# WELCOME TO LEXUS

---

Thank you for your interest in Lexus. You've taken the first step into a world of thoughtfully engineered products, precision craftsmanship and unrivalled Guest care. Welcome to a luxury experience where we strive to treat you like a "Guest in our home."

Life can be full of pressures, yet also full of moments to capture and enjoy. At Lexus, we want to give you the freedom to chase and experience those moments. That's why we dedicate the time toward every vehicle and every service – so you can make the most of yours.

We know time is the ultimate luxury and our brand promise is to focus our efforts on delivering vehicles, technologies and guest services that allow you to enjoy those special moments in life.

I invite you to explore our 2022 model selection. Whether it's one of our luxury SUVs, a breathtaking coupe or a nimble performance sedan, I know there is a Lexus waiting to help you enjoy the drive and make time for amazing.

# EXPERIENCE SOMETHING GREATER

---

From the start, Lexus has redefined luxury. The Japanese principle of Omotenashi brings unrivalled Guest hospitality, with a dedication to treating everyone with warmth, care and respect as if they were a Guest in our own home. Its cutting-edge design and exceptional attention to detail shows the meticulous craftsmanship of legendary Lexus Takumi Masters. Lexus looks forward to realizing a brighter, cleaner future thanks to its innovative electrified vehicle offerings, which encapsulate the “Lexus Electrified” vision. Along with pioneering innovations, impassioned styling and a thirst for enhancing every drive, it’s a luxury experience unlike any other.

## DEFINING GREATNESS

---

From top to bottom, the 2022 Lexus RX Series sets the bar of what a luxury SUV can be. There's even more to experience when you discover the RX, RX *F SPORT*, and the RX Self-Charging Hybrid Electric, along with the spacious RX L with seating for up to seven. The RX combines a chiselled exterior, crafted interior, and exceptional performance, to offer a drive like no other. For 2022, a unique Canadian Moonlight Edition is available for those who seek an even more distinctive style.

## TECHNOLOGY AND CRAFTSMANSHIP IN PERFECT BALANCE

---

The RX greets you with unending luxury. Gaze at the available 12.3-inch display, conveniently controlled by responsive touchscreen or touchpad. Enjoy next-generation Enform technology, as well as compatibility with

Apple CarPlay,<sup>TM</sup> Android Auto<sup>TM</sup> and the highly intuitive Lexus Smartphone App.<sup>3</sup> From a meticulously hand-stitched dash to the heated leather steering wheel, a luxury interior has never felt this good.

## ELEVATED PERFORMANCE

The 2022 RX was designed for a smooth and luxurious drive, creating a stronger connection between driver and road. The RX's Active Torque All-Wheel Drive (AWD) system gives you the traction performance in a way that keeps fuel efficiency top of mind. Elevate your everyday drive with available *F SPORT* packages, the handling of which is greatly improved by performance dampers and an Adaptive Variable Suspension.

## LEXUS ENFORM

Lexus Enform offers progressive technology to make every journey richer. Discover where to go with available Destination Assist and access a live Enform Response Agent 24/7 who can find the location you're looking for and send the route to your Lexus Navigation system.

For increased confidence, Enform-equipped Lexus vehicles feature Enform Safety Connect, so that Enform Response Agents can assist you in the event of a collision or even help locate your vehicle should it be stolen.<sup>3</sup> For added convenience, your vehicle's multimedia display is compatible with Apple CarPlay™ and Android Auto.™<sup>3</sup>

Visit [Lexus.ca/Enform](https://Lexus.ca/Enform) to view vehicle compatibility and more information regarding complimentary trial terms.

## LEXUS APP

With the Lexus App, the opportunities to stay connected to your vehicle are more plentiful than ever. On 2022 Lexus models, use Enform Remote to monitor your vehicle's status, even when it's out of sight. Conveniently start or unlock your vehicle from your smartphone, Amazon Alexa,<sup>TM</sup> Google Assistant devices and/or select smartwatches. Set guest parameters for occasional drivers such as valets or family members and receive a notification if a boundary is crossed. Plus, with Enform Service Connect, convenient vehicle health reports with information about your Lexus' maintenance needs are sent right to your Lexus App, so you can always stay informed.<sup>3</sup>

Visit [Lexus.ca/Enform](https://Lexus.ca/Enform) to view vehicle compatibility and more information around complimentary trial terms.

## ***F SPORT***

---

Experience the exhilaration of style and performance with *F SPORT* packages for your everyday driving enjoyment. *F SPORT* features interior enhancements such as paddle shifters, an LFA-inspired digital dashboard, and enhanced steering wheel, shift knob and seating. The exterior features an attention-grabbing mesh grille and exclusive *F SPORT* alloy wheels. Select *F SPORT* packages also feature Adaptive Variable Suspension for even greater control of the road.

## SELF-CHARGING HYBRID ELECTRIC

---

Always pushing the boundaries of not only what can be done, but what should be done, Lexus is the leader in hybrid technology development. Our Self-Charging Hybrid Electric technology provides enhanced powertrains that pair impressive fuel efficiency with cleaner emissions, so you never compromise on performance, or an enjoyable driving experience.<sup>1</sup>

\*Vehicles in this brochure shown with optional equipment. Some features mentioned and/or shown in this brochure may only be available as part of an optional package. Under very cold conditions, the operation of some vehicle electronic systems using liquid crystal technology (such as CD, DVD, NAV and Audio displays) may be adversely affected until a warmer interior vehicle temperature is reached. Lexus reminds you to place small children in CSA-approved car seats – in the rear seats, to always wear your seatbelts, and to drive safely. **1. Horsepower/Performance:** Ratings achieved using the required premium unleaded gasoline with an octane rating of 91 or higher. The Lexus Hybrids have nearly 70% fewer smog-forming emissions compared against similarly equipped conventional gasoline power vehicles. Based on North American sales data and Federal Tier 2 engine emission requirements. **Fuel Rating:** Estimates determined using approved Government of Canada Test Methods. Actual fuel consumption will vary based on driving habits and other factors. Refer to the Government of Canada Fuel Consumption Guide for further information. **2. For all safety features,** System effectiveness depends on many factors. Please see your Owner's Manual for further information and a complete list of limitations and directions. **Lane Departure Alert** is designed to read the lane markers of certain roads. If the vehicle approaches the outer limits of its lane, the system warns the driver that corrective action may be required. It is not a collision-avoidance system and is not a substitute for safe and attentive driving. **Lane Trace Assist** is designed to read the lane markers of certain roads. If the vehicle approaches the outer limits of its lane, the system warns the driver that corrective action may be required. It is not a collision-avoidance system and is not a substitute for safe and attentive driving. Do not rely exclusively on the **Rear Cross-Traffic Alert System**. There are limitations to the function, detection and range of the system. You should also look around outside your vehicle, over your shoulder and use your mirrors to confirm rearward clearance. Do not rely exclusively on the **Blind Spot Monitor System** to determine if a lane change is safe. Always look over your shoulder and use your turn signal before changing lanes. There are severe limits to the function, detection range and clarity of the monitor system. **Dynamic/Radar Cruise Control** was designed to assist the driver and is not a substitute for safe and attentive driving. **The Pre-collision System** is designed to help reduce the crash speed and damage in certain frontal collisions only. It is not a collision avoidance system and is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, driver input and road conditions. **Automatic High Beam** feature can help improve vision at night. However, conditions such as a dirty windshield, rapidly changing light conditions or hilly terrain will limit effectiveness so the driver may need to manually adjust the high beams from on to off. **Brake Assist** is designed to help the driver take full advantage of the benefits of ABS. It is not a substitute for safe and attentive driving. Braking effectiveness also depends on proper brake-system maintenance and tire and road conditions. All the **airbag ("AB") systems are Supplemental Restraint Systems**. All ABs (if installed) are designed to inflate only under certain conditions and in certain types of severe collisions: frontal and knee ABs typically inflate in frontal collisions; side and side curtain ABs in side collisions; Roll-Sensing Curtain ABs at a severe tilt degree, roll or lateral G-force.[CN1] **3. The Navigation System** is designed to assist in locating an address or point of interest. Discrepancies may be encountered between the system and your actual location. Road system changes may affect the accuracy of the information provided. Rely on your common sense to decide whether to follow a specified route. Detailed coverage not available for every city or roadway. Periodic updates available at an additional cost. See your Navigation System Owner's Manual for further details. Navigational systems in some vehicles are available with bilingual capability. **Mark Levinson®** is a registered trademark of Harman International Industries Incorporated. Be sure to obey traffic regulations and always maintain awareness of road and traffic regulations. Apps/Services vary by phone/carrier; functionality depends on many factors. Select Apps use large amounts of data; you are responsible for these charges. Contact with the response centre may not be available in all areas. Service agreement required. A variety of subscription terms available. Charges will vary. [CN2] **Lexus App:** Driving while distracted can result in loss of vehicle control. Obey all local laws concerning the use of the systems while driving as some laws prohibit the use of electronic devices while operating a vehicle. Enform Services are dependent upon connection to a 3rd party compatible wireless cellular network, either 3G GSM/GPRS or LTE. Lexus is not responsible for cellular network discontinuance. Select Enform apps and services use significant amounts of data and customers are responsible for all data charges. Apps and services vary by phone/carrier and not all services are available all the time and in all locations. Smartphone operating system updates may affect connectivity between your phone and vehicle; Lexus is not responsible for connectivity issues. **Enform Remote and Service Connect:** Do not remotely start engine if vehicle is in an enclosed space or vehicle is occupied by a child. Enform Remote and Service Connect are dependent upon an operative telematics device, a cellular connection, navigation map data and GPS satellite signal reception, and other factors outside of Lexus' control. Registration and app download are required. Select Apps use large amounts of data; you are responsible for charges. To learn about Enform data collection, use, sharing and retention, please visit [www.lexus.ca/enform-privacy](http://www.lexus.ca/enform-privacy). The Enform Remote and Service Connect trial period is at no extra cost, after which enrollment in a paid subscription is required. Terms and conditions apply. See [lexus.ca/enform](http://lexus.ca/enform) for full details. **Amazon Alexa:** Amazon, Alexa and all related logos are trademarks of Amazon.com, Inc. or its affiliates. Skills and services subject to change at any time without notice. Three-year complimentary trial; app downloads required. **Enform Destination Assist:** Be sure to obey traffic regulations and maintain awareness of road and traffic conditions at all times. The Destination Assist trial period is at no extra cost after which enrollment in a paid subscription is required. Terms and conditions apply. **Enform Safety Connect:** Contact with Safety Connect™ response centre is dependent upon the telematics device being in operative condition, cellular connectivity availability, and GPS satellite signal reception, which can limit the ability to reach the response centre or receive emergency support. The Enform Safety Connect trial period is at no extra cost after which enrollment in a paid subscription is required. Terms and conditions apply. **Android Auto:** Android Auto™, Google Assistant™, Google Maps™ and Google Play™ are trademarks of Google Inc.
