

2005

MAKING THE SMART MOVE

Suzuki Verona

Ready to live a little larger? Want to sweep through the world knowing that style, space and sophistication are part of your entourage? If all of the above is long overdue... we've been waiting for you. Introducing the new Verona.

suzuki.com

MSRP STARTING AT **\$17,549***

*Verona S. MSRP does not include freight, government fees or dealer charges.
Verona EX shown in Tuxedo Black Pearl, MSRP \$20,549.

Styling

Gauge their beauty.

The gauges inside the Verona are a thing of beauty. The clean and sporty styling is also easy on the eyes. Seeing is believing.

Let the sunshine in.

It's nice to have the sun shining down on you. It's even nicer when you can make it happen simply by operating the power tilt-and-slide sunroof. (LX and EX only)

"Nice wheels."

The lightweight, 16" aluminum-alloy wheels on the LX and EX are as striking as the rest of the Verona. More proof of its Italian elegance.

Let their be light.

The Verona comes with standard fog lamps that greatly improve visibility in inclement weather conditions.

Comfort

A matter of power.

The Verona comes with luxurious amenities, including standard power windows, power mirrors, power door locks, and on the EX model an 8-way power adjustable driver's seat.

Comfortable all over.

No part of your body has escaped our attention. With the heated front seats, standard on the EX, you're comfortable all over in any weather.

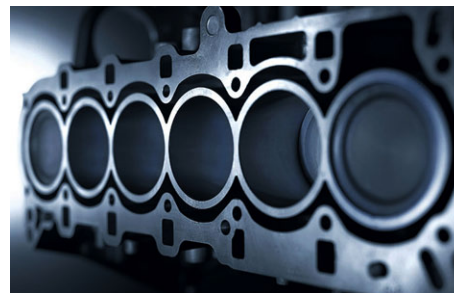

We hope you're listening.

The Verona is equipped with a superb CD/cassette player with 6 speakers and audio controls located right on the steering wheel.

Fresh air, anyone?

The LX and EX models feature air conditioning which incorporates a micron air-filtration system that helps cut down on airborne pollen and dust.

Performance

This car is no slouch.

Verona's performance is delivered by a standard 2.5-liter, 24-valve, DOHC 6-cylinder engine.

The transmission of logic.

Since everyone's driving habits are different, Verona's Adaptive Logic automatic transmission will adjust the shift points to match the shift pattern to the driver's habits.

Put on the brakes.

Verona is equipped with standard 4-wheel disc brakes. The LX and EX come standard with an antilock braking system (ABS) for improved control.

A matter of precision.

At lower speeds, the standard speed-sensitive power-steering system is lighter for easier maneuverability, while at higher speeds, it becomes tighter. The result: more precise handling.

Safety

Being firm with children.

No cargo is more precious than that of a child. That's why every Suzuki incorporates a child-seat LATCH system (Lower Anchors and Tethers for Children) to help fasten your child's seat securely to the vehicle.

Peace of mind is a nice thing.

This year's Verona incorporates front-side airbags as standard equipment, as well as an advanced front-passenger-seat airbag that has a weight-sensing feature. It deactivates automatically when the front passenger weighs less than 65 lb.

Tire-pressure monitoring system.

Improperly inflated tires not only have a shorter life expectancy, they can also affect your overall safety. The Verona's tire-pressure monitoring system alerts the driver when the tire pressure becomes critically low. Please see Specification Page for more information.

AMERICA'S #1 WARRANTY
100,000 MILES • NO DEDUCTIBLE • FULLY TRANSFERABLE

See your local dealer for full details.

Suzuki's 100,000-mile/7-year Powertrain Limited Warranty: Every 2005 Suzuki comes standard with **America's #1 Warranty**, a fully transferable, \$0-deductible, 100,000-mile/7-year powertrain limited warranty. **Duration:** Covers 100,000 miles or 7 years, whichever comes first. This provides owners over 14,000 miles of coverage per year. Most competitive warranties cover only 10,000–12,000 miles per year. **Fully Transferable:** Can be transferred from owner to owner, adding value at the time of resale or trade-in. **No Deductible:** If any repairs to covered components are necessary within 100,000 miles or 7 years, there is zero charge for parts and labor.

Suzuki's New Vehicle Limited Warranty: Covers all components of the vehicles as supplied by Suzuki for 36 months or 36,000 miles, whichever comes first. The battery is covered for 24,000 miles. There is no deductible. Any repairs to correct defects in materials will be made with no charge for parts or labor. Should original body sheet-metal panels develop perforation due to corrosion, they're covered for 36 months, with no limit on mileage. Tires are covered by a separate warranty from the tire manufacturer. **Roadside Assistance Program:** Covers any new Suzuki vehicle during the 36,000-mile/3-year New Vehicle Limited Warranty period. Roadside Assistance is available 24 hours a day, 365 days a year, in the U.S. and Canada. **Courtesy Vehicle Program:** The Warranty Repair Courtesy Vehicle Program is administered through Suzuki dealers and Enterprise Rent-A-Car. If a Suzuki vehicle is rendered inoperable, unsafe or illegal to operate due to a defect in materials or workmanship, and is required to stay overnight at a Suzuki dealer to complete a warranty repair during the 36,000-mile/3-year New Vehicle Limited Warranty period, your Suzuki dealer will provide a courtesy rental vehicle for up to five days through Enterprise Rent-A-Car.

Drive responsibly. Buckle up for safety—don't drink and drive. WARNING: Always wear your seatbelt. For specific details, please read your owner's manual. To avoid injury from an airbag, always place children twelve years old and under in the rear seat; always move both driver and passenger seats as far back from airbag as practical; never transport a child in a rear-facing child seat in the front seat; and always use the seatbelts and buckle up properly. Always keep cargo loads within specified weight limits, distribute cargo evenly and secure it from shifting. Pricing, specifications and equipment based on information available at the time of file posting, subject to change without notice and may differ in each sales area. Some vehicles shown with optional equipment. For more details on 2005 options, accessories, specifications and prices, contact your local Suzuki dealer.
