

2019 MAZDA CX-9

# WELCOME TO THE CLUB.

A Mazda is never just a Mazda.  
It's a feeling.

It's a shot of anticipation just  
before you press start.

It's that urge to take one last  
look as you walk away.

It's the notion that a vehicle  
should move your body  
as well as your soul.

It's a love affair with the road.  
Any road.

It's a knowing glance that  
passes between Mazda drivers.

It's the feeling that you don't just  
own a Mazda, you have a lifelong,  
irrevocable membership in  
The Clubhouse of Driving Passion.

**POWERFUL, EFFICIENT AND  
A JOY TO DRIVE**

The 2019 CX-9 is a finely crafted three-row, seven passenger crossover SUV that is designed to impress in every way. From its powerful SKYACTIV-G 2.5 T Dynamic Pressure Turbo engine, vibrant handling and outstanding fuel economy to its innovative amenities, spacious cabin and sophisticated design cues, the CX-9 invites you and your passengers to love the journey ahead. Whether you're navigating rush-hour traffic or taking the road trip of a lifetime, this SUV delivers a level of refinement and joyful driving made specifically for drivers like you.

**AS EXHILARATING TO LOOK AT AS IT IS TO DRIVE**

Extraordinary design creates a powerful presence. Athletic elegance is expressed in a muscular stance, elongated hood and tapered roofline. In front, a five-sided grille, signature wing and piercing headlight design make a dramatic impression.

**Julien Montousse**  
**MAZDA NORTH AMERICAN OPERATIONS DESIGN DIRECTOR**

"Mazda's design philosophy is based on the idea of breathing life into the car's form, creating an emotional bond between driver and his or her car. Combine this belief with our passion for craftsmanship and you begin to see why we view the process of creating Mazda cars as a work of art."

A stylized, handwritten signature of the Mazda logo, written in white ink.

**魂動**

KODO: SOUL of MOTION

Shown with available accessory Roof Rails.

# SKYACTIV TECHNOLOGY

## ENGINEERING RESULTS

From outstanding fuel economy and great horsepower and torque, to nimble handling not typically found in a full-size SUV, it all starts with our groundbreaking SKYACTIV TECHNOLOGY. The CX-9 comes with our SKYACTIV-G 2.5 T Dynamic Pressure Turbo engine, distinguished by higher levels of power at lower levels of rpm. Engineering innovations like the 4-3-1 exhaust manifold and closely controlled high-flow exhaust gas mean you enjoy a powerful and smooth acceleration from the moment you step on the pedal. It's a level of fluid and immediate power specifically designed to make your driving experience better. Add a towing capacity of up to 1,588 kg (3,500 lbs) to this powerful engine, and what you do and where you go are truly up to you.

## EXCEPTIONAL COMBINED FUEL ECONOMY

UP TO AN ESTIMATED

L/100 KM CITY\*      L/100 KM HWY\*  
**10.6 / 8.4**

L/100 KM COMBINED\*  
**9.6**

## BEST-IN-CLASS STANDARD TORQUE†

**310** LB FT

## DRIVING EXHILARATION UNLIKE ANY OTHER

SKYACTIV-VEHICLE DYNAMICS with award-winning G-Vectoring Control (GVC) works behind the scenes, to help achieve a smoother, less fatiguing drive for you and your passengers by subtly adjusting engine torque and shifting vehicle weight during everyday commutes and spirited drives. Now with even more improvements to steering and handling, you'll enjoy steering that is more precise and a ride that is more comfortable for drivers and passengers alike.

## CONSPICUOUS UNCONSUMPTION

The CX-9 is engineered with SKYACTIV TECHNOLOGY to maximize driving dynamics and minimize carbon footprint. This principle guided us to reduce the weight of the new CX-9 by over 113 kg (250 lbs), yet improve performance and achieve an exceptional combined fuel economy rating.\*

## SKYACTIV-VEHICLE DYNAMICS

To turn the entire driving experience, including driving on a straight line, turns and halts, into a truly harmonious experience, Mazda integrated control of the car's key components to strengthen the *Jinba Ittai* driving feel.

## MORE CONFIDENCE

Due to irregularities and undulations in the road surface, your vehicle does not always travel along the expected line, forcing you to make steering corrections. With GVC, your CX-9 responds to driver inputs with fewer steering adjustments, so your vehicle behaves as you intend and you enjoy a more confident drive.

## MORE COMFORT

Fatigue steadily builds as you continue to make minor steering corrections. GVC helps alleviate these corrections, especially over long distances. Plus, smooth transitions between g-forces suppress head and body sway, allowing for a more comfortable ride for you and your passengers.

## ENHANCED PEACE OF MIND

GVC enhances handling, stability and the feeling of the tires gripping the road. You'll gain an even greater feeling of control and security during evasive manoeuvres as well as in rain, snow and on poor road surfaces.

[mazda.ca/skyactiv](http://mazda.ca/skyactiv)

\*Fuel consumption values were determined using approved test methods based on EnerGuide fuel consumption ratings published by Natural Resources Canada. Your actual fuel consumption may vary depending on how, where and when you drive. For comparison purposes only.

†The 2019 CX-9 achieves best-in-class standard torque as compared to 2018 and 2019 model year vehicles at their base MSRP within the intermediate SUV segmentation in Canada at time of brochure creation.

## ALL-WHEEL-DRIVE PEACE OF MIND

Feeling safe and in control behind the wheel is essential. In the CX-9, the available, predictive i-ACTIV AWD\* system automatically helps you navigate ever-changing road conditions. A multitude of sensors actively monitors and forecasts your vehicle's operating conditions. Everything from the outside temperature and windshield wiper use, to accelerating and braking patterns, is used to predict when AWD might be needed to help deliver ideal traction before the wheels slip. Plus, now many i-ACTIVSENSE safety features come standard on CX-9s equipped with AWD.

\*Optional on the GS model and standard on the GS-L, GT and Signature models.

## CONFIDENT DRIVING IS BETTER DRIVING

i-ACTIV AWD empowers you on all terrains and road conditions. One example: If you drive over a patch of snow, the i-ACTIV AWD system goes into action immediately. The electromagnetic control coupling instantly distributes torque between front and rear axles, reducing wheel slippage and helping you stay on your intended path. It's complex technology that simply delivers greater grip.

## CANADA'S WORST CONDITIONS ARE OUR BEST TEST

When meticulous engineering meets an unwavering commitment to quality, the result is unmistakably Mazda. We test in some of Canada's most extreme climates and conditions to ensure our vehicles can withstand the elements.

MAZDA3 model shown.

### CORROSIVE CLIMATES

With salt water blowing off the ocean, and more hydrogen in the air than normal, Halifax is the perfect storm for corrosion. That's why we recruit Mazda owners from Halifax and assess how their vehicles fare against the climate.

> **SKYACTIV-Body:** In contrast to traditional car bodies, the fluid design and unique curvature of our SKYACTIV-Body eliminates many right angles and brackets where moisture can seep in. This dramatically minimizes opportunities for corrosion.

### EXTREME COLD

The frigid temperatures and dramatic snowfalls of Lac Saint-Jean, Quebec, help us test for the immediate effects of cold weather. This helps us ensure the reliability of our vehicles in the most extreme winter conditions.

> **Engine Insulation:** We seal our engines on the bottom and insulate them on the top to further protect them from the elements. This enclosure also ensures that heat radiates more quickly for optimal engine performance, even in freezing cold temperatures.

### WINTER ROADS

Montreal uses a destructive combination of salt and gravel on icy roads. This mixture can chip the paint, exposing metal that can be vulnerable to corrosion. We test here so that our vehicles are prepared for this threat.

> **Zinc-Coated Steel:** We fortify areas of our vehicles that are especially vulnerable to corrosion with plates of zinc-coated steel. This specialized metal makes corrosion nearly impossible, offering your vehicle added protection.

#### THE DRIVER'S SUV

To create the ultimate driver's cockpit, we considered every detail. From the moment you sit down, personalized settings in your 10-way power-adjustable driver's seat<sup>†</sup> help keep you comfortable on long and short commutes, while the ventilated front seats\* wick away warm air from the driver's and front passenger's backs to keep both cool. A modern, uncluttered instrument panel sharpens your focus on the road ahead. Everywhere you look reflects sophisticated, driver-centric design.

To help you feel connected to the road, the available colour Active Driving Display\* projects key driving, safety and navigation information on the windshield, directly in your line of sight. The available 7-inch colour meter display\* helps keep drivers connected to the road. While the HMI Commander switch on the centre console allows you to easily control the functions on your MAZDA CONNECT infotainment system - all viewable on your full-colour display.

\*Standard on the GT and Signature models.  
†Standard on GS-L, GT and Signature models.

#### SMALL DETAILS MAKE A BIG IMPRESSION

Subtle touches of light create a unique experience with the available luminous signature front grille accent lighting\* and interior LED lighting details<sup>†</sup>. Available 20-inch wheels evoke a stately stance<sup>‡</sup>. Even the available power folding door mirrors add a touch of luxury<sup>†</sup>.

\*Standard on the Signature model.  
†Standard on the GT and Signature models.  
‡Standard on the GS-L, GT and Signature models.

### CAREFULLY CRAFTED DETAILS

The CX-9 Signature is our most distinguished combination of premium materials and elegant design yet. Inside, you'll find rich handcrafted materials such as Nappa leather-trimmed seats, genuine aluminum and genuine Santos Rosewood trim. Other premium touches include frameless rearview mirror, signature front grille accent lighting and interior LED lighting that illuminates the seats, door pockets and door pulls, creating a soothing interior ambiance. Every detail is designed to elevate your driving experience.

### SEVEN SEATS. COUNTLESS MEMORIES

Be ready for any family outing with generous passenger space and creative storage options. From the moment your passengers step in, configuring the seats to accommodate your day is effortless. Simply use the release lever to tilt and slide the second-row seat forward to access the third row - without the need to remove an installed child seat.

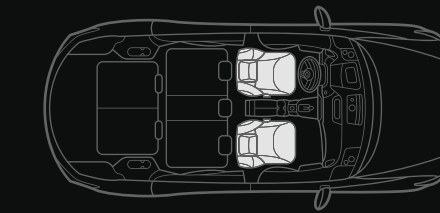

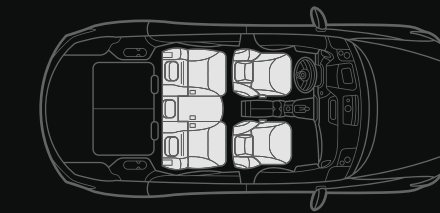

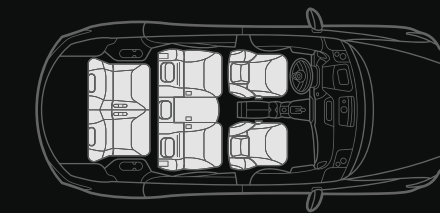

When you're ready to transform the CX-9 for an adults' night out, keep essential items close, but out of the way with a multitude of hidden storage spaces in the console, centre armrests, glove compartment, seatback pockets and bins at the bottom of the doors.

### THERE'S ALWAYS ROOM FOR MORE

Abundant space provides limitless passenger and cargo flexibility. Fold down the third-row seatbacks and take advantage of a generous 1,082 L of space\* - plenty of room for three large suitcases, a few shopping carts of groceries and five comfortable passengers. For even more space, fold down the second-row's 60/40-split fold-flat seatback for a total of up to 2,017 L - room for spontaneous outings whenever, wherever. With the push of a button, the available height-adjustable power rear lift-gate† provides effortless access to your cargo.

\*Please remember to properly secure all cargo.  
†Standard on the GS-L, GT and Signature models.

## INFOTAINMENT AT YOUR LEISURE

From internet connectivity apps to the MAZDA CONNECT infotainment system, hands-free phone, audio, navigation and internet connectivity options make staying informed and entertained effortless. Everything is easily controlled using the convenient multifunction HMI Commander control and viewable full-colour display. And new, available SiriusXM Traffic Plus and Travel Link services\* will help keep you informed of major road incidents, construction and road closures, weather, local fuel prices and more.

### ENTERTAIN

Enjoy integrated music, phone calls, text and email messaging, map functionality and more with Android Auto™ - a safe and convenient way to connect your smartphone to the CX-9 while staying focused on the road. Apple CarPlay™ gives you access to Apple Music, Apple Maps, Siri and more from your iPhone. Plus, enjoy integrated Aha™ and Stitcher™ internet radio apps.

### COMMUNICATE

With voice commands, making and receiving calls is as easy as pushing a button and saying hello. Bluetooth® enables streaming from your internet-connected device. And SMS text message audio delivery and reply allows you to enjoy fully integrated text display and audible readout.†

### NAVIGATE

Get around town - or out of town - easily with our available factory-integrated Mazda Navigation System\*. Enjoy the advanced features of today's navigation devices such as 3D interactive map with step-by-step audio directions.

### HMI COMMANDER CONTROL

## CUSTOM SOUND DESIGN

To create a customized, premium sound experience for the CX-9, Mazda and Bose® collaborated closely and considered hundreds of factors, from cabin size and materials to seat positioning and the unique sound variances of today's digital devices. Featuring Centerpoint® 2 surround technology, the available Bose® Premium Sound System† harmonizes music perfectly within the CX-9's cabin structure with the 12 high-performance speakers and Bose® SurroundStage® signal processing and AudioPilot® 2 noise compensation. No matter where you sit in the CX-9, enjoy rich clarity and imaging.

\*Standard on GT and Signature models and available with accessory SD card on GS and GS-L models.  
†Standard on the GT and Signature models.

‡Standard on the GT and Signature models with complimentary 5-year trial subscription.  
▼Distracted driving is dangerous and illegal. Drivers are responsible for safe driving practices. Only use connected devices when it is safe and legal to do so.

**BY REDUCING NOISE, WE ENHANCED THE SOUND**

The 2019 CX-9 elevates your driving experience even further with more improvements to sound and vibration absorption. High-speed driving delivers outstanding quietness and fluidity. Additional sound-absorption materials have been added to the roof and cargo area. Alongside recent improvements to sound insulation, whether you're enjoying the peace and quiet of driving alone or trying to better hear the conversations of your passengers within the cabin, every effort was made to make driving less distracting and more relaxing.

Shown with available accessory Roof Rails.

## ***i-ACTIVSENSE***

### **WITH THREE ROWS OF PRECIOUS CARGO, SAFETY MUST COME FIRST**

Driving is more enjoyable when your vehicle feels like a safe haven in a hectic world. The Mazda CX-9's comprehensive suite of available safety features, like the new 360° View Monitor, and standard and available proactive i-ACTIVSENSE safety features use sophisticated technologies like cameras and radar sensors to help you get a better sense of your surroundings, making you more aware of hazards on the road.

### **360° VIEW MONITOR**

NEW. To help assist drivers with manoeuvres where it's harder to see, the 360° View Monitor\* helps deliver safer, broader visibility from all angles. Using four cameras on the front sides and rear, and eight parking sensors, an image of the area around the vehicle is displayed on the MAZDA CONNECT touchscreen with Top View, Side View and Front Wide View and Rear View modes. An alarm sounds when near obstacles while driving at a low speed or while parking. It's 360 degrees of confidence, regardless of time of day or weather condition.\*

### **SMART CITY BRAKE SUPPORT (SCBS)**

When travelling at speeds between about 4 and 30 km/hour, SCBS detects objects ahead and prepares the vehicle for braking by adjusting brake pads closer to the disc and automatically applies brakes if a collision is imminent. When paired with Smart Brake Support (SBS), the system can also detect pedestrians at speeds between 10 and 80 km/hr. Standard on all CX-9 models.

### **ADVANCED BLIND SPOT MONITORING (ABSM) AND REAR CROSS TRAFFIC ALERT (RCTA)**

The Advanced Blind Spot Monitoring (ABSM) system<sup>▲</sup> uses radar sensors to detect objects in your left and right blind spots, then alerts you with a warning light in the corresponding side mirror. When backing up, Rear Cross Traffic Alert (RCTA)<sup>▲</sup> detects a vehicle approaching from the side and alerts the driver with an audible warning and a visual warning in either side mirror and on your centre console display screen. Standard on all CX-9 models.

### **LANE-KEEP ASSIST SYSTEM (LAS)**

When it senses a potential unintentional lane departure, the available Lane-keep Assist System (LAS)<sup>†</sup> will perform minor steering corrections to help guide your CX-9 back to the centre of the lane.

### **LED HEADLIGHTS WITH ADAPTIVE FRONT-LIGHTING SYSTEM (AFS)**

With the available Adaptive Front-lighting System (AFS)<sup>\*</sup>, the headlights pivot up to 15 degrees in the direction of your turn, improving visibility and allowing you to spot potential hazards and dangers ahead.

### **MAZDA RADAR CRUISE CONTROL WITH STOP & GO FUNCTION (MRCC WITH STOP & GO FUNCTION)**

Mazda Radar Cruise Control with Stop & Go function<sup>†</sup> judges the relative speed and distance to the car ahead, right down to 0 km/hour, to maintain a safe following distance.

### **ADDITIONAL i-ACTIVSENSE FEATURES**

**SMART BRAKE SUPPORT (SBS)<sup>†</sup>**

**TRAFFIC SIGN RECOGNITION SYSTEM (TSR)<sup>\*\*</sup>**

**DISTANCE RECOGNITION SUPPORT SYSTEM (DRSS)<sup>†</sup>**

**HIGH BEAM CONTROL SYSTEM (HBC)<sup>†</sup>**

**LANE DEPARTURE WARNING SYSTEM (LDWS)<sup>†</sup>**

\*Standard on the GT and Signature models.

†Standard on all CX-9 models with i-ACTIV AWD system.

‡TSR functionality may not be compatible with all regional road signs in Canada.

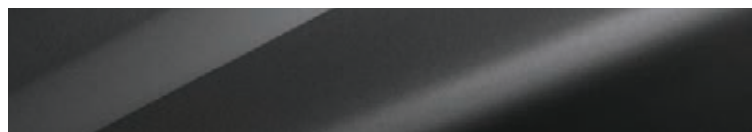

▲Always check your mirrors. Be aware of the traffic around you.

◆360° View Monitor may not provide a comprehensive view of the entire area surrounding the CX-9. Always visually check your surroundings. See Owner's Manual for further details.

## MAZDA CX-9 COLOURS

## MAZDA CX-9 UPHOLSTERY

Black Cloth (GS)

Black Leather (GS-L, GT)

Sand Leather (GS-L, GT)

Chroma Brown Nappa Leather (Signature)

## MAZDA CX-9 WHEELS

18" dark grey high-lustre alloy wheels (GS)

20" light grey high-lustre alloy wheels (GS-L, GT, Signature)

## MAZDA CX-9 GS

Includes the following features:

SKYACTIV-G 2.5 T 4-cylinder engine with Dynamic Pressure Turbo (DPT)  
 Horsepower SAE net: 250 @ 5,000 rpm (with 93 octane fuel)  
 Horsepower SAE net: 227 @ 5,000 rpm (with 87 octane fuel)  
 Torque SAE net lb-ft: 310 @ 2,000 rpm  
 SKYACTIV-Drive 6-speed automatic transmission with manual-shift mode and Drive Selection switch  
 G-Vectoring Control (GVC)  
 Front-wheel drive  
 Front independent MacPherson strut suspension with coil springs and stabilizer bar  
 Rear independent multi-link suspension with coil springs and stabilizer bar  
 Rack-and-pinion steering with engine-rpm-sensing variable power assist  
 Electronic Parking Brake (EPB)  
 Anti-lock Brake System (ABS) with Electronic Brake Force Distribution (EBFD)  
 Power-assisted four-wheel disc brakes  
 Dynamic Stability Control (DSC)  
 Traction Control System (TCS)  
 Trailer Stability Assist (TSA)  
 Hill Launch Assist (HLA)  
 Roll-Over Stability Control (RSC)  
 Smart City Brake Support (SCBS)  
 Advanced Blind Spot Monitoring (ABSM)  
 Rear Cross Traffic Alert (RCTA)  
 Tire Pressure Monitoring System (TPMS)  
 Dual front and side air bags and dual side air curtains  
 Integrated rear seat child safety seat lower anchors & upper tethers  
 Engine immobilizer theft-deterrent system  
 3-point safety belts for all occupants  
 18" dark grey high-lustre alloy wheels with 255/60R18 all-season tires  
 Temporary spare tire  
 LED headlights  
 LED daytime running lights  
 Automatic on/off headlights  
 Automatic headlight levelling  
 LED rear combination lights  
 Turn signal indicator on door mirrors  
 Body-coloured door handles  
 Body-coloured power-operated heated door mirrors  
 Body-coloured rear roof spoiler  
 Body-coloured rear roof spoiler  
 Privacy glass on rear door glass, quarter glass and rear gate glass  
 Manually foldable door mirrors  
 Dual chrome exhaust tailpipe finishers  
 7" colour touchscreen display with MAZDA CONNECT  
 HMI Commander switch  
 Apple CarPlay™  
 Android Auto™  
 AM/FM/HD radio with 6 speakers  
 USB ports (2) and auxiliary audio input jack  
 Bluetooth® with Audio Profile  
 Steering-wheel-mounted audio and Bluetooth® controls  
 Steering-wheel-mounted cruise controls  
 Navigation-ready (requires navigation SD-card accessory)  
 Integrated Aha™ Internet Radio functionality†  
 Integrated Stitcher™ Internet Radio functionality†  
 SMS text message function†  
 Rearview camera (wide angle)  
 Keyless entry  
 Push Button Start

Tilt and telescopic steering wheel  
 Noise-isolating windshield  
 Noise-isolating glass (driver and front passenger windows)  
 Day/night rearview mirror  
 Variable intermittent rain-sensing windshield wipers  
 Intermittent rear wiper  
 Rear window defroster  
 3-zone automatic climate control  
 Rear climate controls with display  
 Rear heater ducts  
 Illuminated window switches  
 Driver's and passenger's sunvisors with covered vanity mirrors and extensions  
 Illuminated entry  
 Cargo area light  
 Front centre console with armrest and storage  
 Dual front cup holders, dual 2nd row cup holders and four 3rd row cup holders  
 Rear centre armrest  
 Driver's and passenger's single seatback pockets  
 Concealed luggage compartment storage box  
 Overhead console with sunglasses storage  
 Custom CX-9 embroidered floor mats  
 Gauge illumination dimming control  
 Exterior temperature gauge  
 Trip computer  
 12-volt power outlets (2)  
 Remote fuel door release  
 Warning lights for low fuel level, low windshield washer fluid, door ajar, check engine, oil pressure, parking brake, high beams and safety belts  
 Premium cloth upholstery  
 Adjustable heated front seats with 3 settings  
 8-way power-adjustable driver's seat (includes power driver's lumbar support)  
 4-way manually adjustable front passenger's seat  
 Reclining 2nd row seats  
 60/40-split folding 2nd row seatback  
 50/50-split folding 3rd row seatback  
 Leather-wrapped steering wheel  
 Leather-wrapped shift knob

### GS OPTIONS

#### AWD

i-ACTIV AWD (all-wheel drive) (includes the below i-ACTIVSENSE features)

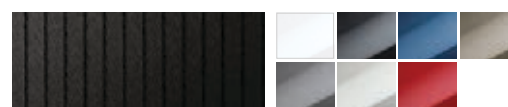

AWD badge on lift-gate

#### i-ACTIVSENSE Features (standard with i-ACTIV AWD)

Mazda Radar Cruise Control with Stop & Go function (MRCC with Stop & Go function), Smart Brake Support (SBS), Pedestrian Detection (forward sensing), Distance Recognition Support System (DRSS), Forward Obstruction Warning (FOW), Lane Departure Warning System (LDWS), Lane-keep Assist System (LAS), High Beam Control system (HBC), and colour multi-information display (MID).

## MAZDA CX-9 ACCESSORIES. IT'S YOUR MAZDA - MAKE IT YOUR OWN.

Customize your new CX-9 with Mazda Genuine Accessories. When installed by your Mazda Dealer prior to or at initial vehicle retail delivery, Mazda Genuine Accessories carry the same new-vehicle limited warranty as your new Mazda. Ask your dealer for details.

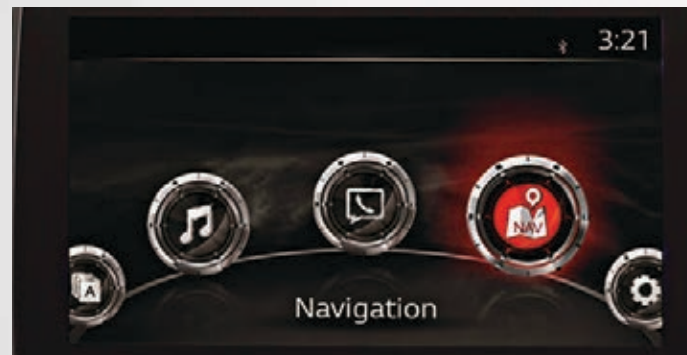

### ROOF RACK

This versatile Roof Rail and Crossbar system\* is a foundation for holding all sorts of gear. It can accommodate a range of specific attachments to carry things like bikes, skis, snowboards and more.

### LED FOG LIGHTS

Shed extra light on the road and help make your drive easier in hazardous conditions such as fog, rain, snow or dust with long-lasting, cool-running, energy-efficient LED fog lights.

### NAVIGATION SYSTEM

This convenient system integrates with your Mazda's display screen to offer advanced lane guidance and a 3D interactive map – all with the ability to be controlled with voice commands.

### PREMIUM FLOOR LINERS

Combine style and function with our custom-fitted premium floor liners. Features patented anti-skid fibre technology, a striking design, and will protect your CX-9 for years to come.

### FRONT & REAR BUMPER TRIM

When it comes time to put a personalized touch to your CX-9, there's no substitute for Front and Rear Chrome Bumper Trim. It will create a distinctive and sportier look specifically designed for your Mazda, manufactured to the highest standards of quality and tested for precise fit and finish.

VISIT [MAZDA.CA](http://MAZDA.CA) FOR ACCESSORY OPTIONS.

\*Please remember to properly secure all cargo. Vehicle may not be exactly as shown.

ANTI-PERFORATION  
UNLIMITED MILEAGE WARRANTY**

Mazda Unlimited features unlimited mileage for our 3-year New Vehicle, 3-year Roadside Assistance, 5-year Powertrain and 7-year Anti-Perforation warranties, so you can focus on every thrilling moment spent behind the wheel instead of the odometer.

### What does Mazda Unlimited mean for you?

- Added confidence in the quality of the product you are driving
- Added protection, knowing Mazda will be there, kilometre after kilometre
- Added value, knowing that if you ever sell, trade or upgrade to a new vehicle during the warranty period, **Mazda Unlimited** will be transferable to the new owner
- Added peace of mind, knowing that there are no limits to how far you can go

**Mazda**  
**UNLIMITED**  
 CANADA'S ONLY UNLIMITED  
 MILEAGE WARRANTY  
 STANDARD ON ALL NEW MODELS

## A SHARED LOVE OF EXHILARATION

Mazda is the proud sponsor of Canada Snowboard, one of Canada's premier athletic organizations. We share these athletes' passion for mastering both the sport and the artistry of being a champion snowboarder.

We share their pursuit of authentic exhilaration.

Watch these exhilarating athletes in action at:

## WE'RE MORE THAN A DEALERSHIP. WE'RE A CLUBHOUSE.

We're the clubhouse where Mazda enthusiasts unite. Where a passion for driving meets vehicles made for driving.

Where every Mazda dealership team knows that passion inside and out.

From that first initiation rite of a soul-rousing test drive, to every drive you take and every customer service visit you make.

### WELCOME TO THE CLUBHOUSE OF DRIVING PASSION.

**FINANCING WITHOUT THE FUSS** Whether you're buying or leasing a new Mazda, or a used vehicle, Mazda Financial Services can help make the financing process more convenient and satisfying. Mazda Financial Services is known for first-class customer service, a wide range of financing options and highly competitive rates. To find out which purchase or lease plan is right for you, talk with your Mazda Dealer or visit [mazda.ca](http://mazda.ca).

**MAZDA ROADSIDE ASSISTANCE PROGRAM** As part of our commitment to your total satisfaction, 2019 CX-9 owners are automatically enrolled in our Roadside Assistance Program. Roadside Assistance protects your CX-9 for the duration of the 3-year basic limited warranty. Should you require assistance during this period, our service will help to get your vehicle back on the road and minimize any inconvenience. For complete details on this program, see your Mazda Dealer or visit [mazda.ca](http://mazda.ca).

**MAZDA MOBILITY ASSISTANCE PROGRAM** Mazda Canada believes that vehicle access is vital for everyone. Under this program, physically challenged customers who purchase or lease a new, unused Mazda vehicle may be eligible to receive assistance from Mazda Canada Inc. to aid with the cost of acquiring and installing adaptive driving aids on their vehicle. For complete details on this program, see your Mazda Dealer.

**MAZDA TEST-DRIVE EXPERIENCE** Exhilaration begins with the Mazda Test-Drive Experience - a uniquely designed road trip engineered to take you miles beyond the ordinary test-drive. Down local streets, on-ramps, highways and off-ramps. Through straightaways, S-curves and corners. It's all about putting a Mazda to the test under real-world conditions. It's about discovering the superb acceleration, braking, steering, handling and ride quality that every Mazda offers. And rediscovering that fun, connected-to-the-road feeling we call Zoom-Zoom.

**READY TO ROLL** Our pre-delivery commitment means every new Mazda is inspected, gassed up and fitted with floor mats.

**ADDED  
PROTECTION**

For peace-of-mind motoring, we've created Mazda Added Protection Plan (M.A.P.) extended warranty plans. M.A.P. plans complement your Mazda Limited Warranty and protect you from unexpected repair expenses and the rising cost of repairs. All M.A.P. plans include Personal Budget and Repair Inflation Protection. In addition, all M.A.P. plans include Premium Roadside Assistance, Tire Road Hazard coverage and OEM Collision Part Coverage. Premium Roadside Assistance extends the roadside assistance coverage offered during the new-vehicle limited-warranty period throughout the M.A.P. term. The Premium Roadside Assistance offers Towing, Winching, Battery Boost, Out-of-Fuel Coverage, Tire Service, Lockout Service, Emergency Travel Expense Reimbursement and Travel Planning and Dealer Locator. Should you ever decide to sell your Mazda vehicle, M.A.P. is transferable to future owners and will enhance the resale value of your vehicle. The Mazda Added Protection Plan is fully backed and administered by Mazda Canada Inc. For more information, please contact your Mazda Dealer.

**GRADUATE  
PROGRAM**

Ask your dealer about Mazda's competitive program for recent university and college graduates.

Product changes and options availability: Following publication of this brochure, certain changes in equipment, options, specifications, prices and other information may have occurred which would not be reflected in these pages. All information included in this brochure is based upon the available information at the time of publication. Although such information is believed to be correct at the time of publication, accuracy cannot be guaranteed. Your Mazda Dealer is your best source for up-to-date information.
