

WHEN WE STARTED IN A WAREHOUSE ON THE TOYOTA CAMPUS WE DIDN'T WANT TO BE BIG. WE WANTED TO BE BETTER.

We saw that most car companies lacked style or substance... they were just plain boring. We wanted to build great quality cars with unique styling.

THAT'S HOW WE BUILT A LOYAL FOLLOWING OF DEDICATED OWNERS WHO HAVE HELPED US GROW INTO THE COMPANY WE ARE TODAY.

PASSION

COMMITTEE

#### A FULL LINEUP OF STYLES TO COMPLEMENT EVERY UNIQUE DRIVER.

### GO THE DISTANCE

Enjoy the drive with high MPG ratings.

### PREMIUM AMENITIES STANDARD

In every Scion more comes standard including touch screen audio, Bluetooth<sup>® [1]</sup> connectivity, and voice recognition.

## HANDLE

Every model is engineered for great handling.

No cost, 2 year/25,000 mile maintenance plan comes standard<sup>[2]</sup>.

### HELPFUL FINANCING

Financing for people with limited credit histories.

### A SPORTY DRIVE IN A REFINED COUPE

With its refined style and available Dynamic Rev Management<sup>™</sup> the tC offers a premium drive.

- [1] The Bluetooth® word mark and logos are registered trademarks owned by Bluetooth SIG, Inc. and any use of such marks by Scion is under license. A compatible Bluetooth enabled phone must first be paired. Phone performance depends on software, coverage & carrier.
- [2] For most vehicles Scion Service Boost covers normal factory recommended service for two years or 25,000 miles, whichever comes first. For the Scion iA, the 6 month/7,500 mile, 12 month/15,000 mile, and 18 month/22,500 mile normal factory recommended services are covered (a maximum of 3 services). Valid only in the continental U. S. and Alaska. See participating Scion dealer for coverage details.
- [3] The Scion tC received the lowest number of problems per 100 vehicles among compact sporty cars in the proprietary J.D. Power 2015 Vehicle Dependability Study Study
- [4] HD Radio® Technology manufactured under license from iBiquity Digital Corporation U.S. and Foreign Patents. HD Radio® and the HD, HD Radio, and "Arc" logos are proprietary trademarks of iBiquity Digital Corp.
- [5] Aha Radio is a trademark of Harman International Industries Inc. Apps/services vary by phone carrier & are subject to change. Data charges may apply.
- [6] 2016 FR-S EPA 25 city, 34 hwy, 28/comb MPG estimates. Actual mileage will vary.
- [7] Brake Assist is designed to help the driver take full advantage of the benefits of ABS. It is not a substitute for safe driving practices. Braking effectiveness also depends on proper brake-system maintenance, tire and road conditions.
- [8] Minimum running ground clearance
- [9] Cargo and load capacity limited by weight and distribution.
- [10] 17-inch or larger performance tires are expected to experience greater tire wear than conventional tires. Tire life may be substantially less than 20,000 miles depending on driving conditions.
- [11] Vehicle Stability Control is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe driving practices. Factors including speed, road conditions and driver steering input can all affect whether VSC will be effective in preventing a loss of control. Please see your Owner's Manual for further details.
- [12] Smart Stop Technology operates only in the event of certain contemporaneous brake and accelerator pedal applications. When engaged, the system will reduce power to help the brakes bring the vehicle to a stop. Factors including speed, road conditions and driver input can all impact stopping distance. Smart Stop Technology is not a substitute for safe and attentive driving and does not guarantee instant stopping. Please see your Owner's Manual for further details.
