon dust Silver metallic body colour (option), shown with 19" 7x2 Y-spoke alloy wheels (option).

AN EXTRA PAIR OF EYES

TRAFFIC SIGN RECOGNITION

When there's a lot going on around you, it can be easy to miss an important road sign. Traffic Sign Recognition² is designed to spot speed signs and other traffic signs at the side of the road or above it, whether fixed or temporary, and displays the information in the instrument cluster to alert you. It's just one of the many ways Ford Mondeo looks out for you on every journey.

²Driver Assistance feature. See owner's manual for system limitations.

Note Driver-assist features are supplemental and do not replace the driver's attention, judgement and need to control the vehicle.

Mondeo ST-Line Edition 5-door in Chrome Blue metallic body colour (option).

TECHNOLOGY BUILT AROUND YOU

FORD DYNAMIC BI-LED HEADLIGHTS

This intelligent headlight system can select the appropriate beam pattern for enhanced illumination in different conditions. When turning, dynamic cornering throws the beam into the curve to help you see further. While the headlight's lower edge features two LED strips: white daytime running lights, and amber indicators that flash sequentially towards the direction of turn. (Standard on Vignale and Vignale HEV, optional across the rest of the range)

Mondeo ST-Line Edition 5-door in Lucid Red metallic body colour (option).

1 EXPLORE

ERGONOMIC SEATS WITH AGR CERTIFICATION*

18-way manually-adjustable front seats, ideal for your back and for comfort on longer journeys. An AGR classification is the mark of a particularly high standard of back-friendly product. The AGR association researches the prevention of backache, and is widely supported by doctors and therapists (available as an option on Zetec Edition).

INTELLIGENT ALL-WHEEL DRIVE (AWD) SYSTEM

Mondeo's Intelligent All-Wheel Drive system is designed to continually monitor your driving environment, optimising traction whatever the surface by directing power to where it is needed. A special display on the cluster panel shows the power split to keep you informed about conditions beneath each wheel. (Available with the 2.0L Ford EcoBlue 190 PS engine on ST-Line Edition and Vignale)

*The AGR quality cachet (Aktion Gesunder Rücken = Campaign for Healthier Backs): Certified and recommended by Association Forum Healthy Back – Better Living and Federal Association of German Back Schools. More information: AGR e.V., Stader Str. 6, D – 27432 Bremervörde, Germany. Phone + 49 4761/92 63 580.

Mondeo ST-Line Edition 5-door in Magnetic metallic body colour (option), shown with 19" 7x2 Y-spoke alloy wheels (option).

ACTIVE PARK ASSIST

Active Park Assist² locates suitable parking spaces and can automatically steer you in. It can manoeuvre you out of spaces too. All you need to do is operate the accelerator, brake and gears (following on-screen instructions and audible signals).

Park-Out Assist² works in a similar way to help manoeuvre you out of a parallel space. The system steers while you keep control of the accelerator, brake and gears. And when the system has cleared the space, it gives you a 'Take control of steering' message through the instrument cluster. (Optional feature as part of the Driver Assistance Pack or Convenience Pack across the range, excluding Zetec Edition)

BLIND SPOT INFORMATION SYSTEM

Designed to alert you via warning lights built into both door mirrors as another vehicle – car, van or lorry – enters your blind spot. Similarly, Cross Traffic Alert is designed to warn if a moving hazard is detected while reversing from a perpendicular parking space. Blind spot detection zone can vary to a range of 18 metres, depending on vehicle speed. (Optional feature as part of the Driver Assistance Pack or Convenience Pack across the range, excluding Zetec Edition)

²Driver Assistance feature. See owner's manual for system limitations.

Note Driver-assist features are supplemental and do not replace the driver's attention, judgement and need to control the vehicle.

Mondeo ST-Line Edition 5-door in Moon dust Silver metallic body colour (option), shown with Blind Spot Information System with Cross Traffic Alert (option).

2

SELECT

Ford Mondeo is available in a captivating range of series offerings, including the sophisticated self-charging Hybrid Electric Vehicles (HEV), seamlessly changing between conventional mode and pure electric mode, or using a combination of both.

**Zetec Edition**

Elegantly assertive design, impressive integrated technologies, and a wide range of engine options, make Ford Mondeo the perfect choice.

Key features

- 17" 10-spoke Luster Nickel alloy wheels with locking wheel nuts
- Halogen projector headlights with separate daytime running lights in fog lights
- Front and rear parking distance sensors
- SYNC 3 with embedded navigation and 8" MFD touchscreen display
- Lane-Keeping System (includes Lane-Keeping Alert and Lane-Keeping Aid)
- Ford Power starter button (keyless start)

Engines**Petrol Hybrid:**

2.0L Ti-VCT Hybrid Electric Vehicle 187 PS (103 kW)

Diesel:

2.0L Ford EcoBlue 150 PS (112 kW)

**Titanium Edition**

Titanium Edition brings a wealth of innovative technology, sporty features, and additional comfort to the Mondeo range.

Key features (in addition to Zetec Edition)

- 18" 10x2-spoke alloy wheels with locking wheel nuts
- Power-operated and power-foldable door mirrors with side indicators and integrated puddle light, plus memory function
- 10" colour TFT cluster display with EcoBlue engine
- Salerno leather seats
- 10-way power-adjustable driver and passenger's seat with memory function

Engines**Petrol Hybrid:**

2.0L Ti-VCT Hybrid Electric Vehicle 187 PS (103 kW)

Diesel:

2.0L Ford EcoBlue 150 PS (112 kW)
2.0L Ford EcoBlue 190 PS (140 kW)

**ST-Line Edition**

With the distinctive eye-catching individuality of ST-Line Edition, Mondeo's sports model delivers a dynamic driving experience like no other.

Key features (in addition to Titanium Edition)

- 19" 5x2-spoke Rock Metallic finish alloy wheels with locking wheel nuts
- ST-Line body kit, red brake calipers, black roof rails (wagon), unique honeycomb upper grille, perforated leather-trimmed steering wheel with red stitching
- Partial leather sport seats with perforated Miko Suede inserts and red stitching
- Aluminium-finish sports pedals

Engines**Petrol Hybrid:**

2.0L Ti-VCT Hybrid Electric Vehicle 187 PS (103 kW)

Diesel:

2.0L Ford EcoBlue 150 PS (112 kW)
2.0L Ford EcoBlue 190 PS (140 kW)
2.0L Ford EcoBlue AWD 190 PS (140 kW)

**Vignale**

Ford Vignale offers a vehicle that shines with superior craftsmanship and attention to detail.

Key features (in addition to Titanium Edition)

- Exclusive 19" 10-spoke Dark Tarnish finish alloy wheels with locking wheel nuts
- Adaptive Lighting with Ford Dynamic LED headlights
- Sony DAB radio/CD with 2 USB ports, SYNC 3, navigation and 12 premium speakers
- Premium Vignale Seats with leather inserts and Sensico® seat trim bolsters. Heated front seats with massage function, 10-way power multi-contour driver and passenger's seat
- Heated steering wheel (EcoBlue engines only)

Engines**Petrol Hybrid:**

2.0L Ti-VCT Hybrid Electric Vehicle 187 PS (103 kW)

Diesel:

2.0L Ford EcoBlue 190 PS (140 kW)
2.0L Ford EcoBlue AWD 190 PS (140 kW)

Zetec Edition

Key exterior features

- 17" 5x2-spoke alloy wheels
- Bodycolour bumper and side rocker mouldings
- Front fog lamps
- LED Day Time Running Lights
- Halogen projector headlights
- LED Tail lights
- Power-foldable, door mirrors with side indicators and integrated puddle light
- Front and rear parking sensors

Key interior features

- Ford DAB Audio with navigation, SYNC 3 with 8" colour touchscreen and 8 speakers
- Pre-collision assist with AEB and pedestrian and cyclist detection
- Power-operated windows with global opening/closing
- Dual-zone Electronic Automatic Temperature Control
- Cruise control with Adjustable Speed Limiter
- Traffic Sign Recognition
- Lane-Keeping aid
- Electric parking brake
- Quickclear heated front windscreen

- Tyre Inflation Kit
- Thatcham category 1 alarm
- Ford EasyFuel
- ISOFIX attachments for child seats

Engines

Petrol Hybrid: 2.0L TiVCT Hybrid Electric Vehicle 187 PS (103 kW)*

Diesel:

2.0 Ford EcoBlue 150 PS

*4-door and Estate only. Combined system output

Titanium Edition

Key exterior features additional to Zetec Edition

- 18" 10x2-spoke alloy wheels
- Bright roof rails (Wagon only)
- Power folding door mirrors

Key interior features additional to Zetec Edition

- Salerno leather seats
- 10-way power-adjustable driver and passenger's seat (driver's seat with memory function)
- Variable heated front seats
- 10" colour TFT cluster display
- Bright-finish front door scuff plates
- Multi-colour LED ambient lighting
- Keyless entry system

Engines

Petrol Hybrid:

2.0 TIVCT Hybrid Electric Vehicle 187 PS (103 kW)*

Diesel:

2.0 Ford EcoBlue 150 PS

2.0 Ford EcoBlue 190 PS

*4-door and Estate only. Combined system output

ST-Line Edition

Key exterior features additional to Titanium Edition

- 19" 5x2-spoke Rock Metallic alloy wheels
- ST-Line bodystyling kit
- ST-Line badge
- Rear privacy glass
- Body colour rear spoiler (Estate only)
- Black-finish roof rails (Estate only)

Key interior features additional to Titanium Edition

- Partial leather sports style front seats with perforated Miko Suede inserts and red stitching
- Unique finish front door scuff plates with ST-Line logo
- Dark headliner (5 door and Estate only)
- Perforated leather-trimmed steering wheel with red stitching
- Black leather-trimmed gearshift knob with red stitching (not available with rotary gear shift dial)
- Aluminium-finish sports pedals
- Sports suspension

Engines

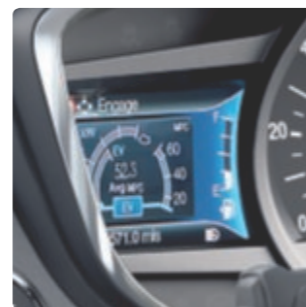

Petrol Hybrid:

2.0L TiVCT Hybrid Electric Vehicle 187 PS (103 kW)*

Diesel:

- 2.0 Ford EcoBlue 150 PS
- 2.0 Ford EcoBlue 190 PS
- 2.0 Ford EcoBlue 190 PS AWD

*4-door and Estate only. Combined system output

Vignale

Key exterior features additional to Titanium Edition

- 19" 10-spoke exclusive Dark Tarnish alloy wheels
- Unique Ford Vignale exterior styling
- Ford LED Adaptive headlights
- Vignale grille – upper and lower
- Rear privacy glass
- Premium body colour paint
- Power tailgate (5 door and Estate only)

Key interior features additional to Titanium Edition

- Premium Vignale Seats with leather inserts and Sensico® seat trim bolster
- Heated steering wheel (EcoBlue engines only)
- Rear-view camera
- Sony DAB audio system with CD and 12 premium speakers
- Front door scuff plates with Vignale script

Engines

Petrol Hybrid:

2.0L TiVCT Hybrid Electric Vehicle 187 PS*

Diesel:

2.0 Ford EcoBlue 190 PS
2.0 Ford EcoBlue 190 PS AWD

*4-door and Estate only. Combined system output.

SPECIFICATIONS

Get to know your new Ford Mondeo inside and out, from its intelligent engine technology to its generous equipment levels.

**187 SYSTEM PS
(103 kW*)**

2.0L Ford Ti-VCT Hybrid Electric Vehicle (HEV)

*The 103 kW engine is a petrol performance engine.

**An Atkinson-cycle engine does not develop as much power as an Otto cycle engine, but offers greater fuel efficiency. It is specifically designed to work in conjunction with an electric motor.

***AC and DC describe types of current flow in a circuit. In AC (alternating current), the electric current constantly changes direction. In DC (direct current), the current flows in one direction only.

1 2.0L Atkinson-cycle engine

Mondeo Hybrid combines the 2.0L Ti-VCT Atkinson-cycle** petrol engine with electric motors and Regenerative Braking System to help enhance fuel efficiency and recharge the battery.

2 eCVT transmission

The advanced power-split automatic transmission seamlessly adjusts the gear ratios for smooth, refined performance and greater fuel efficiency.

3 High-voltage battery

A 1.4 kWh lithium-ion battery powers the electric motor and helps Mondeo Hybrid operate in electric-only mode, depending on load and high-voltage battery charge.

4 Regenerative Braking System

Reclaims the energy typically wasted when decelerating or braking, then uses it to charge the battery.

5 Inverter System Controller

Manages the hybrid powertrain control components, including DC-to-AC and AC-to-DC conversion*** to drive the AC electric motors with DC electrical energy from the high-voltage battery.

6 Electric air conditioning compressor

Draws power directly from the high-voltage battery, allowing the engine to turn off more frequently while enabling cabin cooling to continue operating.

7 DC/DC converter

Converts the high voltage 300V+ in the high-voltage battery to 12 V and charges the 12 V battery. Because of that an alternator is not required.

Drive smarter

The Ford SmartGauge with EcoGuide provides instant feedback on how your driving style is affecting efficiency. A high-resolution LCD screen on the dashboard displays real time driving information, including fuel and battery power levels. And an on-screen animation shows you when you're driving most efficiently to help you maximise your savings. (Standard on Mondeo Hybrid)

The fuel consumption and CO₂ emission figures shown in the table are derived from the Worldwide Harmonised Light Vehicle Test Procedure (WLTP). These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted, variations in weather, driving styles and vehicle load. The figures shown are for comparability purposes; only compare fuel consumption and CO₂ figures with other vehicles tested to the same technical procedures.

You can also use Ford's online configurator to build and customise a new Ford vehicle: www.ford.co.uk/configurator. The configurator provides information about your configured vehicle's fuel consumption and CO₂ emissions (these are also WLTP test figures).

⁰⁰Where a dash is shown, this engine and wheel combination is not orderable and therefore there is no CO₂ data to display. The declared Fuel/Energy Consumptions, CO₂-Emissions and Electric range are determined according to the technical requirements and specifications of the European Regulations (EC) 715/2007 and (EU) 2017/1151 as last amended. Light Duty Vehicles type-approved using the World Harmonised Light Vehicle Test Procedure (WLTP) have Fuel/Energy Consumptions and CO₂-Emission information for both New European Drive Cycle (NEDC) and WLTP. WLTP is a new, more realistic test procedure for measuring fuel consumption and CO₂ emissions and will fully replace the NEDC latest by end of the year 2020. The applied standard test procedure enables comparison between different vehicle types and different manufacturers. In addition to the fuel efficiency of a car, driving behaviour as well as other non-technical factors play a role in determining a car's fuel/energy consumption, CO₂ emissions and electric range. CO₂ is the main greenhouse gas responsible for global warming. A guide on fuel economy and CO₂ emissions which contain data for all new passenger car models is available at any point of sale free of charge or can be downloaded under <http://carfueldata.dft.gov.uk>. *Represents the lightest kerbweight assuming driver at 75 kg, full fluid levels and 90% fuel levels, subject to manufacturing tolerances and options, etc, fitted. The performance and economy of all models will be reduced when used for towing. Roof load weight limit is a maximum of 75 kg on all models.

*In 4th gear. ⁰⁰Ford test figures.

Purchase

Getting behind the wheel of your next new Ford is simple, with a variety of finance options.

Build your vehicle

Build and personalise your vehicle online. Simply head to the Ford website, select your model, then choose your engine, body colour and extras. You'll be able to view the recommended price, and send your configuration to a Ford Dealer if you wish.

www.ford.co.uk/cars

Find a Dealer and request a test drive

You can search for a Ford Dealer by location or Dealer name on the Ford website, and request a test drive online. Simply fill in your details and your chosen Dealer will contact you to arrange a convenient time.

www.ford.co.uk/dealer-locator

Finance

When it comes to financing your vehicle, our size and expertise means we're well placed to provide you with a wide range of finance products.

Ford Credit* provides a range of finance products for your vehicle whether you are a private or business user.

Ford Lease^ specialises in contract hire and leasing and provides an alternative range of finance plans which can be tailored to suit your business.

For more information about our finance products visit www.ford.co.uk/finance/ford-credit

*Finance subject to status. Guarantees may be required. Freepost Ford Credit. Ford Credit is a trading style of FCE Bank plc. Which is authorised by the Prudential Regulation Authority and regulated by the Financial Conduct Authority and the Prudential Regulation Authority under firm reference number 204469.

^Ford Lease is provided by ALD Automotive Limited acting as Ford Lease BS16 7LB. ALD is registered in England No. 987418. ALD is authorised and regulated by the Financial Conduct Authority.

Ford Insure

Designed specifically for Ford owners, Ford Insure† offers value, simplicity and a range of benefits that really matter to you.

- Repairs by experts at one of our authorised Ford Repair Centres
- Guaranteed repairs for as long as you own your Ford
- Genuine Ford Parts and manufacturer-spec glass
- Courtesy car whilst your Ford is being repaired at an authorised repairer
- Free 24 hour emergency help lines
- Named Drivers earn a Ford Insure No Claims Bonus which can be used on any Ford Insure car insurance policy
- Up to 90 days cover to drive in Europe

www.fordinsure.co.uk

†Terms and conditions apply. Ford Insure contracts are arranged, administered and provided by EUI Limited. EUI Limited is a subsidiary of Admiral Group plc and is authorised and regulated by the Financial Conduct Authority (Firm reference number: 309378). Registered in England and Wales as EUI Limited Reg. No. 2686904 Registered Address: Ty Admiral, David Street, Cardiff CF10 2EH.

FordPass app

Unlock your car's full potential with the FordPass app. FordPass seamlessly connects you with your vehicle, keeping you moving in intelligent, intuitive ways. From optimising the route of your journey, self-diagnosing and sending you vehicle health alerts, pre-heating your vehicle before you get in, to helping you find your way back to your parked car on a map. It even removes the worry of whether you locked your car, thanks to Remote Lock and Unlock.

www.ford.co.uk/owner/owner-services/fordpass

5 Purchase Protect

Ford Service

With Ford, the service doesn't end when you leave the showroom. Ford Service is designed to keep your Ford in great condition and help you make the most of your car throughout its life.

- Ford Online Service Booking
- Contactless servicing options, for your convenience and safety
- Comprehensive service and maintenance plans
- Use of genuine Ford parts for added peace of mind
- Ford-trained technicians using the latest diagnostic equipment and tools
- One call for everything Ford 0203 564 4444
- Ford Accident Management, service free to all drivers
- Up to 12 months' UK and European Roadside Assistance (at participating Dealers)

www.ford.co.uk/owner/owner-services/ford-service

Ford Protect

Extend your standard 3-year/60,000 miles warranty to 4 years/80,000 miles or 5 years/100,000 miles with Ford Protect. Key benefits include*:

- High flexibility in duration and mileage
- Cover against unexpected electrical and mechanical repair costs in the UK and Europe
- The price of covered parts and labour are guaranteed for the length of your plan

Ford Protect New Vehicle Warranties are transferable to the new owner should you decide to sell your vehicle.

www.ford.co.uk/owner/my-vehicle/warranties

*Ford Protect terms and conditions apply. Please call 03702 416 726.

Ford Protect Service Plans

With various payment options available, you can cover the cost of your recommended scheduled services for up to 4 years from the day your new Ford is delivered. This can work out cheaper than paying for individual services and gives you added benefits:

- Ford Assistance – your UK and European Roadside Assistance will be increased to the length of your plan
- Vehicle hire – in the event that we can't finish any warranty work within 24 hours, we'll lend you a courtesy car for up to 7 days**
- A full Ford Service History, which may enhance your car's resale value

Illustrations, descriptions and specifications. This catalogue was correct at the time of going to print. However, Ford policy is one of continuous product development. The right is reserved to change specifications, colours and recommended prices of the models and items illustrated and described in this publication at any time. For the latest details always consult your Ford Dealer. **Optional equipment.** Throughout this publication, wherever a feature is described as being an 'Option' or 'Option Fitment/Pack' etc, you should assume that it will be at extra cost to the base vehicle, unless specifically stated to the contrary. All models and colour combinations are subject to availability. **Note.** Some images portrayed are of a pre-production model and/or are computer generated, therefore, the design/features on the final version of the vehicle may differ in various respects. In addition, some of the features shown on the vehicles may be optional. **Note.** This brochure contains both original Ford accessories as well as a range of products from our suppliers. Fitment of accessories may have an impact on your vehicle's fuel consumption. ♦ The identified accessories are carefully selected third party supplier branded accessories which do not come with a Ford warranty but are covered by the third party supplier's own warranty, the details of which can be obtained from your Ford Dealer. **Note.** The Bluetooth® word mark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by Ford Motor Company is under licence. The iPod word mark and logos are the property of Apple Inc. Other trademarks and trade names are those of their respective owners. **Note.** Some driver assistance features and safety features described in this brochure are designed to function using sensors, whose performance may be affected under certain weather or environmental conditions.

The Government fuel figures do not express or imply any guarantee of the fuel consumption of any particular vehicle. The vehicles themselves have not been tested and there are inevitably differences between individual vehicles of the same model. In addition, a vehicle may incorporate particular modifications. Furthermore, the driver's style and road and traffic conditions, as well as the extent to which the vehicle has been driven and the standard of maintenance, will affect its fuel consumption. **Insurance groups** are only as recommended by the Association of British Insurers. You should always consult your insurance adviser for confirmation.
