

FORD RANGER STORMTRAK

MAKE BIGGER PLANS

FORD RANGER STORMTRAK

Introducing the new limited edition Ford Ranger Stormtrak. Distinguished by unique Race Red grille inserts and LED headlights, this exciting new model is powered by the range-topping 213 PS (157 kW)/500 Nm 2.0L Ford EcoBlue Bi-Turbo diesel engine with 10-speed automatic transmission. With its sure-footed 4x4 system, which includes electronic shift-on-the-fly that lets you change from two-wheel drive to four-wheel drive at the flick of a switch, there's more capability for work or play, on-road or off-road. There's even an easy-lift tailgate that reduces the effort required to access the load bed. So, load it up and start planning for bigger things.

Standard features include

- **18" Black alloy wheels** with 265/60 R18 all-season tyres
- **Power roller shutter** offering improved usability as well as increased security and protection from the elements
- **Muscular exterior styling** includes exclusive Race Red grille inserts, Stormtrak bonnet and body side decals, chunky three-dimensional badging and a black rear bumper and sports hoop
- **Pick-up bed liner with load bed divider** that helps to separate your cargo and prevent items from sliding around
- **Choice of specially selected optional body colours** including exclusive Rapid Red (metallic), Frozen White (solid) and Blue Lightning (metallic)

Model shown is a Double Cab Stormtrak in Blue Lightning metallic body colour (option).

REWARD YOURSELF

HARD WORK SHOULD HAVE ITS REWARDS

Reap the rewards of your hard work in the sensational new Ford Ranger Stormtrak. Embrace a great-looking interior with its high-grade supple leather seat trim, red detail stitching and embroidered 'Stormtrak' branding. Plus, a sporty, leather wrapped steering wheel which offers cruise control, remote audio controls and the ability to make and take calls with your hands on the wheel using the voice-controlled Ford SYNC 3 system*. You can also get things just the way you like them with the Dual-zone Electronic Automatic Temperature Control system.

Standard features include

- **Luxurious leather seats** accentuated by unique red stitching, embroidered 'Stormtrak' logos, and bolsters trimmed with adventure-inspired technical fabric
- **Tinted graphite interior trim** on the instrument panel and door spears
- **Illuminated 'RANGER' scuff plates** emit a welcoming light when the doors are opened
- **Ford SYNC 3 with voice control***, DAB radio, TMC and Active Noise Cancelling. USB, AUX connection and SD Slot for external music devices. 8" TFT touch screen and 6 speakers. With Navigation center, microphone, rear power point plug and FordPass Connect

*Don't drive while distracted. Use voice-operated systems when possible; don't use handheld devices while driving. Some features may be unavailable while the vehicle is in gear. Not all features are compatible with all phones.

Note The Bluetooth® word mark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by Ford Motor Company Limited and its associated companies is under licence. Other trademarks and trade names are those of their respective owners.

Model shown is a Double Cab Stormtrak with partial-leather seat trim design with Race Red stitching and Stormtrak logo (standard).

Fuel, performance and emissions

	Max. speed (mph) ⁰	0-62 mph (secs) ⁰	CO ₂ emissions – Min-Max ⁰⁰⁰⁰ (g/km) – WLTP Overall	Fuel consumption – Min-Max ⁰⁰⁰⁰ (mpg) – WLTP Overall
2.0 Ford EcoBlue 213 PS (157 kW) (500 Nm) 10-speed automatic	112	9.0	201-204	36.2-36.7

⁰Ford test figures.

⁰⁰⁰⁰The declared fuel/energy consumptions and CO₂ emissions for Stage 6c (NI) and Stage 6d-TEMP (MI) engines are measured according to the technical requirements and specifications of European Regulations (EC) 715/2007, (EC) 692/2008 and (EU) 2017/1151, as last amended. Fuel consumption and CO₂ emissions may be specified for a vehicle variant and not for a regular vehicle. The applied standard test procedure enables a comparison between different vehicle types and different manufacturers. In addition to the fuel efficiency of a vehicle; driving behaviour as well as other non-technical factors are very important in determining a vehicle's fuel/energy consumption and CO₂ emissions. A guide on fuel economy and CO₂ emissions which contains data for all new passenger carrying vehicle models is available at any point of sales free of charge or can be downloaded at ford.co.uk.

Weights and loads

	Max. payload gross (kg) ⁰	Front axle plated mass (kg)	Rear axle plated mass (kg)	Gross vehicle mass (kg)	Kerbweight (kg) [♦]	Axle ratio	Max. trailer weight Unbraked (kg)	Max. trailer weight Braked (kg)	Max. GTM (kg)
2.0 Ford EcoBlue 213 PS (157 kW) (500 Nm) 10-speed automatic	1024	1480	1850	3270	2246	3.55	750	3500	6000

⁰Payload Gross = Gross vehicle mass, less kerbweight. **GVM** = Gross vehicle mass. The total permissible all-up weight of a rigid vehicle – i.e. with body, payload, ancillaries, fuel, oil, water, driver and crew. ***Kerbweight** = The weight of the complete vehicle and all equipment including fuel and water, but without the payload, driver or any crew. All kerb masses quoted in this brochure are subject to manufacturing tolerances and are for Base models with minimum equipment. Stormtrak model will have greater kerb masses and, therefore, lower payloads due to the increased amount of standard equipment. Any additional options specified on the vehicle will reduce the payload accordingly. **Note:** All data in the this table is dependent on the actual specification of the vehicle and the market in which that vehicle is available. Contact your local Ford Dealer for more information.

Illustrations, descriptions and specifications. This catalogue was correct at the time of going to print. However, Ford policy is one of continuous product development. The right is reserved to change specifications, colours and recommended prices of the models and items illustrated and described in this publication at any time. For the latest details always consult your Ford Dealer. **Optional equipment.** Throughout this publication, wherever a feature is described as being an 'Option' or 'Option Fitment/Pack' etc, you should assume that it will be at extra cost to the base vehicle, unless specifically stated to the contrary. All models and colour combinations are subject to availability. **Note.** Some images portrayed are of a pre-production model and/or are computer generated, therefore, the design/features on the final version of the vehicle may differ in various respects. In addition, some of the features shown on the vehicles may be optional. **Note.** This brochure contains both original Ford accessories as well as a range of products from our suppliers. Fitment of accessories may have an impact on your vehicle's fuel consumption. **♦** The identified accessories are carefully selected third party supplier branded accessories which do not come with a Ford warranty but are covered by the third party supplier's own warranty, the details of which can be obtained from your Ford Dealer. **Note.** The Bluetooth® word mark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by Ford Motor Company is under licence. The iPod word mark and logos are the property of Apple Inc. Other trademarks and trade names are those of their respective owners. **Note.** Some driver assistance features and safety features described in this brochure are designed to function using sensors, whose performance may be affected under certain weather or environmental conditions.

The Government fuel figures do not express or imply any guarantee of the fuel consumption of any particular vehicle. The vehicles themselves have not been tested and there are inevitably differences between individual vehicles of the same model. In addition, a vehicle may incorporate particular modifications. Furthermore, the driver's style and road and traffic conditions, as well as the extent to which the vehicle has been driven and the standard of maintenance, will affect its fuel consumption. **Insurance groups** are only as recommended by the Association of British Insurers. You should always consult your insurance adviser for confirmation.
