MAKING THE SMART MOVE

Suzuki Reno

Let's talk about the term, "think outside the box." Does it mean open-minded? Versatile? Surprising, ingenious and still practical? Yes. And now there's one more definition: introducing the new Reno. Five doors. Standard MP3. Nice curves.

MSRP STARTING AT **\$13,499***

*Reno S. MSRP does not include freight, government fees or dealer charges.
Reno EX shown in Titanium Silver Metallic, MSRP \$17,049.

Styling

Let the sunshine in.

It's nice to have the sun shining on you. It's even nicer when you can make it happen simply by hitting the power tilt-and-slide sunroof button. (LX, EX only)

"Nice wheels."

Good-looking wheels really make the car—aluminum alloys come standard on the LX and EX.

Let there be light.

The powerful fog lamps on the LX and EX help improve your visibility during foggy and inclement weather.

Comfort

Ready for a long trip?

Even if it's just the daily commute, a standard MP3 player means you can play hundreds of your favorite songs.

Keep your hands on the wheel.

To keep you focused on the drive at hand, the Reno comes standard with a tilt steering wheel with integrated-audio controls.

Versatile interior.

Five-door configuration means you've got the flexibility to live life your way.

Wake up and smell the leather.

The interior of the Reno EX comes with something unexpected: leather-trimmed seating. Isn't that something?

Performance

Braking as it is meant to be.

Although an antilock braking system (ABS) is far from simple, the benefits it can provide are simply amazing. Optional ABS provides improved braking under slippery conditions, while enhancing control and your ability to avoid an obstacle or hazard.

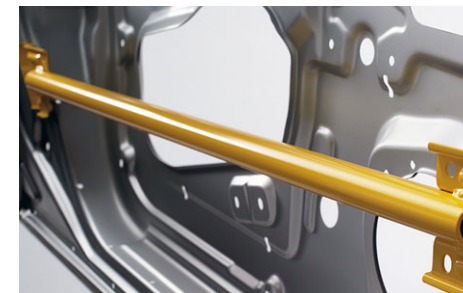

More power to you.

The Reno features a 2.0-liter, 16-valve, DOHC 4-cylinder engine with 126 hp for the power you need when you need it.

You'll like it automatically.

The EX comes standard with an automatic transmission. The sleek-looking gated shifter provides precise shifting. (Optional on S and LX)

Safety

A design with impact.

The doors on the Reno are reinforced with side-impact beams in order to help protect occupants in a collision.

Peace of mind is a nice thing.

For that reason, the Reno is equipped with standard front-side airbags, plus an advanced front-passenger-seat airbag that has a weight-sensing feature. It deactivates automatically if the front passenger weighs less than 65 lb.

See clearly.

Standard heated power mirrors are designed to help keep them fog-free in cold or frosty weather. This helps improve visibility.

Being firm with children.

No cargo is more precious than that of a child. That's why every Suzuki incorporates a child-seat LATCH system (Lower Anchors and Tethers for Children) to help fasten your child's seat securely to the vehicle.

AMERICA'S #1 WARRANTY
100,000 MILES • NO DEDUCTIBLE • FULLY TRANSFERABLE

See your local dealer for full details.

Suzuki's 100,000-mile/7-year Powertrain Limited Warranty: Every 2005 Suzuki comes standard with **America's #1 Warranty**, a fully transferable, \$0-deductible, 100,000-mile/7-year powertrain limited warranty. **Duration:** Covers 100,000 miles or 7 years, whichever comes first. This provides owners over 14,000 miles of coverage per year. Most competitive warranties cover only 10,000–12,000 miles per year. **Fully Transferable:** Can be transferred from owner to owner, adding value at the time of resale or trade-in. **No Deductible:** If any repairs to covered components are necessary within 100,000 miles or 7 years, there is zero charge for parts and labor.

Suzuki's New Vehicle Limited Warranty: Covers all components of the vehicles as supplied by Suzuki for 36 months or 36,000 miles, whichever comes first. The battery is covered for 24,000 miles. There is no deductible. Any repairs to correct defects in materials will be made with no charge for parts or labor. Should original body sheet-metal panels develop perforation due to corrosion, they're covered for 36 months, with no limit on mileage. Tires are covered by a separate warranty from the tire manufacturer. **Roadside Assistance Program:** Covers any new Suzuki vehicle during the 36,000-mile/3-year New Vehicle Limited Warranty period. Roadside Assistance is available 24 hours a day, 365 days a year, in the U.S. and Canada. **Courtesy Vehicle Program:** The Warranty Repair Courtesy Vehicle Program is administered through Suzuki dealers and Enterprise Rent-A-Car. If a Suzuki vehicle is rendered inoperable, unsafe or illegal to operate due to a defect in materials or workmanship, and is required to stay overnight at a Suzuki dealer to complete a warranty repair during the 36,000-mile/3-year New Vehicle Limited Warranty period, your Suzuki dealer will provide a courtesy rental vehicle for up to five days through Enterprise Rent-A-Car.

Drive responsibly: Buckle up for safety—don't drink and drive. WARNING: Always wear your seatbelt. For specific details, please read your owner's manual. To avoid injury from an airbag, always place children twelve years old and under in the rear seat; always move both driver and passenger seats as far back from airbag as practical; never transport a child in a rear-facing child seat in the front seat; and always use the seatbelts and buckle up properly. Always keep cargo loads within specified weight limits, distribute cargo evenly and secure it from shifting. Pricing, specifications and equipment based on information available at the time of file posting, subject to change without notice and may differ in each sales area. Some vehicles shown with optional equipment. For more details on 2005 options, accessories, specifications and prices, contact your local Suzuki dealer.
