

2011 LEXUS

 **LEXUS**
THE PURSUIT OF PERFECTION.

the 2011 GS

Vehicle shown with available equipment.

THE PURSUIT OF PERFECTION.

It is a philosophy that extends well beyond the confines of meticulously assembled sheet metal. An approach to the automobile not as a machine, but rather, an art form. Every curve, deliberate. Every detail, inspired. And where every aspect of the ownership experience is intended to be as rewarding and accommodating as the vehicles themselves. Because while there are certainly easier ways to build an automobile, pursuing perfection is the only way to create a Lexus.

With outstanding craftsmanship and innovation in every 2011 GS, you can experience the comfort of owning a true luxury vehicle and enjoy all of life's perfect moments.

leave compromise in the rearview.

While the engines and mechanics found within the two GS models vary slightly, their DNA is the same: an abundance of power, innovation and amenities. Without a hint of sacrifice.

From the exhilarating and agile GS 350 AWD that delivers exceptional performance, control and styling, to the antithesis of compromise itself: the GS 450h. As efficient as some four-cylinder vehicles, this hybrid performs better than many conventionally powered high-performance luxury sedans.

THE 2011 GS LINE

GS 350 AWD

*3.5-litre V6, six-speed sequential-shift automatic,
Dual Variable Valve Timing with intelligence (Dual VVT-i),
full-time All-Wheel Drive (AWD).*

GS 450h

*3.5-litre V6 + high-output electric-drive motor,
Dual Variable Valve Timing with intelligence (Dual VVT-i),
Lexus Hybrid Drive.*

a sight to behold,
provided you don't blink.

One of the more remarkable performance features in the GS is its Dual Variable Valve Timing with intelligence system. By continually adjusting the intake and exhaust valve timing, it delivers greater torque on demand. And with a host of innovative handling systems, adhering to roads is second nature to the GS. The GS 450h is a hybrid vehicle like no other, boasting fewer smog-forming emissions and outstanding fuel economy while providing the advanced power and performance of the 340 hp Lexus Hybrid Drive system. The GS 350's V6 engine provides impressive power and with the added confidence and security of All-Wheel Drive, you have the sure-footed traction to handle virtually any type of Canadian weather.

AWD
ALL-WHEEL DRIVE

ice?
snow?
gravel?

check. check. check.

In conditions where traction can be at its worst, we designed the All-Wheel Drive GS 350 to be at its best. By providing each wheel a certain amount of power, depending on vehicle speed and the current driving conditions, the system can provide greater stability than two-wheel drive performance sedans. And, for even greater assurance, every GS comes with the Vehicle Dynamics Integrated Management system.¹¹ By frequently monitoring and reacting to everything from throttle position to steering angle, the system is designed to help correct for a loss of traction before it actually occurs. Peace of mind? Check.

the benefits of Hybrid technology
can be felt in many areas,
starting with your right foot.

Of all the benefits of the hybrid system on the GS 450h, the most noticeable is likely the one you've heard the least about: seamless, instantaneous power. The GS hybrid combines a high-torque electric motor with a powerful 3.5-litre V6 engine for dynamic performance. The electric motor instantly propels you forward. As you gain speed, the combustion engine seamlessly engages, propelling you even faster than any Lexus outside of the IS F or LFA.

LEXUS
HYBRID
DRIVE

ahead of the
pack, as well as
its time.

LIGHT-SENSITIVE INSTRUMENTATION

For improved visibility, the instrument panel was designed with an innovative system that uses a sensor located in the rear window to detect the amount of light shining into the cabin. When the system detects a potential for glare, it automatically adjusts the transparency level of the instrument faces accordingly.

ADAPTIVE FRONT HEADLAMPS

To help illuminate more of the road when driving on curves at night, the Adaptive Front Lighting System can pivot the left headlamp up to 15 degrees and the right headlamp up to 5 degrees.

SMARTACCESS¹⁶

A vehicle that looks forward to the drive as much as you do. This advanced wireless system uses sensors in and around the vehicle and a pocket-sized keyless transmitter to sense when you're approaching the vehicle. To unlock the door, simply touch the handle. The system also features another driver's convenience: push-button engine starting.

remarkable control, even on the inside.

With a performance car, much is made of handling. How it handles winding roads, straightaways and the like. But what about on the inside? Does it offer the same level of control? The GS, for instance, offers drivers and front passengers 10 separate ways to adjust their seating. Even more if you consider the customizable heating and, in the GS 450h ventilation controls. Through Bluetooth® technology,⁶ the GS can also connect to compatible cell phones for hands-free calling. And, with the available voice-activated HDD Navigation System,¹ you can transfer your contact list and find many business destinations by phone number alone.

LEXUS

countless reasons to
own a GS. including
26,000 we can
personally vouch for.

As exquisite as the final product is, the process of becoming a GS is far from indulgent. In the factory where the GS is built, there are 26,000 separate tasks that can be certified as done correctly. Everything from paint inspection—a task first completed by a team of 200 craftsmen and then by a computer that takes and analyzes thousands of images—to the correct placement of a grommet. Because before it can ever earn the right to be called your Lexus, it must earn the right to be called a Lexus, period.

MARK LEVINSON®³

The engine isn't the only thing that's precision-tuned. This available premium surround sound system was designed specifically to the acoustics of the GS interior. With 14 speakers, a 7.1-channel architecture and 330 watts of maximum power at less than 0.1% THD, 20-20,000 Hz,⁹ it delivers an unparalleled listening experience.

HAND-SELECTED WOOD

For optimal consistency of colour and grain throughout the cabin, every piece of golden bird's-eye maple, or red walnut is hand-selected and polished to perfection.

EXQUISITE LEATHER

To ensure that the perforated or semi-aniline leather trim in your GS is of the highest quality, nearly a dozen tests are administered beforehand. For example, to test for fading, it's subjected to a simulation of a decade's worth of ultraviolet rays in four weeks. And, for durability, it's frozen to 40 below to test for cracking.

THE DEALERSHIP EXPERIENCE

When you visit one of our dealerships, make yourself at home by helping yourself to a beverage and internet access.[†] When picking up your new Lexus, our associates will make the transition seamless. We can help you with everything from setting your favourite radio stations to connecting and transferring your compatible cell phone's contacts to the available *Bluetooth*[®] system on your vehicle. Rest assured your car will experience the finest treatment as well, with a complimentary car wash with every service.

CLUB LEXUS

A complimentary Club Lexus membership is offered to all new, pre-owned or leased Lexus owners. Club Lexus provides an exceptional compilation of services, offers, special events, and pertinent information that's of interest to Lexus drivers. You can also view your service history, the status of your factory warranty or Extra Care Protection (ECP) coverage, and the current status of your Lexus Financial Services (LFS) loan or lease. Sign up today and start taking advantage of all of the features at www.clublexus.ca.

LEXUS LIFESTYLE COLLECTION

Enhance your ownership experience even further with the "The Lexus Lifestyle Collection" Catalogue. Every year, Lexus assembles a wide range of brand name products that exemplify the finest design and craftsmanship in the world, which include designer luggage, Lexus apparel, stunning watches, Royal Doulton Glassware and much more. An exceptional item can be found for every driver.

To learn more about the various exclusive services that Lexus offers, please visit www.lexus.ca.

SERVICE COMMITMENT

On top of enjoying the highest quality product, Lexus also delivers through a professional Dealer network, a unique and uncompromising level of after-sales service: First Class Service Concept. The highest level of professionalism and vehicle support ensure that the Lexus ownership experience is as luxurious as the vehicles.

MAINTENANCE

We offer the first two scheduled maintenance services at no charge to you. The first service at 1,600 km will include a thorough vehicle inspection and a road test. The second inspection at 8,000 km will include a change of engine oil and oil filter.

EXTRA CARE PROTECTION

Extend beyond the new vehicle warranty and enhance your peace of mind with Lexus Extra Care Protection.

WARRANTY

Our Lexus Warranty Comprehensive Coverage includes:

- 48 months/80,000 km (includes tires).
- Hybrid-Related Components: 96 months/160,000 km (applies to battery control module, hybrid vehicle control module, hybrid battery and the inverter/converter).
- Powertrain: 72 months/110,000 km.
- Corrosion Perforation: 72 months/unlimited kilometres.
- Major Emission Control Components: 96 months/130,000 km.

Please see your Lexus Dealer for details.

Lexus will even provide five days of alternate transportation if your vehicle is required to stay at the dealership for an extended period of time due to a warrantable condition.

ROADSIDE ASSISTANCE

As a proud owner of a Lexus vehicle, you won't have to worry about obtaining assistance when mishaps requiring Emergency Roadside Service or Mechanical Breakdown Towing are needed. Throughout Canada and the continental U.S., our Central Emergency Roadside Services Operator will always be there to ensure you receive prompt, efficient services from one of the many facilities qualified under our approved Roadside Assistance Program. Twenty-four hours a day, 365 days a year, we will be there to help.

[†]Internet is available in most Lexus locations.

STANDARD LUXURY FEATURES

LUXURY AND CONVENIENCE

SmartAccess¹⁶ with push-button Start/Stop
Dual-zone automatic climate control with interior air filter, smog sensor and automatic recirculation mode
Lexus Memory System with three settings to control power driver's seat (except lumbar), outside mirrors and steering wheel
Power tilt-and-telescopic steering wheel with automatic tilt-away
Power tilt-and-slide moonroof with one-touch open/close and sliding sunshade
Power windows with one-touch auto open/close
Retained accessory power for windows and moonroof
Electrochromic (auto-dimming) inside rearview mirror with compass
Adaptive Variable Suspension (AVS) (GS 450h)
Power door locks
Driver footwell lamp, glove box and trunk lamp
Door courtesy lamps
Hybrid blue accented front headlamps, rear tail lamps, logos and badges (GS 450h)
Cruise control
Premium illuminated entry system
Accessory power outlet (12v)
HomeLink^{®17} universal transceiver to operate compatible garage, gate, home lighting and home security systems
Lexus Personalized Settings (LPS) to customize select electronic functions
Rear spoiler (GS 450h)
Privacy glass
Exterior glass with UV reduction
Power rear window sunshade (GS 450h)
Intuitive Parking Assist (GS 450h)
One wallet size smart card key (GS 450h)

SEATING AND TRIM

Golden bird's-eye maple or red walnut interior trim
Premium leather-trimmed interior (GS 450h)
Leather-trimmed interior (GS 350 AWD)
Leather-wrapped steering wheel and shift knob
10-way driver's and front passenger's (including lumbar) power seats
Heated front seats (GS 350 AWD)
Heated and ventilated front seats (GS 450h)
Height-adjustable headrests for all seats
Carpeted floor mats

COMMUNICATION, AUDIO AND NAVIGATION

HDD Navigation System¹ including voice command, colour LCD display with integrated backup camera² and enhanced Bluetooth[®] capability⁶ (GS 450h)
Mark Levinson[®] 14-speaker, 330-watt @ less than 0.1% THD, 20–20,000 Hz⁹
Premium Surround Sound Audio System³ with 7.1-channel architecture and in-dash, single-feed, six-disc DVD/CD auto-changer (GS 450h)
Satellite roof-mounted fin antenna
Integrated XM[®] Satellite Radio¹⁴
Lexus 10-speaker Premium Sound System with digital sound processor, Automatic Sound Levelizer (ASL) and in-dash, single-feed, six-disc CD auto-changer (GS 350 AWD)
In-glass antenna with FM-diversity system
USB and auxiliary iPod^{®5}/MP3/Windows Media Audio (WMA) port

INSTRUMENTATION AND CONTROLS

Steering-wheel-mounted audio and display controls
Liquid-crystal multi-information console display
Electroluminescent instrumentation
Outside temperature gauge, water temperature gauge, digital compass (GS 450h)

STANDARD SAFETY AND SECURITY FEATURES

SAFETY

Four-wheel ventilated power-assisted disc brakes
Electronic Controlled Braking (ECB) (GS 450h)
Four-sensor, four-channel Antilock Braking System (ABS)
Vehicle Dynamics Integrated Management (VDIM)¹¹ with cutoff switch
Vehicle Stability Control (VSC)¹¹
Traction Control (TRAC)
Brake Assist (BA)¹²
Electronic Brake-force Distribution (EBD)
Direct Tire Pressure Monitor System¹⁴
Adaptive Front Lighting System (AFS)
Driver's and front passenger's dual-stage airbag system (SRS)¹⁵
Front seat-mounted side airbags (SRS)¹⁵
Front and rear side curtain airbags (SRS)¹⁵
Driver's and front passenger's knee airbags (SRS)¹⁵
Rear-seat side airbags (SRS)¹⁵ (GS 450h)
Active front headrests⁷
Three-point seatbelts for all-seating positions, pre-tensioners with force limiters for front and outboard rear seats
Automatic Locking Retractor/Emergency Locking Retractor (ALR/ELR) seatbelts for front and outboard mounted rear passenger seating positions. Emergency Locking Retractor (ELR) only for driver's seat and centre rear passenger seating position
Height-adjustable front shoulder belt anchors
Child Restraint Seat (CRS) tether anchor brackets for rear outboard seating positions
Rigid body structure with front and rear crumple zones
Side-impact door beams
Reinforcements in pillars and door sills
Impact-dissipating upper interior trim
High-Intensity Discharge (HID) headlamps with dynamic auto-levelling
Headlamp washers
Integrated foglamps
Light Emitting Diode (LED) rear taillamps
Rear-window defroster with auto-off timer
Water-repellent front-door glass
Rain-sensing intermittent windshield wipers with mist cycle
Power-adjustable, outside mirrors with defoggers, puddle lamps, integrated turn indicators and auto tilt-down in reverse

SECURITY

Vehicle theft-deterrent and engine-immobilizer system, with in-key transponder (GS 450h)
Emergency interior trunk release
Tool kit
First aid kit

OPTION PACKAGES

Power rear window sunshade

PREMIUM PACKAGE GS 350 AWD

- Voice-activated HDD Navigation System¹ with backup camera²
- Heated and ventilated seats
- Intuitive Parking Assist
- Rear spoiler

ULTRA PREMIUM PACKAGE GS 350 AWD

Includes Premium Package, plus:

- Mark Levinson[®] 14-speaker, 330-watt @ less than 0.1% THD, 20-20,000 Hz⁹ Premium Surround Sound Audio System³ with 7.1-channel architecture and in-dash, single-feed, six-disc DVD/CD auto-changer
- Rear-seat side airbags (SRS)¹⁵
- Power rear window sunshade
- One wallet size smart card key

ACCESSORIES

F-Sport exhaust system

- Block heater
- Cargo liner (GS 350 AWD)
- F-Sport big brake kit
- F-Sport exhaust system
- F-Sport shift knob
- F-Sport sway bars
- 18-inch G-Spyder alloy wheels

THE BEST WAY TO FINANCE YOUR NEW GS – EASILY, QUICKLY, AFFORDABLY.

LEXUS Financial Services • Lexus Financial Services does nothing but finance or lease Lexus vehicles; thus, we know financing and we know Lexus. • Our interest rates are fully competitive and our terms flexible (up to 72 months). • Since we offer Web services, you can: A: check out our rate; B: save time by getting credit approved on-line – before checking out the vehicle(s) of your interest. • Finally, one-stop shopping (at all Lexus Dealerships) saves you time. We invite you to visit us at lexus.ca or call us at 1-800-26-LEXUS.

LEXUS CANADA. Every effort has been made to ensure the specifications and equipment shown are accurate based on information available at time of printing. In some cases, certain changes in standard equipment, options or product delays may occur, which would not be reflected in this brochure. Lexus Canada reserves the right to make these changes without notice or obligation. Your Lexus Dealer is the best source for up-to-date information.

CLUB LEXUS Lexus invites you to join us in Club Lexus, a very exceptional compilation of services, offers, special events and pertinent information available only to Lexus owners. To register for Club Lexus, please visit lexus.ca or call 1-800-26-LEXUS.

Lexus is always looking for new ways to be respectful of the environment. As part of this effort, this paper contains post-consumer recycled material and has earned the Mixed Sources label as designated by the Forest Stewardship Council.

1. The Navigation System is designed to assist in locating an address or point of interest. Discrepancies may be encountered between the system and your actual location. Road system changes may affect the accuracy of the information provided. Rely on your common sense to decide whether to follow a specified route. Detailed coverage not available for every city or roadway. Periodic updates available at an additional cost. See your Navigation System *Owner's Manual* for further details. Navigational systems in some vehicles are available with bilingual capability. XM NavTraffic® requires a monthly service fee and is designed to provide real-time traffic or alternative routes of travel. NavTraffic will only be available in Montreal, Vancouver and Toronto. Both Montreal and Vancouver will only have incident data and Toronto will have both incident and flow data. **2.** The backup camera, available only with the Navigation System, does not provide a comprehensive view of the rear area of the vehicle. You should also look around outside your vehicle and use your mirrors to confirm rearward clearance. **3.** Mark Levinson is a registered trademark of Madrigal Audio Labs, Inc. a division of Harman International. **4.** Functioning Satellite Radio requires a compatible receiver and monthly service fee. Please see your Lexus Dealer for further details. Reception of satellite signal may vary depending on location. **5.** iPod is a registered trademark of Apple Inc. **6.** Lexus tests certain Bluetooth® capable phones for compatibility with Lexus vehicles. Please see your Lexus Dealer for details. Note that the recommendation of Lexus is not a warranty of the performance for any phone and that some problems may occur with any type of handset based on the phone software version or the service coverage available in your area. Some vehicles equipped with Bluetooth® technology are available with bilingual capability. **7.** Active headrests can help reduce the extent of whiplash in certain types of rear-end collisions. **8.** Ratings achieved using the required premium unleaded gasoline with an octane rating of 91 or higher. **9.** Continuous average power, all channels driven, at less than 0.1% THD; 20-20,000 Hz. **10.** FUEL CONSUMPTION RATING. These estimates are based on the Government of Canada's approved criteria and testing methods. The actual fuel consumption of the vehicle may vary. Refer to the Government of Canada publication *EnerGuide Fuel Consumption Guide*. **11.** Vehicle Stability Control (VSC) and if applicable Vehicle Dynamics Integrated Management (VDIM) are electronic systems designed to help the driver maintain vehicle control under adverse conditions. They are not substitutes for safe driving practices. Factors including speed, road conditions and driver steering input can all affect whether VSC and VDIM will be effective in preventing a loss of control. Please see your *Owner's Manual* for further details. **12.** Brake Assist is designed to help the driver take full advantage of the benefits of ABS. It is not a substitute for safe driving practices. Braking effectiveness also depends on proper brake-system maintenance and tire and road conditions. **13.** HAC is designed to help minimize backward rolling on steep ascents. This system is not a substitute for safe driving judgment and practices. Factors including speed, grade, surface conditions and driver input can all affect whether HAC will be effective in preventing a loss of control. Please see your *Owner's Manual* for further details. **14.** The Lexus Tire Pressure Monitor alerts the driver when tire pressure is critically low. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge; do not rely solely on the monitor system. Please see your *Owner's Manual* for details. **15.** All the airbag ("AB") systems are Supplemental Restraint Systems. All ABs (if installed) are designed to inflate only under certain conditions and in certain types of severe collisions: frontal and knee ABs typically inflate in frontal collisions; side and side curtain ABs in side collisions; Roll-Sensing Curtain ABs at a severe tilt degree, roll or lateral G-force. In all other accidents, the ABs will not inflate. To decrease the risk of injury from an inflating AB, always wear seatbelts. Do not use a rearward-facing child seat in any front passenger seat. Please see your *Owner's Manual* for further information/warnings. **16.** The SmartAccess system may interfere with some pacemakers or cardiac defibrillators. If you have one of these medical devices, please talk to your doctor to see if you should deactivate this system. **17.** HomeLink is a registered trademark of Johnson Controls. **18.** Maximum output indicates engine plus HV battery output.

Vehicles in this brochure shown with optional equipment. Some features mentioned and/or shown in this brochure may only be available as part of an optional package.

Under very cold conditions, the operation of some vehicle electronic systems using liquid crystal technology (such as CD, DVD, NAV and Audio displays) may be adversely affected until a warmer interior vehicle temperature is reached.

Lexus reminds you to place small children in CSA-approved car seats - in the rear seats, to always wear your seatbelts, and to drive safely.
