## RAM POWER AND TORQUE CURVES

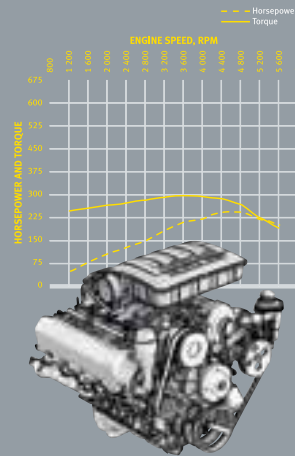

### 3.7-LITRE MAGNUM® V6

Power: 160 kW (215 hp) @ 5200 rpm  
Torque: 319 N·m (235 lb-ft) @ 4000 rpm

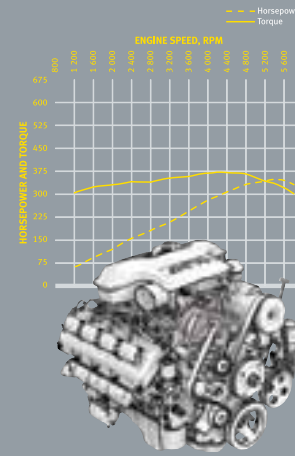

### 4.7-LITRE MAGNUM V8 / 4.7-LITRE FLEX FUEL MAGNUM V8\*\*

Power: 175 kW (235 hp) @ 4400 rpm  
Torque: 407 N·m (300 lb-ft) @ 3500 rpm

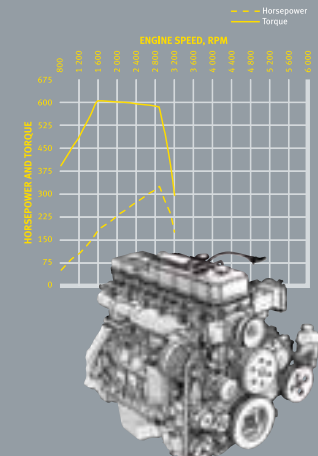

### 5.7-LITRE HEMI® V8 WITH MULTI-DISPLACEMENT 5.7-LITRE HEMI V8

Power: 257 kW (345 hp) @ 5400 rpm†  
Torque: 509 N·m (375 lb-ft) @ 4200 rpm

### 5.9-LITRE CUMMINS® TURBO DIESEL I-6

Power: 242 kW (325 hp) @ 2900 rpm  
Torque: 827 N·m (610 lb-ft) @ 1600 rpm

\*\*Operates on gasoline, E85 ethanol or any mixture of the two.

†246 kW (330 hp) @ 4800 rpm on 3500 models.

• – Included P – Available within Group or feature noted in parentheses O – Optional N/A – Not available  
 (1)See your retailer for specific engine and transmission availability. (2)Operates on gasoline, E85 ethanol or any mixture of the two. (3)No system, no matter how sophisticated, can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the ESP warning lamp in the instrument cluster flashes, the driver needs to use less throttle and adapt speed and driving behaviour to prevailing road conditions. Always drive carefully, consistent with conditions. Please always wear your seat belt. (4)Not compatible with all garage door openers. See your retailer for details. (5)Not compatible with aftermarket fabric protecting coatings. (6)Excludes Infinity Premium Sound System. (7)Navigation system operates only in certain metropolitan areas. See your retailer for details. (8)Includes one year of service provided by SIRIUS. (9)Must use Bluetooth™ compatible mobile phone. (10)Always use seat belts. For Regular Cab, children 12 and under should only be in the front seat with the passenger air bag switch turned off, correctly using an infant or child restraint system, or the seat belt properly positioned, dependent on the child's age and weight. For Quad Cab, children 12 and under should always be in a back seat correctly using an infant or child restraint system, or the seat belt properly positioned, dependent on the child's age and weight. (11)Certified to federal regulations that allow less forceful front air bags. Always use seat belts. For Regular Cab, children 12 and under should only be in the front seat with the passenger air bag switch turned off, correctly using an infant or child restraint system, or the seat belt properly positioned, dependent on the child's age and weight. For Quad Cab and Mega Cab, children 12 and under should always be in a back seat correctly using an infant or child restraint system, or the seat belt properly positioned, dependent on the child's age and weight. (12)Always use seat belts. Children 12 and under should always be in a back seat correctly using an infant or child restraint system, or the seat belt properly positioned, dependent on the child's age and weight.

ABOUT THIS CATALOGUE: Since the time of printing, some of this information may have been updated. Ask your retailer for details before ordering. Specifications, descriptions and illustrations contained in this catalogue are based on information believed to be correct at the time this publication was approved for printing. However, accuracy cannot be guaranteed. DaimlerChrysler reserves the right to discontinue models or options at any time or change specifications and materials, equipment or design without notice and without incurring obligation. Some of the equipment may not be exactly as shown in this catalogue. Some of the equipment described or illustrated in this catalogue may not be standard, and may be available only at extra cost, as factory installed or retailer installed; items described as "available" may be standard on some models and optional, or not available, on others. Equipment referred to as "available" or "optional" may be at extra cost. Some options are required in combination with other options. For the price of the model with the equipment you desire or verification of specifications and equipment availability described herein, see your Chrysler, Jeep, Dodge retailer. Colour availability may vary by model. Due to printing limitations, the colours shown here and throughout the catalogue may vary slightly from the actual hue. See your retailer to view accurate colour chips.

2007 Chrysler, Jeep, and Dodge vehicles are backed by a 5-year or 100,000-kilometre\* fully transferable Powertrain Warranty with \$0 deductible, plus 24-hour roadside assistance.† Basic Warranty coverage is for 3 years or 60,000 kilometres.\* Rust-through coverage on all body sheet metal is for 3 years. The Cummins® Turbo Diesel engine is protected by a separate Limited Warranty, covering the engine for 5 years or 160,000 kilometres.\*

\*Whichever comes first. †Some conditions may apply. The 5/100 Warranty does not apply to vehicles sold for certain commercial uses or to SRT including Viper models. See your retailer for details.

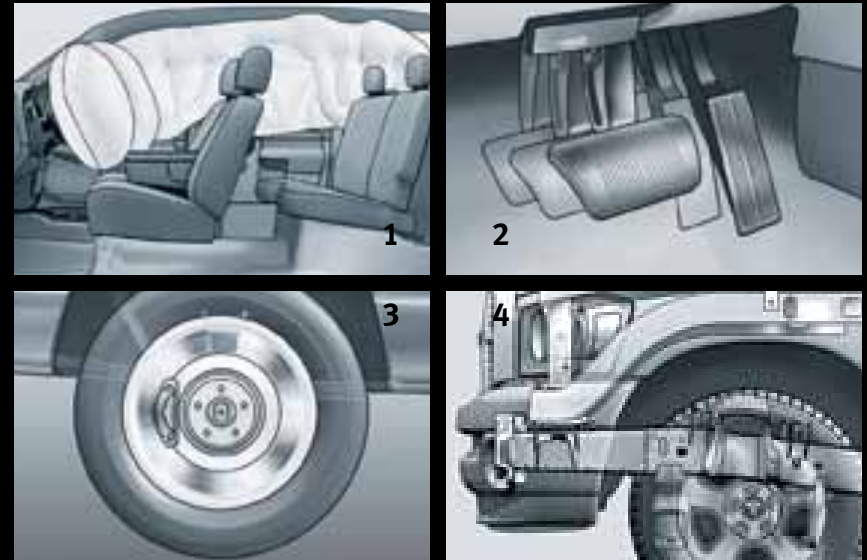

Enhance your Dodge Ram with Authentic Dodge Accessories by Mopar. They're designed specifically for your vehicle, for exceptional fit, finish and performance. Visit your dealership or mopar.ca.

In Gear

This lineup of exciting products reflects Dodge's dominance in Motorsports, Performance, Work and Vintage categories. Whether you're a HEMI® enthusiast, hard-working truck owner, busy soccer mom, or die-hard race fan, Dodge Gear has the head-turning selection to suit all your needs! Dodgegear.ca

## SAFETY AND SECURITY. TRUST FIVE STAR QUALITY ALL THE WAY.

2007 Dodge Ram 1500 Regular and Quad Cab® have been honoured with the highest U.S. government frontal crash test ratings for the driver and front passenger – the NHTSA (National Highway Traffic and Safety Administration) Five Star rating\*. But Ram also supports safety and security through assets like ultra-tough partially hydroformed frame sections with invaluable crumple zones; there's also protection through side guard door beams. The available assets to promote safety and security include Security Alarm, remote keyless illuminated entry system and standard Sentry Key™ Engine Immobilizer. Your safety and Ram travel hand-in-hand. Find out more. Check out [dodge.ca](http://dodge.ca).

- AIR BAGS.**† The safety from standard front air bags is augmented by side-curtain air bags; available for all Ram models.
- POWER ADJUSTABLE PEDALS.** To help improve driver control and comfort, available adjustable pedals allow brake and accelerator pedals to move toward or away from the driver.
- OUTSTANDING BRAKES.** Ride with the largest available brakes in their class (based on rotor size). Huge calipers and rotors (up to 353 millimetres [13.9 inches]) contribute to stopping power and your peace of mind.
- CRUMPLE ZONES.** These proactive safety measures help absorb energy in the event of a frontal collision. Standard on all Ram models.

NHTSA (U.S. Government) Five Star Frontal Crash Test Rating for 1500 Regular Cab and Quad Cab models.\*

\*Based on U.S. Government's National Highway Traffic Safety Administration (NHTSA) scoring system for 2007 Ram 1500 Regular Cab and Quad Cab models. †Certified to federal regulations that allow less forceful front air bags. Always use seat belts. For Regular Cab, children 12 and under should only be in the front seat with the passenger air bag switch turned off, correctly using an infant or child restraint system, or the seat belt properly positioned, dependent on the child's age and weight. For Quad Cab and Mega Cab, children 12 and under should always be in a back seat correctly using an infant or child restraint system, or the seat belt properly positioned, dependent on the child's age and weight.

## COLOURS/WHEELS

Owning an '07 Ram means you've got designs on power. The final touch? Telegraph your intensity to the less fortunate with another aspect of the finish line – colour. The paint selection for the '07 Ram is a moving testament to the technology (and artistry) of metallic finishes and crystal pearls. With colours as stunning as the truck itself, Ram makes it clear that beauty is *always* in the eyes of the driver.

Colour availability varies by model. Contact your Dodge retailer for more information.
