## WHAT DO YOU DRIVE?

Is it inspiring?

What were the people who built your car thinking?

Are they just another behemoth car maker following the rules?

Or do they break them?

Do they push the boundaries of tradition and habit to achieve the unachieved?

Are they insightful craftsmen,

obsessing over the details with a crazed passion?

Building less - building better - for a discerning few?

Are you one of the few

who cares about what you drive,

how it drives

and the way it makes you feel?

We're with you.

Because we believe if it's not worth driving, it's not worth building.

We build Mazdas.

What do you drive?

### Total command, whether you're hands-on or hands-free.

From the time your MAZDA6 detects your presence via the remote keyless entry system, its focus is on you, the driver. The available 8-way, power-adjustable driver's seat† remembers your personal settings. Hands-free devices help you keep your hands - and focus - on the road. And high-quality materials make sure you're ready for the long haul. It's a cockpit designed to focus on you, even before your hand touches the shifter.

#### Bose® Centerpoint® Surround Sound

The 10-speaker Bose® Centerpoint® Surround Sound System creates an immersive, 360° sonic experience, optimizing sound output while also minimizing space and weight.‡

#### Voice-Activated Navigation

Also available on the MAZDA6 GT models is an in-dash, voice-activated navigation system. Its multi-command memory function and touch-screen LCD display help you get around more easily and safely.

#### Bluetooth® Hands-free Phone and Audio

Make calls, access voicemail, listen to music - all hands free - via your Bluetooth®-compatible phone or MP3 player.

#### Dual-zone automatic climate controls

Dual-zone automatic climate controls† let you and your co-pilot set separate levels for maximum individual comfort.

†Available on the GS-I4 with Comfort Package or GS-L, standard on all other models.  
‡Available on the GT-I4 with Luxury Package, standard on the GT-V6.

## Confidence to the core.

At the very essence of MAZDA6 is the love of driving. But you can't fully experience that enjoyment without feeling confident behind the wheel. Engineered to give you reassuring stability and control, the MAZDA6 features a suite of active safety features. Plus, Mazda's "Triple H" construction and six air bags help provide impressive impact protection. And available Xenon HID headlights (GT models), driver's side auto-dimming mirror (GT-I4 Luxury Package and GT-V6) and standard Tire Pressure Monitoring System (TPMS) help you watch out for potential trouble. Confidence - delivered from the inside out.

### "Triple H" Body Construction

By adding extra steel reinforcements to critical areas of the body, Mazda's "Triple H" construction system enhances structural integrity, impact protection and handling. The MAZDA6 also uses high-tensile steel, which weighs less than conventional steel, allowing for less body weight with no loss of overall strength and crash protection.

### Stability & Control

Most often used in turn situations, the Traction Control System (TCS) helps avoid slip by applying more power to the outside wheels. And when the Dynamic Stability Control\* (DSC) detects loss of steering control, it applies the brakes to help "steer" you in your intended direction.

\*Dynamic Stability Control is not a substitute for safe driving practices.

### Advanced Braking

Electronic Brake Force Distribution (EBFD) automatically applies force to the 4-wheel disc ABS brakes based on changing road conditions, helping to keep you in control.

### Air Bags

Six air bags come standard on the MAZDA6. Dual front air bags, front side air bags and side air curtains help keep you safe in case of a collision or rollover.†

†Always wear your seat belt and secure children in the rear seat in appropriate child restraints.

### Blind-Spot Monitoring System\*

Changing lanes shouldn't require a leap of faith. MAZDA6's Blind-Spot Monitoring System‡ uses radar sensors to detect objects in your left or right blind spot and then alerts you with a warning light that appears in the appropriate side mirror - for extra peace of mind when you're ready to make your move.

\*Always check your mirrors. Be aware of traffic around you. ‡Available on the GT-I4 with Luxury Package and standard on the GT-V6.

**MAZDA WARRANTY** The basic warranty on MAZDA6 covers all parts found to be factory defective for 3 years or 80,000 km, whichever comes first. Additional warranties cover powertrain components for a period of 5 years or 100,000 km, whichever comes first, body sheet metal perforation for 5 years and unlimited mileage and specific emission control components for up to 8 years or 128,000 km. Exclusions from coverage are limited to maintenance items or adjustments (repairs not requiring parts replacement) on vehicles over 12 months old and repairs due to normal wear and tear. Ask your Mazda Dealer for additional information.

**ROADSIDE ASSISTANCE PROGRAM** As part of our commitment to your total satisfaction, 2013 MAZDA6 owners are automatically enrolled in our Roadside Assistance Program. Roadside Assistance protects your MAZDA6 for the duration of the 3-year basic limited warranty. Should you require assistance during this period, our service will help to get your vehicle back on the road and minimize any inconvenience. For complete details on this program, see your Mazda Dealer.

**MAZDA MOBILITY ASSISTANCE PROGRAM** Mazda Canada believes that vehicle access is vital for everyone. Under this program, physically challenged customers who purchase or lease a new, unused Mazda vehicle may be eligible to receive assistance from Mazda Canada Inc. to aid with the cost of acquiring and installing adaptive driving aids on their vehicle. For complete details on this program, see your Mazda Dealer.

**MAZDA TEST-DRIVE EXPERIENCE** Exhilaration begins with the Mazda Test-Drive Experience - a uniquely designed road trip engineered to take you miles beyond the ordinary test-drive. Down local streets, on-ramps, highways and off-ramps. Through straightaways, S-curves and corners. It's all about putting a Mazda to the test under real-world conditions. It's about discovering the superb acceleration, braking, steering, handling and ride quality that every Mazda offers. And rediscovering that fun, connected-to-the-road feeling we call Zoom-Zoom.

**READY TO ROLL** Our pre-delivery commitment means every new Mazda is checked out, gassed up and fitted with floor mats.

**FINANCING WITHOUT THE FUSS** Whether you're buying or leasing a new Mazda, or a used vehicle, Mazda Financial Services can help make the financing process more convenient and satisfying. Mazda Financial Services is known for first-class customer service, a wide range of financing options and highly competitive rates. To find out which purchase or lease plan is right for you, talk with your Mazda Dealer, or visit [mazda.ca](http://mazda.ca).

For peace-of-mind motoring, we've created the Mazda Added Protection Plan (M.A.P.). M.A.P. complements your Mazda Limited Warranty for up to 7 years or 160,000 km, and protects you from unexpected repair expenses and the rising cost of repairs. All M.A.P. plans include Personal Budget and Repair Inflation Protection. In addition, all M.A.P. plans include Premium Roadside Assistance, which extends the roadside assistance coverage offered during the new-vehicle limited-warranty period throughout the M.A.P. term. The Premium Roadside Assistance offers Towing, Winching, Battery Boost, Out-of-Fuel Coverage, Tire Service, Lockout Service, Emergency Travel Expense Reimbursement and Travel Planning and Dealer Locator. Should you ever decide to sell your Mazda vehicle, M.A.P. is transferable to future owners and will enhance the resale value of your vehicle. The Mazda Added Protection Plan is fully backed and administered by Mazda Canada Inc. For more information, please contact your Mazda Dealer.

Ask your dealer about Mazda's competitive program for recent university and college graduates.
