

# 'IT'S A KNOCKOUT.'

...PETER WHERRETT

**THE PETER WHERRETT SIGMA.**

"This is one of the great family cars of the decade," says Peter Wherrett, "an enthusiast's special developed from Sigma".

"The basic strengths and road-handling qualities of Sigma make it a natural for performance development.

We took the 2.6 Astron overhead cam engine for a real power base.

And fitted an extractor exhaust system to make the most of that power.

Then we refined the suspension.

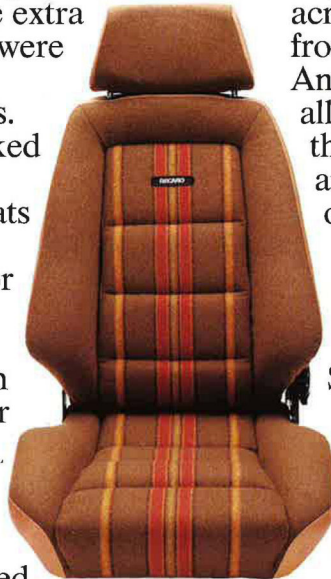

changed the shock absorber rate to give maximum control under all conditions.

We fitted low profile Pirellis. And matched the extra performance we were getting with four wheel disc brakes.

Then we looked at the interior. Fitted Recaro seats to give better lateral support for high speed cornering. And then because I'm an enthusiast for genuine leather steering wheels, we selected the Italian Momo.

Then we added a matt black grille panel

and headlight covers to give a neat single line across the front. And that's all. I took the car out and drove it.

over some marvellously rough, undulating roads.

It performed wonderfully, really wonderfully.

One snag. The Peter Wherrett Sigma is strictly a limited edition.

So talk to your Mitsubishi Dealer right away. Ask for the Peter Wherrett Limited Edition Sigma. For anybody who enjoys driving, it's a knockout."

**SIGMA SPOILS YOU. AGAIN.**

#### SPECIFICATIONS

**Engine:** Astron 2600 overhead cam 4 cylinder engine with electronic ignition. Single two barrel carburettor with automatic choke. Extractor exhaust header pipes.

**Engine Performance:** Max Power 76.0Kw @ 4,800 R.P.M. Max Torque 1.92.1Nm @ 2,400 R.P.M.

**Transmission:** 5 speed Manual floor shift.

**Suspension:** Front—Refined McPherson strut with coil springs and telescopic shock absorbers and stabiliser bar. Rear—Refined coil spring 4-link type, telescopic shock absorbers and stabiliser bar.

**Steering:** Variable ratio, ball and nut. Energy absorbing steering column with tilt control.

**Brakes:** Power-assisted system. Disc brakes front and rear. Pressure sensitive proportioning valve and warning light in case of individual system failure. Tandem master cylinder. Handbrake "on" warning light.

**Electrical System:** 12 volt alternator with electronic voltage regulator.

**Wheels and Tyres:** "Montego" cast alloy wheels 15x6JJ. Tyres: Pirelli P6 195-60HR15 Steel radials.

**Boot Capacity:** 10.9 cu. ft.

**Fuel Tank:** 60 litres.

**Exterior Dimensions:** Overall Length 4,450mm; Overall Width 1,655mm; Overall Height 1,360mm; Wheelbase 2,515mm; Track Front 1,370mm; Rear 1,348mm Turning Circle Kerb to Kerb 10.4m; Kerb Weight 1,138Kg.

**Major Equipment:** Black matt grille panel, door frames and side sill; special body side stripes; right and left hand exterior mirrors; headlamp covers; body side protection mouldings; cast alloy road wheels, Pirelli P6 steel radial tyres. Italian "Momo" autographed steering wheel; sports instrument cluster including tachometer, digital clock, fuel pacer and low fuel warning light; "Recaro" front seats, unique wool cloth seat trim; AM/FM Stereo Radio/Tape Deck combination unit. Tinted graduated laminated windshield.

#### OUR UNLIMITED KILOMETRES WARRANTY

Mitsubishi are always out to build better cars. And now there's further proof. Every Sigma is covered by a 12 months unlimited kilometres warranty. So you can drive as far as you want in the first year with full warranty protection. We're the first Australian car manufacturer to show this kind of confidence in its products. It just goes to show how

deeply Mitsubishi are committed to your driving pleasure. "Always consult your authorised Mitsubishi dealer for the latest details on specifications, options, prices and availability.
