

2022 MAZDA CX-3

## WELCOME TO THE CLUB.

A Mazda is never just a Mazda.  
It's a feeling.

It's a shot of anticipation just  
before you press start.

It's that urge to take one last  
look as you walk away.

It's the notion that a vehicle  
should move your body  
as well as your soul.

It's a love affair with the road.  
Any road.

It's a knowing glance that  
passes between Mazda drivers.

It's the feeling that you don't just  
own a Mazda, you have a lifelong,  
irrevocable membership in  
The Clubhouse of Driving Passion.

## HIROSHIMA SPIRIT

Mazda shares a special history and spirit with Hiroshima, Japan. As the birthplace of Mazda, Hiroshima constantly inspires us to rise above any challenge, pushing us to achieve more than anyone could have imagined. We have built a global company from the ground up. We have developed innovations that others deemed impossible, from the rotary engine to Skyactiv Technology and beyond. Most of all, we have never strayed from our belief in the power of human potential. We give all of ourselves: we use our hands to craft and create things that matter, that have soul, that transfer our energy to you. To heighten your state of being.

## MAZDA CX-3

Beautiful design and thoughtful engineering heighten your senses through a unique connection between driver and machine. Everything must work seamlessly to create balance and precision. The 2022 Mazda CX-3 embodies this approach – with stunning lines, new available black cladding<sup>1</sup> exterior and available LED headlights and rear signature lighting,<sup>2</sup> making it look just as good standing still as it does in motion. Throughout the cabin, clean insightful design helps eliminate distraction. On the road, the intuitive handling of the CX-3 leaves you feeling invigorated and ready to engage with the world around you.

<sup>1</sup>Standard on the GT model.  
<sup>2</sup>Available on the GS model with Luxury Package and standard on the GT model.

## KODO: "SOUL OF MOTION"

Our design philosophy is simple, yet highly challenging to accomplish: Capture energy in motion, even at a standstill. With curves and angles so striking, they command your attention through a mere glance. Exciting you by the anticipation of what's to come. Eliciting this kind of instant emotional response requires a human touch. Created for humans by humans. Eliminating all that is unnecessary, leaving only what is beautiful. Transferring the energy of the maker into every nuance. We call this Kodo: "Soul of Motion" design. A dynamic sense of motion that urges you to get behind the wheel and experience the unique energy that can only come from a Mazda.

## THE HUMAN TOUCH

The Mazda Takumi are the artisans and craftsmen who hone their skills for years, even decades, to achieve mastery. From their first sketch to the final stitch, their passion, patience and persistence are poured into every design. The Takumi masters are so highly skilled, they instinctually use their sight, as well as their touch, to ensure that every curve is perfectly proportioned to their final vision. A process that continues until this human energy breathes life into the vehicle. From designer to driver, this connection ultimately creates an enriching emotional bond between you and your Mazda.

## EMBRACING WHAT IS MOST ESSENTIAL

As you enter the Mazda CX-3, you'll appreciate Japanese essentialism firsthand. All extraneous details have been stripped away to accentuate motion, space and clarity. Colours work in harmony. Available materials like Grand Luxe Suede® trim and leather-trimmed upholstery are pleasing to the touch and the eye. Natural light emphasizes a continuous clean line that wraps around the entire cabin, creating a more open and calming space for you and your passengers.

## CUSTOM APPEARANCE PACKAGE

The available Custom Appearance Package on the GS model includes details that heighten the CX-3's essentialism. As well as leatherette upholstery in Pure White featuring Grand Luxe Suede® inserts in Rich Tan, the package includes Grand Luxe Suede® interior accents, satin chrome inner door handles and vent bezels with Pure White inner ring accent, unique design 16-inch alloy wheels, exterior mirrors and front grille in Gloss Black, and more.

GS model with Custom Appearance Package shown.

<sup>1</sup>Don't drive while distracted or while using a hand-held device.

<sup>2</sup>Wireless Apple CarPlay is standard on the GT model.

## DESIGN WITH A SINGLE FOCUS: YOU

The 2022 Mazda CX-3 is artfully crafted around you – the driver. With each carefully engineered detail, from the steering wheel centred to your body to the ergonomic floor-mounted gas pedal, the car becomes seamlessly connected to you. Every dial, button and knob throughout the cockpit is positioned for optimal interaction. And the Mazda Connect<sup>1</sup> infotainment system comes with Apple CarPlay<sup>TM</sup> and available wireless Apple CarPlay<sup>TM2</sup> integration allows effortless voice access to your iPhone's maps, playlists, contacts and compatible apps through Siri. For Android users, Android Auto<sup>TM</sup> integration is also standard. Everything you need is a tap or voice command away – enhancing the bond between you and your drive.<sup>1</sup>

## TO HEIGHTEN YOUR SENSES, WE CREATED A FEW OF OUR OWN

Sophisticated safety innovations that alert you to hazards and help you avoid collisions – or lessen their impact – is the ingenious thinking behind i-Activsense. This intelligent suite of available safety features<sup>1</sup> such as Advanced Blind Spot Monitoring (ABSM), Smart City Brake Support Front (SCBS-F), Rear Cross Traffic Alert (RCTA) and Adaptive Front-lighting System (AFS)<sup>2</sup> helps improve your visibility and awareness of the road. These are subtle adjustments and alerts that help create a confident experience behind the wheel.

<sup>1</sup>i-Activsense safety features are not a substitute for safe and attentive driving. There are limitations to the range and detection of each safety feature. See Specifications and Features for availability. Please see your Owner's Manual for further details.  
<sup>2</sup>Available on the GS with Luxury Package and standard on the GT model.

## CONFIDENCE WHEN YOU NEED IT MOST

We've never been satisfied with the status quo. We refuse to do things the way they have been done for years. Which is why our available all-wheel drive system is created to perform like no other. Breakthrough technology that helps predict the unexpected. This is i-Activ AWD.<sup>1</sup> Inventive engineering that helps detect the possible loss of traction by actively monitoring everything from outside temperature and windshield wiper usage to the driver's steering and braking inputs. The Mazda CX-3 helps you drive confidently in the snow and rain and improves performance on dry roads too.

<sup>1</sup>Optional on the GS model and standard on the GT model.

## MORE POWER, MORE EMPOWERMENT

Skyactiv Technology enables us to orchestrate what we believe to be the ideal driving experience. From the chassis to the transmission to the engine and beyond, we've designed every single aspect of our cars to be powerful, efficient and intuitive to your needs. Every effort has been made to enhance the joy from driving through a completely holistic, smarter approach: Skyactiv Technology. Bringing car and driver together to create an inherent connection.

We build every Mazda to inspire. How you feel is our rule of measurement. We believe driving should be effortless. And that joy should be found in every turn and every straightaway. We believe driving should exhilarate every fibre of your being. Because it can. And this is why we built the CX-3.
