

**MOVING YOU
COMFORTABLY AND
ECONOMICALLY INTO
THE EIGHTIES.**

SCORPIO 2.6. This fully imported sports coupe is the ideal combination of spirited assured road performance, essential luxury and a realistic price. With standard features including a 2.6 litre 4 cylinder Astron engine, five speed transmission, wide steel belt radials, cloth and vinyl upholstery, complete instrumentation, digital clock, push button radio and stereo cassette, it could change your mind about the car you drive.

SIGMA SE. One glance at the new Sigma SE Sedan tells you that you're looking at the leading car in the range. With a standard 2 litre Astron engine and 5 speed manual transmission or the optional automatic. Or you may choose the powerful 2.6 litre engine with 5 speed manual or 3 speed automatic transmission. Inside, the luxury colour co-ordinated interior features crushed velour cloth and vinyl trim, fully adjustable driver's seat, stereo cassette player, push button radio, digital clock and the petrol saving Fuel Pacer.

SIGMA GL. With so much going for it, Sigma GL will spoil you in every way. Beginning with its economical 2 litre Astron engine and 4 speed manual transmission to its luxury colour co-ordinated interior, reclining bucket seats and tilt steering column. Coupled with this is Sigma's improved ride and handling making it a class family sedan. Or you may choose the powerful 2.6 litre engine with 5 speed manual or 3 speed automatic transmission.

SIGMA SEDAN. The Sigma Sedan keeps the same promise as the rest of the Sigma range. To spoil you. And it does so with outstanding body style, Q. H. dual headlights and luxury colour co-ordinated interior found in all Sigma models. On the road you'll appreciate the economical power of Sigma's 1.6 litre 4 cylinder Saturn engine with 4 speed manual transmission or the optional 2 litre Astron with automatic transmission. 2.0 litre 4 speed also available.

SIGMA SPACE WAGONS. Lift the tail gate of any one of the three Sigma Wagons and you'll see why it's called the Space Wagon. A high, wide and spacious cargo area, with more room than you'd expect from a four cylinder wagon. Inside you're spoiled with the same luxury and comfort features of the Sigma Sedans. Sigma Space Wagons. For families who dream about space.

SIGMA GLX SPORTSPACK. The sporty member of the Sigma team gives you a choice of a gutsy 2 litre Astron engine with 4 speed manual transmission. If you prefer, you can specify the optional 5 speed or automatic transmission. Or the powerful 2.6 litre 5 speed manual or 3 speed automatic transmission. Inside, you get body contouring sports stripe wool cloth seating, soft grip sports steering wheel and full sports instrumentation. Outside, 14" steel belt radial ply tyres on styled wheels.

CHEEKY MITSUBISHI COLT.

Now you can have Power or Economy at the flick of a stick. Colt's exclusive 'Supershift' gives you the choice.

For drivers who prefer automatics there's Colt's superb 'Supermatic'. Crisp response with outstanding economy.

Plus you get all the head and leg room you need, front wheel drive, a hatchback and split rear seats. What a lot of cheek!

EXPRESS 4 WD UTILITY AND CAB CHASSIS.

Express 4 WD keeps you going through the toughest, roughest conditions. The Utility carries a full 1000 kg payload. (Cab chassis dependent on body fitted). Power comes from an economical, smooth-running 2.0 litre Astron engine. Special features: independent suspension and a chassis-mounted differential enabling the body to sit lower, while still providing a generous 205 mm ground clearance. Advantages: lower loading height, easier cab access and superior lateral stability on hillsides.

EXPRESS ONE TONNE CAB/CHASSIS. Express Cab Chassis is a rugged hard worker, ready for you to build up any way you wish, with a carrying capacity of 1000 kg, dependent on the body you choose.

Power comes from a 4 cylinder 1.6 litre Saturn engine with gear ratios specially selected for performance and economy, with or without a load.

EXPRESS VAN. Takes loads of up to 925 kg. Power comes from a 1.6 litre Saturn Engine renowned for its durability and 4 cylinder economy. Upfront, there's plenty of leg, head and shoulder room. And the split high back bench seat has individual adjustment for the driver. Safety features include power assisted front disc brakes, a side window demister and a cargo protection barrier.

EXPRESS HALF TONNE UTILITY. The work and fun Express, with optional side stripes, rectangular headlights and steel radial tyres and powered by a 2 litre Astron Engine. Inside there are individual high back bucket seats, a sports steering wheel, passenger car style dash complete with push-button radio, a console mounted 4 speed shift and carpet underfoot.

EXPRESS WAGON. Express Wagon takes up to 8 people in comfort and safety. Express power comes from a 1.6 litre Saturn Engine. Comfort and safety features include carpet throughout, seat belts for all passengers, flow-through ventilation, heated rear window and a push-button radio.

EXPRESS ONE TONNE UTILITY. Takes giant loads of up to 1000 kg. Outback there's strong, ribbed steel cargo deck with easy loading drop down tail-gate. Upfront there's plenty of room for a driver and 2 passengers. And the specially designed bench seat gives ideal back support. Under the bonnet there's a reliable and economical 1.6 litre Saturn Engine. And power assisted front disc brakes give safe, sure stopping over all types of terrain.

Whatever your taste or need in cars, chances are you'll find one to suit your lifestyle in the Mitsubishi range. Whichever one you choose you'll have one very big thing going for you. Mitsubishi's unlimited kilometre warranty. A warranty that few others offer. In fact, we're the first Australian car manufacturer to show this kind of confidence in our products.

You're covered by full warranty, protection for one whole year, no matter how many kilometres you drive. And that's a reassuring thought. Express L200/L300 warranty limited to 20,000 kilometres.
