

THE **SCION iM**
A **MATCH** FOR YOUR
MOMENTUM

MODEL YEAR 2016

by **TOYOTA**

THE SCION STORY

WHEN WE STARTED IN A WAREHOUSE ON THE TOYOTA CAMPUS WE DIDN'T WANT TO BE BIG. WE WANTED TO BE BETTER.

We saw that most car companies lacked style or substance... they were just plain boring. We wanted to build great quality cars with unique styling.

THAT'S HOW WE BUILT A LOYAL FOLLOWING OF DEDICATED OWNERS WHO HAVE HELPED US GROW INTO THE COMPANY WE ARE TODAY.

BUILT BY
PASSION

NOT BY
COMMITTEE

A FULL LINEUP OF STYLES TO COMPLEMENT EVERY UNIQUE DRIVER.

**GO THE
DISTANCE**

Enjoy the drive with high
MPG ratings.

**PREMIUM
AMENITIES
STANDARD**

In every Scion more
comes standard including
touch screen audio,
Bluetooth^{® [1]} connectivity,
and voice recognition.

**HANDLE
IT**

Every model is engineered
for great handling.

No cost, 2 year/25,000 mile maintenance
plan comes standard^[2].

HELPFUL FINANCING

Financing for people with limited
credit histories.

FUN INSIDE AND OUT

The Scion iM was made to go outside and play. This five-door hatchback gives you the versatility you'll need to go find your fun.

Wheels ^[12]	17 x 7.0J Alloy

ACTIVE SAFETY

STAR Safety System™ includes:

• Vehicle Stability Control (VSC) ^[13]	Standard
• Traction Control (TRAC)	Standard
• Anti-lock Brake System (ABS)	Standard
• Electronic Brake Force Distribution (EBD)	Standard
• Brake Assist (BA) ^[10]	Standard
• Smart Stop Technology (SST) ^[14]	Standard

[1] The Bluetooth® word mark and logos are registered trademarks owned by Bluetooth SIG, Inc. and any use of such marks by Scion is under license. A compatible Bluetooth enabled phone must first be paired. Phone performance depends on software, coverage & carrier.

[2] For most vehicles Scion Service Boost covers normal factory recommended service for two years or 25,000 miles, whichever comes first. For the Scion iA, the 6 month/7,500 mile, 12 month/15,000 mile, and 18 month/22,500 mile normal factory recommended services are covered (a maximum of 3 services). Valid only in the continental U. S. and Alaska. See participating Scion dealer for coverage details.

[6] 2016 iM with automatic transmission. EPA 28 city/37 highway MPG estimates. Actual mileage will vary.

[7] Cargo and load capacity limited by weight and distribution.

[8] The backup camera does not provide a comprehensive view of the rear area of the vehicle. You should also look around outside your vehicle and use your mirrors to confirm rearward clearance. Cold weather will limit effectiveness and view may become cloudy.

[9] 2016 iM w/CVT. 2016 EPA Estimated MPG rating (28 city/37 highway/32 combined). Actual mileage will vary.

[10] Brake Assist is designed to help the driver take full advantage of the benefits of ABS. It is not a substitute for safe driving practices. Braking effectiveness also depends on proper brake-system maintenance, tire and road conditions.

[11] Minimum running ground clearance

[12] 17-inch or larger performance tires are expected to experience greater tire wear than conventional tires. Tire life may be substantially less than 20,000 miles depending on driving conditions.

[13] Vehicle Stability Control is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe driving practices. Factors including speed, road conditions and driver steering input can all affect whether VSC will be effective in preventing a loss of control. Please see your Owner's Manual for further details.

[14] Smart Stop Technology operates only in the event of certain contemporaneous brake and accelerator pedal applications. When engaged, the system will reduce power to help the brakes bring the vehicle to a stop. Factors including speed, road conditions and driver input can all impact stopping distance. Smart Stop Technology is not a substitute for safe and attentive driving and does not guarantee instant stopping. Please see your Owner's Manual for further details.
