

TATANATM
Discover a New Dimension of Driving Excitement

Aztek is an innovative concept that combines the best attributes of a sport sedan, sport utility and minivan. It is designed to give youthful, active people an aggressively styled, technologically advanced vehicle to manage their complex and engaging lifestyles. On-the-edge styling and unmatched flexibility define a new dimension of driving excitement.

Quick Facts

- Powerful 3.4 liter 200-horsepower V6 engine with 225 ft-lbs of torque matched to a four-speed electronic transmission
- Ram Air hood and dual exhaust
- Asymmetrical 18" cast aluminum wheels with P255/55R18 Michelin tires
- Head-up display featuring speed, turn signal and radio readout
- Traction control
- Four-wheel disc brakes
- Four-passenger captain-chair seating in gray leather with yellow accents
- Second-row, two-passenger lightweight removable flip-and-fold seats that provide "space on demand"
- Four outdoor activity lamps integrated into rear liftgate
- 35-cubic-foot cargo volume with second-row seats in place, 105-cubic-foot cargo volume with seats removed
- Tows up to 3,500 lbs. when properly equipped

Innovations

- Expressively styled titanium and textured leather instrument panel
- Instrument cluster pod utilizes "ultra-lite" technology
- Interactive reconfigurable telltale (RTT) gives driver real-time vehicle system information
- Movable floor console (lower center console slides on integrated floor tracks and features adjustable inner compartments)
- Pioneer DVD player with dual (instrument panel and overhead console) LCD screens
- Awesome Pioneer 10-speaker Premium sound system featuring independent audio controls for front and rear cargo area (two of the speakers mounted rearward in "tailgating/picnicking mode")
- Removable saddlebag storage located in front doors
- Unique combination liftgate/tailgate design including molded seat depressions in tailgate
