DECEMBER 2014

BMW 2 SERIES COUPÉ.

THRILL SEEKER.

Aerodynamic wedge-shaped contours, a long hood and short overhangs give the BMW 2 Series Coupé a track-bred look. The 322hp M235i – with its M-specific chassis tuning, Adaptive M Suspension, Variable Sport Steering and more – is the first M Performance automobile offered in Canada. In addition to sporting prowess and elegance, the 2 Series offers seating for four adults, enhanced rear-seat access and a wealth of storage compartments and trunk space.

BMW 2 SERIES CABRIOLET. TOP DROPPER.

In the all-new Cabriolet, vigorous 2 Series performance meets the allure of nature with a softtop that comes down in only 20 seconds. In the 228i xDrive, the 241hp engine takes you from 0–100 km/h in 5.6 seconds, harnessed to a smooth, efficient 8-speed sport automatic transmission. Premium materials abound, such as available leather seating with Sun-Reflective Technology that stays cooler in the sun. The M Sport Line and an array of packages personalize your BMW 2 Series Cabriolet, to keep your pleasures perfectly balanced inside and out.
