Kia's Fleet Commitment

Kia Canada Inc. is a growing and dynamic part of the Hyundai-Kia Automotive Group, the fifth-largest automaker in the world. With more than 250,000 vehicles on the road in Canada today and a growing network of dealers from coast to coast, we understand the unique needs of Canadian drivers and fleet operators.

When you choose Kia as your fleet partner you get the benefit of a specialized fleet program, the protection of one of the best warranties in the business and the support of Kia Canada management professionals dedicated to your fleet business.

You can also count on a product line with world-class engineering, award-winning quality, a distinctive new design identity and, of course, famous Kia value.

Kia Motors Design Center

Investing For The Future

Kia Motors, the parent company of Kia Canada, is a world leader in automotive research and development. In 2009, the company will invest US\$5.9 billion in new facilities and R&D dedicated to advancing the art and science of automobile design and engineering. A significant portion of that investment is devoted to new-vehicle design, engineering and production for the North American market.

Kia VG Concept

KIA MOTORS DESIGN CENTRE is a US\$45 million, state-of-the-art design studio in Irvine, California. It's one of three Kia design centres – the others are in Frankfurt, Germany and Hwaseong, Korea – and the birthplace of the all-new Forte Koup.

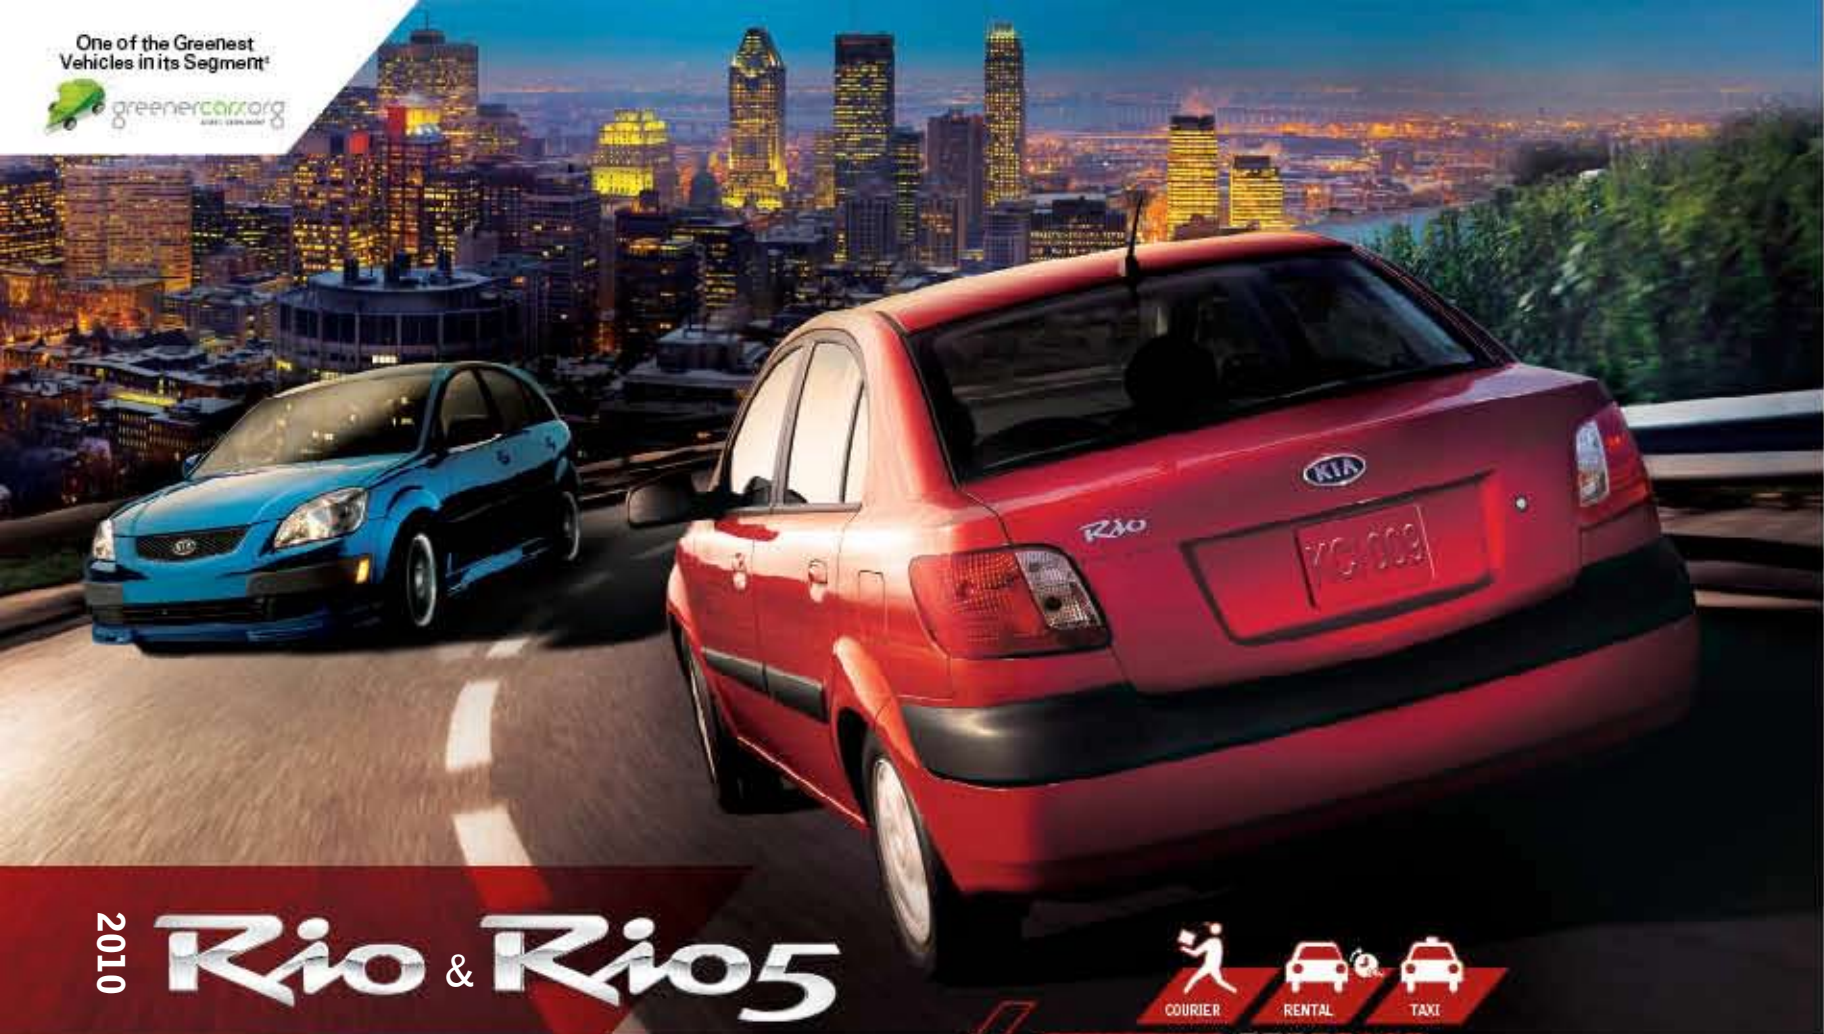

HYUNDAI-KIA AMERICA TECHNICAL CENTRES in Ann Arbor, Michigan and Irvine, California, include research, engineering and proving-ground facilities to support Kia's new-vehicle development programs for North America and the world.

KIA MOTORS MANUFACTURING GEORGIA is a US\$1 billion assembly plant opening in Fall 2009 in West Point, Georgia. It is Kia's first North American production facility and home of the all-new 2011 Sorento crossover SUV.

2010 Rio & Rio5

The hard-working sub-compacts

The Kia Rio sedan and Rio5 hatchback combine big-time roominess and seating for 5 with great cargo-carrying flexibility and fuel-efficient performance that delivers up to 5.6L/100 km (50 mpg) on the highway. No wonder Rio is a top-rated pick of Greencars.org.¹

Beyond the basics
Rio's small footprint and crisp handling make it perfect for in-town driving. And it comes with a wide range of driver-pleasing standard features like an AM/

FM/CD/MP3 audio system, auxiliary audio and USB jacks, and Bluetooth® hands-free connectivity.²

Safe and secure
The protection of dual front airbags and an anti-theft engine immobilizer are also standard on Rio and Rio5. Available dual front side-impact airbags, dual full-length side curtain airbags and an anti-lock braking system³ add to Rio's ability to help keep your drivers safe and your fleet secure.

FEATURES

Rio/Rio5 EX

- 14" steel wheels with full wheel covers
 - P175/70R14 tires
 - Body-colour bumpers
 - Body-colour side mouldings
 - Dual body-colour mirrors
 - Dual manual remote mirrors
 - Variable intermittent windshield wipers
 - Black bezel headlights
 - Front and rear mud guards
 - Roof-mounted micro antenna
 - Air filtration system
 - AM/FM/CD/MP3 stereo system
 - Audio input jacks – AUX and USB
 - Bluetooth® hands-free cell phone capability²
 - Four speakers
 - Shift indicator⁴
 - ECO-Minder indicator⁵
 - In-dash digital clock
 - Tilt adjustable steering column
 - Enhanced anti-theft ignition immobilizer
 - Tachometer
 - Day/night interior rearview mirror
 - Front vanity mirrors
 - Front and rear passenger assist grips
 - Dome lamp with delay out
- Dual front 12V power outlet
 - Cargo area lamp
 - Floor mats
 - Battery with run-down protection
 - Remote trunk release on Rio (replaced by rear window wiper with washer on Rio5 models)
 - Luggage hook on front passenger seat
 - Luggage net hooks in cargo area
 - 6-way adjustable driver's seat
 - Cloth seats
 - Front & rear height adjustable-headrests
 - Front seatback pockets
 - Driver's seat fold-down armrest
 - 60/40 split folding rear seats
 - Centre console with storage and cup holders
 - Front and rear door pockets
 - Dual front impact passenger airbags
 - Height adjustable front seatbelts
 - Front seatbelt pretensioners with force limiters
 - Rear 3-point seatbelts
 - Impact absorbing steering column
 - Lower anchors & tethers for children (LATCH)
 - Rear child safety door locks
 - Rear window defroster

Rio/Rio5 EX Convenience - features additional to (or in place of) Rio EX

- Dual power heated mirrors
- Air conditioning
- Power windows with driver's side one-touch express-down
- Power door locks
- Remote keyless entry with panic alarm
- Cruise control
- Heated front seats

Rio5 EX Sport - features additional to (or in place of) Rio EX

- 15" alloy wheels
- P195/55R15 tires
- Fog lights
- Power tilt and sliding sunroof
- Body-colour rear spoiler
- Six speakers including dual tweeters
- Leather-wrapped steering wheel and gear shift knob
- Sport cloth seating with red stitching
- Metal grain accents
- Metal covered pedals
- Dual front seat-mounted side impact airbags
- Dual full-length side impact curtain airbags
- 4-wheel anti-lock braking system (ABS)

2010

FORTE

A fresh, new take on the compact sedan

Forte brings a new perspective to compact-car thinking, offering a dynamic road presence, modern cabin, meticulous engineering and top-notch build quality. Forte is exciting, well-equipped and very affordable – something that's always been Kia's forte.

Raising the Bar

With a choice of 4-cylinder engines rated at 156 or 173 horsepower – both with fuel-efficient Continuously Variable Valve Timing (CVVT) technology – Forte is pleasing to drive and inexpensive to operate. It also raises the bar for comfort, roominess and convenience in a compact sedan, with power windows,

door locks, heated side mirrors and voice-activated Bluetooth® hands-free cell phone capability¹ standard equipment on every model.

Engineered for Safety

Forte offers the standard protection of 6 airbags, complemented by anti-whiplash front head restraints and the sure-footed stopping power of 4-wheel anti-lock disc brakes and a rigid body structure to channel crash energy away from the occupants. And to help drivers avoid collisions all together, Forte EX and SX models add standard traction control and electronic stability control.

2010 **SOUL**

Totally practical. Unmistakably cool.

Soul is a fun loving, free-wheeling vehicle with an unmistakable look and attitude that turns heads wherever it goes. With plenty of body-panel space for your company graphics and a flexible interior, Soul is top-of-the-list as an affordable, attention-getting service or promotion vehicle.

Have it Your Way
Soul comes in a full assortment of flavours, from mild to wild. Four unique interior treatments and over 60 different accessories let you create a unique corporate statement. And you

don't have to sacrifice practicality to do it, because Soul seats 5 adults in comfort and style, and has the flexibility to carry up to 1,511 litres (53.4 cu. ft.) of cargo.

Real-World Safe
It's a wild world out there. Soul's ready for it with standard safety equipment like 6 airbags and anti-whiplash front headrests. And to help your drivers avoid trouble before it happens, all Soul 2.0L models come with standard 4-wheel, anti-lock disc brakes, traction control and electronic stability control.

2010 MAGENTIS

High style, impressive comfort

Magentis is a great example of Kia's Power to Surprise, combining a refined, upscale driving experience with great value for your fleet dollar.

Fuel-Efficient Performance

A base 2.4-litre 4-cylinder engine rated at 175 horsepower provides Magentis with the confident power your drivers are looking for. It's available with an ECO-Minder indicator¹ that tells them when they're driving in the most fuel-efficient manner. And that's on top of its impressively low fuel consumption – better than most of its major competitors in the mid-size segment².

But don't just think of Magentis as a smart pick for salespeople or rental

customers: with the optional 194-horsepower, 2.7-litre V6 and 5-speed Steptronic automatic transmission with ECO-Minder, it becomes an attractive choice for middle-management drivers.

Serious Comfort and Safety

Magentis will impress even the most discerning drivers with comforts like standard heated front seats, available automatic climate control and an in-dash navigation system, and a long list of standard safety features that includes dual front and front side-impact airbags, full-length side air curtains, electronic stability control and 4-wheel anti-lock disc brakes.

FEATURES

Magentis LX

- 16" steel wheels with full wheel covers
- P205/60R16 tires
- Clear lens halogen headlights
- Dual power, heated, body colour side mirrors
- Body colour exterior door handles
- Variable intermittent windshield wipers with de-icer
- Chrome accented front grille
- In-glass antenna
- Air conditioning with cabin air filter
- Power windows with anti-pinch function and driver's window one-touch auto up and down
- Power door locks with two-turn entry system
- Keyless entry with panic function
- AM/FM/CD/MP3 stereo system with 6 speakers
- AUX and USB audio inputs
- Steering wheel mounted audio controls
- Cruise control
- Tilt steering column
- Centre console with storage compartment
- ECO-Minder indicator¹
- Floor mats
- Illuminated sun visors
- Dome and cargo area lights
- Battery with run-down protection
- Rear centre armrest with cupholders
- 6-way adjustable driver's seat
- Driver lumbar support
- Heated front seats
- 60/40 split-folding rear seat
- Cloth seats
- 6 airbags
- Anti-whiplash active front headrests
- Front & rear height adjustable headrests
- Front & rear 3-point seatbelts
- Front seatbelt pretensioners with force limiters
- Height adjustable front seatbelt anchors
- 4-wheel disc brakes with ABS
- Electronic brake distribution (EBD)
- Electronic stability control (ESC)
- Traction control system (TCS)
- Impact-sensing door unlocking
- Lower Anchors and Tethers for Children (LATCH)
- Rear child-safety door locks
- Energy-absorbing steering column

Magentis LX Premium - features additional to (or in place of) Magentis LX

- 16" 5-spoke alloy wheels
- Fog lights
- Power tilt and sliding sunroof
- Telescopic steering column
- Trip computer
- 8-way power adjustable driver's seat

Magentis LX-V6 - features additional to (or in place of) Magentis LX

- 16" 5-spoke alloy wheels
- P205/60R16 tires
- Fog lights
- Telescopic steering wheel
- Dual Exhaust

Magentis SX - features additional to (or in place of) Magentis LX-V6

- 17" 6-spoke alloy wheels
- Integrated LED side mirror turn signals
- Black bezel sport halogen headlights
- Blacked-out sport front grille
- Solar windshield
- Automatic climate control
- In-dash navigation with voice activation
- Leather seats
- Leather-wrapped steering wheel and gear shift knob
- Steering wheel mounted paddle shifter
- Premium audio including external amplifier, subwoofer and Infinity speakers
- Sirius[®] satellite radio (includes 3 month trial)³
- 8-way power adjustable driver's seat
- Auto-dimming electrochromic rearview mirror with digital compass and HomeLink[®]
- Silver-accented inside door handles
- Aluminum interior trim

Magentis SX-V6 - features additional to (or in place of) Magentis SX

- 17" Hyper silver, twin spoke, alloy wheels
- P225/50R17 tires
- Sport tuned suspension
- Power adjustable pedals

2010

KOUP

From concept, to perfection

In 2008, the Kia Forte KOUP was an award-winning concept car. Today, it's the all-new, fleet-ready Forte Koup – built with quality, engineering and performance to rival any compact. And value that's second to none.

Powerful and Fuel-Efficient

Kia's first-ever 2-door coupe rides on the same confident and composed platform – and comes with the same choice of 4-cylinder engines and great fuel economy. Rated at 156 horsepower for the EX trim and 173 horsepower for the SX, the Forte Koup delivers more power than 2-door competitors like the Ford Focus; the Honda Civic DX, DX-G, LX and EX-L; and the Chevrolet Cobalt LS and LT.

Roomy and Well-Equipped

Inside, the all-new Forte Koup offers more interior room than Civic or Cobalt, and more aggressive front seat bolsters to match its performance edge. It also comes with more standard features – including air conditioning, a driver's seat height adjuster, a tilt and telescopic steering column, steering wheel mounted audio controls, cruise control, power windows, heated front seats & mirrors, remote keyless entry and voice-activated Bluetooth® hands-free cell phone capability¹ – on every model. Plus the class-leading safety of 6 airbags, 4-wheel anti-lock disc brakes and electronic stability control.

2011

SORENTO

More agile and more exciting than ever.

The all-new Sorento will arrive early in 2010 with more than just a new look: it will transition from a mid-sized SUV to an exciting, agile crossover SUV with style, flexibility and comfort. And it will also be the first Kia built in North America.

Strength and Agility

Sorento's new, rock-solid, monocoque platform uses high-tensile steel plates in over 70% of key body parts. This kind of strength pays off in enhanced crash protection¹, a superior ride and sharper handling that any driver will appreciate.

A Smart Choice

With its new lower-to-the-ground stance and larger interior, the 2011 Sorento will offer the easy ingress and egress and roomy comfort that selectors and rental customers are looking for. It also features up to 15% more cargo volume than ever before². Add a choice of new, fuel-efficient 4-cylinder or V6 engines – both with a standard 6-speed automatic transmission – and it's easy to see why the 2011 Sorento looks like such a smart choice for savvy fleet owners and operators.

¹ The 2011 Sorento is engineered to deliver 5-star crash-test performance. At the time of publication, the 2011 Sorento had yet to be tested by NHTSA. See www.safercar.gov for current information.

² Cargo volume is 1,047L (37.0 cu. ft.) vs. 898L (31.7 cu. ft.) for the 2009 Sorento.

2010

RONDO

Canada's urban utility vehicle

The Kia Rondo makes the impossible possible. As versatile and spacious as a compact SUV, and with seating for 5 or 7, it's also as quick and nimble as a sports sedan. So Rondo makes sense as an urban service vehicle, a people-moving rental unit or a high-value choice for on-the-go salespeople.

Functional Get-Up-and-Go

Rondo's functional side is built around a 175-horsepower, 4-cylinder engine that gets up to 800 kilometres from a single tank of gas¹, making it a top-rated pick of Greencars.org². And with its available 192-horsepower V6, Rondo can deliver the all-important get-up-and-go

that a salesperson needs to haul up to 2,083 litres (73.6 cu. ft.) of cargo and samples to important sales calls.

Dress it Up, Lock it Down

Rondo is available with heated front seats, leather trim, automatic temperature control, Sirius[®] satellite radio² and Bluetooth[®] hands-free cell phone capability³. Plus the lock-down safety of 6 standard airbags, anti-whiplash front head restraints, a 4-wheel disc anti-lock braking system, electronic brake-force distribution, traction control and electronic stability control. (M) = metallic paint. ¹ Natural Resources Canada rates the 2009 2.4L Kia Rondo with a 60L fuel tank at 7.5L/100 km in highway driving. ² Best of 2009, Greencars.org. ³ Service available in the 10 provinces and three territories of Canada, and the 48 contiguous states of the U.S. Monthly subscription sold separately after three trial months. ⁴ Bluetooth[®] technology-enabled cell phone required.

2010 SPORTAGE

Ready, willing and able

What does it take for your drivers to get where they need to go with everything they need to take? On any road, in any weather, Kia Sportage is the answer.

Rugged and Reliable
Sportage comes with a choice of 4-cylinder or V6 power and available Torque-on-Demand® all-wheel drive to go wherever your drivers need to go – whether that's over potholed city streets or back-country trails.

Satisfying and Safe
Sportage is tough on the outside. But inside, it's all about satisfying roominess, comfort and driving pleasure. The first-

class cabin includes available heated leather seating, a standard AM/FM/CD/MP3 audio system with auxiliary audio and USB jacks, and split-folding rear seats that open up a total of 1,887 litres (66.6 cu. ft.) of cargo space.

Sportage also comes with a wide array of standard safety features including 6 airbags, a 4-wheel disc anti-lock braking system, traction control and electronic stability control. And Sportage earned a top-ranked quadruple 5-star rating in crash tests conducted by the U.S. government's National Highway Traffic Safety Administration (NHTSA).¹

2010 BORREGO

Power, capability and elegance

Borrego is elegance – an executive class, 7-passenger SUV with heated front seats, available leather trim and luxurious power amenities. Borrego is also a rugged, 4-wheel-drive service vehicle with available V8 power and a segment-leading 3,402 kg (7,500 lb.) trailer towing capacity.¹

Much to Choose
Borrego is available with a smooth, 276-horsepower V6 matched to a 5-speed Steptronic automatic transmission or a 337-horsepower V8 and 6-speed Steptronic combination with segment-leading fuel economy.² Available dual-zone automatic climate control, keyless push-button engine start

and a power tilt and telescopic steering column exemplify the luxury that senior-management drivers are looking for.

Safety is Paramount
Borrego comes with 6 standard airbags, plus a driver's knee airbag on V8 models. And Borrego features a long list of collision-avoiding and control-enhancing technologies, like hill assist control and downhill brake control for confident towing on hilly terrain; electronic stability control with rollover sensing; traction control; 4-wheel-disc anti-lock brakes; and a tire pressure monitoring system. All at no extra cost.

Crash Test Rating
NHTSA - Frontal and side impacts

2010 SEDONA

Maximum versatility, maximum protection

Kia didn't invent the minivan. But we're pretty sure we've perfected it with the fleet-friendly Sedona.

Roomy and Safe

Whether your drivers are working on company time or renting for a family getaway, Sedona has them covered. With spacious seating for 7 and up to 4,007 litres (141.5 cu. ft.) of cargo space, Sedona is a front-line fleet minivan. And with a quadruple 5-star NHTSA crash safety rating and a Top Safety Pick selection from the U.S. Insurance Institute for Highway Safety in 2009, Sedona is a safety leader.

No Compromises

Sedona's powerful 250-horsepower V6 engine and 5-speed Steptronic automatic transmission deliver top-notch performance, even with a full passenger or cargo load. Supported by fully independent suspension at all 4 wheels, Sedona tracks tight and rides smooth for better comfort and control. And it's available with a full range of comforts, including Bluetooth® hands-free cell phone capability¹, fully automatic dual-zone climate control, power windows for all 3 rows of seats, a rear DVD entertainment system and a back-up warning system.

SPECIFICATIONS

Engine

Type	3.8L, V6, aluminum heads and aluminum block
Valve gear	24-valve, DOHC, Continuously Variable Valve Timing (CVVT)
Horsepower	250 hp @ 6,000 rpm
Torque	253 lb.-ft. @ 3,500 rpm
Compression ratio	10.4:1
Intake	Electronic Throttle Control (ETC)
Transmission	5-speed Steptronic automatic with electronically controlled overdrive

Dimensions, mm (in.)

Wheelbase	3,020 (118.9)
Track (front/rear)	1,685/1,685 (66.3/66.3)
Height (with/without roof rails)	1,830/1,760 (72.0/69.3)
Width	1,985 (78.1)
Length	5,130 (202)
Ground clearance	167 (6.57)
Head room (front/middle/rear)	1,041/1,010/973 (40.9/39.8/38.3)
Shoulder room (front/middle/rear)	1,606/1,660/1,537 (63.2/ 65.3/60.5)
Leg room (front/middle/rear)	1,059/1,040/864 (41.7/40.9/34.0)
Hip room (front/middle/rear)	1,504/1,673/1,273 (59.2/65.9/50.1)
Turning diameter (curb to curb), m (ft.)	12.1 (39.6)

Body & Chassis

Layout	Front engine, front wheel drive
Body type	Steel unibody
Front suspension	MacPherson strut, coil springs, anti-roll bar
Rear suspension	Multi-link with struts, coil springs
Steering	Rack-and-pinion, power assist

Brakes

Type	4-wheel disc, electronic brake distribution (EBD)
ABS	4-sensor, 4-channel
Front, mm (in.)	297 (11.7) vented disc
Rear, mm (in.)	302 (11.9) solid disc

Curb Weight, kg (lb.)

5-speed automatic transmission	1,990-2,107 (4,387-4,646)
--------------------------------	---------------------------

Capacities, L (cu. ft.)

Passenger volume	4,879 (172.3)
Cargo capacity (behind 3 rd row)	912 (32.2)
Cargo capacity (3 rd row stowed)	2,268 (80.1)
Cargo capacity (3 rd row stowed & 2 nd row removed)	4,007 (141.5)
Fuel tank capacity, L (imp. gal.)	80 (17.6)

Fuel Economy*

(Hwy/City), L/100km (mpg)	8.8/13.2 (32.1/21.4)
---------------------------	----------------------

FEATURES

Sedona LX

- 16" steel wheels with full covers
- P225/70R16 tires
- Projection-type headlights
- Dual power heated body-colour mirrors
- Variable intermittent windshield wipers with de-icer
- Rear-window defroster
- Intermittent rear wiper with washer
- Tinted front windshield with sunband
- Privacy glass – side-middle/quarter/back-door windows
- Body-colour bumpers and side mouldings
- Body-colour exterior door handles
- AM/FM/CD/MP3 stereo with 6 speakers
- Audio input jacks – AUX and USB
- Bluetooth® hands-free cell phone capability¹
- Rear-seat DVD entertainment system (available)
- Air conditioning
- Air filtration system
- Power door locks
- Power front windows with driver's one-touch auto down
- Power 2nd row windows
- Tilt steering column
- Front-row folding side table with cupholders
- Battery with run-down protection
- 7-passenger seating
- Removable 2nd row sliding and reclining captain's chairs with one-touch flip-and-fold function
- 60:40 split fold-into-floor 3rd row reclining seat
- Cloth seats
- Front and 2nd row adjustable armrests
- 6 airbags
- Anti-whiplash active front headrests
- Adjustable headrests for all rows
- 4-wheel disc brakes with ABS
- Electronic brake distribution (EBD)
- 3-point seatbelts (all seating positions)
- Front seatbelt pretensioners with force limiters
- Height-adjustable seatbelt anchors (1st & 2nd rows)
- Impact-absorbing steering column
- Lower Anchors & Tethers for Children (LATCH)
- Rear child safety door locks
- Anti-theft ignition immobilizer
- Side-impact door beams
- Front & rear crumple zones

Sedona LX Convenience - features additional to (or in place of) Sedona EX

- Roof rails
- Remote keyless entry system with panic alarm
- Cruise control
- Back-up warning system
- Power 3rd row windows

Sedona EX - features additional to (or in place of) Sedona LX Convenience

- 17" 10-spoke alloy wheels
- P235/60R17 tires
- Fog Lights
- Solar control glass – windshield & front doors
- Audio controls on steering wheel
- Trip computer with compass
- 6-way power adjustable driver's seat with lumbar support
- Brake assist system (BAS)
- Electronic stability control (ESC)
- Traction control system (TCS)

Sedona EX Power - features additional to (or in place of) Sedona EX

- Dual power sliding doors
- Power adjustable pedals
- Rain-sensing wipers
- Power tailgate

Sedona EX Luxury - features additional to (or in place of) Sedona EX Power

- Power tilt and sliding sunroof
- Sirius® satellite radio (includes three month trial)²
- Automatic dual zone climate control
- Auto-dimming rearview mirror with HomeLink®
- Leather-wrapped steering wheel and gear shift knob
- Leather seats
- Heated front seats
- 2-position memory driver's seat, exterior mirrors and adjustable pedals
- Metal grain interior accents
