

SUSTAINABILITY MEETS DESIGN.

Discover Original BMW i Accessories.

Cable Manager

Keep charging cables organized. The Cable Manager is the ideal addition to the Wallbox and standard charging cable.

Key Cover

A comfortable-feeling key cover that is specifically designed to protect the key from scratches. Key cover also glows in the dark for easy visibility at night.

Collapsible Box

Convenient folding bag that is perfect for carrying everyday items such as shopping bags, sports equipment or travel gear.

Board Bag

Stay organized with a folding waterproof and lightweight bag. Useful for storing items such as the charging cable and BMW Car Care products.

Transport Net

Flexible, tear-resistant, and keeps objects of various sizes from sliding around or falling down while driving.

Cable Bag

Lightweight cable bag designed for daily use. Comes equipped with a microfibre cloth to keep the cable clean.

Luggage Compartment Protection

Protects the luggage compartment from getting dirty, and in just a quick move it can be converted into a handy box for storage.

Function Cover

Convenient double-sided cover that is water-repellent on one side to protect the interior from dirt and moisture, and a fleece side that can be used as a picnic blanket.

Climate Cover

Protects against dirt, scratches, ice and snow. Creates a comfortable interior climate with the reduction of heat build up when parked in bright sunlight.

All-Weather Floor Mat

Combines functionality with innovative design and durable materials. Perfectly fits the footwell and floor trim and protects from dirt, moisture and wear.

Sunshade & Sunblind (for rear & side windows)

Provides shade from direct sunlight, creating a more comfortable interior environment.

Cold Weather Wheel Package

Dress up your BMW i vehicle with wheels specifically engineered for Canadian cold weather driving conditions.
